**RE: CFTC Regulation 40.6(a) Certification. Adoption of CME, CBOT, NYMEX, and COMEX Rule 543 and Amendments to CME, CBOT, NYMEX, and COMEX Rules 930.C. and 960.
NYMEX Submission No. 16-009 (4 of 5)**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(a), Chicago Mercantile Exchange Inc. (“CME”), The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”), and Commodity Exchange, Inc. (“COMEX”) (collectively, the “Exchanges”) hereby notify the Commodity Futures Trading Commission (“CFTC” or “Commission”) that they are self-certifying the adoption of new CME/CBOT/NYMEX/COMEX Rule 543 (“Restrictions on Access for Sanctioned Parties and Jurisdictions”) and amendments to CME/CBOT/NYMEX/COMEX Rules 930.C. (“Acceptable Performance Bond Deposits”) and 960 (“Omnibus and Carrying Broker Accounts”). This submission shall become effective on Thursday, January 21, 2016. The new Rule and the amendments to existing Rules will be made effective by the Exchanges on Monday, February 29, 2016.

At present, CME, CBOT, NYMEX, and COMEX Rule 981 (“Anti-Money Laundering and Economic Sanctions Compliance”) requires Clearing Members to develop a compliance program to monitor the Clearing Member’s compliance with the applicable requirements of the Bank Secrecy Act (31 U.S.C. § 5311, *et seq.*). In order to enhance compliance with applicable economic sanction regulations, CME, CBOT, NYMEX, and COMEX are adopting new Rule 543 which will apply to all parties subject to the Exchanges’ Rules. Rule 543 will prohibit access to each Exchange directly or indirectly by any sanctioned party or party located in a sanctioned jurisdiction. The text of new Rule 543 is set forth in Exhibit A, with additions underscored and deletions overstruck.

In addition, the Exchanges are amending Rule 930.C. to prohibit the use of any collateral relating to any sanctioned parties as defined in new Rule 543. This amendment is designed to address recent sanctions issued by the Office of Foreign Assets Control (“OFAC”) which included sectoral sanctions against dealing in, and providing certain equity and debt financings for, certain non-U.S. financial institutions. The amendments to Rule 930.C. is set forth in Exhibit B, with additions underscored.

The Exchanges are also amending Rule 960 to include a requirement that Clearing Members may carry omnibus accounts only for persons that have been put on notice and who have agreed that they will not act for any sanctioned party. The Exchanges believe this is necessary as the nature of the omnibus account is such that the Clearing Member may not know the identity of the underlying customers. The amendments to Rule 960 are set forth in Exhibit C, with additions underscored.

The Exchanges reviewed the designated contract market core principles (“DCM Core Principles”) and the derivatives clearing organization core principles (“DCO Core Principles”) as set forth in the Commodity

Exchange Act (“CEA” or “Act”) and identified that the new rule and rule amendments may have some bearing on the following principles:

- DCM Core Principle 2 – Compliance with Rules: The new rule and the rule amendments require that Clearing Members may carry omnibus accounts only for persons that have been put on notice and who have agreed that they will not act for any sanctioned party, require clearing members to develop a compliance program, and address recent sanctions issued by OFAC.
- DCM Core Principle 7 – Availability of General Information: The new rule and the rule amendments rules will continue to be posted publicly on the CME Group website in satisfaction of this core principle. In addition, the Exchanges will release a notice to the marketplace regarding this proposal in advance of the effective date.
- DCO Core Principle A – Compliance with Core Principles: The new rule and rule amendments will better permit the DCO and FCM clearing members to comply with rules and regulations.
- DCO Core Principle C – Participant and Product Eligibility: The new rule and rule amendments specify the rules and responsibilities of Clearing Members.
- DCO Core Principle L – Public Information: The new rule and rule amendments will continue to be posted publicly on the CME website in satisfaction of this core principle. In addition, the Exchanges will release a notice to the marketplace regarding this proposal in advance of the effective date.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges certify that the new rule and amendments to existing rules comply with the Act and regulations thereunder. There were no substantive opposing views to this proposal.

The Exchanges certify that this submission has been concurrently posted on the Exchanges’ website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
