**RE: Extension of the CME/CBOT Interest Rate Options Give Up Incentive Program  
CME Submission No. 22-021 (1 of 2)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME") and The Board of Trade of the City of Chicago, Inc. ("CBOT") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to extend the Interest Rate Options Give Up Incentive Program ("Program") through January 31, 2023. The extension the Program will become effective on February 1, 2022. All other Program terms remain unchanged.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underscored and deletions ~~overstruck~~.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, Exchange staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program does not impact the Exchanges' ability to perform its trade practice and market surveillance obligations under the CEA and the Exchanges' have implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The tiered incentives in the Program do not impact the Exchanges' order execution. Participants in the program will be selected by Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchanges rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules.

The Exchanges certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
