**RE: Implementation of the TOPIX Futures Market Maker Program  
CME Submission No. 18-029**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to implement the TOPIX Futures Market Maker Program ("Program"). The proposed Program will become effective on February 5, 2018.

Exhibit 1 sets forth the terms of this Program.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act"). During the review, Exchange staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA and the Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' obligations to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange's order execution. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to applicable regulations and the Exchange's rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

The Exchange certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

## TOPIX Futures Market Maker Program

### **Program Purpose**

The purpose of this Program is to support the development of the products listed below on the CME Globex Platform ("Globex"). The resulting increase in central limit order book liquidity benefits all participant segments in the market.

### **Product Scope**

Yen Denominated TOPIX Index futures ("TPY") and Basis Trade at Index Close ("BTIC") on Yen Denominated TOPIX Index futures ("TPB") that are traded on Globex ("Products").

### **Eligible Participants**

The Exchange may designate up to twelve (12) participants in the Program. Participants must be members or participants in the International Incentive Program ("IIP"). Prospective participants are required to submit an application/bid sheet to the Exchange as part of a competitive application process which is used to determine eligibility. In determining whether a prospective participant is selected to participate in the Program, Exchange staff may take into account a variety of factors including the strength of the quoting obligations the prospective participant is willing to commit to provide, whether Exchange staff believes that the prospective participant can maintain such obligations, and historical volume trading similar contracts. The Exchange may, from time to time, add or subtract from the aforementioned requirements as it deems necessary.

### **Program Term**

Start date is February 5, 2018. End date is January 31, 2019.

### **Obligations**

In order to be eligible to receive the Program incentives, participants must quote two-sided markets in the applicable Products, at predetermined average bid/ask spreads.

### **Incentives**

Upon meeting all obligations, as determined by the Exchange, participants may be eligible to receive predetermined incentives.

### **Monitoring and Termination of Status**

The Exchange shall monitor trading activity and participants' performance and shall retain the right to revoke Program participant status if it concludes from review that a Program participant no longer meets the eligibility requirements or fails to meet the obligations of the Program.
