**RE: Modifications to the International Cross-Asset Volume Incentive Program  
CBOT Submission No. 18-015 (2 of 4)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME"), The Board of Trade of the City of Chicago, Inc. ("CBOT"), New York Mercantile Exchange, Inc. ("NYMEX"), and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of modifications to the International Cross-Asset Volume Incentive Program ("IVIP" or "Program"). The proposed modifications to the Program will become effective on February 1, 2018.

Exhibit 1 sets forth the terms of the Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, the Exchanges' staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program and proposed modifications do not impact the Exchanges' ability to perform their trade practice and market surveillance obligations under the CEA. The Exchanges' market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. The incentives in the Program do not impact the Exchanges' order execution. Participants in the Program will be selected by the Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchanges' rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules. The Program and proposed modifications will be subject to the Exchanges' record retention policies which comply with the CEA.

CME, CBOT, NYMEX, and COMEX certify that the Program and proposed modifications comply with the CEA and the regulations thereunder. There were no substantive opposing views to this Program and the proposed modifications.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail [CMEGSubmissionInquiry@cmegroup.com](mailto:CMEGSubmissionInquiry@cmegroup.com) or contact Rachel Johnson at 312-466-4393 or via e-mail at [Rachel.Johnson@cmegroup.com](mailto:Rachel.Johnson@cmegroup.com). ## INTERNATIONAL CROSS-ASSET INCENTIVE PROGRAM

### **Program Purpose**

The purpose of this Program is to incentivize high volume proprietary trading arcades located outside North America to trade the products listed below. The resulting increase in liquidity in the products listed below benefits all participant segments in the market.

### **Product Scope**

All CME, CBOT, and NYMEX futures and options products and all COMEX futures products that are available for trading on the Globex Platform; all CME and CBOT Interest Rate futures and options products available for trading via open outcry (collectively, the "Products").

### **Eligible Participants**

There is no limit to the number of participants that may participate in the Program. Participants must be distinct legal entities located outside of North America who have registered for and are in good standing with the IIP. Wholly owned (100%) subsidiaries may register together for the Program. Separate firms (unless wholly owned subsidiaries) must be registered separately.

Additional Arcade Firm Requirements:

- Teams of individuals with joint profits and losses under a participating arcade firm must be registered and approved by the Exchanges to be eligible for discounted rates under the arcade firm. Teams that adjust their legal status for the purpose of achieving lower combined rates may not be accepted into the Program. If firms have affiliates based in North America, they must apply for an exception.
- Individual traders under the participating arcade firm must either (i) be receiving less than eighty percent (80%) of profits and losses (as required under the IIP program); or (ii) be self-funded traders who:
  - Have primary income coming from trading;
  - Pay a desk fee;
  - Primarily trade from the physical location operated by the participating arcade firm;
  - Share risk with the participating arcade firm; and
  - Register with the Exchanges as "exempt traders" and the participant arcade firm makes the exempt trader available for product notices and education.

### **Program Term**

Start date is November 1, 2012. End date is January 31, 2019.

### **Hours**

The incentives will apply to all trades made in the Products regardless of the execution time.
