**RE: Modifications to the Ultra 10-Year Futures Market Maker Program  
CBOT Submission No. 16-040**

Dear Mr. Kirkpatrick:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Ultra 10-Year Futures Market Maker Program ("Program"). The Program modifications will become effective on February 8, 2016.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

CBOT reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CBOT staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA and the Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' obligations to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange's order execution. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the CBOT rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to, applicable regulations and CBOT rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

CBOT certifies that the Program complies with CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

## Ultra 10-Year Futures Market Maker Program

### Program Purpose

The purpose of the Program is to incent market makers to enhance liquidity in the product listed below. A more liquid contract benefits all participants in the market.

### Product Scope

CBOT Ultra 10-Year futures ("Product").

### Eligible Participants

The Exchange may designate up to eight (8) participants in the Program. Participants must be CBOT members. Program participants shall not be eligible to concurrently participate in AMFIIP or the Interest Rate Portfolio Incentive Program. Potential participants are required to submit a Bid Sheet to the Exchange which is used to determine eligibility. Exchange staff will use a variety of factors in determining whether or not a potential participant is selected to participate in the Program, including past performance in similar products and the ability to commit to and maintain at least the required quoting obligations. Notwithstanding the foregoing, the Exchange may, from time to time, add to or subtract from the factors listed above as it deems necessary.

### Program Term

Start date is January 11, 2016. End date is December 31, 2016.

### Hours

RTH, ETH, ATH

### Obligations

*Minimum Quoting Obligations.* In order to be eligible to receive the Program incentives, participants must meet minimum contracted quoting obligations in the Product at designated monthly bid-ask spreads during a specified percentage of RTH, ETH, and/or ATH, in accordance with the following:

### **Monitoring and Termination of Status**

The Exchange shall monitor trading activity and participants' performance and shall retain the right to revoke Program participant status if it concludes from review that a Program participant no longer meets the eligibility requirements or fails to meet the obligations of the Program.

If the Exchange determines that a participant has not met its quoting obligations during the participant's first month of quoting, but is within twenty percent (20%) of its contracted quoting metric, the participant will be eligible to receive the incentives for that applicable month.

Excluding a participant's first month of quoting, if a participant does not meet its quoting obligations during one (1) calendar month, but is within ten percent (10%) of its contracted quoting metric, the participant will be eligible to receive the incentives for that applicable month. Participants must meet quoting obligations for all subsequent months in order to continue to receive the program incentives.

If a participant does not meet its quoting obligations in any three (3) months of participation in the Program, the participant will be removed from the Program.
