Dear Ms. Jurgens:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commodity Futures Trading Commission (the “Commission” or “CFTC”) Regulation § 40.6, DTCC Data Repository (U.S.) LLC (“DDR”) submits, by written certification, amendments to the DTCC Data Repository (U.S.) LLC Rulebook (“DDR Rulebook”), including changes to the DDR Operating Procedures, enumerated below.

- I. DDR has amended the cover page of the DDR Rulebook to update the effective date.
- II. DDR has amended DDR Rulebook Section 10.2.1.2 Notices to update subsection (b) to designate that notices should go to the attention of Counsel and add a notices email address.
- III. DDR has amended DDR Operating Procedures in the DDR Rulebook to modify the Important Legal Information provisions as follows:
 - a. Section 1 Copyright is updated to 2015;
 - b. Section 2 Terms of Use includes a new email address and the reference to requests for additional copies is deleted as the DDR Rulebook and DDR Operating Procedures are available on the website; and

- c. Section 3 Notices removes references to providing notice via email, although copies of notices may be provided to the new notices email address for information purposes.

The updates to the DDR Rulebook, including the DDR Operating Procedures, outlined in this letter are not material modifications and do not require approved by the DDR Board pursuant to DDR Operating Procedures Important Legal Information Section 3 Notices.

DDR certifies that these amendments comply with the Commodity Exchange Act and the rules and regulations promulgated by the Commission thereunder. No substantive opposing views have been expressed by Users or others with respect to the amendments. DDR further certifies that, concurrent with this filing today, a copy of this submission was posted on its website and may be accessed at: <http://www.dtcc.com/en/data-and-repository-services/global-trade-repository/gtr-us.aspx> .

As noted above, enclosed with this letter is a marked version of the DDR Rulebook and DDR Operating Procedures. If you have any questions or need further information, please contact me at 813 470-2733.
