(Eris Exchange, LLC Submission #2016-05)**

Dear Mr. Kirkpatrick:

Eris Exchange, LLC (“Eris Exchange” or the “Exchange”) hereby submits for self-certification to the Commodity Futures Trading Commission (the “Commission”), under Commission regulation 40.6(a), the following conforming amendments to the Eris Exchange Rulebook with regard to price adjustment interest (PAI). The proposed changes will become effective on March 28, 2016.

Explanation and Analysis

To better align with the expected daily publication time of the Federal Funds Data by the Federal Reserve Bank of New York, Eris Exchange is conforming its Rulebook to reflect that the Eris PAI calculation for trades will apply the overnight federal funds effective rate published on the morning of the trade date commencing at 9:15 am ET each trading day, rather than 8:30 am ET.

Description of Rule Changes

The Contract Specifications in Rule 1101 have been modified to reflect the change to the time Eris PAI is calculated and applied.

The Exchange has attached a copy of the Exchange Advisory (“Advisory”) and the text of the amended Rules, including all additions and deletions, hereto as Exhibit 1.

Core Principle Compliance

Eris Exchange has concluded that its compliance with the DCM Core Principles is not adversely affected by this change, and it will continue to comply with all DCM Core Principles.
