Re: GTX SEF LLC – Rule Amendment – Amendment to Fee Schedule

Dear Sir or Madam:

GTX SEF, LLC (“GTX SEF”) hereby notifies the Commodity Futures Trading Commission (“CFTC”) that it has amended its Participant Fee Schedule (“Fee Schedule”). The Fee Schedule will become effective on April 10, 2015.

Capitalized terms used but not defined herein have the meanings assigned to them in GTX SEF’s Rulebook.

Dues, Fees and Other Charges

GTX SEF has eliminated its monthly subscription fee of \$3,000 for all participants. Therefore, participants will pay an initial subscription fee of \$4,500.00 but no other subscription fees after this initial fee.

A clean copy of the amended Fee Schedule is attached as Exhibit A. A redline copy of the Fee Schedule is attached as Exhibit B. The amended Fee Schedule has been implemented in compliance with CFTC Regulation 37.202 and Core Principle 2.

GTX SEF hereby certifies that: (i) amended Fee Schedule complies with the Act and the Commission’s regulation thereunder, and (ii) a notice and copy of this submission is being concurrently posted on GTX SEF’s website.

Please contact me with any questions or concerns with this amendment.

Initial Ten Participants

On the seventh month following the initial six months of trading, GTX SEF will audit Participants' trading activity and determine whether it has met the minimum volume requirements for the discount program. GTX SEF will determine Participants' continued eligibility for the program based on an analysis of the prior three months trading activity. To remain eligible for the discount program, Participant's average volume over the prior three months must meet or exceed the volume threshold in Program B. After initial six months of trading, volume requirements will be evaluated based on the average volume of the three prior months of trading for the remainder of Participant's enrollment in the program. GTX SEF reserves the right to remove a Participant from the discount program if GTX SEF concludes it has not met the minimum volume requirements. If a Participant's volume does not meet the volume requirements in Program B, it may still qualify for Program A. If a Participant falls out of either program, GTX SEF will continue to audit its volume as described above for eligibility in either program.

Additional Participants

After the 10 initial participants have enrolled in the program, the additional Participants will be audited after initial month of live trading for eligibility in the program. After the initial month of live trading, GTX SEF will audit trading activity based on an analysis of the prior three months trading activity. To remain eligible for the discount program, Participant's average volume over the prior three months must meet or exceed the volume threshold in its current program. GTX SEF reserves the right to remove a Participant from the discount program if GTX SEF concludes it has not met the minimum volume requirements. If a Participant falls out of either program, GTX SEF will continue to audit its volume as described above for eligibility in either program.

Termination of the Program

GTX SEF reserves the right to terminate or alter the pricing of this program after initial six months of this program.
