**RE: CFTC Regulation 40.6(a) Certification. Amendments to CME/CBOT/NYMEX/COMEX Rule 110 (“Claims Against Membership, Application of Proceeds”).  
CBOT Submission No. 15-168 (2 of 4)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME”), The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”), and Commodity Exchange, Inc. (“COMEX”) (collectively, the “Exchanges”) hereby notify the Commodity Futures Trading Commission (“CFTC” or “Commission”) that they are self-certifying amendments to Rule 110 (“Claims Against Membership, Application of Proceeds”) to adopt 1) a definition of “Transactions on the Exchange” and 2) various other minor amendments to increase the clarity of the Rule, effective on May 22, 2015.

The main amendment to Rule 110 is intended to more clearly reflect longstanding application of the Rule to a member’s wholly-owned entities that benefit from the membership for preferential fee purposes. In order to make this clear, the Rule is being amended to adopt a definition of “Transactions on the Exchange” that includes transactions receiving preferential clearing fees as a result of the membership, regardless of the entity entitled to receipt of such preferential fees. Further, the amendment to Rule 110(e) makes clear that any public customers of a member’s wholly-owned entities receiving preferential fees may file claims against the sale of the membership to satisfy certain claims arising out of Transactions on the Exchange for which that entity is responsible for the execution of customer orders.

Additionally, the Exchanges are adopting several other revisions to clarify and harmonize the rules across the Exchanges, most notably:

- codifying the current practice of utilizing the proceeds of the sale of a membership to pay outstanding tax liens at the request of the selling member; and
- replacing language throughout the rule vesting decision-making authority in the “Market Regulation Department and the [Membership] Department” to instead vest that authority in “authorized Exchange staff.”

The Exchanges reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the amendments to Rule 110 may have some bearing on the following Core Principles:

Availability of General Information: As required by this Core Principle, the Exchanges will issue a Special Executive Report (“SER”) to the marketplace prior to the amendments becoming effective. The SER will be posted on the CME Group website.

Protection of Market Participants: Rule 110 allows for the filing of claims by public customers against the proceeds of a membership sale in circumstances where the claim is determined by Exchange staff to be based upon matters directly related to Transactions on the Exchange. The amendment to Rule 110 adopting a definition of Transactions on the Exchange is intended to codify that such claims would be permissible in the event the claim arose out of transactions for which an entity entitled to preferential clearing fees was responsible for the execution of the customer orders.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

##### 110. CLAIMS AGAINST MEMBERSHIP, APPLICATION OF PROCEEDS

For the purposes of this rule "sale" shall include a sale made pursuant to Rule 104 or a transfer made in accordance with the provisions of Rule 106; "seller" shall include owners of a membership and firms that have membership privileges pursuant to Rules 106. F., G., H., I., J., N., R. or S.; and "claim" shall be limited to claims involving incidents that occurred prior to the sale of the membership and which arose in connection with ~~T~~ransactions on the Exchange or membership in the Exchange. For the purposes of this Rule, "Transactions on the Exchange" shall include, but are not limited to, transactions receiving preferential clearing fees as a result of the membership, regardless of the party entitled to receipt of such preferential fees. Claims resulting from conduct subsequent to the sale of a membership may not be asserted against that membership or its proceeds. All claims against the ~~seller's~~ membership or ~~its~~ proceeds resulting from the sale of the membership shall be submitted in writing to the Department within 20 days of the posting of notice of the sale of said membership. At the conclusion of the 20-day claim filing period, ~~the authorized Exchange staff~~Market Regulation Department and the Department shall conduct an investigation of all claims properly filed against the ~~seller's~~ membership sale or its proceeds. This investigation shall be completed within 20 days unless the investigation cannot be resolved within that period.

The total proceeds of the sale, or in the case of a transfer, the value at the mid-point of the bid-offer spread as of the date of the transfer, of the membership shall be applied to the following purposes and in the following order of priority:

- a. Payment of all 1) debts owed to the Clearing House, if the membership transferred was assigned to the Clearing House pursuant to Rule 902; and 2) dues, fines, contributions, charges and other indebtedness ~~owed due~~ to the Exchange, the CME Gratuity Fund or GFX Corporation;
- b. Payment of any indebtedness to the clearing member who last qualified the selling member prior to the sale arising out of: (i) a pledge of such membership as collateral security on such indebtedness, or (ii) a deficit which ~~authorized the~~ Exchange staff determines to have arisen directly out of ~~T~~ransactions on the Exchange or transactions with GFX Corporation;
- c. Payment of amounts due to other clearing members on claims filed which ~~authorized the~~ Exchange staff determines to have arisen directly out of ~~T~~ransactions on the Exchange;
- d. Payment of amounts due to members and member firms on claims filed which ~~authorized the~~ Exchange staff determines to have arisen directly out of ~~T~~ransactions on the Exchange;
- e. Payment of amounts due to public customers of the seller or public customers of any party receiving preferential clearing fees as a result of the membership based on claims filed by such customers or based on reports of the Market Regulation Department, which claims are determined by ~~authorized the~~ Exchange staff to be based upon misappropriation of customer funds, improperly executed transactions, unpaid credit balances, or other similar matters, directly related to ~~T~~ransactions on the Exchange.;

No other claims against the proceeds of the sale of a membership shall be recognized and administered by the Exchange except where the seller gives the Exchange permission to use the proceeds to pay an outstanding tax lien, but the creditors of the seller of a membership not falling in the foregoing categories may pursue other legal means of securing payment of their obligations.

~~Authorized The~~ Exchange staff shall make a final determination of all claims filed in time or reported by the Market Regulation Department and the Department against the proceeds of the sale of a membership.

Except as provided in Rule 913 or where Exchange staff is aware of an outstanding tax lien, ~~the~~ Exchange staff shall make a distribution of such proceeds within 40 days after receiving notification and confirmation of the sale of the membership, unless claims to the proceeds are not resolved within that period. If, however, at such time an Exchange disciplinary proceeding is pending against the seller or any party receiving preferential clearing fees as a result of the membership, or, based upon a pending investigation, is highly probable, or if a legal proceeding, in respect to which the indemnification provisions of Rule 439 would operate, is pending, has been announced or is highly probable, then the Exchange staff shall retain so much of the proceeds as determined by staff in order to satisfy such obligations until such time as the pending matter is concluded.

Distribution of proceeds shall be made by the payment of claims in the categories listed in this rule to the extent the

proceeds from the sale are sufficient to meet those obligations. If the proceeds of the sale of a membership are insufficient to pay all amounts determined to be due under the categories listed in this rule, the proceeds shall be applied to pay the full amounts determined to be due under subparagraphs a, b, c, d and e in the priority named. If the proceeds are insufficient to pay the amounts determined to be due under any priority, the claims due under that priority shall be paid pro rata, and the remaining priorities shall be left unpaid. In determining the amount of any claim, the Exchange staff shall first deduct the fair cash value of any collateral held by that claimant. Creditors of the seller of a membership whose obligations are not fully satisfied pursuant to this paragraph may pursue other legal means of securing payment of their obligations.

The surplus, if any, shall be paid to the person whose membership was sold or his legal representative or a 106.A.-B. grantee, as applicable, upon the execution of a satisfactory release. The Exchange staff's determination and allowance of claims hereunder shall be final. The death, incompetence, expulsion, suspension, insolvency or bankruptcy of a member shall not affect the rights of claimants under this rule.
