- (b) Disqualification. Any member who does not want to make position disclosures must withdraw from the meeting before disclosure by other members begins and may not participate in the discussion of, or voting on, the matter under consideration. If such withdrawal results in the lack of a quorum, the Board or committee shall appoint an ad hoc committee comprised of those members who are not disqualified from voting and shall delegate to such ad hoc committee all the powers of the Board or relevant committee with respect to the matter under consideration. No member shall be disqualified from voting upon the appointment of an ad hoc committee solely because of positions held by such member or an Affiliated Participant of such member.

Such information shall be provided in a form and manner acceptable to the regulatory authority to which such information is being provided.

Furthermore, the SEF may enter into any arrangement with any other Person (including any governmental authority, trading facility or clearing organization) where the SEF determines that such Person exercises a legal or regulatory function under any Applicable Law or considers such arrangement to be in furtherance of the operation or duties of the SEF under Applicable Law.

Notwithstanding the foregoing, and subject to the requirements of Applicable Law, the SEF shall not use (or permit any other Person to use) Transaction Data to replicate or reverse engineer a Market Participant's trading strategies. By its use of the SEF, each Market Participant consents to such use by the SEF of Transaction Data. Any such Market Data disseminated by the SEF, or its third-party service provider, shall be disseminated in an anonymous and aggregated fashion and shall not identify the Market Participant who provided or entered into such Orders, bids, offers or Transactions, except for when such Market Data is used as the basis for price assessments by Platts in connection with its publication of prices and price indices including without limitation bids, offers, requests for quotation, and Transactions, in non-anonymous Commodity Contract markets. Participant specifically acknowledges that, with regard to any activity in non-anonymous Commodity Contract markets: (i) Participant's identity and, if applicable, its

Broker's identity, will be displayed publicly on the Platform and (ii) its bids, offers, requests for quotation, and Transactions may be reported to the public, including the CFTC or other regulatory authority, by SEF or Platts, and taken into account by Platts in determining publicly reported prices or price indices. For the avoidance of doubt, these non-anonymous Commodity Contract markets are in addition to, and will be clearly differentiated from, anonymous and confidential markets that are also available for trading on the Platform. Notwithstanding anything to the contrary in these Rules or otherwise, it is understood and agreed that any and all Market Data is the exclusive property of ICE Swap Trade or its Affiliates constituting their trade secrets.

- (b) Without limiting subsection (a), each Market Participant acknowledges and consents to the reporting to an SDR of all Transaction Data or other data required to be so reported under Applicable Law.

Rule 215. Prohibited Use of Certain Property and Data.

No Person with access to the SEF may do the following (i) copy, modify, create derivative works from, reverse engineer, reverse assemble or reverse compile any technology used to provide the Trading System or the Transaction Data displayed on, accessed through or derived from the Trading System; (ii) remove or alter any copyright, trademark, patent or other notices on the SEF; (iii) except as may be provided herein or as otherwise provided in any ICE Swap Trade Participant Documentation or Clearing Member Agreement or any other agreement, distribute, rent, sell, retransmit, redistribute, release or license the Trading System, Transaction Data, Market Data, or any part thereof to any third party or otherwise allow access by a third party (other than to its Authorized Traders, Account Managers and Customers subject to and in strict accordance with the Rules), to include its Affiliates and their Representatives; (iv) take or authorize any action that could detrimentally interfere with the proper workings of the Trading System, use any robot, spider or other device or process to monitor or copy the Trading System, or knowingly transmit any virus or other potentially harmful device in connection with its use of the Trading System; or (v) assist or encourage any third party in engaging in any activity prohibited under the Rules. No Person with access to the SEF may, other than as provided in any ICE Swap Trade Participant Documentation, Clearing Member Agreement or the Rules, (i) communicate, disclose, redistribute, or otherwise furnish (or permit to be communicated, disclosed, redistributed or otherwise furnished) all or any portion of the Transaction Data, or Market Data in any format, to any third party (other than to its Authorized Traders, Account Managers or Customers in strict accordance with these Rules), including its Affiliates; (ii) use the Transaction Data for the purposes of constructing or calculating the value of any index or indexed products or for the purpose of creating any derivative works; or (iii) make any use whatsoever at any time of the Transaction Data that could compete with the business of the SEF or its provision of the Trading System or any related services. Each Participant, Customer and Account Manager will use its

commercially reasonable efforts to ensure that its Authorized Traders maintain sole control and possession of, and sole access to, Transaction Data obtained through its access to the Trading System. Notwithstanding the foregoing, it is understood and agreed that any and all Transaction Data submitted to the Trading System by a Participant or Customer shall be the joint and non-exclusive property of the SEF and such submitting Participant or Customer, as the case may be, and the SEF shall have the right to use, sell, retransmit or redistribute such information, on an anonymous and aggregated basis, subject to the provisions of Rule 214. For the avoidance of doubt, nothing in this Rule 215 shall prevent or restrict the Participant, Customer or Non-Participant Broker from using its own Transaction Data.

- (e) If the SEF denies an application for Participant, Authorized Trader or ISV status or terminates such status in accordance with the provisions of 307(d), it shall promptly notify such Person thereof in writing, stating the reasons for such denial or termination. Within 10 Business Days thereafter, such Person may request the SEF to reconsider such decision (and may provide any relevant statements or information in connection therewith) and/or request that the SEF's Regulatory Service Provider review such denial or termination.
- (f) Any Participant, ISV or Authorized Trader may withdraw from its status as such, by filing a request therefor with the SEF in the form specified by the SEF. Such withdrawal shall not affect the obligations of such Person incurred prior to the effective date of such withdrawal or affect the jurisdiction of the SEF over such Person with respect to matters occurring or arising prior to the effective date of such withdrawal.

Rule 308. Participant User Administrators; Passwords.

- (a) Each Participant and Non-Participant Broker shall have at all times one or more "**Participant User Administrators**," and each Customer with direct access to the Platform shall have at all times one or more "**Customer User Administrators**" (together with Participant User Administrators, "**User Administrators**"). The SEF will issue to each Participant or Customer requesting access to the Platform and its/their Authorized Traders or Account Managers, a User ID enabling access to the Platform. The User Administrator shall be responsible for requesting User IDs for Authorized Traders and Account Managers and notifying the SEF of the need to terminate any previously issued User IDs to Authorized Traders and Account Managers for that Participant or Customer.
- (b) The User Administrator shall be responsible for all communications between the SEF and Participant or Customer, as applicable, with respect to User IDs and access to the Platform, and any notices or other communications sent to the User Administrator by the SEF relating to User IDs and other related administrative matters shall be binding on Participant or Customer, as applicable. The Participant or Customer will promptly notify the SEF of any change in its User Administrators.
- (c) Each Participant and Customer with direct access to the Platform acknowledges and agrees that it will be bound by any actions taken through the use of User IDs of any of its Authorized Traders or Account Managers, whether or not such actions were actually

authorized (except if such action was the result of the willful misconduct, fraud or gross negligence of the SEF). In addition, each Participant and Customer with access to the Platform acknowledges that the SEF may rely upon, and will be fully released and discharged by Participant or Customer for acting upon, any information, data, Transaction details, Orders, acknowledgements or instructions that are (i) entered, imported, transmitted or otherwise communicated under its Authorized Trader's or Account Manager's User ID (whether or not such action was actually authorized by such Participant or Customer), or (ii) are otherwise reasonably believed by the SEF to be genuine and to have been communicated or presented on behalf of Participant or Customer by an Authorized Trader or Account Manager, whether via the Platform or otherwise. Each Participant and Customer with access to the Platform acknowledges and agrees that in no event will such Participant or Customer provide a User ID to anyone other than an Authorized Trader or Account Manager of Participant or its Customer with authority to access the Platform. Each User ID must be assigned to a single, unique Authorized Trader or Account Manager of Participant or its Customer with access to the Platform, or, if the User ID is associated with an automated trading strategy/system, the User ID must be assigned to the individual who administers and/or monitors the automated trading strategy/system. In no event may a Person enter an Order or permit the entry of an Order by a Person other than the Person assigned to such User ID. Each Participant and Customer are solely responsible for controlling and monitoring the use of the User IDs issued to them. Each Participant and Customer agrees to immediately notify the SEF of any unauthorized disclosure, unauthorized use of the User ID or access to the Platform, or of the need to deactivate any User ID. In the event the SEF becomes aware that a Participant, Authorized Trader, Account Manager or Customer's User ID has become lost, stolen, or compromised, the SEF shall promptly cancel or suspend such User ID and notify the party of such action.

- (d) Any request for the deactivation of a User ID received by the SEF from a User Administrator shall be deemed effective no later than the end of the next business day after the SEF receives written notice of such request. Deactivation of a User ID may occur either (i) pursuant to the provisions of this Section 308(d) or (ii) due to the service of notice to withdraw by the Participant, ISV or Authorized Trader pursuant to the provisions of Section 307. For the purposes of this Section 308(d), any request to deactivate a User ID shall be in writing and sent by a User Administrator to ICESwapoperations@theice.com. Such request shall be deemed received by the SEF when sent from the User Administrator's electronic email address reflected in the records of the SEF.
- (e) By requesting and receiving a User ID, each Market Participant agrees that it will only use a User ID to access and use the Platform from an Authorized Jurisdiction. For the

avoidance of doubt, no Participant or Customer shall have the right to permit access to the Platform to any Authorized Traders, Account Managers, Customers or other individuals who are located in jurisdictions outside an Authorized Jurisdiction, even if Participant or such Customer is based in an Authorized Jurisdiction.

- (f) Participant agrees to provide the SEF with information related to Participant's, Customer's and their Authorized Traders' and Account Managers' use of the Platform upon the SEF's written request.
- (g) Upon request, the SEF agrees to provide the Participant with either (a) a report, to the Participant User Administrator, or such other individual(s) identified by the Participant User Administrator, with a list of all active and inactive (only as relates to any User IDs deactivated since the last provided report) Participant User IDs, or (b) a system by which the Participant User Administrator can access or download the same information as provided in (a).

- (d) A Participant, Authorized Trader or ISV shall not be entitled to assign or transfer its status as such without the prior written consent of the SEF.

- (e) All Orders entered into on behalf of a Customer must be entered by an Authorized Trader designated for such Customer by the relevant Participant; provided that a Participant may also permit its Customers to access the SEF through an ISV that provides an order routing system, where the Participant maintains appropriate controls to facilitate the Participant's management of the financial risk from such activities by its Customers. The foregoing will not prohibit a Participant from trading on behalf of another Participant.
- (f) Market Participants are required to comply with the applicable provisions of the CEA and the CFTC regulations in connection with their access to and use of the trading facilities offered by the SEF.

Rule 310. Dues, Assessments and Fees.

- (c) The SEF will provide each Participant an invoice of all such Fees on a monthly or other basis determined by the SEF from time to time, which amounts shall be due and payable as set forth in such invoice. In addition and notwithstanding anything herein to the contrary, in the event of any failure by a Participant to pay such Fees and without limitation of any other remedy, the SEF may temporarily or permanently limit, suspend or terminate such Participant's Trading Privileges and/or access to the SEF without prior notice to Participant.

Rule 311. General Notices to Participants.

The SEF may issue notices to Persons subject to the SEF's jurisdiction, pursuant to Rule 301, (including of matters arising under the Rules or the operation of the Platform) from time to time in a form and manner reasonably designed to enable each Person to become aware of the matters set forth therein. Without limiting the foregoing, the SEF may provide such notice by way of a published circular ("**Circular**") posted on the SEF's website at <https://www.theice.com/swaptrade>.

Rule 312. Communications Between the SEF and Participants.

- (a) The SEF may send any notices hereunder (other than notices provided under Rule 311) to a specific Participant, Authorized Trader or ISV in writing and either (i) hand-delivered or sent by registered or certified mail or (ii) sent by electronic mail, in either case to the relevant address provided by such Person for such purpose. Each Participant, Authorized Trader and ISV shall provide to the SEF and maintain a current electronic mail address for the receipt of all such notices.
- (b) All notices, except as may relate to the deactivation of a User ID which is governed by the provisions of Rule 308(e), to the SEF hereunder shall be sent by electronic mail to the following address: ICESwaplegal@theice.com or to such other address or by such other means as the SEF may specify by Circular from time to time.

Rule 313. Activities of Non-Participant Brokers.

- (a) A Non-Participant Broker shall only be entitled to act on the SEF or subject to the Rules on behalf of a Participant (or Customer) where such Participant (or Customer) has so authorized the Non-Participant Broker and notified the SEF in the form and manner specified by the SEF from time to time.
- (b) If so authorized, a Non-Participant Broker may enter any Order, submit a Block Trade, a Package Transaction or Brokered Trade, or execute any Transaction otherwise permissible under the Rules on behalf of such Participant (or its Authorized Trader or Customer).
- (c) In engaging in any such activity, a Non-Participant Broker shall comply with the Rules and be subject to the jurisdiction of the SEF to the same extent as the Participant, Customer or Authorized Trader for which it acts.

Rule 509. Priority of Customers’ Orders.

- (a) No Person shall knowingly enter an Order into the SEF for its own account, an account in which it has a direct or indirect financial interest or an account over which it has discretionary trading authority, including, without limitation, an Order allowing discretion as to time and price, when such Person is in possession of any competing Order for another Person that the SEF is capable of accepting.
- (b) For purposes of this Rule, a Person will not be deemed to knowingly enter an Order if (i) such Person is a corporate or other legal entity consisting of more than one individual trader, (ii) such Person has in place appropriate “firewall” or separation of function procedures and (iii) the Authorized Trader entering the Order in question has no direct knowledge of the competing Order.

Rule 510. Trading Against Customers’ Orders.

- (a) Except as provided in (b) below, no Person in possession of a Customer’s Order shall knowingly take, directly or indirectly, the opposite side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.
- (b) The foregoing restriction shall not apply to the following:
 - i. Transactions executed pursuant to Rule 701.
 - ii. Transactions executed pursuant to Rule 512.

- (a) Any Participant, Customer or Broker that seeks to execute a Required Transaction in the Order Book following pre-arrangement or pre-negotiation (in the manner specified in Rule 524) of such Orders may knowingly do so only if one Order is first exposed to the Order Book for the Minimum Period (as defined below). With respect to such pre-arranged/negotiated Orders, one party is required to enter its Order into the Order Book first and following the expiration of the Minimum Period the second party may then enter its Order into the Order Book.

The “**Minimum Period**” shall be 15 seconds for all Contracts.

- (b) For the avoidance of doubt, independently initiated Orders on opposite sides of the market for different beneficial account owners that are immediately executable against each other may be entered without delay provided that the Orders did not involve pre-execution communications as defined in Rule 524.

Rule 513. Execution of Required Transactions.

- (a) Required Transactions (other than Block Transactions) must be executed on the Order Book.
- (b) Order Book

The Order Books will operate pursuant to one or more matching algorithms designated by the SEF from time to time. If the Order Book for a particular Contract permits indicative bids, a Participant must indicate if a bid or offer posted on the Order Book is firm or indicative.

Rule 514. Execution of Permitted Transactions.

The SEF may provide various execution methods for Permitted Transactions in addition to the Order Book. The SEF will notify Participants by Circular of such available execution methods from time to time. At this time the SEF offers the following execution methods for Permitted Transactions:

- (a) Order Book

The Order Book will operate pursuant to one or more matching algorithms designated by the SEF from time to time. If the Order Book for a particular Contract permits indicative bids, a Participant must indicate that a bid or offer posted in the Order Book is firm or indicative.

- (b) Brokered Trade

The SEF will accept Brokered Trades in accordance with Rule 702.

- (c) Manual Order Ticket

Transactions may be submitted to the SEF for execution utilizing a Manual Order Ticket.

For all Required Transactions, no Person shall directly or indirectly, including through a third-party service provider, disclose the identity of a counterparty to a Swap that is Executed Anonymously, and intended to be cleared.

Rule 514.B. Package Transactions

In reliance on the relief provided by CFTC No-Action Letter No. 17-55³ (October 31, 2017), a Package Transaction or a component of a Package Transaction that is a Required Transaction may be executed by any means of execution that the SEF may provide for Permitted Transactions.

For a Package Transaction that includes a component Transaction that is not a Swap intended to be cleared, disclosing the identity of a counterparty shall not violate Rule 514.A.

Rule 515. Written Record of the Terms of Transactions.

- (a) The SEF will confirm each Transaction at the same time as execution of the Transaction.
- (b) With respect to a Transaction in a Cleared Swap, the SEF will provide each Participant (or Customer) that is a party to such Transaction a written record of all of the terms thereof. Such terms shall legally supersede any previous agreement and serve as a confirmation of the Transaction. The SEF will not include specific customer identifiers for accounts included in bunched Orders if the relevant Transaction is not allocated prior to execution and the applicable requirements of CFTC Regulation 1.35(b)(5) are met for such bunched Order.
- (c) With respect to a Transaction in an Uncleared Swap, the trade communication sent by the SEF to each Participant (or Customer) that is a party to such Transaction on the SEF (the “**Trade Communication**”), together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master confirmation agreements, and incorporated industry definitions) governing such Transaction existing at the time of such commitment to which the Participants (or Customers) are a party (the “**Terms Incorporated by Reference**”) shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such Transaction and serve as a confirmation of such Transaction (the Trade Communication

³ See *supra* text accompanying note 5.

and Terms Incorporated by Reference, together, the “**SEF Confirmation**”), in accordance with the relief granted in CFTC No-Action Letter 14-108 (August 14, 2014)⁴ and as extended by CFTC No-Action Letter 17-17 (March 24, 2017)⁵. The SEF Confirmation shall legally supersede any previous agreement entered into between the counterparties relating to a respective Transaction entered into on or pursuant to the Rules of the SEF and shall serve as a confirmation of the Transaction.

- (d) In satisfaction of the obligations imposed on the SEF under CFTC Regulation 37.6(b), (i) the SEF Confirmation is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 515, and (ii) the Participants (or Customers) hereby agree that in the event of any conflict between (x) the SEF Confirmation and (y) the Terms Incorporated by Reference, the SEF Confirmation shall prevail to the extent of any inconsistency.
- (e) Upon request of the SEF, a Participant (or Customer) shall provide copies of the Terms Incorporated by Reference to the SEF and/or the CFTC with respect to a Transaction in an Uncleared Swap. The SEF will provide such copies of the Terms Incorporated by Reference that were collected according to a CFTC request to the CFTC as soon as they are available.

Rule 516. Pre-Execution Limit Checks.

- (a) With respect to a Cleared Swap, the SEF will not accept an Order, including an Order underlying a Block Trade or a Package Transaction, unless the Participant (or its Customer) has first designated a Clearing Member to clear such Transaction. The SEF will then, promptly upon receipt of such Order, facilitate pre-execution screening by the Clearing Member identified by the Participant (or its Customer). If the SEF (i) receives confirmation (either an applicable, established risk-based limit of sufficient size, or a discrete approval in respect of a particular Order or Transaction, including from a Pre-Execution Limit Checking Service, as described below) from the designated Clearing

⁴ Staff No-Action Position Regarding SEF Confirmations and Recordkeeping Requirements under Certain Provisions Included in Regulations 37.6(b) and 45.2 - Extended by the CFTC through No-Action Letter 17-17 (Issue Date March 24, 2017).

⁵ Extension of No-Action Relief for Swap Execution Facility Confirmation and Recordkeeping Requirements under Commodity Futures Trading Commission Regulations 37.6(b), 37.1000, 37.1001, 45.2, and 45.3(a) (Issue Date March 14, 2016) - Expiration Date being the earlier of 11:59 pm (EST) on March 31, 2017 or the effective date of any changes in the regulation.

Member that it will accept for clearing any Transaction resulting from such Order through such Clearing Member at the relevant Clearing House, and (ii) has not been notified by the relevant Clearing House that the Clearing Member is at such time not eligible to submit such Transaction (or Transactions generally) for clearing at such Clearing House, then and only then, may the SEF accept the Order into the Trading System.

The SEF shall not require or otherwise conduct pre-execution screening with respect to an Order where the Participant (or its Customer) is itself the Clearing Member and the Order has been designated for the Clearing Member's own account.

In making the determination whether to accept an Order from or on behalf of any Participant (or its Customer) pursuant to this Rule 516(a), the SEF will be entitled to rely on information provided to the SEF by a trade processing platform, a credit hub or pre-execution credit or limit checking service provided by one or more third parties (a "**Pre-Execution Limit Checking Service**"), and the SEF will not be responsible for any losses to a Clearing Member, Participant, Customer or other Person arising from a failure, error or communication delay caused by any Pre-Execution Limit Checking Service. Subject to Rule 1104, and notwithstanding any other provision of the Rules to the contrary, the SEF will be responsible for actual losses of Clearing Members where such losses directly result from (i) an Order that was incorrectly accepted by the SEF under this Rule 516(a) because of a failure or error of the Trading System; or (ii) the failure of the SEF to comply with its obligations described in this Rule 516(a).

- (b) With respect to an Uncleared Swap to be executed in the Order Book, the SEF will not accept an Order from or on behalf of any Participant (or its Customer) that is not itself a Swap Dealer if the Swap Intermediary for such Participant or Customer has not committed, pursuant to one or more procedures to be adopted by the SEF, that it will accept any Transaction resulting from such Order under the relevant Swap Intermediation Arrangement; provided that this subsection (b) shall not apply to any Transaction in a Commodity Contract.

Rule 517. Position Limits.

- (a) To reduce the potential threat of market manipulation or congestion, the SEF shall adopt for each Contract, as is necessary and appropriate, position limitations or position accountability levels for speculators. Where the CFTC has established a position limit for any Contract, the SEF's position limit for that Contract shall not be higher than such limit established by the CFTC. Such limits will apply only with respect to trading on the SEF or subject to the Rules.

- (b) Except as otherwise provided by the Rules, no Person, including a Participant, may establish, hold or control a position in excess of such position limits and a Participant may not maintain a position in excess of such position limits for a Customer if such Participant knows, or with reasonable care should know, that such position will cause such Customer to exceed the applicable position limits.

Rule 518. Exemptions from Position Limits.

The SEF may grant exemptions from the position limits under Rule 517 for bona fide hedging positions and risk management positions and otherwise on good cause shown and to the extent permitted by Applicable Law. Any Person seeking such an exemption must file an application with the SEF in the manner and within the time limits prescribed by the SEF. The SEF may approve an exemption subject to limitations and conditions. The decision of the SEF on such a request shall be final.

Rule 519. Position Accountability.

The SEF may establish from time to time a daily position accountability level for any Contract. Such accountability levels will apply only with respect to trading on the SEF or subject to the Rules. Any Person, including a Participant, who owns or controls Contracts with a notional amount in excess of the applicable daily position accountability level, or as ordered by the SEF, shall be subject to the following provisions:

- (a) Such Person shall immediately notify the SEF and provide, in a timely manner upon request by the SEF, information regarding the nature of the position, trading strategy, and hedging information, if applicable.
- (b) Such Person shall, if so ordered by the SEF, acting in its sole discretion, liquidate any or all of the positions, or not increase further the positions which exceed such levels, or otherwise manage the position.
- (c) Such positions must be managed and liquidated in an orderly manner within the time period specified by the SEF, and such Person shall notify the SEF upon completion of such actions.
- (d) This Rule 519 shall not limit the jurisdiction of the SEF to take action that it determines necessary or appropriate in respect of any positions on the SEF.
- (e) Upon request, Participants must provide the SEF with information, in a form and manner acceptable to the SEF, identifying the owner, any controlling parties and any additional required information for each reportable account.

Rule 520. Aggregation of Positions.

For purposes of position limits and position accountability levels with respect to trading on the SEF or subject to the Rules, positions in Contracts will be aggregated as required by Applicable Law.

Rule 521. Orders Eligible for Post-Execution Allocation.

- (a) Only the following categories of Account Managers (each, an “**Eligible Account Manager**”) may place a bunched Order on the SEF or that is subject to the Rules:
 - (i) a commodity trading advisor registered with the CFTC pursuant to the Act or excluded or exempt from registration under the Act or the CFTC Regulations, except for entities exempt under CFTC Regulation 4.14(a)(3);
 - (ii) an investment adviser registered with the SEC pursuant to the Investment Advisers Act of 1940 or with a state pursuant to applicable state law or excluded or exempt from registration under the Investment Advisers Act of 1940 or applicable state law or rule;
 - (iii) a bank, insurance company, trust company, or savings and loan association subject to federal or state regulation;
 - (iv) a foreign adviser that exercises discretionary trading authority solely over the accounts of non-U.S. persons, as defined in CFTC Regulation 4.7(a)(1)(iv);
 - (v) a futures commission merchant registered with the CFTC pursuant to the CEA; or
 - (vi) an introducing broker registered with the CFTC pursuant to the CEA.
- (b) Bunched Orders must be allocated and recorded in accordance with CFTC Regulation 1.35(b)(5). Bunched Orders may be entered using an account series designation or suspense account number; provided that the Order is being placed by an Eligible Account Manager for multiple accounts eligible for post-execution allocation.

Additionally, for all such bunched Orders executed on the SEF or subject to the Rules, the final account-specific allocations must be provided to the Clearing Member no later than the end of trading on the same trading day.

Rule 522. Orders Entered Prior to SEF Opening.

The SEF will not accept, or act upon, Orders submitted prior to the opening of the trading session. Any such submissions will be disregarded by the SEF.

Rule 523. Rejection of Orders; Cancellation.

- (a) The SEF may reject any Order submitted to the SEF (whether for the Order Book or another means of execution) consistent with Applicable Law.
- (b) In order to ensure fair and orderly markets, the SEF may cancel any Order and may cancel or adjust any Transaction pursuant to its Error Trade Policy which can be found on the SEF's website at <https://www.theice.com/swaptrade>.
- (c) Actions taken under this Section 523 shall be without prejudice to the rights of the SEF to take other actions (including Emergency Actions) under the Rules.

Rule 524. Pre-Execution Communications.

A Participant or Customer (or its Account Manager) may engage in Pre-Execution Communications with respect to Transactions to be executed on the SEF or subject to the Rules where the Participant or Customer wishes to be assured that another Participant or Customer will take the opposite side of an Order under the following circumstances:

- (i) A Person may not engage in Pre-Execution Communications on behalf of another Person unless such Person has previously consented to permit such communications;
- (ii) Any Person engaged in Pre-Execution Communications shall not (A) disclose to a Person not involved in such communications the details of such communications or (B) enter an Order to take advantage of information conveyed during such communications, except in accordance with this Rule; and
- (iii) If entered into the Order Book, each Order for a Required Transaction that results from Pre-Execution Communications will be subject to Rule 512.

This Rule 524 shall not limit communications in respect of Permitted Transactions.

As used herein, “**Pre-Execution Communications**” shall mean communications between two Participants (or, if applicable, their Customers) for the purpose of discerning interest in the execution of a Transaction prior to the entry of an Order with respect to such Transaction on the SEF, which include any discussion of the size, side of the market or Price of an Order or potentially forthcoming Order.

Rule 525. Acceptable Orders.

The following Order types are supported and shall be available in such Contracts as determined by the SEF from time to time (listed in no particular order):

- (a) “Limit Orders” – Limit Orders are Orders to buy or sell a stated quantity at a specified Price, or at a better Price, if obtainable. Unless otherwise specified, any residual volume from an incomplete Limit Order is retained in the central Order Book until the end of the day unless it is withdrawn or executed.
- (b) “Market Orders” – Market Orders are executed at the best Price or Prices available in the Order Book at the time the Order is received by the SEF until the Order has been filled in its entirety. However, a Market Order will not trade outside of any Price reasonability limits (“**Reasonability Limits**”) established pursuant to the SEF’s Error Trade Policy.
- (c) “Index Roll Spread Orders” – Index Roll Spread Orders are Orders to purchase a specified notional of one Contract and sell a specified notional of another Contract at a stated Price difference, where the index and maturity referenced by each Contract is the same, but the series of the index referenced by each Contract is different.

Index Roll Spread Orders may only trade against other matching Index Roll Spread Orders and the Prices of the legs, which may exceed the daily price limit for the respective product, will be generated by an algorithm determined by the SEF.

An Index Roll Spread Order to buy is defined as an Order to buy the greater maturity Contract and sell the lesser maturity Contract, and an Index Roll Spread Order to sell is defined as an Order to sell the greater maturity Contract and buy the lesser maturity Contract.

The ratio of notional traded on each leg of an Index Roll Spread Order is set by the SEF in advance, and may either be equal notional on each leg, or weighted according to the relative duration values of each Contract, such that the notional on the lower duration leg of the Index Roll Spread Order is defined as the duration of the higher duration leg of the Index Roll Spread Order divided by the duration of the lower duration leg of the Index Roll Spread Order. When placing an Index Roll Spread Order, the notional specified by the Authorized Trader is always the notional associated with the higher duration leg of the Index Roll Spread Order.

- (d) “Calendar Spread Orders” – Calendar Spread Orders are Orders to purchase a specified notional of one Contract and sell a specified notional of another Contract in the same index, and same series of index, but with a different maturity date, at a stated Price difference. Calendar Spread Orders may either trade against other matching Calendar

Spread Orders or may be traded against outright Contracts. When traded against outright Contracts, the outright Contract Prices are always used for each of the legs of the Calendar Spread Order. When traded against another Calendar Spread Order, the Prices of the legs of such Transactions will be generated by a calendar spread algorithm determined by the SEF and the Prices of the legs of such Transactions may exceed the daily Price limit for the respective Contract.

A buy Calendar Spread Order is defined as buying the Contract with the greater maturity and selling the lesser maturity Contract and a sell Calendar Spread Order is defined as selling the Contract with the greater maturity and purchasing the lesser maturity Contract.

The ratio of notional traded on each leg of a Calendar Spread Order is set by the SEF in advance, and may either be equal notional on each leg, or weighted according to the relative duration values of each Contract, such that the notional on the lower duration leg of the Calendar Spread Order is defined as the duration of the higher duration leg of the Calendar Spread Order divided by the duration of the lower duration leg of the Calendar Spread Order. When placing a Calendar Spread Order, the notional specified by the Authorized Trader is always the notional associated with the higher duration leg of the Calendar Spread Order.

- (e) “Cross Index Calendar Spread Orders” – Cross Index Calendar Spread Orders are Orders to purchase a specified notional of a Contract referencing one index and series and sell a specified notional of another Contract in a different index or index series, at a stated Price difference. Cross Index Calendar Spread Orders may either trade against other matching Cross Index Calendar Spread Orders or may be traded against outright Contracts. When traded against outright Contracts, the outright Contract prices are always used for each of the legs of the Cross Index Calendar Spread Order. When traded against another Cross Index Calendar Spread Order, the Prices of the legs of such Transactions will be generated by a cross index calendar spread algorithm determined by the SEF and the Prices of the legs of such Transactions may exceed the daily Price limit for the respective Contract.

A buy Cross Index Calendar Spread Order is defined as buying the Contract with the greater maturity Contract and selling the lesser maturity Contract, and a sell Cross Index Calendar Spread Order is defined as selling the Contract with the greater maturity and purchasing the lesser maturity Contract.

The ratio of notional traded on each leg of a Cross Index Calendar Spread Order is set by the SEF in advance, and may either be equal notional on each leg, or weighted according to the relative duration values of each Contract, such that the notional on the lower duration leg of the Cross Index Calendar Spread Order is defined as the duration of the higher duration leg of the Cross

Index Calendar Spread Order divided by the duration of the lower duration leg of the Cross Index Calendar Spread Order. When placing a Cross Index Calendar Spread Order, the notional specified by the Authorized Trader is always the notional associated with the higher duration leg of the Cross Index Calendar Spread Order.

- (f) “Brokered Order” – Brokered Orders may only be placed by a Non-Participant Broker for Brokered Trades. A Brokered Order shall be a pair of Orders (one Order to buy, one Order to sell) where the Prices and notionals of each Order are the same
- (g) “Mid-Market Order” – Mid-Market Orders are Orders to purchase or sell a specified notional of a Contract at either (i) the average of the prevailing best bid and offer present on the Trading System at any time, or (ii) a Price determined by the SEF, which can be based on market information, last trade in the market, or information derived from third party sources. The SEF will indicate to all Market Participants with access to the Trading System, when there are one or more Mid-Market Orders present on a Contract.

An order may contain one (1) or more of the following functionalities:

- (h) “Reserve Quantity Orders” – An Order may specify a maximum disclosure volume to be shown to the market for an Order enabling the Order to be released gradually without revealing the full size. The unrevealed part of the Order is released only when the first part of such Order is completely filled. When each portion of the Order is released, it is placed in its entirety at the end of the Order priority queue. Reserve Quantity Orders may be submitted for those Contracts as determined by the SEF from time to time.
- (i) “Good For Day Orders” – Good For Day Orders (“GFD”) are Orders to buy or sell a stated quantity at a stated Price which remain active in the Order Book until such Orders are either executed, canceled by an Authorized Trader, or the market in which the Order has been placed closes. GFD Orders may be submitted for those Contracts as determined by the SEF.
- (j) “Good Until” – Good Until Orders (“GU”) are Orders to buy or sell a stated quantity at a stated Price which remain active in the Order Book until such Orders are either executed, canceled by an Authorized Trader, or a period of time, specified by the Authorized Trader has elapsed. GU Orders may be submitted for those Contracts as determined by the SEF from time to time.
- (k) “Immediate or Cancel” – Immediate or Cancel Orders (“IOC”) are Orders to buy or sell a stated quantity at a stated Price which must immediately be transacted as best as possible against the resting Orders in the Order Book. Any quantity that cannot be

immediately transacted is cancelled and will not constitute a resting Order in the Order Book. IOC Orders may be submitted for those Contracts as determined by the SEF from time to time.

- (l) “Order Cancels Orders” - Order Cancels Orders (“OCO”) are a pair of linked Orders (two Orders to buy, or two Orders to sell) in two different Contracts that remain active in the Order Book until one of the Orders is filled or partially filled, at which time the other Order will be immediately cancelled. OCOs may be submitted for Commodity Contracts as determined by the SEF from time to time.
- (m) “Non-Disclosed Order” - Non Disclosed Order (“NDO”) is an Order to buy or sell that is placed by an Authorized Trader in the Order Book, but is not otherwise visible to other Authorized Traders. An NDO is only visible to Authorized Traders belonging to the same Market Participant from which the NDO originates. Trade execution will occur when an Order opposite the NDO is entered into the Order Book, and such Order either Crosses or Locks with the NDO. If the Order Crosses the NDO, a Trade will be executed at the average Price of the intended Order and the NDO. If an Order Locks with the NDO, then the Trade will be executed at that Price. In any event, whenever a Trade execution occurs involving an NDO, the Trade Price will become public.

Rule 526. Revising Orders.

The price or volume of an Order that has not fully traded may be revised. If the volume is reduced, the time priority originally assigned to the Order does not change. Revising the price or increasing the volume will change the Order’s time priority in the queue to the time the Platform receives the revision.

Rule 527. Deactivating and Deleting Orders.

When an Authorized Trader logs off, all of their Orders are deactivated except for Orders designated as GFD. If for any reason the connection to the Trading System is lost, all Orders entered from that location are deactivated including Orders designated as GFD.

Rule 528. Execution of Orders.

- (a) A Transaction is executed when the following conditions occur:
 - (i) one Order is a bid and the other is an offer;
 - (ii) the two Orders are for the same Contract and, if an option Order, the same strike Price and option type, if available; and

- (iii) the Price of the bid (offer) equals or is greater (less) than the Price of the offer (bid).
- (b) All orders entered and activated are queued by the time of acceptance by the Order Book as a valid Order and matched on a first-in-first-out price and time priority basis.
- (c) Details of each Transaction executed on the SEF or subject to the Rules will be recorded by the SEF, and confirmation of the Transaction will be displayed on the Platform for each Authorized Trader who is a party to the Transaction.
- (d) Failure of the SEF to broadcast any message in respect of a Transaction on the SEF or subject to the Rules shall not invalidate such Transaction.
- (e) In the event that the Trading System or any part of the Trading System fails, the SEF's determination that a Transaction has or has not been made shall be conclusive and binding.
- (f) For certain Contracts, a workup session (known as "Volume Clearing") may commence after a Transaction is executed in the Order Book. During a Volume Clearing session, any Market Participants that have the appropriate authorization to trade the respective Contract are invited to buy or sell any permitted quantity of the Contract that has just been transacted at the previously executed Price. The initial parties to a Transaction, upon which the Volume Clearing session is triggered, will be provided with priority during the initial part of a Volume Clearing session. During a Volume Clearing session, any Orders (either already in the Order Book, arriving in the Order Book during the Volume Clearing session, or entered directly into the Volume Clearing window) that are equal to or better than the Price of the Transaction that triggered the Volume Clearing session will be automatically included in that Volume Clearing session. Orders in the Order Book that are not filled during the Volume Clearing session will remain in the Order Book unless and until cancelled or expired. Orders entered into the Volume Clearing window that are not filled during the Volume Clearing session will be cancelled, unless otherwise specified by the Market Participant at the time the Order is entered. The SEF will determine the duration of a respective Volume Clearing session on a Contract by Contract basis and Market Participants will be notified that a Volume Clearing session has been initiated upon the appearance of a visible countdown clock, which will indicate the duration and the time remaining in the respective Volume Clearing session. If a Transaction occurs in the Order Book while a Volume Clearing session is in progress, the existing Volume Clearing session will be immediately terminated, and a new Volume Clearing session will be initiated at the most recently transacted price from the Order Book. Any Orders from the initial Volume Clearing session that could receive Price

improvement if executed in the new Volume Clearing session will automatically be transferred to the new Volume Clearing Session.

Rule 529. Order Entry.

- (a) An Authorized Trader entering an Order, other than in a clerical capacity, on behalf of a Customer, other than an Order for the Authorized Trader's own account, must have appropriate industry registration, if required.
- (b) An Authorized Trader, who does have the appropriate industry registration, if required, or ability to act in a comparable capacity under Applicable Law, may enter non-discretionary Orders on behalf of a Customer. Such Authorized Trader may enter discretionary Orders or non-discretionary Orders for the account of the Participant that is their employer or for their own account if they are authorized by such Participant to do so and they do not enter or handle Customer Orders.
- (c) Orders for a Customer, other than an Order entered by a Customer for its own account, may only be entered from the premises of an entity appropriately registered to conduct such Customer business.
- (d) An Order shall consist of an indication of buy or sell interest, the specific Contract related to the Order, and the size of the Order. For Cleared Swaps, a Clearing Member must also be specified (unless the Participant is a Clearing Member).
- (e) It shall be the duty of each Authorized Trader to:
 - i. Submit Orders that include their User ID;
 - ii. Input the Price, quantity, SEF Contract code and appropriate account designation for each Order; and
 - iii. Provide the SEF with the information required pursuant to CFTC Regulation 45.8(h)(1).
- (f) The account designation must be an account number, account name or other identifying notation that is uniquely tied to a specific account owner for whom the Order is placed.
 - i. A suspense account may be utilized at the time of the Order entry for bunched Orders that are eligible for post-trade allocation and which are made pursuant to and in accordance with Rule 521.

Rule 530. Legal Certainty for SEF Trades

A Transaction entered into on or pursuant to the SEF Rules shall not be void, voidable, subject to rescission, otherwise invalidated, or rendered unenforceable as a result of: (1) a violation by the SEF of the provisions of section 5h of the CEA or Applicable CFTC Regulations; (2) any CFTC proceeding to alter or supplement a rule, term, or condition under Section 8a(7) of the CEA or to declare an emergency under Section 8a(9) of the CEA; or (3) any other proceeding the effect of which is to: (i) alter or supplement a specific term or condition or trading rule or procedure; or (ii) require the SEF to adopt a specific term or condition, trading rule or procedure, or to take or refrain from taking a specific action.

CHAPTER 6: INTENTIONALLY OMITTED

CHAPTER 7: BLOCK TRADES, BROKERED TRADES AND NONCOMPETITIVE TRANSACTIONS

Rule 701. Block Trades.

- (a) Each Order underlying a Block Trade must (1) state explicitly that it is to be, or may be, executed by means of a Block Trade, (2) satisfy such appropriate minimum block size for the respective Contract as specified in Rule 701(k) and Applicable Law, (3) be entered into solely between Eligible Contract Participants, and (4) comply with any other Applicable CFTC Regulations governing Block Trades.
- (b) Each party to a Block Trade must either be a Participant or a Customer, and shall comply with all applicable Rules other than those which by their terms only apply to trading through the Platform. The SEF will only accept Block Trades for particular Contracts as specified by the SEF and published by Circular.
- (c) Block Trades must be reported to the SEF in a manner prescribed from time to time by the SEF in a Circular. Parties to a Block Trade are required to submit the Transaction to the SEF as soon as technologically practicable after execution, but in no event shall the Block Trade be submitted to the SEF later than 10 minutes after it has been arranged by the parties. For the purpose of this Rule 701(c) only, a Block Trade is deemed “arranged” at such time that the parties have agreed to the Price, size and other relevant terms of the Contract that is the subject of the Block Trade. Upon request by the SEF, such Participant shall produce satisfactory evidence that the Block Trade meets the requirements set forth in this Rule 701.
- (d) Parties to a Block Trade are required to submit such Transactions to the SEF through the use of either a (i) third-party affirmation platform (e.g. ICE Link[®]), or (ii) graphical user interface provided by ICE Data, LP (collectively, “**IST’s Off-Facility Block Trade Workflow**”). IST’s Off-Facility Block Trade Workflow allows parties to agree and affirm the price, size and other relevant terms of a Block Trade. Once the proposed Block Trade is affirmed by the parties, a Clearing Member designated by each party is then required to utilize IST’s Off-Facility Block Trade Workflow to perform the required credit/limit check of the proposed Block Trade prior to its execution and submission to the SEF for reporting. The SEF may accept a Block Trade if the details are complete and accurate, are timely submitted, and otherwise comply with these Rules.
- (e) Block Trade prices will not trigger unexecuted Orders in the Order Book.

- (f) Each Participant or Customer that is a party to a Block Trade must comply with the recordkeeping requirements set forth in the Rules, to include the requirements of Rule 401(h).
- (g) Participants or Customers (or their Account Managers) are not permitted to aggregate Orders across multiple accounts or multiple Participants or Customers in order to meet the Appropriate Minimum Block Size for a Block Trade, except that a Participant or Customer (or its Account Manager) with more than \$25,000,000 in total assets under management and that is either: (1) a commodity trading advisor registered pursuant to Section 4n of the CEA, or exempt from registration under the CEA, or a principal thereof, who has discretionary trading authority or directs client accounts; (2) an investment adviser who has discretionary trading authority or directs client accounts and satisfies the criteria of § 4.7(a)(2)(v) of the CFTC Regulations; or (3) a foreign person who performs a similar role or function as the persons described in paragraphs (h)(6)(i)(A) or (h)(6)(i)(B) of CFTC Regulation 43.6 and is subject as such to foreign regulation can aggregate Orders to meet the Appropriate Minimum Block Size for a Block Trade.
- (h) Block Trades must be executed at a Price which is fair and reasonable in light of the (1) size of such Block Trade, (2) Price and size of other Transactions in the same Contract on the SEF at the relevant time; (3) Price and size of Transactions in other relevant markets, at the relevant time; and (4) the circumstances of the markets or the Participants or Customers to the Block Trade.
- (i) The SEF will issue a written record of the terms of the Transaction resulting from the Block Trade pursuant to Rule 515.
- (j) Block Trades between Affiliates will not be considered a wash transaction under Rule 502(c)(ix) if the following additional criteria are met: (i) each party must have a separate and independent legal bona fide business purpose for engaging in the Transactions; and (ii) each party’s decision to enter into the Block Trade must be made by a separate and independent decision-maker.
- (k) The following are the Appropriate Minimum Block Size (“MNR”) for Block Trades.

ICE Swap Trade Appropriate Minimum Block Size Requirements for Block Trade Submissions in USD Millions Notional				
Tenor		Spread (basis points running)		
>	<=	>	175	350

		<=	175	350	
0Y (0 days)	2Y (746 days)		320	140	66
2Y (746 days)	4Y (1,477 days)		200	82	41
4Y (1,477 days)	6Y (2,207 days)		110	32	26
6Y (2,207 days)	8Y 6M (3,120 days)		110	20	13
8Y 6M (3,120 days)	12Y 6M (4,581 days)		130	26	13
12Y 6M (4,581 days)			46	63	41

With respect to the above table:

- All MNR values are in U.S. Dollars in millions of notional amount. If a Contract is denominated in a currency other than U.S. Dollars, the submitting Participant or Customer must use a currency exchange rate that has been widely published within the preceding two Business Days from the date of the execution of the Transaction to determine whether the Transaction meets the MNR. The Participant or Customer is required to maintain as part of its book and records the manner and method of arriving at the U.S. Dollar calculation.
- All days are calendar days from Transaction date.
- All basis points are basis points running. Transactions negotiated in a price quotation convention other than basis points must be converted to basis points, using reasonably prevailing market standard conversion models and assumptions regarding inputs to the conversion model such as recovery rates and interest rates.
- For option and tranche Transactions, when determining the correct spread bucket to apply to a Transaction, the spread level of the underlying index contract at the time of arrangement of the Transaction must be used.
- For option Transactions, when determining the correct maturity bucket to apply, the maturity of the underlying swap Contract must be used.

Rule 702. Brokered Trades.

- (a) With respect to a Permitted Transaction, a Non-Participant Broker may arrange a Transaction off the Platform between two parties, each of which is a Participant (or a Customer), to be executed pursuant to the Rules (“**Brokered Trades**”).

- (b) A Participant Broker may direct an Order of a Participant (or a Customer) to the SEF to be executed pursuant to the Rules. However, a Participant Broker is prohibited by these Rules from arranging a Brokered Trade.
- (c) The Non-Participant Broker shall present the Orders to the SEF using technology provided by the SEF and such Brokered Trades are required to be reported to the SEF in a manner (and subject to the deadlines) prescribed from time to time by the SEF, after price, size, and other relevant terms of the Brokered Trade have been agreed by the parties thereto, and in any event within 15 minutes after such Brokered Trade is arranged.
- (d) A Brokered Trade will not be deemed an executed Transaction between the parties thereto until it is received and accepted by the SEF and the SEF has confirmed such Transaction.
- (e) Within 10 minutes after a Brokered Trade has been executed, the parties to such Brokered Trade must affirm the Transaction in a manner specified by the SEF from time to time and published by Circular. If the parties do not affirm the Transaction within the required timeframe, the Brokered Trade will be rejected by the SEF.

CHAPTER 8: DISCIPLINARY RULES

Rule 801. General.

- (a) Jurisdiction.
- i. The SEF, acting through its compliance department and Disciplinary Panels, shall have the authority to initiate and conduct investigations and prosecute Violations committed by Market Participants, Clearing Members and Supervised Persons and to impose sanctions for such Violations as provided in the Rules.
 - ii. Each Participant, upon becoming a Participant, shall file with the SEF a written notice designating an agent for receiving service of documents, and thereafter, notify the SEF upon any change to the relevant agent. If a Participant fails to designate an agent, Participant consents to mailing service to its address on file with the SEF, and delivery thereof shall be deemed to have occurred as of the date of such mailing.
 - iii. The provisions of this Chapter 8 shall not apply to or limit the authority of the SEF to limit Trading Privileges or take other actions under Rule 309 or 406 or to take Emergency Actions.
- (b) Enforcement Authority and Duties.
- i. It shall be the duty of the CCO and the SEF's compliance department personnel under the direction of the CCO to enforce the Rules. To the extent permitted by Applicable Law the CCO shall have the authority to inspect the books and records of all Market Participants, Clearing Members and Supervised Persons and to require any Market Participants, Clearing Members and Supervised Persons to appear before it to answer questions regarding possible Violations.
 - ii. The compliance department may delegate its authority under these Rules to initiate and conduct investigations and prosecute Violations to the Regulatory Services Provider.
 - iii. No member of the compliance department shall be a Market Participant or Supervised Person, or operate under the direction or control of any Person or Persons with Trading Privileges.
 - iv. The compliance department has the authority to:

- (A) initiate and conduct inquiries and investigations;
 - (B) prepare investigative reports and make recommendations concerning initiating disciplinary proceedings;
 - (C) determine whether a reasonable basis exists for finding a Violation, and for authorizing the issuance of Notices of Charges against Persons alleged to have committed Violations if the CCO believes the matter should be adjudicated; and
 - (D) prosecute alleged Violations within the SEF's disciplinary jurisdiction.
- v. The CCO, upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the best interests of the SEF, may order that any Person be denied access to the SEF for a period not to exceed 60 days. Notice shall promptly be given to the Person subject to the access denial. Such notice shall state the reasons for the denial, the effective date, time and the duration of the denial and advise the Person of his right to an expedited hearing before the Disciplinary Panel by filing a request with the CCO within 10 Business Days after receiving the notice.
- (c) Investigation.
- i. The compliance department shall prepare a written investigative report with respect to any matter investigated. Where the compliance department determines that no reasonable basis exists for finding a Violation, the report shall include the reason the investigation was initiated, a summary of the complaint, if any, the relevant facts, and the compliance department's analysis and conclusions. Where the compliance department determines that a reasonable basis exists for finding a Violation, the report shall include the reason the investigation was initiated, a summary of the complaint, if any, the relevant facts, the compliance department's analysis and conclusion, and a recommendation as to whether disciplinary action should be pursued. The investigative report shall then be provided to the CCO for decision.
 - ii. If the CCO concludes that a Violation has occurred, the CCO may:
 - (A) Issue a warning letter to the Person that is the subject of the investigation, informing such Person that there has been a Violation and that such continued activity may result in disciplinary sanctions. Such a warning letter is neither a penalty nor a finding of a Violation. Issuance of such warning letters shall be subject to the limitations in CFTC Rules 37.203 and 37.206;

- (B) Impose a summary fine under Rule 811, if appropriate;
 - (C) Negotiate and enter into a written settlement agreement with such Person, whereby such Person, with or without admitting fault or guilt, may agree to any of the sanctions set forth in Rule 810; or
 - (D) Determine to bring formal proceedings before a Disciplinary Panel under this Chapter 8.
- (d) The President, the Board, CCO, the Compliance staff, any committee or subcommittee and any panel of any committee or subcommittee, engaged in any investigation of, examination into, or hearing involving any matter pursuant to the Rules shall have the power to summon any Person and any employee of any Participant to appear before him or it, to give testimony under oath or in any other manner required by him or it and to produce any documents, books or records. If any Person or any employee of any Participant fails to obey any such summons or to give any such testimony or to produce any such documents, books or records, such failure shall constitute a violation of this Rule and shall be reported to the Disciplinary Panel for appropriate action.

Rule 802. Notice of Charges.

- (a) If the CCO determines that a matter should be adjudicated in a formal hearing before a disciplinary panel, the compliance department shall serve a notice of charges (a “**Notice of Charges**”) on the Respondent.
- (b) Such Notice of Charges shall state:
 - i. the acts, practices or conduct that the Respondent is alleged to have engaged in;
 - ii. the Rule or provision of Applicable Law alleged to have been violated or about to be violated;
 - iii. the proposed sanctions;
 - iv. the Respondent has a right to a hearing;
 - v. the Respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary process;

- vi. the period of time within which the Respondent can request a hearing on the Notice of Charges, which will not be less than 20 days after service of the Notice of Charges;
- vii. that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing;
- viii. that the failure of the Respondent to file an Answer within 20 days after service of the Notice of Charges will be deemed an admission of all of the allegations in the Notice of Charges; and
- ix. that any allegation in the Notice of Charges that is not expressly denied will be deemed to be admitted.

Rule 803. Answer to Notice of Charges; Reply.

- (a) The Respondent shall serve on the compliance department a written answer (an “**Answer**”) to the Notice of Charges and a written request for a hearing on the charges within 20 days of the date of service of the Notice of Charges.
- (b) An Answer shall be signed by the Respondent, or its representative, and contain a statement specifying the allegations that the Respondent:
 - i. denies or admits; and
 - ii. does not have sufficient information to either deny or admit.
- (c) Any failure by the Respondent to timely serve an Answer to a Notice of Charges will be deemed to be an admission to the allegations in such Notice of Charges. Any failure by the Respondent to answer one or more allegations in a Notice of Charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a Notice of Charges that the Respondent fails to expressly deny will be deemed to be admitted. A general denial by the Respondent, without more, will not satisfy the requirements of paragraph (b) above.
- (d) The compliance department may serve on the Respondent a reply to the Answer (a “**Reply**”) within five days of the date of service of the Answer. The Reply must be limited to the matters set forth in the Answer.

Rule 804. Settlement.

- (a) A Respondent may at any time propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.
- (b) Any offer of settlement should contain proposed findings and sanctions and be signed by the Respondent and submitted to the Disciplinary Panel presiding over the matter.
- (c) A Respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.
- (d) If a Respondent submits an offer of settlement in accordance with paragraph (a) above, the relevant Disciplinary Panel will forward the offer to the CCO. Any preliminary determination by the CCO to accept the offer shall be submitted for review by the Disciplinary Panel. If the Disciplinary Panel agrees, then the CCO shall conditionally accept an offer of settlement, and the settlement will become final upon the expiration of 20 days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the Respondent.
- (e) If an offer of settlement is accepted by the Disciplinary Panel, the Disciplinary Panel accepting the offer must issue a written decision specifying the Violations it has reason to believe were committed, including the basis or reasons for the Disciplinary Panel's conclusions, and any sanction to be imposed, which must include full Customer restitution where Customer harm is demonstrated. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the Rule Violations.
- (f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the Respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under the Rules.
- (g) If the offer of settlement of a Respondent is not accepted, fails to become final or is withdrawn by the Respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a Respondent nor the relevant Disciplinary Panel may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

Rule 805. Disciplinary Panel.

- (a) The Chief Compliance Officer shall appoint the members of the Disciplinary Panels. The Chief Compliance Officer or the Board may remove a member of a Disciplinary Panel for cause. No member of a Disciplinary Panel shall be subject to Statutory Disqualification.
- (b) Disciplinary Panels shall not include any members of the SEF's compliance department or any Person involved in adjudicating any other stage of the same proceeding.
- (c) Disciplinary Panels must meet any applicable composition requirements under Applicable Law, to include CFTC Regulation 1.64(c) and Part 40 of the CFTC Regulations.
- (d) The Disciplinary Panel shall conduct hearings in connection with any disciplinary proceedings, to make findings, render decisions, and impose sanctions (other than summary fines under Rule 811) pursuant to this Chapter 8.

Rule 806. Hearing (Disciplinary Procedures & Sanctions).

- (a) A fair hearing will be conducted before members of the Disciplinary Panel.
- (b) Following receipt of an Answer from a Respondent, or failure of a Respondent to provide an Answer, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such Respondent. Parties to a disciplinary proceeding include each Respondent and the compliance department.
- (c) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and evidentiary matters and will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials.

Rule 807. Respondent Review of Evidence.

Prior to the commencement of a hearing, each Respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the SEF that the compliance department will use to support the allegations and proposed sanctions in the Notice of Charges or which the chair of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no Respondent will have the right to review, and the SEF will have no obligation to disclose, any information protected by attorney-client privilege.

Rule 808. Conducting Hearings.

- (a) At a hearing conducted in connection with any disciplinary proceedings, the compliance department will present its case supporting the allegations and proposed sanctions in the Notice of Charges to the Disciplinary Panel. If a Respondent has timely filed an Answer to the Notice of Charges in accordance with the Rules, the Respondent is entitled to attend and participate in the hearing.
- (b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the compliance department and each respondent may:
 - i. present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;
 - ii. call and examine witnesses; and
 - iii. cross-examine witnesses called by other parties.
- (c) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. Any individual representing a Participant or Customer, and any Authorized Trader or Supervised Person called as witnesses is required to appear at the hearing and, where applicable, produce evidence. The SEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.
- (d) The Disciplinary Panel may summarily impose sanctions on any Person, subject to the SEF's jurisdiction pursuant to Rule 301, that impedes or delays the progress of a hearing.
- (e) The SEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the Respondent requests a copy of all or portions of the recording of a hearing, the chair of the Disciplinary Panel may within his or her sole discretion require the Respondent to pay the costs for transcribing the recording of the hearing.
- (f) Upon request of the CFTC, the SEF will transcribe the record of any hearing conducted in connection with a disciplinary proceeding and provide such transcript to the CFTC.

Rule 809. Decision of Disciplinary Panel.

- (a) As promptly as is reasonable following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.
- (b) The SEF will serve a copy of the order of the disciplinary proceedings on the respondent and the compliance department. The order will include:
 - i. the Notice of Charges or summary of the allegations;
 - ii. the Answer, if any, or a summary of the Answer;
 - iii. a summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigative report;
 - iv. findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;
 - v. each specific Rule and/or provision of Applicable Law that the respondent is found to have violated; and
 - vi. the sanctions, if any, imposed including the basis for such sanctions and the effective date of each sanction.
- (c) The order of the disciplinary proceedings will become final upon the expiration of 20 days after the order is served on the Respondent and provided to the compliance department.
- (d) The Rules do not permit any appeal of a determination by the Disciplinary Panel.

Rule 810. Sanctions; Expenses.

- (a) If the Disciplinary Panel determines that a Respondent has committed a Violation for which the SEF has jurisdiction, the Disciplinary Panel may impose one or more of the following sanctions or remedies:
 - (i) censure or reprimand,
 - (ii) restriction, suspension or termination of Trading Privileges,
 - (iii) a warning letter, subject to the limitations in Applicable CFTC Regulations,

- (iv) a cease and desist order,
- (v) a fine,
- (vi) restitution (which may, include full Customer restitution) or disgorgement, or
- (vii) any other sanction or remedy determined to be appropriate under the circumstances.

The SEF may impose a fine of up to \$100,000 for each Violation. Each Participant shall be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders, Customers or Supervised Persons.

- (b) If the Disciplinary Panel determines that a respondent has violated the Rules or a provision of Applicable Law for which the SEF has jurisdiction, the Disciplinary Panel may also require the respondent to pay to the SEF an amount equal to any and all out-of-pocket expenses incurred by the SEF in connection with the investigation and prosecution of such Violations.

Rule 811. Summary Fines.

With respect to any Person's use or access to the SEF, the Chief Compliance Officer may impose summary fines of no more than ten thousand dollars (\$10,000) for each violation, without the need for a formal hearing under this Chapter 8, in any case in which it is concluded that there may have been a violation of:

- (a) Rule 303(t) - Criteria for Becoming a Participant
- (b) Rule 308(c) - Participant User Administrators; Passwords
- (c) Rule 401 - Duties of Participants
- (d) Rule 402 - Required Disclosures
- (e) Rule 403(b) - Right of Inspection
- (f) Rule 404 - Financial Notices
- (g) Rule 405(b) - Customers
- (h) Rule 408 - Books and Records of ISVs

- (i) Rule 512 - Cross Trades; Simultaneous Buy And Sell Orders
- (j) Rule 519(e) - Position Accountability
- (k) Rule 524 - Pre-Execution Communications
- (l) Rule 529 - Order Entry
- (m) Rule 701 - Block Trades
- (n) Rule 702 - Brokered Trades

The authority to impose such a summary fine does not limit the Chief Compliance Officer's authority to refer the matter to a Disciplinary Panel pursuant to the provisions of this Chapter 8 instead of imposing a summary fine. A summary fine imposed in accordance with this Rule shall become final and effective and payment shall become due and owing to the SEF fifteen (15) days after receipt of the fine.

Rule 812. Effective Date of Penalties.

- (a) If a Person enters into a settlement agreement with the SEF, any penalty included as a part of such settlement agreement shall become final and effective on the date that the CCO approves such settlement agreement.
- (b) Any decision (including any penalty) by a Disciplinary Panel shall be the final decision of the SEF and shall become effective fifteen (15) days, or such longer time as the Disciplinary Panel may specify, after a copy of the written decision of the Disciplinary Panel has been served on the Respondent and delivered to the CFTC; provided, however, that, in any case where the Respondent has consented to the action taken and to the timing of its effectiveness, the Disciplinary Panel may cause the decision involving any disciplinary action (including any penalty) to become effective prior to the fifteen (15) day period.
- (c) If a Person fails to pay any fine imposed by the Disciplinary Panel on or before the date on which such fine becomes due and payable, such Person shall be suspended automatically without further action by the SEF and shall remain suspended until such fine is paid in full and the Person is reinstated; provided, however, that on written application received prior to such date, the Hearing Panel, in its sole discretion, may postpone the date when payment is due.

Rule 813. Publication and Written Notice of Disciplinary Actions.

- (a) A brief summary of the disposition of a finding by the CCO, or the Disciplinary Panel, and each hearing, settlement, and each imposition of any penalty, shall be kept permanently in the Person's file. The record of any hearing, together with all of the papers, shall be retained for a period of five (5) years.
- (b) All proceedings conducted before the Disciplinary Panel shall be confidential and shall not be disclosed to any Person except:
 - (i) as required by law or by the Rules;
 - (ii) in any action or proceeding brought by or against the SEF;
 - (iii) as may be determined from time to time by the Board.
- (c) In any case where:
 - (i) a Person enters into any settlement agreement with the SEF; or
 - (ii) the Disciplinary Panel renders a decision finding a Person guilty of any Rule violation;

the SEF shall make public its findings and the reason for its action, including any action taken or penalty ordered and written notice of any suspension, expulsion, disciplinary action or denial of access shall be given to the CFTC and to the Person who is suspended, expelled, disciplined or denied access within thirty (30) days of the date such action becomes final, which notice shall include the reasons for the action in the form and manner the CFTC prescribes.

CHAPTER 9: ARBITRATION

Rule 900. Jurisdiction.

- (a) Any Claim or grievance by a Customer against a Participant shall, if the Customer so elects, be settled by arbitration in accordance with these Arbitration Rules unless the Claim or grievance is capable of being settled by arbitration under the rules of a registered futures association, as defined in the CEA, or a national securities association, as defined in the Exchange Act. If such a Claim or grievance is made in accordance with these Arbitration Rules, any counterclaim permissible under subparagraph (a)(ii) of Rule 903 of these Arbitration Rules shall, if asserted by such Participant, likewise be settled by arbitration in accordance with these Arbitration Rules.
- (b) Any Allowable Claim by a Participant against another Participant, whether originating before or during the period of time that the parties are Participants, shall be settled by arbitration in accordance with these Arbitration Rules unless the claim is capable of being settled by arbitration under the rules of a registered futures association, as defined in the CEA, or a national securities association, as defined in the Exchange Act. If such an Allowable Claim is made in accordance with these Arbitration Rules, any Allowable Claim which may be asserted as a counter-claim under subparagraph (a)(ii) of Rule 903 shall likewise be settled by arbitration in accordance with these Arbitration Rules. Arbitration proceedings invoked pursuant to this paragraph shall be independent of, and shall not interfere with or delay the resolution of, a Customer's Claims and grievances submitted for arbitration pursuant to paragraph (a).
- (c) All other disputes or controversies, regardless of their nature, between or among any two (2) or more parties, shall, if agreed to by all parties involved, be settled by arbitration in accordance with these Arbitration Rules. Arbitration proceedings invoked pursuant to this paragraph shall be independent of, and shall not interfere with or delay the resolution of, a Customer's Claims and grievances submitted for arbitration pursuant to paragraph (a).
- (d) Notwithstanding the foregoing, any Panel or, in the absence of a Panel, any three (3) members of the Arbitration Committee appointed by the Chairman of the Arbitration Committee, in its sole and absolute discretion, may decline to take jurisdiction of, or, having taken jurisdiction may at any time decline to proceed further with, any Claim or grievance or any other dispute, controversy or counterclaim, other than such as may be asserted under paragraph (a) of this Rule.

- (e) The commencement of an arbitration under these Rules by a Customer against a Participant will not in itself preclude a Participant from exercising its rights and remedies under its agreements with a Customer, nor will these Arbitration Rules be deemed to permit a Customer to obtain any stay, injunction or similar relief that would preclude a Participant from exercising such rights and remedies as a result of the commencement of an arbitration under these Rules.
- (f) Except as expressly set forth in this Chapter 9, the SEF shall have no responsibility with respect to any Claim or grievance or dispute between or among two or more Participants and/or their Customers, or any action, suit or proceeding arising therefrom or relating thereto.

Rule 901. Definitions.

Unless otherwise indicated, the following terms shall, for the purposes of Chapter 9 of the Rules (the “**Arbitration Rules**”), have the following meanings:

Claim or grievance

Any dispute which arises out of or relating to Transactions subject to the Rules by or through a Participant, which dispute does not require for adjudication the presence of essential witnesses or third parties over whom the SEF does not have jurisdiction or who are otherwise not available. The term “Claim or grievance” shall not include any claim or grievance against the SEF or against a Clearing House.

Customer

Any Person with a Claim or grievance against a Participant; provided, however, that it shall not include Participants.

Claimant

A Person who asserts a Claim pursuant to these Arbitration Rules.

Respondent

A Person against whom a Claim is asserted pursuant to these Arbitration Rules.

Allowable Claim

A Claim for losses arising directly from or relating to a Transaction. An Allowable Claim shall not include legal or other incidental expenses incurred in connection with any such losses or with the events giving rise to any such losses.

Rule 902. Quorum and Disqualification.

- (a) The Arbitration Committee shall consist of such number of Persons as the Board shall determine from time to time. The President shall appoint Public Directors of the Board as the Chairman and Vice Chairman of the Arbitration Committee and shall appoint employees of Participants and Persons who are not Participants to the Arbitration Committee to serve until new committees are appointed. The President may at any time remove any member of the Arbitration Committee, with or without cause, and all vacancies shall be filled as in the case of an original appointment. A Person shall be disqualified from taking any action as a member of the Arbitration Committee or as an arbitrator prescribed in the Arbitration Rules if such Person or an Affiliate has an interest in the Claim or dispute. Any member of the Arbitration Committee may disqualify himself or herself for any reason he or she deems appropriate. Each member of the Arbitration Committee or arbitrator appointed to hear and determine a Claim or grievance shall conduct himself or herself in a manner consistent with the ABA/American Arbitration Association's "Code of Ethics for Arbitrators in Commercial Disputes" and shall disclose to the Chairman of the Arbitration Committee, who shall thereafter advise the parties to the arbitration, at any stage of the arbitration, any past or present, direct or indirect financial, business, professional, family or social relationship which is likely to affect an appearance or which might reasonably create an appearance of partiality or bias.
- (b) If the Chairman of the Arbitration Committee is disqualified or is unavailable, the Vice Chairman of the Arbitration Committee shall act as Chairman. If both the Chairman and the Vice Chairman of the Arbitration Committee are disqualified or are unavailable, the President shall appoint another member of the Arbitration Committee, who is not affiliated with a Participant, to act as Chairman.
- (c) The lesser of a majority or three (3) members of the Arbitration Committee shall constitute a quorum for the transaction of business. Any action taken by a vote of the majority of the Arbitration Committee members present at a meeting at which a quorum is present shall be deemed to be a valid action of the Arbitration Committee.

Rule 903. Procedure.

(a) Claims Asserted Pursuant to Rules 902(a) and (b).

- (i) A Person desiring to invoke the provisions of this paragraph (a) shall, within two (2) years from the time the Claim or grievance arose, file with the SEF a Notice of Arbitration. The Notice of Arbitration shall set forth the name and address of the party or parties against whom the Claim or grievance is being asserted, the nature and substance of the Claim or grievance, the relief requested and the factual and legal basis alleged to underlie such relief. In the event of a Notice of Arbitration submitted by a Customer, such Notice of Arbitration shall indicate whether the Customer elects to have the Claim or grievance heard and determined by a Mixed Panel, as provided in subparagraph (a)(iii) of this Rule. Failure to so indicate will be deemed a waiver of such election.

The Notice of Arbitration shall be accompanied by the Claimant’s non-refundable check payable to the SEF in payment of the arbitration fee. The amount of the fee shall be determined by the amount of the relief requested in the Notice of Arbitration, as follows:

Relief Requested	Amount of Fee
Up to \$100,000	\$1,000
\$100,001 and above	\$1,000, plus 1/2% of excess over \$100,000

- (ii) Upon receipt, the SEF shall promptly deliver a copy of the Notice of Arbitration to each Respondent and to the Chairman of the Arbitration Committee. Each Respondent shall, within twenty (20) days following the delivery of such Notice, file an Answering Statement with the SEF, with a copy to the Claimant, setting forth its position with respect to the Claimant’s Claim or grievance. Any allegation in the Notice of Arbitration not denied by a Respondent in its Answering Statement shall be deemed admitted.

The Answering Statement may set forth one (1) or more counterclaims against the Claimant, provided that any such counterclaims (A) arise out of the Trade or occurrence that is the subject of the Claimant’s claim or grievance and (B) do not require for adjudication the presence of essential witnesses, parties or third (3rd) Persons over which the SEF does not have jurisdiction. Other counterclaims are permissible only if the Claimant agrees to the submission thereof after such counterclaims have arisen.

If an Answering Statement sets forth one (1) or more counterclaims, the Claimant shall reply to such counterclaims within twenty (20) days following delivery of the Respondent's Answering Statement. The Reply shall be filed with the SEF, with a copy to the Respondent involved.

- (iii) The Chairman of the Arbitration Committee, promptly after receipt by the SEF of the Answering Statement, shall appoint a Panel of disinterested Persons to hear and determine the Claim or grievance, selecting one (1) as the Chairman of the Panel. If the amount of relief requested is more than or equal to \$100,001, the Panel shall be composed of three (3) or more individuals. If the amount of relief requested is less than \$100,001, a sole arbitrator may be appointed by the Chairman of the Arbitration Committee in accordance with subparagraph (a)(viii) of the Rule. In a case where a Customer has, in its Notice of Arbitration, elected a Mixed Panel, at least a majority of the Persons selected shall not be Participants, clearing participant or clearing member of a Clearing House, or any employee thereof, or otherwise associated with a Clearing House. Promptly following such appointment, the SEF shall forward copies of the Notice of Arbitration Answering Statement and Reply, if there be one, to the Panel members selected.
- (iv) The SEF shall notify the parties of the appointment of the members of the Panel. Any party objecting to all or any members of the Panel shall file such objection with the Chairman of the Arbitration Committee within ten (10) days of the giving of such notice by the SEF. The Chairman of the Arbitration Committee shall then determine whether changes in the composition of the Panel are appropriate, and if so, shall make such changes. Any vacancy occurring on the Panel for any reason shall be filled by an individual appointed by the Chairman of the Arbitration Committee. The parties shall be notified of the filling of such vacancy and may file objections to the new appointee to the Panel in accordance with the procedure set forth above.
- (v) (A) The parties shall, within a time specified by the Chairman of the Panel, furnish each other and the Panel with a statement listing the witnesses expected to be called and the documents expected to be introduced into evidence, together with copies of such documents. Unless the Panel waives compliance with this requirement, no witness may testify and no documentary evidence may be introduced at the hearing unless listed in (and, in the case of documents, furnished with) such statement.

(B) After the exchange of documents, any party may notify another party and the Chairman of the Panel of any pertinent documents and information it

seeks from such other party that were not provided as part of the document exchange. The other party has five (5) days to provide the requested documents or information or object to their production. Any objection to a request for the production of documents or other information shall be resolved by the Chairman of the Panel, or his or her designee.

- (vi) The Panel shall establish, on not less than ten (10) days' written notice to the parties, the date, time and place of the hearing. Each Panel shall determine the procedures to be followed in any hearing before it, including the use of preliminary hearings to resolve discovery disputes, simplify the issues, and expedite the hearings, except that the following shall apply in every case:
 - (A) Each of the parties shall be entitled to appear personally at the hearing.
 - (B) Each of the parties, at their own expense, shall have the right to be represented by counsel in any aspect of the proceeding.
 - (C) Each of the parties shall be entitled to (1) prepare and present all relevant facts in support of the Claims or grievances, defenses or counterclaims, and to present rebuttal evidence to such Claims or grievances, defenses or counterclaims made by the other parties, (2) examine the other parties, (3) examine any witnesses appearing at the hearing, and (4) examine all relevant documents presented in connection with the Claim or grievance, or any defense or counterclaim applicable thereto.
 - (D) The formal rules of evidence shall not apply.
 - (E) No verbatim record shall be made of the proceedings, unless requested by a party who shall bear the cost of such record. If such a request is made, a stenographic transcript shall be taken, but not transcribed unless requested by a party who shall bear the cost of such transcription.
 - (F) Ex parte contacts by any of the parties with members of the Panel shall not be permitted.
 - (G) The Panel shall have the power, on the request of any party or on its own motion, to require any Person to testify and/or to produce documentary evidence in the proceedings as and to the extent provided for in Rule 904.

- (vii) The Panel shall, within sixty (60) days of the termination of the hearing, render its award in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The Panel, in its award, may grant any remedy or relief which it deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee; provided, however, that any costs incurred as a result of having a Mixed Panel shall be borne by the Participant unless the Panel determines that the Customer acted in bad faith in initiating or conducting the proceeding. The award of the Panel shall be final and binding upon each of the parties to the arbitration, and judgment upon such award may be entered by any court having jurisdiction. Any Participant who is a Respondent in an arbitration conducted pursuant to the Rules shall notify the Legal Department of the SEF of any judicial proceeding based on the award. In addition, any award, if not complied with within the time specified in the award, shall be enforceable by disciplinary proceedings pursuant to the Rules.

- (viii) Notwithstanding any other provision of this paragraph (a), including the right of a Customer to elect a Mixed Panel pursuant to Rule 903(a)(iii), if a Notice of Arbitration sets forth Claims or grievances aggregating less than \$100,001, and the Answering Statement submitted by the Respondent either does not raise counterclaims or raises one (1) or more counterclaims aggregating less than \$100,001, the Chairman of the Arbitration Committee may, at the request of any party or on his or her own motion, in his or her sole and absolute discretion, decide that there shall not be a hearing, in which case the following procedures shall apply:
 - (A) The Chairman of the Arbitration Committee shall notify both parties that neither the Claims or grievances nor the counterclaims, if any, aggregate to \$100,001.
 - (B) The Claimant shall, within twenty (20) days of such notification, submit to the SEF, with a copy to each of the Respondents, a memorandum (together with such supporting documents, affidavits and other materials as the Claimant deems pertinent) setting forth the bases upon which he or she believes he or she is entitled to the relief requested in the Notice of Arbitration.
 - (C) Each Respondent shall, within twenty (20) days of its or his or her receipt of the Claimant's memorandum and supporting documentation, submit to the SEF, with a copy to the Claimant, a memorandum (together with such supporting documents, affidavits and other materials as the respondent

deems pertinent) setting forth the bases upon which he or she believes that the relief requested by the Claimant should be denied and, if said Respondent has raised counterclaims in his or her Answering Statement, the bases upon which he or she believes he or she is entitled to the relief requested by such counterclaims.

- (D) The Chairman of the Arbitration Committee may, on the request of any party or on his or her own motion, in his or her sole and absolute discretion determine whether to allow or require the submission of reply or additional papers, unless a Respondent has asserted one (1) or more counterclaims, in which case the Claimant shall be entitled to reply to such counterclaims within ten (10) days of delivery of the Respondent's memorandum setting forth the bases thereof.
 - (E) The Chairman of the Arbitration Committee or his or her designee, acting as sole arbitrator, shall, within thirty (30) days of his or her receipt of the final papers filed, render an award in writing and deliver a copy thereof either in person or by first-class mail to each of the parties. The sole arbitrator in his or her award may grant any remedy or relief which he or she deems just and equitable, including, without limitation, the awarding of interest and the arbitration fee; provided, however, that any costs incurred as a result of a Customer requesting a Mixed Panel shall be borne by the Participant unless the sole arbitrator determines that the Customer acted in bad faith in initiating or conducting the proceeding. The decision of the sole arbitrator shall be final and binding upon each of the parties to the arbitration, and judgment upon such award may be entered by any court having jurisdiction. In addition, any award, if not complied with within the time specified in the award, shall be enforceable by disciplinary proceedings pursuant to the Rules.
- (ix) The failure of any party to an arbitration to comply with any of the requirements of this paragraph (a), or with any demand or request of either the Panel, the sole arbitrator or the Chairman of the Arbitration Committee shall be deemed a Violation and shall, in addition to any other action the SEF may take for any such Violation, subject such party to such action by the Panel, the sole arbitrator or the Chairman of the Arbitration Committee (including without limitation the entry of an award against such party) as it or he or she shall deem appropriate under the circumstances.

- (x) Notwithstanding the provisions of subparagraph (x) of this paragraph (a), either the Panel, the sole arbitrator or the Chairman of the Arbitration Committee, may for good cause shown extend any time limitation imposed by this paragraph (a) (except the two (2) year and the thirty (30) day limitation periods set forth in subparagraph (a)(i)) or may excuse any neglect to comply therewith or with any other requirement of this paragraph (a) or demand or request of the Panel, the sole arbitrator or the Chairman of the Arbitration Committee.
- (b) Other Claims Asserted Pursuant to Rule 902(c).
 - (i) Any dispute or controversy between or among any two (2) or more parties may, if all of the parties to such dispute or controversy so agree, be settled by arbitration in accordance with this paragraph (b). Such dispute or controversy shall be heard and determined in accordance with the procedures set forth in paragraph (a) of this Rule, except for the following:
 - (A) In lieu of the procedure set forth in the first sentence of subparagraph (i) of paragraph (a), the provisions of this paragraph (b) shall be invoked by the submission by all of the parties concerned of an agreement to submit the dispute or controversy to arbitration in accordance with this paragraph (b) and to be bound by the award of the arbitrators. Following such submission, the SEF shall forward to the party requesting relief the information set forth in subparagraph (i) of paragraph (a) of this Rule, whereupon all of the other procedures set forth in said subparagraph (i) of paragraph (a) shall apply.
 - (B) None of the limitations on counterclaims set forth in subparagraph (ii) of paragraph (a) shall apply.

Rule 904. Withdrawal of Claims.

Any Notice of Arbitration may be withdrawn at any time before an Answering Statement is filed in accordance with these Rules.

If an Answering Statement has been filed, any withdrawal shall require consent of the party against which the Claim or grievance is asserted.

Rule 905. Modification of Award.

On written application to the Legal Department of the SEF by a party to an arbitration, within twenty (20) days after delivery of the award to the applicant, the Panel or sole arbitrator may modify the award if:

- (a) there was a miscalculation of figures or a mistake in the description of any Person, thing, or property referred to in the award; or
- (b) the Panel or sole arbitrator has awarded upon a matter not submitted to it and the award may be corrected without affecting the merits of the decision upon the issues submitted; or
- (c) the award is imperfect in a matter of form, not affecting the merits of the controversy.

Written notice of the application shall be given to the other parties to the arbitration. Written objection to the modification must be served on the SEF and the other parties to the arbitration within ten (10) days of receipt of the application. The Panel or sole arbitrator shall dispose of any application made under this Rule in writing, signed and acknowledged by the Panel or sole arbitrator, within thirty (30) days after either written objection to the modification has been served on it or the time for serving said objection has expired, whichever is earlier. The parties may in writing extend the time for such disposition either before or after its expiration.

Rule 906. Compensation of Arbitrators.

The parties to an arbitration shall pay the arbitrators appointed in each matter compensation in accordance with such fee schedule as the Board may from time to time determine. The arbitrators in each such matters shall determine the proportion in which such compensation shall be paid by each of the parties.

Rule 907. Failure to Comply With Award.

- (a) Any Participant in whose favor an award has been rendered pursuant to this Chapter shall promptly notify the Legal Department of the SEF, in writing, if the award is not complied with. Any Participant, who fails to comply with the terms of an award rendered against such Participant, shall be subject to the procedures set forth in this Rule. Specifically, upon receipt of a notice or information indicating that a Participant has failed to comply with the terms of an award rendered against such Participant, the SEF shall notify such Participant against whom or which the award was rendered of the SEF's intention to suspend its privileges as a Participant and afford the Participant an opportunity to be heard by a panel of the Arbitration Committee appointed by the Chairman for the sole purpose of proving that the award has been satisfied, provided that the Legal Department of the SEF receives a written request from the Participant for

such a hearing within five (5) Business Days after receipt of such notice by the Participant. Failure to so request such a hearing shall be deemed an acknowledgment by the Participant that the award has not been complied with. Any such hearing shall be conducted in accordance with such procedures as the Panel shall determine. The Panel shall consist of no less than three (3) members of the Arbitration Committee. Following any such hearing, the Panel shall determine whether the Participant has failed to timely satisfy the award and shall promptly advise the SEF, and all parties in the proceeding, of its determination.

- (b) If the Panel shall find, or if a Participant shall acknowledge, that it has failed to comply with any award rendered pursuant to this Chapter when and as provided by such award, the Participant may be suspended, as provided in these Rules, and shall remain suspended until the award is complied with and the suspended Participant is reinstated.

CHAPTER 10: CLEARING AND FINANCIAL RESPONSIBILITY; REPORTING

Rule 1001. Designation of Clearing Houses.

As part of the Contract Specifications for each Contract that is eligible to be cleared or required to be cleared, the SEF shall designate one or more Clearing Houses for clearing of such Contract. For the avoidance of doubt, the SEF may treat each Contract to be cleared at a different Clearing House as being a different Contract for all purposes of the Rules.

Rule 1002. Cleared Swaps.

- (a) Each Cleared Swap (including any Required Transaction) shall be cleared through a Clearing House indicated in the applicable Contract Specifications that is a derivatives clearing organization registered under the CEA or a derivatives clearing organization that is exempt from registration under the CEA.
- (b) For each Cleared Swap a Participant (or, if applicable, its Customer) expects to enter into on the SEF or subject to the Rules, the Participant (or, if applicable, its Customer) must be a Clearing Member of the applicable Clearing House or have established a clearing relationship with a Clearing Member of the applicable Clearing House.
- (c) Acceptance of Orders for a Cleared Swap will be subject to Rule 516. Following execution of a Transaction in a Cleared Swap, the SEF shall submit such Transaction to the applicable Clearing House for each Participant (or, if applicable, its Customer) party thereto, as applicable.
- (d) If a Cleared Swap is affirmatively rejected by the relevant Clearing House, such Transaction shall be deemed *void ab initio*. The SEF shall have the right to suspend Trading Privileges of the Participant or Participants that executed the Transaction or the account of the Customer on whose behalf the Participant executed the Transaction that was rejected or take any other action permitted by the Rules. The SEF will report the cancellation of the Transaction as required by Part 43 and Part 45 of the CFTC Regulations.

Rule 1003. Uncleared Swaps.

Any Participant (or its Customer, if applicable) that is not a Swap Dealer and is placing an Order with respect to a Contract that is an Uncleared Swap, prior to placing such Order, shall have designated a Swap Intermediary and entered into a Swap Intermediation Arrangement. Such Swap Intermediary shall have entered into a master agreement or other applicable agreement that will govern the related Transaction following execution with the relevant counterparty, and

such Participant (or Customer) shall have entered into a Swap Intermediation Arrangement (including a master agreement or other applicable agreement that will govern the related offsetting Transaction between the Participant (or Customer) and the Swap Intermediary). Such agreements shall comply with all applicable swap trading documentation requirements and other requirements under Applicable Law, including as to relevant credit support terms. Acceptance of an Order for an Uncleared Swap will be subject to Rule 516; provided that this Rule 1003 shall not apply to any Transaction in a Commodity Contract.

Rule 1004. Transaction Reporting.

- (a) The SEF will report all Transactions (including accepted Block Trades) subject to reporting by the SEF under Applicable CFTC Regulations as soon as technologically practicable after the Transaction has been executed to ICE Trade Vault, LLC, with respect to a Cleared Swap in a Credit Contract and Uncleared Swaps in Commodity Contracts, or DTCC Data Repository (U.S.) LLC, with respect to an Uncleared Swap in a Credit Contract. However, in limited circumstances the SEF reserves the right to submit a Cleared Swap in a Credit Contract to the DTCC Data Repository (U.S.) LLC if necessary to satisfy the SEF's or a Market Participant's reporting obligations under Part 43 and 45 of the CFTC Regulations. With respect to Transactions in Contracts, the SEF may disclose publicly reportable Transaction and Pricing data to Market Participants prior to the public dissemination of such data by an SDR; provided that, the SEF may only provide such Transaction and Pricing data to Market Participants no earlier than the time the SEF transmits such information to an SDR.
- (b) The parties to a Transaction will be responsible for compliance with their own reporting obligations, if any, with respect to such Transaction under Applicable CFTC Regulations. Notwithstanding the preceding sentence, the SEF will identify the Person that is the Reporting Counterparty to a Transaction in accordance with CFTC Regulation 45.8. If the counterparties to a Transaction are of the same reporting designation, the SEF will designate the seller as the Reporting Counterparty for such Transaction.
- (c) If a Market Participant that is a counterparty to a Transaction becomes aware of an error or omission in the Transaction or Pricing data which was reported to an SDR by the SEF with respect to such Transaction, either through its own initiative or through notice by its counterparty to the Transaction, such Market Participant shall inform the SEF of such error or omission and promptly submit corrected data to the SEF, to the extent that the error or omission in reporting was the fault of the Market Participant or its counterparty.

- (d) The SEF will record and report to the CFTC all data required to be reported to the CFTC under Part 16 of the CFTC Regulations, in the form and manner required by such regulations.

CHAPTER 11: MISCELLANEOUS

Rule 1101. Governing Law.

The Rules, and all matters arising out of or relating thereto, shall be governed by and construed in accordance with the laws of the State of New York.

Rule 1102. Transaction Terms.

- (a) The SEF may establish Contract Specifications for each Contract listed for trading on the SEF or subject to the Rules. Such Contract Specifications may be based on, or incorporate, the applicable Contract Specifications of any relevant Clearing House for such Contract.
- (b) Upon execution of a Transaction in a Cleared Swap and acceptance thereof for clearing, such Transaction (or any resulting Transactions) is deemed to be a legally binding obligation of the Participant (or the relevant Customer) and will be subject to the rules and regulations of the applicable Clearing House.
- (c) Upon execution of a Transaction in an Uncleared Swap, solely as between the parties thereto, such Transaction shall be deemed a legally binding obligation of the Participant at the time the SEF provides notice of acceptance or execution of such Transaction and shall be subject to the applicable master agreement or other documentation agreed between such parties. For the avoidance of doubt, no further action, other than that described in the preceding sentence, need be taken or is otherwise required to be done, in order for such Transaction in an Uncleared Swap to be deemed a legally binding Transaction as between the parties thereto, and such Transaction will be deemed “confirmed” for all purposes upon delivery of the written record of the Transaction pursuant to Rule 515.

Rule 1103. Limitation on Liability.

- (a) EXCEPT AS OTHERWISE SET FORTH IN THE RULES OR OTHERWISE UNDER APPLICABLE LAW, NEITHER THE SEF NOR ANY OF ITS REPRESENTATIVES, AFFILIATES OR AFFILIATES’ REPRESENTATIVES SHALL BE LIABLE TO ANY PERSON, OR ANY PARTNER, DIRECTOR,

OFFICER, AGENT, EMPLOYEE THEREOF, FOR ANY LOSS, DAMAGE, INJURY, DELAY, COST, EXPENSE, OR OTHER LIABILITY OR CLAIM, WHETHER IN CONTRACT, TORT OR RESTITUTION, OR UNDER ANY OTHER CAUSE OF ACTION, SUFFERED BY OR MADE AGAINST THEM AS A RESULT OF THEIR USE OF SOME OR ALL OF THE TRADING SYSTEM AND BY MAKING USE OF THE TRADING SYSTEM, SUCH PERSONS EXPRESSLY AGREE TO ACCEPT ALL LIABILITY ARISING FROM THEIR USE OF SAME.

- (b) EXCEPT AS OTHERWISE SET FORTH IN THE RULES OR OTHERWISE UNDER APPLICABLE LAW, NEITHER THE SEF NOR ANY OF ITS REPRESENTATIVES, AFFILIATES OR AFFILIATES' REPRESENTATIVES SHALL BE LIABLE TO ANY PERSON, OR ANY PARTNER, DIRECTOR, OFFICER, AGENT, EMPLOYEE THEREOF, FOR ANY LOSS, DAMAGE, INJURY, DELAY, COST, EXPENSE, OR OTHER LIABILITY OR CLAIM, WHETHER IN CONTRACT, TORT OR RESTITUTION, OR UNDER ANY OTHER CAUSE OF ACTION, SUFFERED BY OR MADE AGAINST THEM ARISING FROM: (A) ANY FAILURE OR NON-AVAILABILITY OF THE TRADING SYSTEM; (B) ANY ACT OR OMISSION ON THE PART OF THE SEF, ITS REPRESENTATIVES, AFFILIATES OR AFFILIATES' REPRESENTATIVES INCLUDING WITHOUT LIMITATION A DECISION OF THE SEF TO SUSPEND, HALT, OR TERMINATE TRADING OR TO VOID, NULLIFY OR CANCEL ORDERS OR TRADES IN WHOLE OR IN PART; (C) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE SEF, AFFILIATES OR THE TRADING SYSTEM; (D) UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF THE TRADING SYSTEM BY ANY PERSON; OR (E) ANY FORCE MAJEURE EVENT AFFECTING THE SEF.
