- (c) The Chief Compliance Officer will determine whether any member of the relevant deliberating body who does not choose to abstain from deliberations and voting is subject to a conflicts restriction under this paragraph (c). In making its determination, the deliberating body will consider: (i) whether such member's participation in the deliberations is necessary to achieve a quorum; and (ii) whether such member has unique or special expertise, knowledge or experience in the matter being considered.

- 2.9.5 Upon taking any action in response to an Emergency, the Clearing House will document the decisions and deliberations related to such action for review by the Board as soon as practicable. No membership in the Clearing House may be transferred to another Person except in connection with a merger or other business combination where such transfer of membership is approved by the Clearing House.

3.15 Adequate Assurances

If the Clearing House has reason to believe that a Clearing Member may fail to comply with any of the Rules, it may require the Clearing Member to provide it, within such timeframe, in such detail, and in such manner as the Clearing House shall determine, with adequate assurances that the Clearing Member will continue to comply with the Rules.

3.16 Acceptance for Clearing; Novation

3.16.1 The Clearing House will coordinate with the Exchange and FCM Clearing Members to accept or reject Exchange Contracts for clearing as quickly after execution as technologically practicable. The Clearing House will accept Exchange Contracts for clearing when such Exchange Contracts have been received by the Clearing System if the parties to such Exchange Contracts have clearing arrangements in place and have satisfied any applicable risk limits imposed by the Clearing Member, the Exchange or the Clearing House. Subject to the foregoing and to Rule 3.16.2, the Clearing House shall accept for clearing any Exchange Contract that has been executed pursuant to Exchange Rules and submitted by the Exchange

to the Clearing House for clearance, and shall not accept for clearing any Exchange Contract submitted to it by any Person other than the Exchange. All Exchange Contracts accepted for clearing by the Clearing House shall be subject in all respects to these Rules.

- 3.16.2 The Clearing House, by accepting an Exchange Contract offered to it for clearing, shall assume, in the place of each Clearing Member that is a party to such Exchange Contract, all liabilities and obligations imposed by such Exchange Contract to the Clearing Member that is the other party thereto and shall succeed to and become vested with all rights and benefits accruing therefrom. Such assumption by the Clearing House shall terminate all liabilities and obligations of the Clearing Member whose Exchange Contract is so accepted to the other Clearing Member which was a party to such Exchange Contract.
- 3.16.3 The Clearing House shall be entitled to rely conclusively on the accuracy and authenticity of any information regarding any Exchange Contract submitted to the Clearing House by the Exchange on behalf of a Clearing Member, whether or not the Clearing Member in fact authorized the submission of such Exchange Contract for clearing.
- 3.16.4 Where, as the result of novation under this Rule 3.16, a Clearing Member has bought and sold for the same account Exchange Contracts with the same expiry or a put or call option with the same strike price and expiry, such purchase and sale will be offset by the Clearing House. Such a Clearing Member shall be required to pay the loss or entitled to collect the profit, as the case may be, upon such offsetting transactions, and shall have no further rights or be under any further obligation with respect thereto. For purposes of this Rule, the first Exchange Contract made shall be deemed the first Exchange Contract offset.

WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE CLEARING HOUSE SHALL NOT HAVE ANY LIABILITY OR OBLIGATION TO ANY CUSTOMER ARISING OUT OF OR WITH RESPECT TO ANY EXCHANGE CONTRACT OR TO ANY CLEARING MEMBER OR OTHER PERSON WITH RESPECT TO ANY EXCHANGE CONTRACT WHICH HAS NOT BEEN ACCEPTED FOR CLEARING BY THE CLEARING HOUSE.

3.17 Transfers of Open Positions

Any transfer of an Exchange Contract shall be subject to the following:

- (a) subject to the limitations of Exchange position transfer rules, the Clearing House will approve a position transfer without requiring the prior close-out and re-booking of Exchange Contracts if the

Clearing Member currently carrying a Customer Account (the “**Carrying Clearing Member**”) notifies the Clearing House that a Customer has requested to transfer all or a portion of the positions in the Customer Account to another Clearing Member (the “**Receiving Clearing Member**”) provided that (i) the notification includes a representation that the Customer is not currently in default, the Customer’s name, account mnemonics and, if the transfer is not of an entire account, a description of which Exchange Contracts are to be transferred; and (ii) the Receiving Clearing Member agrees to accept the transfer, the transferred Exchange Contracts will have appropriate Margin at the Receiving Clearing Member and any remaining Exchange Contracts in the Customer’s Account at the Carrying Clearing Member will have appropriate Margin.

- (b) if the transferor is in Default, transfers may only be effected at the latest Settlement Price unless the Clearing House in its discretion determines that, because of excess Margin on deposit or for other sufficient reason, accepting the transfer at other prices would not jeopardize the Clearing House; and
- (c) if, in any case, the Clearing House in its discretion determines that it would be contrary to the best interests of the Clearing House to accept a transfer at a price other than the latest Settlement Price, it may, notwithstanding any provision to the contrary in the Exchange Rules, require such transfer to be effected at the Settlement Price.

3.18 Approved Financial Institutions

3.18.1 A bank or trust company may be designated by the Board as an Approved Financial Institution to act as a depository for Margin on behalf of Clearing Members or in such other capacity as the Board may approve. To become designated as an Approved Financial Institution, a bank or trust company must submit an application in such form and containing such information as the Clearing House from time to time may require and must meet such financial and other requirements as the Board may establish from time to time including requirements related to capitalization, creditworthiness, access to liquidity, operational reliability, and regulation and supervision. A bank or trust company that has been designated by the Board as an Approved Financial Institution for any purpose may act as such until such designation is suspended or terminated in accordance with Rule 3.18.2.

3.18.2 If a bank or trust company does not meet the requirements established by the Clearing House pursuant to this Rule 3.18, or if the Board determines that it would be in the best interest of the Clearing House or its Clearing Members, the Clearing House may:

- (a) deny the application of such bank or trust company for designation as an Approved Financial Institution;
 - (b) suspend or terminate the status of such bank or trust company as an Approved Financial Institution for any or all purposes; or
 - (c) approve the application or permit the bank or trust company to continue as an Approved Financial Institution, subject in either case to such terms, conditions and limitations as the Clearing House, in its judgment, deems appropriate.
- 3.18.3 All wire transfers made by Clearing Members to the Clearing House must be drawn on or made by an Approved Financial Institution.
- 3.18.4 If at any time the Board suspends or terminates the status of an Approved Financial Institution, affected Clearing Members shall immediately replace the same with an active Approved Financial Institution complying with these Rules.

3.19 Liens Held by the Clearing House

The Clearing House shall have a first lien and perfected security interest in, and right of setoff against, all Margin, Guaranty Fund deposits, Collateral and other property (including Exchange Contracts), and all proceeds of any of the foregoing, held in or for the accounts of a Clearing Member in connection with the financial obligations of such Clearing Member, however created, arising or evidenced, whether direct or indirect, absolute or contingent, existing, due or to become due.

3.20 Initial Margin; Additional Margin

- 3.20.1 Each Clearing Member shall deposit with or pay to the Clearing House Initial Margin for each cleared Exchange Contract in such amounts, in such forms, at such times and in accordance with such systems as may be prescribed by these Rules or by the Board. Initial Margin requirements shall be as determined by the Clearing House from time to time. Initial Margin requirements shall be calculated on a gross basis for each Customer, and Clearing Members are not permitted to net positions of different Customers against one another. Clearing Members shall collect Initial Margin from their Customers, for Customers with heightened risk profiles (consistent with the Clearing Member's risk management policies and procedures), at a level that exceeds the Initial Margin amount determined by the Clearing House by such amount as the Clearing House shall specify from time to time. For Exchange Contracts that are options, the Clearing House will determine option value for each option and the net option value of each portfolio. For a settlement cycle, (i) if the net option value of the portfolio is positive, such amount may be used to satisfy Initial Margin requirements for the portfolio, (ii) if the net option value of a portfolio is negative, such amount will increase the Initial Margin

requirements for the portfolio. For Physically Settled Exchange Contracts, Delivery Margin is a component of Initial Margin.

- 3.20.2 The Clearing House will review the adequacy of its Initial Margin requirements each Business Day. Whenever the Chief Risk Officer or his or her delegate concludes that unstable conditions relating to one or more Exchange Contracts exist, or that the maintenance of an orderly market or the preservation of the fiscal integrity of the Clearing House requires additional Initial Margin, or that any Clearing Member is carrying Exchange Contracts or incurring risks in its House Account or Customer Account that are larger than is justified by the financial or operational condition of the Clearing Member, the Chief Risk Officer or his or her delegate may require additional Initial Margin to be deposited with the Clearing House within such time as may be specified by the Chief Risk Officer, or his or her delegate, or limit withdrawals of excess Initial Margin on deposit from such Clearing Member for such time as may be specified by the Chief Risk Officer, or his or her delegate. Such additional Margin may be for one or more Exchange Contracts from one or more Clearing Members and for long and/or short positions.
- 3.20.3 Without limitation of the Clearing House's other rights to use or apply a Clearing Member's Initial Margin as permitted in these Rules, under Applicable Law or otherwise, the Clearing House may: (i) invest any cash deposited as Initial Margin in accordance with the Clearing House's investment policies and CFTC Regulation 1.25 and any interest, capital gain or other income earned on such investments shall belong and be credited to the Clearing House; (ii) use a Clearing Member's cash or securities constituting Initial Margin in its House Account from time to time to meet temporary liquidity needs of the Clearing House (whether or not such Clearing Member is in Default), in a manner consistent with the Clearing House's liquidity policies and Applicable Law, including by way of assignment, transfer, pledge, repledge or creation of a lien on or security interest in such Initial Margin in connection with borrowing, repurchase transactions or other liquidity arrangements to support payment obligations of the Clearing House in respect of Exchange Contracts; and (iii) charge and collect any operational fees or expenses incurred by the Clearing House in connection with the deposit by a Clearing Member of Margin and the Clearing House shall have the right to instruct each Approved Financial Institution to debit the House Account maintained by each Clearing Member, and/or any other account designated by such Clearing Member for purposes of this Rule, for any payment of these fees or expenses due to the Clearing House.

3.21 Variation Margin

Where Exchange Contracts are accepted for clearing and the price of such Exchange Contracts is less than the Settlement Price therefor, the selling Clearing

Member shall be obligated to pay Variation Margin to, and the buying Clearing Member shall be entitled to receive Variation Margin from, the Clearing House as set forth in Rule 3.23 and in the policies and procedures of the Clearing House. Where Exchange Contracts are accepted for clearing and the price of such Exchange Contracts is greater than the Settlement Price, the buying Clearing Member shall be obligated to pay Variation Margin to, and the selling Clearing Member shall be entitled to receive Variation Margin from, the Clearing House in accordance with the process set forth below and any other policies and procedures of the Clearing House. Thereafter, Clearing Members shall be obligated to pay or entitled to receive Variation Margin on open Exchange Contracts and on Exchange Contracts that have been closed on the books of the Clearing House. All Variation Margin payments to the Clearing House shall be made in immediately available funds. If an Approved Financial Institution fails to pay Variation Margin on behalf of a Clearing Member, such Clearing Member will remain obligated to pay such Variation Margin to the Clearing House notwithstanding such failure.

3.22 Cash Margin Deposits

Each Clearing Member shall establish and maintain House and, if applicable, Customer accounts at an Approved Financial Institution. A Clearing Member shall use such accounts for the payment of Variation Margin and Initial Margin. The Clearing House shall have the right to instruct such Approved Financial Institution to debit the Margin accounts maintained by a Clearing Member for any deposits of Initial Margin or payments of Variation Margin due to the Clearing House pursuant to these Rules and to deposit such funds into the appropriate Clearing House account.

3.23 Margin Payments

3.23.1 The Clearing House shall advise each Clearing Member of the amount of Initial Margin and Variation Margin owing to or from such Clearing Member after the close of trading on each Business Day and:

- (a) If the aggregate net amount of Variation Margin for all Exchange Contracts carried for Customers by such Clearing Member is owing to the Clearing House, the Clearing House shall instruct such Clearing Member's Approved Financial Institution to transfer funds from the Customer Margin account maintained by such Clearing Member with such Approved Financial Institution to the settlement account of the Clearing House at its bank in an amount equal to the amount so owing;
- (b) If the aggregate net amount of Variation Margin for all Exchange Contracts carried for Customers by such Clearing Member is owing to such Clearing Member, the Clearing House shall instruct its bank to transfer funds from the Clearing House's settlement account to the Customer Margin account maintained by such Clearing Member

with such Approved Financial Institution in an amount equal to the amount so owing;

- (c) If the aggregate net amount of Variation Margin for all Exchange Contracts carried for House Accounts by such Clearing Member is owing to the Clearing House, the Clearing House shall instruct such Clearing Member's Approved Financial Institution to transfer funds from the proprietary Margin account maintained by such Clearing Member with such Approved Financial Institution to the settlement account of the Clearing House at its bank in an amount equal to the amount so owing;
- (d) If the aggregate net amount of Variation Margin for all Exchange Contracts carried for House Accounts by such Clearing Member is owing to such Clearing Member, the Clearing House shall instruct its bank to transfer funds from the Clearing House's settlement account to the House Margin account maintained by such Clearing Member with such Approved Financial Institution in an amount equal to the amount so owing; provided, however, that on any day on which Variation Margin for the Customer Account is owing by such Clearing Member to the Clearing House, the Clearing House shall not transfer funds owing to the Clearing Member in respect of the Clearing Member's House Account until the amount owing by the Clearing Member to the Clearing House with respect to such Customer Account has been paid in full; provided further, that on any day on which the Clearing House is required to pay Variation Margin to a Clearing Member House Account but such Clearing Member is required to deposit Initial Margin or to increase the amount of its Guaranty Fund deposit, the Clearing House may net such amounts due from such Clearing Member against the Clearing House's obligation to pay such Clearing Member Variation Margin and instead make a single payment to, or receive a single payment from, such Clearing Member;
- (e) If the aggregate net amount of Initial Margin for all Exchange Contracts carried for Customers by such Clearing Member is owing to the Clearing House, the Clearing House shall instruct such Clearing Member's Approved Financial Institution to wire transfer funds from the Customer Margin account maintained by such Clearing Member with such Approved Financial Institution to the Customer Margin account of the Clearing House at its bank in an amount equal to the amount so owing; and
- (f) If the aggregate net amount of Initial Margin for all Exchange Contracts carried for House Accounts by such Clearing Member is owing to the Clearing House, the Clearing House shall instruct such Clearing Member's Approved Financial Institution to wire transfer

funds from the House Margin account maintained by such Clearing Member with such Approved Financial Institution to the House Margin account of the Clearing House at its bank in an amount equal to the amount so owing.

- 3.23.2 Variation Margin and Initial Margin payments to the Clearing House shall be made in immediately available funds. Variation Margin for any Exchange Contract shall be paid in the currency in which such Exchange Contract is settled pursuant to the Contract Specifications.
- 3.23.3 Notwithstanding any other provision of the Rules, if the Chief Risk Officer or his or her delegate, determines (i) that unstable conditions relating to one or more Exchange Contracts exist, or that the maintenance of an orderly market or the preservation of the fiscal integrity of the Clearing House so requires, or (ii) that any Clearing Member is carrying Exchange Contracts or incurring risks in its House Accounts or Customer Accounts that are larger than is justified by the financial or operational condition of the Clearing Member, the Clearing House may issue one or more intra-day calls requiring the deposit of Initial Margin with the Clearing House by such time as the Clearing House shall specify. An intra-day call based on a determination as to the conditions specified in clause (i) above may be issued to any or all Clearing Members. An intra-day call based on a determination as to the conditions specified in clause (ii) above may be issued to any Clearing Member with respect to which such determination is made. If the Clearing House makes an intra-day call for Initial Margin, the Clearing House shall:
- (a) Give notice to each Clearing Member that is required to make payment to the Clearing House of the amount payable by such Clearing Member; and
 - (b) Immediately after giving or making reasonable efforts to give the notice described in paragraph (a), the Clearing House may instruct the Approved Financial Institution at which each such Clearing Member maintains Margin accounts to transfer immediately available funds from the appropriate account of each such Clearing Member into the appropriate account of the Clearing House in the amount as determined by the Clearing House.
- 3.23.4 Initial Margin shall initially be deposited in cash with the Clearing House as provided in Rule 3.23.1. Thereafter, the Clearing House may permit a Clearing Member to substitute securities for cash on deposit as Initial Margin or irrevocable letters of credit for Customer cash on deposit as Initial Margin. If irrevocable letters of credit are substituted, then such substitution shall be subject to Rule 3.24.3. If securities are substituted, such substitution shall be subject to Rule 3.24.1 and 3.24.2 in all respects and effected by delivering to the Clearing House securities and a request

for the release of the cash Initial Margin for which the securities will be substituted by the time specified by the Clearing House on the day on which the Clearing Member wishes to make the substitution. Net income, if any, generated by any securities held by the Clearing House as Initial Margin for any Clearing Member shall belong and be credited to such Clearing Member.

- 3.23.5 Subject to Rule 3.23.8, the Clearing House shall return to a Clearing Member the amount of any excess Initial Margin on deposit from such Clearing Member, provided that the Clearing House shall have received a request for such a release from such Clearing Member by such time as may be specified by the Clearing House on the day such release is to be made.
- 3.23.6 Excess Initial Margin shall not be released pursuant to Rule 3.23.5: (i) if the excess Margin is due to any House Account of Clearing Member unless the Clearing Member has deposited and paid all Margin and other amounts required from such Clearing Member for its House Account and Customer Account or otherwise pursuant to these Rules; or (ii) if the excess Margin is due to the Customer Account of the Clearing Member, unless the Clearing Member has deposited and paid all Margin required from its Customer Account pursuant to these Rules for such accounts. Notwithstanding any provision to the contrary in these Rules, the Clearing House may refuse to release the amount of excess Initial Margin on deposit in the House Accounts or Customer Accounts of a Clearing Member that has requested such release if the Chief Risk Officer or his or her delegate concludes that the financial or operational condition of the Clearing Member is such that the release of excess Initial Margin would be contrary to the fiscal integrity of the Clearing House unless the Clearing Member substantiates to the satisfaction of the Clearing House that the amount to be released will be returned to one or more Customers in accordance with Applicable Law.
- 3.23.7 A Clearing Member shall not permit a Customer to withdraw Margin from its account if such withdrawal would cause the Margin deposits that would remain in such account following the withdrawal to be less than the then-prevailing Initial Margin requirement.
- 3.23.8 Upon notice from the Clearing House that a transfer of funds from a Clearing Member's account pursuant to Rule 3.23.1 was not effected as instructed by the Clearing House for any reason, the Clearing Member shall deliver to the Clearing House the amount required at such time and in such form as the Clearing House may prescribe.

3.24 Deposit of Non-Cash Collateral as Initial Margin

- 3.24.1 A Clearing Member may substitute securities for all or part of the cash it has on deposit with the Clearing House as Initial Margin, in accordance

with Rule 3.23.1 and this Rule 3.24.1, provided, however, that the Board may prescribe limitations regarding the extent to which interests in any category of permitted securities may be substituted for cash Initial Margin.

- (a) The only securities eligible for deposit as Initial Margin are Treasury Securities that have been approved for such purpose by the Risk Management Committee.
- (b) Securities shall be valued in accordance with such methodology as may be adopted by the Risk Management Committee.
- (c) Every deposit of Treasury Securities shall be made by wire transfer to an account of the Clearing House pursuant to such procedures and requirements prescribed by the Clearing House.
- (d) Deposits of securities shall be made by such means and subject to such agreements and undertakings as may be prescribed by the Clearing House.

3.24.2 If securities deposited by a Clearing Member pursuant to this Rule 3.24 are sold by the Clearing House, the net proceeds thereof shall be deposited into one or more Initial Margin accounts maintained by the Clearing House and shall be credited to the appropriate Customer Account or House Account of such Clearing Member.

3.24.3 A Clearing Member may substitute irrevocable letters of credit from its Customers for Customer cash it has on deposit with the Clearing House as Initial Margin, in accordance with Rule 3.23.1 and this Rule 3.24.3, provided, however, that the Clearing House may prescribe limitations regarding the use of irrevocable letters of credit to meet Initial Margin requirements.

- (a) Irrevocable letters of credit must be in a form acceptable to the Clearing House.
- (b) Irrevocable letters of credit must be drawable in the United States.
- (c) A Clearing Member shall not accept from a Customer irrevocable letters of credit that are issued by the Customer, an affiliate of the Customer, the Clearing Member, or an affiliate of the Clearing Member.

3.25 Finality of Settlement

Payments or transfers of funds to and from the Clearing House, including but not limited to Margin payments and Guaranty Fund deposits, are irrevocable and unconditional when, as the case may be, they are debited from or credited to an

account of the Clearing House at an Approved Financial Institution, provided that adjustments may be made after such time for the correction of errors.

3.26 Bank Holidays

If the Exchange is open for trading on any bank holiday, the following procedures will apply:

- (a) On the Business Day preceding such bank holiday, each Clearing Member shall deposit or pay such Initial Margin and Variation Margin as may be required by the Clearing House. Such deposit or payment shall be made without offset or reduction by reason of excess Initial Margin held by the Clearing House for the account of such Clearing Member.
- (b) On the Business Day following such bank holiday, deposits and payments of Initial Margin and Variation Margin, and withdrawals of excess Margin, shall be made to and by the Clearing House in accordance with these Rules, except that such deposits and payments shall be made with respect to transactions made on such bank holiday and on the Business Day preceding such bank holiday.

3.27 Segregation of Customer Funds

All Customer funds received by the Clearing House from a Clearing Member to purchase, Margin, guarantee, secure or settle the Exchange Contracts of the Clearing Member's Customers, and all money accruing to such Customers as a result thereof, shall be segregated as customer funds in accordance with all relevant provisions of the CEA and CFTC Regulations. This Rule satisfies the requirement in CFTC Regulation 1.20(d)(1) that a Clearing Member must obtain a written acknowledgement from the Clearing House that such Customer funds are being held in accordance with such provisions.

3.28 Fees

The Clearing House shall have the right to instruct each Approved Financial Institution to debit the House Account maintained by each Clearing Member, and/or any other account designated by such Clearing Member for purposes of this Rule, for any payment of fees, charges or other amounts (other than fines or penalties) due to the Clearing House or due to the Exchange (if and to the extent the Clearing House shall be acting as a collection agent for the Exchange).

3.29 Defaults

3.29.1 If any of the following events occurs with respect to a Clearing Member (regardless of whether any such event is cured by any guarantor or other third party on behalf of such Clearing Member or otherwise), the Clearing Member shall be in Default:

- (a) If such Clearing Member fails to meet any of its obligations under its Exchange Contracts with the Clearing House,
- (b) If the Clearing Member is Insolvent,
- (c) If such Clearing Member fails to pay when due any amounts owing to the Clearing House, or
- (d) If such Clearing Member fails to make any required deposit to the Guaranty Fund when and as required by these Rules,

then, and in any such event, such Clearing Member shall automatically and without further action be suspended as a Clearing Member, except that such suspension may be temporarily postponed by the Chief Executive Officer if the Chief Executive Officer determines that such suspension would not be in the best interests of the Clearing House, in which case the Chief Executive Officer shall immediately call a special meeting of the Board as soon as practicable, at which the Board may reinstitute such suspension or take such other action as may be provided for in the Rules.

3.29.2 If any of the following events occurs with respect to a Clearing Member (regardless of whether any such event is cured by any guarantor or other third party on behalf of such Clearing Member or otherwise):

- (a) If the Clearing House determines that such Clearing Member is not in compliance with the provisions of Rule 3.2 and that such noncompliance poses an unacceptable risk to the Clearing House, or
- (b) If the Clearing House determines that a Delivery Default occurred with respect to such Clearing Member,

then, and in any such event, the Clearing House may declare that the Clearing Member is in Default and may determine that such Clearing Member shall be suspended as a Clearing Member.

3.30 Liquidation on Termination or Suspension of Clearing Member

3.30.1 When a Person ceases to be a Clearing Member or is suspended as a Clearing Member, such Person shall be prohibited from establishing new positions and all open Exchange Contracts carried by the Clearing House for such Clearing Member shall be closed out as expeditiously as practicable such that:

- (a) Open Exchange Contracts are transferred by the Clearing Member and accepted by one or more other Clearing Members, with the prior consent of the Clearing House, or transferred by the Clearing House to one or more other Clearing Members pursuant to an auction of

the Exchange Contracts or other procedure instituted by the Clearing House;

- (b) Exchange Contracts subject to outstanding delivery obligations are Physically Settled or transferred by the Clearing House to one or more other Clearing Members pursuant to an auction of the Exchange Contracts or other procedure instituted by the Clearing House;
- (c) The Chief Executive Officer or Chief Risk Officer, or in the absence of both the Chief Executive Officer and the Chief Risk Officer, any Director with voting authority may determine that, in his or her opinion, liquidation be deferred for the protection of the financial integrity of the Clearing House; or
- (d) Open Exchange Contracts are liquidated in the manner set forth in Rule 3.31 to the extent that paragraphs (a), (b), or (c) do not apply.

3.30.2 The Chief Executive Officer and Chief Risk Officer, or in the absence of either or both the Chief Executive Officer and the Chief Risk Officer, one or two Directors with voting authority may substitute for the Chief Executive Officer or Chief Risk Officer to jointly authorize the execution from time to time, solely for the purpose of reducing the risk to the Clearing House resulting from the continued maintenance of such open Exchange Contracts, the purchase or sale of Exchange Contracts or other hedging or risk reducing transactions. The Chief Executive Officer and the Chief Risk Officer may delegate to one or more Persons the authority to determine, within such guidelines as they may prescribe, the nature and timing of such transactions.

3.31 Method of Closing Out

3.31.1 The open Exchange Contracts of a Clearing Member that, pursuant to Rule 3.30, are required to be liquidated pursuant to this Rule 3.31, shall be liquidated in such manner as the Clearing House, in its sole discretion, may direct. Without limiting the generality of the foregoing:

- (a) Any such liquidation may be effected by executing block trades with one or more Clearing Members or Exchange participants or by directly entering orders into the Exchange's trading platform for the purchase or sale of Exchange Contracts. The Chief Executive Officer or Chief Risk Officer may designate and authorize an individual, and may engage a third party, to be responsible for implementing such liquidation.
- (b) Notwithstanding any other provision of this Rule 3.31.1, any such liquidation may be effected without placing orders for execution, by making appropriate book entries on the records of the Clearing

House (including, without limitation, by pairing and canceling offsetting long and short positions in the Exchange Contracts carried by the Clearing Member) at a price equal to the Settlement Price on the day such liquidation is ordered or at such other price as the Board may establish; provided, however, if an order for relief has been entered with respect to such Person and its property is thereby subject to the control of a bankruptcy court, the Clearing House will not effect any such liquidation by book entry except as may be permitted by CFTC Regulations.

3.31.2 All liquidations made pursuant to this Rule 3.31 shall be for the account and risk of the Person which ceases to be a Clearing Member or which is suspended as a Clearing Member. The Clearing Member shall be liable to the Clearing House for any commissions or other expenses incurred in liquidating such Exchange Contracts.

3.32 Amounts Payable to the Clearing House

Upon completion of the liquidation or transfer of the positions of a Clearing Member pursuant to Rule 3.31, the Clearing House shall be entitled on demand to recover from such Clearing Member all amounts due to the Clearing House for all losses, liabilities and expenses (including without limitation legal fees and disbursements) incurred by the Clearing House in connection with such liquidation or transfer, and such Clearing Member's Collateral, together with any other assets held by, pledged to or otherwise available to the Clearing House, including any guarantee issued pursuant to Rule 3.12.2, shall be applied by the Clearing House to discharge the Obligations of such Clearing Member to the Clearing House (including any amounts, and costs and expenses associated with the liquidation, transfer or management of Exchange Contracts held in or for the accounts of such Clearing Member, and any fees, assessments or fines imposed by the Clearing House on such Clearing Member).

3.33 Reinstatement of Suspended Member

Any Clearing Member suspended pursuant to Rule 3.30 may apply for reinstatement pursuant to Rule 3.3.

3.34 Guaranty Fund

3.34.1 The Clearing House shall establish and maintain a Guaranty Fund.

For the purposes of this Rule 3.34, the following terms shall have the following meanings:

(a) ~~“Base Guaranty Fund Amount” shall mean the base amount as established by the Risk Management Committee from time to time for the calculation of the Guaranty Fund Deposit Requirements of Clearing Members.~~

- ~~(b)(a)~~ **“Initial Margin Amount”** shall mean, as to any Clearing Member as of any day, such Clearing Member’s Initial Margin requirement for such Clearing Member’s House Account and Customer Account as determined by the Clearing House for the trading day (or for such other day in such months as the Board shall direct generally).
- ~~(e)(b)~~ **“Base Margin Amount”** shall mean that portion of each Clearing Member’s Guaranty Fund Deposit Requirement that is based upon the Initial Margin Amount ~~as determined pursuant to Rule 3.34.2(a).~~
- ~~(c)~~ **“MarginBase Uncovered Stress Loss Amount”** shall mean the portion of each Clearing Member’s Guaranty Fund Deposit Requirement that is based upon the uncovered stress loss, as determined pursuant to the Clearing House’s risk policies.
- ~~(d)~~ **“Base Volume Amount”** shall mean that portion of each Clearing Member’s Guaranty Fund Deposit Requirement that is based upon the volume of Exchange Contracts cleared by it, as determined pursuant to the Clearing House’s risk policies.
- ~~(d)(e)~~ **“Guaranty Fund Deposit Surcharge”** shall mean that portion of a Clearing Member’s Guaranty Fund Deposit Requirement that, if assessed, is based upon the ratio of the linked to concerns regarding specific Clearing Members such as concentration risk, capital ratios, or other credit concerns. The Clearing Member’s Initial Margin Amount to Capital as Guaranty Fund Deposit Surcharge shall be determined pursuant to Rule 3.34.2(b), the Clearing House’s risk policies.
- ~~(f)~~ **“Exchange Contract Segment”** shall mean an Exchange Contract or groups of Exchange Contracts as determined by the Clearing House.

3.34.2 Each Clearing Member shall deposit and maintain in the Guaranty Fund an amount calculated as follows:

- ~~(a) — *Base Margin Amount.* The Clearing Member’s Initial Margin Amount shall be divided by the total Initial Margin Amount of all Clearing Members. The resulting quotient shall be multiplied by the Base Guaranty Fund Amount, and the Clearing Member’s Base Margin Amount shall be equal to the resulting product.~~
- ~~(b) — *Margin Surcharge.* The Clearing Member’s Initial Margin Amount shall be divided by its adjusted net capital calculated pursuant to CFTC Regulation 1.17. If the resulting quotient is less than 0.5, then the Clearing Member’s Margin Surcharge shall be zero (0). If the~~

~~resulting quotient is equal to or greater than 0.5, then the Clearing Member's Margin Surcharge shall be calculated as follows:~~

- ~~(i) — If the quotient is equal to or greater than 0.5, but less than 0.75, then the Clearing Member's Margin Surcharge shall be equal to 10% of the Clearing Member's Base Margin Amount.~~
- ~~(ii) — If the quotient is equal to or greater than 0.75, then the Clearing Member's Margin Surcharge shall be equal to 20% of the Clearing Member's Base Margin Amount.~~

~~(e)(a)~~ For each Clearing Member, the amount to be deposited and maintained in the Guaranty Fund shall be the sum of the Clearing Member's Base Margin Amount, Base Uncovered Stress Loss Amount, Base Volume Amount, and Margin Guaranty Fund Deposit Surcharge, computed pursuant to ~~paragraphs (a) and (b) of this Rule 3.34~~ (the "**Guaranty Fund Deposit Requirement**") provided that:

- (i) Each new Clearing Member shall be required to deposit such amount as determined by the Risk Management Committee; provided further, that in no event shall the amount of such deposit be less than seven hundred and fifty thousand dollars (\$750,000), or such other amount as the Risk Management Committee may establish from time to time; and
- (ii) Subject to such thresholds as may be established by the Risk Management Committee from time to time, a Clearing Member whose Guaranty Fund Deposit Requirement has increased relative to its current contribution shall be required to deposit cash or Treasury Securities to remedy such deficiency.

~~(d)(b)~~ Subject to Rule 3.10, the Risk Management Committee shall have the authority to cause the Base Margin Amount ~~and Margin, Base Uncovered Stress Loss Amount, Base Volume Amount, and Guaranty Fund Deposit~~ Surcharge of all Clearing Members to be recalculated at any time, and to require Clearing Members to immediately deposit in the Guaranty Fund any amounts required to meet the recalculated Guaranty Fund Deposit Requirements.

~~(c)~~ The Clearing House shall have the authority to define and redefine the Exchange Contract Segments and to apportion the Guaranty Fund Deposit Requirement of each Clearing Member to the Exchange Contract Segment in which the Clearing Member holds Exchange Contracts. The Clearing House will determine whether a Clearing Member holds Exchange Contracts in an Exchange

Contract Segment at the time the Guaranty Fund Deposit Requirement is recalculated. The Clearing House shall provide advance notice to Clearing Members when making: (1) a material change to an existing Exchange Contract Segment; or (2) a new Exchange Contract Segment. The Clearing House shall not make material changes to an Exchange Contract Segment when a Clearing Member is in Default and such Default is being actively managed by the Clearing House.

- 3.34.3 Deposits in the Guaranty Fund may be made by any Clearing Member in the form of cash or Treasury Securities that are approved by the Risk Management Committee for this purpose; provided, however, that each Clearing Member shall deposit a minimum of 50% of its Guaranty Fund requirement in the form of cash. Treasury Securities shall be valued in accordance with methodology adopted by the Risk Management Committee, and shall be deposited by such means and subject to such agreements and undertakings as may be prescribed by the Clearing House. To the extent that any Clearing Member deposits Treasury Securities in the Guaranty Fund, such Clearing Member thereby represents and warrants that such securities are owned by it free and clear of any security interests, liens, encumbrances, charges or adverse claims of any kind.
- 3.34.4 Guaranty Fund deposits shall be held in a bank approved for the purpose by the Clearing House, in an account or accounts separate from all other cash and securities held by the Clearing House. The Clearing House shall have the sole right to withdraw cash or securities from, or to authorize the sale or other disposition of any securities held in, such account or accounts subject to the rights of any assignee, pledgee or holder of a security interest in the Guaranty Fund or any cash or securities therein.
- 3.34.5 So long as any Person is a Clearing Member and thereafter for the period until the Clearing House returns such Person's Guaranty Fund deposits as provided in Rule 3.37, its Guaranty Fund deposits may be applied by the Clearing House:
- (a) against any amounts that become due from such Person to the Clearing House for any reason (including but not limited to Initial Margin, Variation Margin, fees, assessments, and fines) at any time it was a Clearing Member and for the period until the Clearing House returns such Person's Guaranty Fund deposits as provided in Rule 3.37;
 - (b) against any amounts that are charged as provided in or pursuant to Rule 3.35 against the Guaranty Fund Deposit Requirements of all Clearing Members at any time that such Person was a Clearing Member and for the period until the Clearing House returns such Person's Guaranty Fund deposits as provided in Rule 3.37; and

- (c) to provide such funds, on such terms and conditions, as the Board in its discretion, acting by a vote of not less than three-fourths of all Directors eligible to vote, may deem necessary or appropriate to facilitate the transfer of Customer Accounts from a Clearing Member experiencing financial difficulty to another Clearing Member, if the Board shall determine by such vote that to do so is in the best interest of the Clearing House.

- 3.34.6 The Clearing House may at any time and from time to time assign, transfer, pledge, repledge or otherwise create a lien on or security interest in, the Guaranty Fund and/or the cash and securities held in the Guaranty Fund to secure the repayment of funds borrowed by the Clearing House (plus interest, fees and other amounts payable in connection therewith) or pursuant to a repurchase agreement or similar transaction. Any such borrowing or repurchase agreement or similar transaction shall be on terms and conditions deemed necessary or advisable by the Clearing House (including the collateralization thereof) in its sole discretion, and may be in amounts greater, and extend for periods of time longer, than the obligations, if any, of any Clearing Member to the Clearing House for which such cash or securities was pledged to or deposited with the Clearing House. Any funds so borrowed or obtained in repurchase agreements or similar transactions shall be used and applied by the Clearing House solely for the purposes for which cash or securities held in the Guaranty Fund are authorized to be used pursuant to the Rules; provided that the failure of the Clearing House to use such funds in accordance with this Rule 3.34.6 shall not impair any of the rights or remedies of any assignee, pledgee or holder of any such lien or security interest or repurchase transaction counterparty. Cash, securities and other property held in the Guaranty Fund, subject to the rights and powers of the Clearing House with respect thereto as set forth in the Rules and any agreements between any Clearing Member and the Clearing House, and subject to the rights and powers of any Person to which the Guaranty Fund or any cash or securities held therein shall have been assigned, transferred, pledged, repledged or otherwise subjected to a lien or security interest, shall remain the property of the respective Clearing Members depositing such cash and securities.

- 3.34.7 Subject to the rights of any assignee, transferee, pledgee or holder of a lien or security interest as provided in Rule 3.34.6, if at any time the amount of any cash, plus the value of any securities, on deposit in the Guaranty Fund for any Clearing Member:
 - (a) shall exceed the amount required to be on deposit for such Clearing Member by more than such amount as the Clearing House may prescribe, the Clearing House will return the excess to such Clearing Member upon its written request.

- (b) shall be less than the amount required to be on deposit for such Clearing Member by more than such amount as the Clearing House may prescribe, such Clearing Member shall restore the deficiency (including, without limitation, a deficiency caused by the application of such Clearing Member’s deposits in the Guaranty Fund as described in Rule 3.34.5) on demand (a “**Replenishment**”); provided, however, that a Clearing Member that has withdrawn as a Clearing Member shall not be required to restore a deficiency occurring after its Withdrawal Date, subject to any limitations in this Rule 3.34.
- 3.34.8 Any interest earned on securities deposited in the Guaranty Fund by a Clearing Member shall belong and be credited to such Clearing Member. The Clearing House may invest cash deposited in the Guaranty Fund in securities which are direct obligations of the United States government and may engage in repurchase transactions with any cash or securities on deposit. Any interest, capital gain or other income earned on any such investments or repurchase transactions shall belong and be credited to the Clearing House.
- 3.34.9 If the Guaranty Fund or any part thereof is lost as a result of the Insolvency of any bank or other depository, embezzlement, defalcation or any reason other than use pursuant to Rule 3.35 of these Rules, such loss may, in the discretion of the Board, be restored by application of the following sources of funds in the order listed (each such source to be fully utilized before the next following source is applied):
- (a) Such portion, if any, of the surplus of the Clearing House as the Board determines to be available for such purpose; and
 - (b) Assessments levied by the Clearing House upon the Clearing Members, which Assessments shall be paid to the Clearing House at such time and in such manner as the Board may specify, which shall be no later than the normal end-of-day settlement time for the Business Day on which such assessment is levied.
- 3.34.10 In the event that the Guaranty Fund or any part thereof shall have been applied as described in Rule 3.34.5 or shall have been lost as described in Rule 3.34.9, and the Clearing House shall thereafter recover any amount so applied or lost from any Person liable therefore, the amount of such recovery (after deducting any expenses, including legal fees and expenses incurred in connection therewith) shall be credited to the Guaranty Fund deposits of each Clearing Member in that proportion which the amount required to be on deposit by such Clearing Member bears to the amount required to be on deposit by all Clearing Members as of the date upon which such application took place or such loss was incurred.

- 3.34.11 Any expense, including legal fees and operational expenses, incurred by the Clearing House in connection with the deposit by a Clearing Member of assets into the Guaranty Fund, or the return thereof to such Clearing Member, may at the option of the Clearing House be charged to such Clearing Member. To collect these fees or expenses the Clearing House shall have the right to instruct each Approved Financial Institution to debit the House Account maintained by each Clearing Member, and/or any other account designated by such Clearing Member for purposes of this Rule, for any payment of these fees or expenses due to the Clearing House.
- 3.34.12 Notwithstanding anything to the contrary herein (but subject to Rule 3.34.9(a) above), the Clearing House shall not be liable if the Guaranty Fund or any part thereof and/or any margin (whether for the house or customer account) or other assets provided by or held for the account of a Clearing Member are lost or decrease in value as a result of the insolvency or failure of any bank or other depository or third party settlement system.

Nothing in this paragraph Rule 3.34.12 will limit any liability of the Clearing House for its own gross negligence or willful misconduct.

3.35 Monetary Defaults; Use of Guaranty Fund; Assessments

If any Clearing Member fails to deposit with, or pay to, the Clearing House in full any Initial Margin, Variation Margin, Guaranty Fund contribution, Assessment or other sum (not including any fees, dues or fines) under or in connection with any Exchange Contract, when and as required by or pursuant to the Rules, such failure shall constitute a “**Monetary Default**” and any payment obligations or losses, whether present or future, actual or contingent, shall constitute the “**Defaulted Obligation.**” If and at such times as the Clearing House has in effect a procedure whereby deposits or payments of sums with or to the Clearing House are effected by having the Clearing House instruct Approved Financial Institutions to transfer funds from Clearing Members’ accounts with such Approved Financial Institution directly to the accounts of the Clearing House, a Clearing Member shall be deemed to have failed to deposit or pay any sum when and as required if such Approved Financial Institution fails to wire transfer funds when and as instructed by the Clearing House. In the event that at any time a Monetary Default occurs on the part of any Clearing Member (the “**Defaulting Clearing Member**”), then:

- (a) The following shall apply:
- (i) If and to the extent a Monetary Default relates to an Exchange Contract carried in any Customer Account of a Defaulting Clearing Member, the Defaulted Obligation shall be reduced in the following priority order: (1) by the Margin and such other assets of the Customer Account of the Defaulting Clearing Member; and (2) by the Guaranty Fund deposit, Margin, and such other assets of the House Account

of the Defaulting Clearing Member, to the extent such funds have not been exhausted to fulfill the requirements of 3.35(a)(ii).

- (ii) If and to the extent a Monetary Default relates to an Exchange Contract carried in the House Account of a Defaulting Clearing Member, the Guaranty Fund deposit, Margin and such other assets as are held for the House Account of the Defaulting Clearing Member, shall be applied to pay the Defaulted Obligation.
 - (iii) The Defaulting Clearing Member shall immediately restore any deficiencies in its Margin and Guaranty Fund deposits resulting from any such applications.
 - (iv) Margin held by the Clearing House for the Customer Account shall not be used to cover losses in the House Account of a Defaulting Clearing Member.
 - (v) If the Defaulted Obligation is associated with an Exchange Contract Segment, the funds described in paragraphs (a)(i) and (a)(ii) of this Rule 3.35 associated with an Exchange Contract Segment shall first be used to reduce the Defaulted Obligation based on the Exchange Contract Segment(s) giving rise to the loss, in accordance with Clearing House procedures.
- (b) If, after the application of funds in accordance with paragraph (a) of this Rule 3.35 the Defaulted Obligation has not been satisfied, and if the Defaulting Clearing Member fails to pay the Clearing House the amount of the deficiency on demand, such Defaulting Clearing Member shall continue to be liable therefor, but the amount of the deficiency, until collected from the Defaulting Clearing Member, shall be met from the following sources of funds, in the following order of priority, each of which shall be fully utilized before the next following source is applied:
- (i) such portion, if any, of the surplus of the Clearing House as the Board determines to be available for such purpose;
 - (ii) if the President, with the concurrence of the Chairman, or, in the absence of the Chairman, any Director with voting authority, or in the absence of the President then any two Directors with voting authority, so determines, a loan or repurchase agreement or similar transaction on such terms and conditions as they may determine to be necessary or appropriate (including without limitation granting an

assignment, pledge or other lien on or security interest in the Guaranty Fund or the cash and securities held in the Guaranty Fund or applying such cash and securities as provided in Rule 3.34.6);

(iii) the Clearing House Contribution;

(iv) subject to Rule 3.34.6 and the last paragraph of this Rule 3.35(b), the Guaranty Fund; in the following priority allocated on a pro rata basis where possible:

(a) That portion of the Guaranty Fund allocated to an Exchange Contract Segment with a Defaulted Obligation that has not been satisfied (but only to the extent the unsatisfied Defaulted Obligation is associated with an Exchange Contract Segment);

~~(a)~~(b) The entirety of the Guaranty Fund not applied under 3.35(b)(iv)(a);

~~(iv)~~(v) insurance proceeds, if any, received by the Clearing House in connection with the Monetary Default giving rise to the Defaulted Obligation; and

~~(v)~~(vi) assessments levied by the Clearing House upon all the Clearing Members (other than the Defaulting Clearing Member) as provided in this Rule 3.35 (“**Assessments**”).

The total amount to be assessed at any one time pursuant to clause (vi) of this paragraph (b) is hereinafter called an “**Assessment Amount.**” For the avoidance of doubt, the Clearing House may at any time following the occurrence of a Monetary Default and in anticipation of any charge against the Guaranty Fund require Clearing Members to post Assessments, subject to the limitations set forth in these Rules in respect of such Assessments.

As used herein, the “**Clearing House Contribution**” represents the obligation of the Clearing House to provide funds, in an amount not to exceed \$20 million, to be applied pursuant to paragraph (b)(iii). If the Clearing House Contribution is so applied, the Clearing House will have no obligation to provide additional funds to replenish such contribution or otherwise provide additional funds in respect thereof.

The amount of a Replenishment that each Clearing Member must deposit in the Guaranty Fund to satisfy its obligation,

pursuant to Rule 3.34.7(b), to restore the Guaranty Fund deficiency in the event of the application of some part or all of the Guaranty Fund pursuant to paragraph (b)(iv) (the total Guaranty Fund amount so applied referred to herein as the “**Aggregate Guaranty Fund Deficiency**”), shall be determined by multiplying the Aggregate Guaranty Fund Deficiency by a fraction, the numerator of which shall be the amount of the Clearing Member’s Guaranty Fund Deposit Requirement as of the time immediately prior to the Monetary Default that resulted in the Replenishment, and the denominator of which shall be the total of the Guaranty Fund Deposit Requirements as of such time for all Clearing Members (other than defaulting Clearing Members). The resulting product shall constitute the amount of the Replenishment that each Clearing Member must restore to the Guaranty Fund pursuant to Rule 3.34.7 as a result of the application of the Guaranty Fund pursuant to paragraph (b)(iv).

- (c) The amount of any Assessment shall be computed by multiplying the Assessment Amount by a fraction, the numerator of which shall be the amount of the Clearing Member’s Guaranty Fund Deposit Requirement as of the time immediately prior to the Monetary Default that resulted in the Assessment, and the denominator of which shall be the total of the Guaranty Fund Deposit Requirements as of such time for all Clearing Members (other than Defaulting Clearing Members) being assessed. The resulting product shall constitute the amount of the Assessment to be levied on such Clearing Member pursuant to this paragraph (c).
- (d) If the Assessment as determined pursuant to paragraph (c) of this Rule 3.35 would exceed the maximum set forth in paragraph (e) of this Rule 3.35, or if the amount assessed against any Clearing Member shall exceed the amount paid by such Clearing Member, the excess shall be assessed against the other Clearing Members (other than the Defaulting Clearing Member and any Clearing Member that shall have been assessed the maximum permitted by paragraph (e)) in accordance with such paragraph (c), as if the excess were the Assessment Amount. Assessments pursuant to this paragraph (d) shall be repeated until the entire Assessment Amount shall have been assessed, subject to the maximum limitations on Assessments set forth herein.
- (e) Notwithstanding anything to the contrary herein, no Clearing Member (other than a Defaulting Clearing Member) shall be liable to provide Assessments as a result of charges or applications against the Guaranty Fund in respect of a single Monetary Default of

another Clearing Member in an amount exceeding 200% of its Guaranty Fund Deposit Requirement immediately prior to the occurrence of the Monetary Default.

- (f) If in any case, because of the limitations contained in paragraph (e), the maximum permitted Assessments are less than the Assessment Amount, the Board shall determine what if any further action to take, provided that under no circumstances may the Board levy Assessments on any Clearing Member that would exceed such limitations.
- (g) A Person that withdraws as a Clearing Member shall be subject only to Assessments imposed to meet:
 - (i) Monetary Defaults occurring prior to the Clearing Member's Withdrawal Date, subject to the limitations contained in paragraph (e); and
 - (ii) Assessments levied under Rule 3.34.9 prior to the Clearing Member's Withdrawal Date.
- (h) All Assessments shall be due and payable within such time as the Clearing House may prescribe, which shall be no later than the normal end of day settlement time for the Business Day on which such Assessment is levied. If any Person shall not pay any Assessment when due, such Person shall continue to be liable therefor, but the Clearing House may assess the Clearing Members (other than such Person, the Defaulting Clearing Member and any Clearing Member that shall have been assessed the maximum amount permitted by paragraph (e)) for the unpaid amount in accordance with paragraphs (c) and (d), subject to the limitations set forth herein.
- (i) If, after making any Assessments to meet any Defaulted Obligation owing by a Defaulting Clearing Member as referred to in paragraph (b), or to meet any Assessment not paid as referred to in paragraph (h), the Clearing House collects the amount of such Defaulted Obligation or such unpaid Assessment in whole or in part from the Person or Persons liable therefor, the Clearing House shall refund the amount so collected (net of any expenses, including without limitation any legal fees incurred in connection therewith) pro rata to the Clearing Members that had been assessed to meet such Defaulted Obligation or nonpayment and had paid the amount so assessed.
- (j) For clarity, Variation Margin Gains Haircutting provided for in Rule 3.40 and Tear-Ups provided for in Rule 3.41 are not Assessments

and are therefore not subject to the Assessment limits provided in Rule 3.35(e), Rule 3.35.1, or Rule 3.37.7.

(k) The Clearing House shall exercise the same degree of care in the administration, enforcement and collection of any claims against a Defaulting Clearing Member, any related guarantor, or its or their insolvency estate with respect to any Defaulted Obligation, unpaid Assessment or other deficiency of the Defaulting Clearing Member to the Clearing House (such claims, “Defaulting Clearing Member Claims”) as it exercises with respect to its own assets that are not subject to allocation pursuant to paragraph (i) above. In furtherance of the foregoing, the Clearing House may determine, in its reasonable discretion, whether or not to commence, continue, maintain, sell, dispose of or settle or compromise any litigation, arbitration or other action with respect to any Defaulting Clearing Member Claim, without the consent of any Clearing Member or other person. The Clearing House shall not be liable for losses arising from any error in judgment or for any action taken or omitted to be taken by it with respect to Defaulting Clearing Member Claims, except for such losses that result from the Clearing House’s gross negligence or willful misconduct. The Clearing House may, in its discretion, assign to Clearing Members any Defaulting Clearing Member Claim, in whole or in part, and such assignment shall satisfy in full the Clearing House’s obligations under Rule 3.35(i) and (jk) with respect to any such claim (or portion thereof) or recoveries therefrom.

(l) The Clearing House shall prioritize the use of Assessments collected from Clearing Members participating in an Exchange Contract Segment with a Defaulted Obligation to meet the Defaulted Obligation associated with that Exchange Contract Segment.

3.35.1 Cooling-off Periods

(a) The following terms shall have the following meanings:

The term “**Cooling-off Period**” shall mean the period commencing on the date of the Cooling-off Period Trigger Event and terminating 30 Business Days thereafter. A Cooling-off Period shall be automatically extended if a subsequent Cooling-off Period Trigger Event occurs 30 or fewer Business Days after the previous Cooling-off Period Trigger Event, in which case the Cooling-off Period will be extended until the date falling 30 Business Days after such subsequent Cooling-off Period Trigger Event.

The term “**Cooling-off Period Trigger Event**” shall mean any call for an Assessment to be made pursuant to paragraph (c) of Rule 3.35 arising from a Monetary Default or Monetary Defaults; or (ii) the occurrence of a Sequential Guaranty Fund Depletion.

The term “**Sequential Guaranty Fund Depletion**” shall mean, in respect of a particular Clearing Member that is not a Defaulting Clearing Member, the occurrence of circumstances in which: (i) there have been two or more Monetary Defaults relating to different Clearing Members within a period of 30 or fewer Business Days; (ii) contributions to the Guaranty Fund from non-Defaulting Clearing Members have been applied in respect of at least two such Monetary Defaults; and (iii) the total amount of Replenishments that the Clearing Member has as a result paid to the Clearing House to replenish its contributions to the Guaranty Fund exceeds its Guaranty Fund Deposit Requirement prior to the first such Monetary Default.

- (b) Upon the occurrence of any Cooling-off Period Trigger Event, the Clearing House shall issue a notice to Clearing Members of the commencement of the Cooling-off Period, setting out the date on which such period is scheduled to end.
- (c) From the commencement of, and solely for the duration of, the Cooling-off Period:
 - (i) The obligation to provide Replenishments under Rule 3.34.7 and Rule 3.35(b) shall continue to apply to a Clearing Member during the Cooling-off Period, subject to Rule 3.35.1(c)(ii);
 - (ii) The aggregate of all Assessments due under Rule 3.35(c) from a Clearing Member for all Monetary Defaults occurring or declared during the Cooling-off Period (or resulting in the Cooling-off Period) and all Replenishments due under Rule 3.34.7 and paragraph (b) of Rule 3.35 shall not exceed 550% of the amount of the Clearing Member's Guaranty Fund Deposit Requirement immediately prior to the occurrence of the Monetary Default or Monetary Defaults as a result of which the Cooling-off Period commenced (with any Assessments or Replenishments levied in respect of the Monetary Default or Monetary Defaults as a result of which the Cooling-off Period commenced being counted towards such maximum amount) (the “Maximum Aggregate Cooling-off Period Contribution”). A Clearing Member that has provided Assessments and/or Replenishments in such maximum amount in respect of a Cooling-off Period shall

not be liable for any further Replenishments of its contributions to the Guaranty Fund or Assessments in respect of any Monetary Default or Monetary Defaults occurring or declared during such Cooling-off Period, regardless of how many additional Monetary Defaults take place in such period;

- (iii) For the avoidance of doubt, the per Monetary Default cap on Assessments set forth in Rule 3.35(e) shall apply in respect of each Monetary Default occurring or declared during the Cooling-off Period; and
- (iv) During the Cooling-off Period, the Clearing House may rebalance, re-set or recalculate Guaranty Fund Deposit Requirements to the Guaranty Fund or the total required contribution amount for purposes of determining liability for Replenishments or Assessments during the Cooling-off Period; provided that such adjustments will not affect the Maximum Aggregate Cooling-off Period Contribution or the other limitations provided in Rule 3.35.1);

provided, further, that the limits set out in this 3.35.1 shall only apply with respect to a Clearing Member if such Clearing Member continues during the Cooling-off Period to pay the Clearing House all other amounts when owed by it in all material respects (subject to the limitations set out in this paragraph (c) of Rule 3.35.1).

- (d) At the end of the Cooling-off Period, the restrictions and requirements of Rule 3.35.1(c) shall cease to apply (other than the limitation on Assessments for Monetary Defaults occurring or declared during the Cooling-off Period).
- (e)
 - (i) Nothing in this Rule 3.35.1 shall alter the Clearing House's right to call for margin from any Clearing Member.
 - (ii) In addition to any margin otherwise required by the Clearing House under the Rules, if during the Cooling-off Period a Clearing Member has provided Replenishments and/or Assessments in the aggregate equal to its Maximum Aggregate Cooling-off Period Contribution, then if such Clearing Member would, but for the provisions of Rule 3.35.1(c), at any time be required to provide a Replenishment, such Clearing Member shall provide to the Clearing House, by the open of business on the Business Day

following request by the Clearing House and maintain with the Clearing House during the remainder of the Cooling-off Period, additional initial margin (in addition to the initial margin otherwise required with respect to its open positions) in an amount determined by the Clearing House based on the amount of additional initial margin needed for the Clearing House to maintain compliance with applicable minimum regulatory financial resources requirements during the remainder of the Cooling-off Period. Such additional initial margin shall be calculated separately with respect to each of the house account and the customer account, on a net basis in each case, but in both cases shall be charged to the house account.

3.36 Liquidity Event

In the event the Clearing House requires liquidity to enable it to promptly meet all of its payment obligations to Clearing Members, the Clearing House will first attempt to obtain liquidity through the sale of any pledged securities, followed by the application of any uncommitted funding arrangements, and then through the use of its committed lines of credit, if any. In the event the Clearing House is unable to obtain sufficient funds and liquidity to promptly effect settlement and payment through such means, the Clearing House may declare the occurrence of a Liquidity Event. In such an event, the Clearing House has the authority in its sole discretion to take the following actions, in the order listed, to secure same day liquidity:

- (a) *Substitution of Guaranty Fund Cash.* The Clearing House may substitute cash deposited by one or more Clearing Members in the Guaranty Fund with Treasury Securities deposited by any Clearing Member(s) that is(are) the initiating cause of the Liquidity Event. The amount of cash substituted shall be equivalent to the market value of such Treasury Securities (determined by the Clearing House as of the latest mark, using a recognized third-party source, after the application of haircuts). Any Treasury Securities transferred pursuant to this paragraph (a) shall be applied as a Guaranty Fund deposit on behalf of any such Clearing Member whose cash was substituted and will be allocated pro rata among Clearing Members with cash deposits who are not the initiating cause of the Liquidity Event. For any substitution of Treasury Securities for cash in the Guaranty Fund, the Clearing House will replace the cash within twenty-nine (29) Business Days of the date of the substitution.
- (b) *Substitution of Initial Margin Cash.* The Clearing House may substitute the cash deposited by one or more Clearing Members as Initial Margin with Treasury Securities held as Collateral by the Clearing House. The amount of cash substituted shall be equivalent

to the market value of such Treasury Securities (determined by the Clearing House as of the latest mark, using a recognized third-party source, after the application of haircuts). Any Treasury Securities transferred pursuant to this paragraph (b) shall be applied as an Initial Margin deposit on behalf of any such Clearing Member whose cash was substituted and will be allocated pro rata among Clearing Members with cash deposits. For any substitution of Treasury Securities for cash as Initial Margin, the Clearing House will replace the cash within twenty-nine (29) Business Days of the date of the substitution.

- (c) *Payment in Kind – Variation Margin.* The Clearing House may satisfy Variation Margin obligations to any Clearing Member that is a primary dealer (or that has an Affiliate that is a primary dealer) with Treasury Securities held as Collateral by the Clearing House at market value (determined by the Clearing House as of the latest mark, using a recognized third-party source, after the application of haircuts). To the extent that the Clearing House pays its Variation Margin obligations in Treasury Securities, if the receiving Clearing Member notifies the Clearing House the same day of the settlement that it will return the securities to the Clearing House on the next Business Day, then the Clearing House will pay on the next Business Day cash equal to the original value of the Clearing House’s Variation Margin obligation.
- (d) *Payment in Kind – Portfolio Auction, Sale, or Transfer.* In lieu of satisfying a payment owed from any auction, sale, or transfer of an Insolvent, Defaulted, or suspended Clearing Member’s House Account or Customer Account in cash to an auction winner, purchaser, or transferee, the Clearing House may satisfy such payment owed by transferring Treasury Securities at market value (determined by the Clearing House as of the latest mark, using a recognized third-party source, after the application of haircuts), equal to the amount of such obligation.

3.37 **Withdrawal of Clearing Members; Termination**

3.37.1 The following terms will have the indicated meanings:

- (a) The term “**Withdrawal Close-Out Deadline Date**” shall mean: (i) in the case of a Clearing Member whose status as a Clearing Member has been involuntarily terminated by the Clearing House, the date so designated by the Clearing House; and (ii) in the case of a Clearing Member that has delivered a Withdrawal Notice, the date falling 30 Business Days after such Clearing Member’s Withdrawal Notice Date or such later date as the Clearing House may in its discretion permit and notify in writing to the affected Clearing

Member, provided such date is not in excess of the earlier of the end of the most recent Cooling Off Period existing as of the Withdrawal Notice Date or six months from the Withdrawal Notice Date.

- (b) The term “**Withdrawal Date**” shall mean in respect of the termination of Clearing Member status for a withdrawing Clearing Member, the later of: (i) where applicable, the Withdrawal Close-Out Deadline Date; and (ii) the date as of which all of the withdrawing Clearing Member’s open positions in respect of its House Account and Customer Account have been terminated or closed out in full and all obligations of the withdrawing Clearing Member in respect thereof have been satisfied and performed in full.
- (c) The term “**Withdrawal Notice Date**” shall mean the date on which a Clearing Member delivers a Withdrawal Notice to the Clearing House.
- (d) The term “**Withdrawal Notice**” shall mean a notice served by the Clearing Member on the Clearing House under the Rules indicating that such Clearing Member intends to withdraw from being a Clearing Member (and thereby becomes a withdrawing Clearing Member).

3.37.2 Notwithstanding any other provision of the Rules, a Clearing Member that has delivered a Withdrawal Notice pursuant to Rule 3.37 or whose status as a Clearing Member has been terminated by the Clearing House pursuant to Section V shall be subject to the following requirements, obligations and provisions:

- (a) it must use all reasonable endeavors to close out or transfer all open positions in its House Account and Customer Account prior to the Withdrawal Close-Out Deadline Date;
- (b) after the Withdrawal Notice Date, it shall only be entitled to submit transactions for clearing which it can demonstrate have the overall effect of reducing open positions or risks to the Clearing House, whether by hedging, transferring, terminating, liquidating or otherwise closing out Exchange Contracts;
- (c) the Clearing House may call for additional Initial Margin until such time as all such open positions have been terminated or transferred, and such Clearing Member shall provide to the Clearing House such additional Initial Margin as is requested in a timely manner;
- (d) except as provided in paragraph (e), there shall be no rebalancing, resetting or recalculation of the Guaranty Fund Deposit Requirement or the liability limits set forth in 3.35(e) or 3.35.1(c)(ii)

of Replenishments or Assessments of a Clearing Member that has served a Withdrawal Notice;

- (e) if it has any open positions with the Clearing House (whether in the House Account or the Customer Account) after the Withdrawal Close-Out Deadline Date, the Clearing Member shall as from the Withdrawal Close-Out Deadline Date until its Withdrawal Date:
 - (i) become liable to make any Replenishments or Assessments that would have fallen due but have not been paid and become liable to have applied any contribution to the Guaranty Fund that would have been applied but was not so applied, in each case to the extent that the same would have been payable or applied but for its service of a Withdrawal Notice and in each case in respect of any Monetary Default affecting a Clearing Member that has occurred subsequent to the Withdrawal Notice Date;
 - (ii) become liable for further obligations to have any contributions to the Guaranty Fund applied or pay Assessments in the same way as any other Clearing Member in respect of any Monetary Default occurring prior to the Withdrawal Date; and
 - (iii) be subject to the Clearing House exercising rights under Rule 3.31 to liquidate or transfer the open positions of the Clearing Member and otherwise deal with the Clearing Member's Exchange Contracts and property in the same way as if the Clearing Member were a Defaulting Clearing Member.
- (f) following termination of all open positions to which a withdrawing Clearing Member was party in relation to its House Account and Customer Account and satisfaction in full by such withdrawing Clearing Member of all obligations in respect thereof, the Clearing House shall return the withdrawing Clearing Member's unused contributions to the Guaranty Fund and any unused Withdrawal Deposit, as well as any other assets of the withdrawing Clearing Member not previously returned on the date that is sixty (60) days after the withdrawing Clearing Member's Withdrawal Date, or such earlier date as is determined by the Clearing House.

3.37.3 Notwithstanding anything in these Rules:

- (a) the Clearing House may at its discretion return amounts due to the withdrawing Clearing Member by way of transfer or return of Treasury Securities to the withdrawing Clearing Member; and

- (b) the Clearing House may make partial payment of any amounts due, excluding the withdrawing Clearing Member’s Guaranty Fund contribution, prior to the time specified in this Rule 3.37.
- 3.37.4 Any Withdrawal Notice issued by a Clearing Member shall be irrevocable by the Clearing Member and membership may only be reinstated pursuant to a new application for membership following the close-out or transfer of all open Exchange Contracts in its House Account and Customer Account.
- 3.37.5 A Clearing Member whose membership has terminated shall, following the Withdrawal Date, cease to be liable for Replenishments or Assessments under Rules 3.35 in respect of Monetary Defaults that occur after the Withdrawal Date.
- 3.37.6 This Rule 3.37 shall not apply to a Defaulting Clearing Member.
- 3.37.7 In the event of an Emergency, or otherwise at the discretion of the Board, a Clearing Member that gives a Withdrawal Notice may be required by the Clearing House immediately upon delivery of the Withdrawal Notice to provide Assessments in an amount not to exceed 550% of its Guaranty Fund Deposit Requirement (as in effect immediately prior to the Withdrawal Notice Date), such amounts to be held by the Clearing House until the Withdrawal Date and applied only as permitted in accordance with these Rules (a “**Withdrawal Deposit**”). Any references in these Rules to Assessments being called or to Guaranty Fund Deposit Requirements to the Guaranty Fund being replenished or applied, in respect of a Clearing Member which has provided such a Withdrawal Deposit, shall be interpreted as a reference to such Withdrawal Deposit being applied as necessary in satisfaction of such requirements, and a Clearing Member that has served a Withdrawal Notice and made such Withdrawal Deposit shall not be liable for any further Assessments, regardless of how many Monetary Defaults take place.

3.38 Close-Out Netting

- 3.38.1 *Insolvency of the Clearing House.* If at any time the Clearing House: (i) institutes or has instituted against it a proceeding seeking a judgment of bankruptcy or insolvency or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding up or liquidation, and, in the case of any such proceeding or petition presented against it, such proceeding or petition results in a judgment of bankruptcy or insolvency or the entry of an order for relief or the making of an order for the Clearing House’s winding-up or liquidation, or (ii) approves resolutions authorizing any proceeding or petition described in clause (i) above (collectively, a “**Bankruptcy Event**”), all open positions in the Clearing House shall be closed promptly.

- 3.38.2 *Default of the Clearing House.* If at any time the Clearing House fails to comply with an undisputed obligation to pay money or deliver property to a Clearing Member that is due and owing in connection with a transaction cleared by the Clearing House, for a period of thirty days from the date that the Clearing House receives notice from the Clearing Member of the past due obligation, the Clearing Member's open proprietary and Customer positions at the Clearing House shall, at the election of that Clearing Member, be closed promptly.
- 3.38.3 *Wind-Up of Exchange Contracts.* If at any time the Board determines, by virtue of the number of withdrawing Clearing Members or otherwise, that a winding up (offset) of all outstanding positions at the Clearing House is prudent, then all open positions at the Clearing House shall be closed promptly.
- 3.38.4 *Netting and Close-Out.* At such time as a Clearing Member's positions are closed, the obligations of the Clearing House to a Clearing Member in respect of such Clearing Member's House Account, all Collateral and positions therein and deposits to the Guaranty Fund shall be netted, in accordance with the Bankruptcy Code, the CEA and CFTC Regulations against the obligations of that Clearing Member in respect of its House Account, all Collateral and positions therein, its obligations as guarantor of the performance of its Customers and its then-matured obligations to the Guaranty Fund, to the Clearing House and to the Exchange. For the avoidance of doubt, all of the property in a Clearing Member's House Account on deposit with the Clearing House shall be deemed to be subject to a single master netting agreement with the result that any excess which is on deposit with the Clearing House shall be applied to reduce any deficiency or obligation of the Clearing Member. All obligations of the Clearing House to a Clearing Member in respect of such Clearing Member's Customer Account and all positions and Collateral therein shall be separately netted against the positions, accounts and Collateral of such Clearing Member's Customers in accordance with the requirements of the Bankruptcy Code, the CEA and CFTC Regulations. At the time a Bankruptcy Event takes place, the authority of the Clearing House, pursuant to Rule 3.35, to make new assessments and/or require a Clearing Member to cure a deficiency in its Guaranty Fund deposit, arising after the Bankruptcy Event, shall terminate. All positions open immediately prior to the close-out shall be valued in accordance with the procedures of Rule 3.38.5.
- 3.38.5 *Valuation.* As promptly as reasonably practicable, but in any event within thirty (30) days of: (i) the Bankruptcy Event; (ii) if a Clearing Member elects to have its open positions closed as described in Rule 3.38.2, the date of the election; or (iii) the determination by the Board to wind-up all outstanding positions as described in Rule 3.38.3, the Clearing House shall fix an amount (the "**Close-Out Amount**") to be paid to or received from

the Clearing House by each Clearing Member, after taking into account all applicable netting and offsetting pursuant to Rule 3.38.4. The Clearing House shall value open positions subject to close-out by using the market prices for the relevant market (including without limitation any over-the-counter or other futures markets) at the time that the positions were closed out, assuming the relevant markets were operating normally at such time. If the relevant markets were not operating normally at such moment, the Clearing House shall exercise its discretion, acting in good faith and in a commercially reasonable manner, in adopting methods of valuation expected to produce reasonably accurate substitutes for the values that would have been obtained from the relevant market if it were operating normally. In determining a Close-Out Amount, the Clearing House may consider any information that it deems relevant, including, but not limited to, any of the following:

- (a) prices for underlying interests in recent transactions, as reported by the market or markets for such interests;
- (b) quotations from leading dealers in the underlying interest, setting forth the price (which may be a dealing price or an indicative price) that the quoting dealer would charge or pay for a specified quantity of the underlying interest;
- (c) relevant historical and current market data for the relevant market, provided by reputable outside sources or generated internally; and
- (d) values derived from theoretical pricing models using available prices for the underlying interest or a related interest and other relevant data.

Amounts stated in a currency other than U.S. dollars shall be converted to U.S. dollars at the current rate of exchange, as determined by the Clearing House. If a Clearing Member has a negative Close-Out Amount, it shall promptly pay that amount to the Clearing House.

3.38.6 *Interpretation in Relation to FDICIA.* The Clearing House intends that certain provisions of this Rule 3.38 be interpreted in relation to certain terms (identified by quotation marks) that are defined in the Federal Deposit Insurance Corporation Improvement Act of 1991 (“**FDICIA**”), as amended, as follows:

- (a) The Clearing House is a “clearing organization.”
- (b) An obligation of a Clearing Member to make a payment to the Clearing House, or of the Clearing House to make a payment to a Clearing Member, subject to a netting agreement, is a “covered clearing obligation” and a “covered contractual payment obligation.”

- (c) An entitlement of a Clearing Member to receive a payment from the Clearing House, or of the Clearing House to receive a payment from a Clearing Member, subject to a netting contract, is a “covered contractual payment entitlement.”
- (d) The Clearing House is a “member,” and each Clearing Member is a “member.”
- (e) The amount by which the covered contractual payment entitlements of a Clearing Member or the Clearing House exceed the covered contractual payment obligations of such Clearing Member or the Clearing House after netting under a netting contract is its “net entitlement.”
- (f) The amount by which the covered contractual payment obligations of a Clearing Member or the Clearing House exceed the covered contractual payment entitlements of such Clearing Member or the Clearing House after netting under a netting contract is its “net obligation.”
- (g) The Rules of the Clearing House, including this Rule 3.38, are a “netting contract.”

3.39 Settlement Price

As used in the Rules, “**Settlement Price**” means the settlement price for each Exchange Contract, as determined by the Exchange in accordance with Exchange Rules, except in the case of manifest error or where the Clearing House believes that such settlement price does not reasonably reflect the value or price of the Exchange Contract, in which case the Clearing House, using its best efforts to consult with the Exchange, shall determine the official settlement price; provided, that the Clearing House shall in such circumstances promptly notify the Exchange and Clearing Members, and the reasons for that determination and the basis for the settlement price determined by the Clearing House shall be published in a notice to the Exchange and Clearing Members.

3.40 Variation Margin Gains Haircutting

3.40.1 If at any time following a Monetary Default of a Clearing Member: (i) the assets available to cover the Defaulted Obligation under Rule 3.35 are insufficient to satisfy the Defaulted Obligation and obligations of the Clearing House to Clearing Members as a result of such default; or (ii) less than 25% of Maximum Aggregate Cooling-off Period Contribution is available to cover the Defaulted Obligation or the Clearing House’s obligations to Clearing Members, then the Clearing House shall, in a manner that is consistent with the requirements of the Commodity

Exchange Act and the regulations adopted thereunder, conduct its next settlement cycle as described in Rule 3.40.2.

If the Defaulted Obligation is associated with an Exchange Contract Segment, the settlement cycle described in Rule 3.40.2 will be conducted for only the Exchange Contract Segment associated with the Defaulted Obligation, unless otherwise determined by the Chief Risk Officer.

3.40.2 The Clearing House shall provide notice to Clearing Members, such notice to be provided on the Clearing House’s website, and conduct a settlement cycle to determine settlement prices for all Exchange Contracts and the Variation Margin for each Clearing Member and its Customers, in accordance with the following:

- (a) The net Variation Margin the Clearing House owes to a Clearing Member (a “**Variation Margin Gain**”), or the net Variation Margin the Clearing Member owes to the Clearing House (a “**Variation Margin Loss**”) shall be determined separately for: the Clearing Member’s House Account (“**House Account Variation Margin Gain**” or “**House Account Variation Margin Loss**”), and the Clearing Member’s Customer Accounts (“**Customer Account Variation Margin Gain**” or “**Customer Account Variation Margin Loss**”).
- (b) The Risk Management Committee may determine a maximum amount of position liquidation expenses that may be subtracted from Clearing Members’ Variation Margin Gains, based upon then existing facts and circumstances, that it deems appropriate to mitigate further disruptions to the markets.
- (c) The Clearing House shall then notify each Clearing Member of the amount of its remaining Assessment and each Clearing Member shall pay to the Clearing House all such amounts no later than the time required for the relevant settlement cycle. If a Clearing Member does not pay all such amounts to the Clearing House, the Clearing House shall determine such Clearing Member to be in Default.
- (d) If the Variation Margin Loss payments received by the Clearing House exceed the Variation Margin Gains, the Clearing House shall calculate reimbursements of, and distribute, the excess funds in the reverse order of their collection by the Clearing House.
- (e) If the Variation Margin Gains exceed the amount of Variation Margin Loss payments received by the Clearing House:
 - (i) the Clearing House shall notify Clearing Members and provide an opportunity for Clearing Members and their

customers to make voluntary contributions to the Clearing House;

- (ii) If the amount of Variation Margin Gains continues to exceed the amount of Variation Margin Loss payments received by the Clearing House, after the Clearing House adds any voluntary contributions from Rule 3.40.2(e)(i) to the Variation Margin Loss payments, then the Clearing House shall apply Variation Margin Gains Haircuts (as defined below) to the House Variation Margin Gains and Customer Variation Margin Gains for the current settlement cycle and each successor settlement cycle on the current Business Day and, unless a Bankruptcy Event has occurred, each of the next two Business Days, in accordance with the following:

 - (a) House Variation Margin Gains and Customer Variation Margin Gains each shall be reduced on a pro rata basis according to the amount of such gains, to result in the aggregate amount necessary for Variation Margin Loss payments received by the Clearing House to equal Variation Margin Gains payments (such process, a “Variation Margin Gains Haircut”).
 - (b) Customer Variation Margin Gains shall be haircut by the Clearing House at the Customer Account level of each Clearing Member.
- (iii) The Risk Management Committee may instruct the Clearing House to extend or reduce the number of days during which Variation Margin Gains Haircuts are applied, provided that in no circumstance may the Clearing House conduct settlement cycles in which Variation Margin Gains Haircuts are applied for longer than five Business Days; and
- (iv) The Clearing House shall notify Clearing Members prior to each settlement cycle where Variation Margin Gains Haircuts will be applied. Where the Clearing House determines that Variation Margin Gains Haircuts are no longer necessary, it shall notify Clearing Members and specify the final date of Variation Margin Gains Haircuts as well as the date that normal settlement cycles will resume. After the end of Variation Margin Gains Haircuts the Clearing House shall resume calculating, collecting and paying Variation Margin in the ordinary course.

3.41 Partial Tear-Ups and Full Tear-Ups

3.41.1 The Clearing House may, at any time following a Default of a Clearing Member, notify Clearing Members and provide an opportunity for Clearing Members to voluntarily agree to have their House positions or, with a Customer's consent, to agree to have each such Customer's positions, extinguished by the Clearing House.

3.41.2 If House or Customer positions in Exchange Contracts of a Defaulting Clearing Member remain open (the "Open Defaulter Positions") following the last settlement cycle conducted pursuant to Rule 3.40.2(c), the Clearing House shall extinguish the Open Defaulter Positions through a partial tear-up process ("Partial Tear-Up") or a full tear-up process ("Full Tear-Up") of House and Customer positions of non-defaulted Clearing Members and non-defaulted Customers of the Defaulting Clearing Member in accordance with the following:

- (a) The Risk Management Committee shall determine the appropriate scope of each Partial Tear-Up or shall determine that a Full Tear-Up is appropriate. In making such determination, the Risk Management Committee shall consider then existing known facts and circumstances, any recommendations made by the Risk Advisory Committee, the furtherance of the integrity of the Clearing House and the stability of the financial system and the legitimate interests of Clearing Members and market participants.
- (b) A Partial Tear-Up may include, but need not be limited to, the following methods:
 - (i) Line-by-Line Tear-Up against the Open Defaulter Positions to proportionately extinguish Exchange Contracts held by non-defaulted Clearing Members, their non-defaulted customers and the non-defaulted customers of the defaulted Clearing Member that are opposite to the Open Defaulter Positions and relative to the size of the Open Defaulter Positions; and
 - (ii) Tear-Up of All Positions in Exchange Contracts within a product or combination of products. Extinguish all open positions in Exchange Contracts for a product or combination of products.
- (c) A Full Tear-Up would involve the extinguishment of all open positions in Exchange Contracts.
- (d) The price for Full or Partial Tear-Up (the "Tear-Up Price") shall equal the latest Settlement Price (which could be established at either an intra-day or end of day settlement) as of the date and time

of such tear-up ensuring that the position subject to tear-up does not generate any variation margin obligations.

3.42 Non-Petition

No Clearing Member and no Customer of a Clearing Member shall institute against, or join any other person in instituting against, the Clearing House or the Exchanges any bankruptcy, reorganization, arrangement, insolvency, moratorium, liquidation or examinership proceedings, or other similar proceedings under U.S. federal or state bankruptcy laws or other applicable law arising out of any claimed default by the Clearing House on an Exchange Contract as a result of the extinguishment, partial extinguishment, or Variation Margin Gains Haircut, of such Exchange Contract and related payments in accordance with these Rules.

3.43 Reimbursement of Recovered Losses

Losses caused by a Defaulting Clearing Member are amounts due to the Clearing House from such Defaulting Clearing Member, and shall remain legal obligations thereof notwithstanding the Clearing House's recourse to the loss-mutualization provisions of Rules 3.35 – 3.41, and the Clearing House shall exercise the same degree of care as it exercises with respect to its own assets in the administration and collection of such amounts (including claims submitted in an insolvency or resolution proceeding). If any portion of these amounts is subsequently recovered by the Clearing House, the net amount of such recovery shall be credited to non-defaulted Clearing Members (whether or not they are still clearing members at the time of recovery) in the following order on a pro rata basis based on (1) the amount of their (and their Customers', if applicable) voluntary contributions with respect to such default, (2) the amount of their (and their Customers', if applicable) Variation Margin Gains Haircuts with respect to such default, (3) the amount of their Assessments utilized by the Clearing House with respect to such default, and (4) the amount of their Guaranty Fund contribution utilized by the Clearing House with respect to such default, each in the order listed, and then to the Clearing House for the amount of the Clearing House Contribution utilized by the Clearing House with respect to such default.

SECTION IV CODE OF CONDUCT

Preamble

This Code of Conduct defines and reaffirms the values, principles and internal controls that Clearing Members and Authorized Users, as applicable, must follow in conducting their Clearing Activities. The Code of Conduct supplements other requirements of the Rules and is intended to complement the internal principles and practices of Clearing Members and their Authorized Users and to guide Clearing Members and their Authorized Users as they use the services of the Clearing House. Compliance with the Code of Conduct allows Clearing Members to assure the Clearing House, Governmental Authorities, the public, other Clearing Members and Approved Financial Institutions that their business activities on the Clearing House are, and will continue to be, conducted with integrity. In addition, compliance with the Code of Conduct gives assurance that unlawful and unethical trading practices are not tolerated, that public disclosures of information are accurate, and that Clearing Members will abide by these ethical standards and maintain sound practices.

Violations of this Code of Conduct may result in penalties including, but not limited to, temporary or permanent loss of access to the Clearing House.

4.1 Ethical Standards

Conducting activities in an honorable and principled manner consistent with the Code of Conduct is the essence of ethical conduct with respect to the Clearing House. Each Clearing Member shall act, and shall cause its Authorized Users to act, in accordance with these standards of ethics with regard to its Clearing House activity:

- 4.1.1 **Regulatory Compliance.** No Clearing Member (or any of its Authorized Users) shall engage in conduct that is a violation of these Rules and will conduct its business in accordance with Applicable Law and in good faith.
- 4.1.2 **Fraud.** No Clearing Member (or any of its Authorized Users) shall engage in any fraudulent act or engage in any scheme to defraud, deceive, trick or mislead in connection with or related to any Exchange Contract or the business and affairs of the Clearing House.
- 4.1.3 **Good Faith.** No Clearing Member (or any of its Authorized Users) shall knowingly use the Clearing System other than for its intended and legitimate business purpose in good faith.
- 4.1.4 **Antitrust.** No Clearing Member (or any of its Authorized Users) shall engage in any activity to collude or otherwise unlawfully restrain competition.

4.2 Termination of Connection

The Clearing House, in its sole discretion, shall have the right to summarily terminate the connection of any Clearing Member or the access of any User ID to the Clearing House. Additionally, the Clearing House, in its sole discretion, shall have the right to direct a Clearing Member to immediately terminate any Authorized User's access to the Clearing House.

4.3 Information Disclosure and Documentation

4.3.1 Markets depend on trust in the accuracy of market information provided.

4.3.2 Clearing Members must: (i) provide information relating to the Clearing House in compliance with Applicable Law and continue to cooperate with the Clearing House as reasonably necessary to assist in its understanding of the markets; and (ii) ensure that any information disclosed to the Clearing House is accurate and consistent.

4.3.3 No existing or prospective Clearing Member shall make any false statements or misrepresentations in any application, report or other communication to the Clearing House.

4.4 Compliance

Each Clearing Member must have a compliance program commensurate with the size and scope of its Clearing House activities that is designed to achieve appropriate, timely and ongoing compliance with the Rules and this Code of Conduct.

SECTION V DISCIPLINE AND ENFORCEMENT; CLEARING MEMBER EMERGENCIES**5.1 Disciplinary and Enforcement Procedures – General**

- 5.1.1 All Clearing Members and their Authorized Users are subject to the jurisdiction of the Clearing House. Except for (i) Rule violations that result in summary fines as described in Rule 5.2 and (ii) summary actions taken by the Clearing House pursuant to Rule 5.3, a Clearing Member, Authorized User or Person using the User ID of an Authorized User that is alleged to have violated or to have aided and abetted a violation of any Rule will be subject to the disciplinary and enforcement procedures set forth in this Rule 5.1. Investigatory and disciplinary responsibilities and duties are conducted by employees who are authorized by the Chief Executive Officer to provide investigation of clearing activities to ensure compliance with the Rules and Applicable Law (“**Compliance Manager**”). Matters will be referred by the Chief Compliance Officer or his/her designee to the Compliance Manager, which will act on behalf of the Clearing House in connection with the matter. Any employee within the office of the Compliance Manager must recuse himself or herself and notify the Chief Compliance Officer of the recusal if such employee has a relationship of a type listed in Rule 2.7 with a Person subject to any Disciplinary Action, whereby the Chief Compliance Officer and the Board shall appoint a Compliance Manager without such conflict for the specific Disciplinary Action giving rise to the conflict. Any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action except as described in Rule 5.2 and Rule 5.3, (collectively, “**Disciplinary Action**”) shall be governed by this Rule 5.1.
- 5.1.2 Except as otherwise provided in the Rules, no Clearing House Official will interfere with or attempt to influence the process or resolution of any Disciplinary Action. Any Person subject to a Disciplinary Action may be represented by counsel or any other representative of its choosing (other than a Clearing House Official or any person substantially related to the underlying investigation, such as a material witness or Respondent), at its own expense, in all stages of such Disciplinary Action.
- 5.1.3 At the discretion of the Clearing House, any Respondent found in violation of the Rules may be required to pay to the Clearing House any and all expenses incurred as a result of the investigation of the violation and prosecution of such Respondent. This assessment is in addition to any monetary fines imposed for the Rule violation(s).
- 5.1.4 If a hearing has been held in accordance with Rule 5.1.13, the Hearing Panel may order a Respondent to pay some or all of the costs associated with the disciplinary proceedings, including costs that the Hearing Panel

believes were unnecessarily caused by the Respondent, regardless of the outcome of any disciplinary proceeding. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Manager, legal and professional assistance, the hearing, and administrative and other expenses incurred by the Hearing Panel.

5.1.5 Investigations.

- (a) The Compliance Manager will investigate any enforcement matter within the Clearing House’s jurisdiction that is referred by the Chief Compliance Officer or otherwise brought to the attention of the Compliance Manager. The Compliance Manager will commence an investigation upon the receipt of a request from Commission staff or upon the discovery or receipt of information by the Clearing House that, in the judgment of the Compliance Manager, indicates a possible basis for a finding that a violation has occurred or will occur. The Compliance Manager shall determine the nature and scope of the investigations in his or her sole discretion and will operate independently of the commercial interests of the Clearing House. Absent mitigating circumstances, the Compliance Manager must complete an investigation within twelve (12) months after the date the investigation is opened. Permissible mitigating circumstances include the complexity of the investigation, the number of firms or individuals involved as potential respondents, the number of potential violations to be investigated and the volume of documentation and data that must be analyzed.
- (b) Upon request by the Compliance Manager, each Person subject to the Clearing House’s jurisdiction:
 - (i) is obligated to appear and testify and respond in writing to inquiries within the time period required by the Compliance Manager in connection with:
 - (a) any Rule;
 - (b) any inquiry or investigation; or
 - (c) any preparation by and presentation during a Disciplinary Action;
 - (ii) is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Compliance Manager in connection with:
 - (a) any Rule;

- (b) any inquiry or investigation; or
- (c) any preparation by and presentation during a Disciplinary Action;
- (iii) may not impede or delay any Disciplinary Action.

5.1.6 Reports of Investigations.

The Compliance Manager will submit a written report of each investigation to the Chief Compliance Officer and maintain a log of all investigations and their disposition. The written report of the investigation (the “**Investigation Report**”) will include the reasons for initiating the investigation, all relevant facts and evidence gathered, analysis and conclusions, the Respondent’s disciplinary history, and will consist of one of the following recommendations:

- (a) closing the investigation without further action;
- (b) negotiating a settlement;
- (c) entering into a summary action;
- (d) preparing and serving a notice of charges to initiate a disciplinary proceeding; or
- (e) resolving the investigation through an informal disposition, including the issuance of a warning letter. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction, however, the investigative report must include a copy of any warning letter and no more than one warning letter for the same potential violation may be issued to the same Respondent during a rolling 12-month period.

5.1.7 Review of Reports of Investigations.

After the completion of the Investigation Report and the receipt of any submission made by the Respondent pursuant to Rule 5.1.8, the Chief Compliance Officer will (i) review the Investigation Report or (ii) establish a Review Panel pursuant to Rule 5.1.8 and forward the Investigation Report to such Panel. The Chief Compliance Officer or Review Panel, as appropriate, will review an Investigation Report promptly after receipt and determine for each Respondent whether to authorize:

- (a) the informal disposition of the investigation (by issuing a warning letter or otherwise) because disciplinary proceedings are unwarranted;

- (b) the closing of the investigation without any action because no reasonable basis exists to believe that a violation within the Clearing House's jurisdiction has occurred or is about to occur; or
- (c) the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the Clearing House's jurisdiction has occurred or is about to occur.

5.1.8 Opportunity to Respond.

The Compliance Manager may, upon the approval of the Chief Compliance Officer, notify the Respondent(s) that formal disciplinary charges are recommended and allow the Respondent to submit, within a specified time period, an offer of settlement or a written statement explaining why disciplinary proceedings should not be instituted or why one or more of the charges should not be brought.

5.1.9 Service of Notice of Charges.

- (a) Once the Chief Compliance Officer or Review Panel, as appropriate, authorizes disciplinary proceedings, the Compliance Manager will prepare and serve a notice of charges that will provide as follows:
 - (i) state the acts, practices or conduct that the Respondent is alleged to have engaged in;
 - (ii) state the Rule or provision of Applicable Law alleged to have been violated or about to be violated;
 - (iii) state the proposed sanctions;
 - (iv) advise the Respondent of its right to a hearing;
 - (v) advise the Respondent that he has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary process, other than a Clearing House Official or any person substantially related to the underlying investigation, such as a material witness or Respondent;
 - (vi) state the period of time within which the Respondent can request a hearing on the notice of charges, which will not be less than twenty (20) days after service of the notice of charges;
 - (vii) advise the Respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and

- (viii) advise the Respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.
- (b) The service of notice upon the Respondent shall be deemed complete either personally or by leaving the notice at his or her place of business; by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the Respondent at the Respondent's last known place of business or residence. Service shall also be deemed complete via electronic mail to the Respondent's last known electronic mail address.

5.1.10 Answer to Service of Notice of Charges.

- (a) If the Respondent determines to answer a notice of charges, the Respondent must file a written answer within twenty (20) days after being served with such notice, or within such other time period as stated in such notice of charges. The Respondent must answer the notice of charges in writing as follows:
 - (i) for each allegation set forth in the notice of charges,
 - (a) admit such allegation,
 - (b) deny such allegation, or
 - (c) affirmatively state that the Respondent does not have and is unable to obtain sufficient information to admit or deny such allegation, which shall have the effect of a denial of such allegation;
 - (ii) specify any specific facts that contradict the notice of charges;
 - (iii) specify any affirmative defenses to the notice of charges;
 - (iv) sign and serve the answer on the Compliance Manager; and
 - (v) if applicable, request a hearing before a Hearing Panel.
- (b) Failure by the Respondent to timely serve an answer to the notice of charges will be deemed to be an admission to the allegations in such notice. Any allegation in a notice of charges that the Respondent fails to expressly deny will be deemed admitted. A general denial by the Respondent, without more, will not satisfy the requirements herein.

5.1.11 Settlement Offers.

- (a) At any time after a notice of charges has been issued, a Respondent may at any time submit to the Chief Compliance Officer a written offer of settlement related to anticipated or instituted disciplinary proceedings. If the Respondent submits the settlement offer any time before the Hearing Panel is formed pursuant to Rule 5.1.12, the Chief Compliance Officer will, in his or her discretion, (i) determine whether to accept or reject the settlement offer or (ii) if a Review Panel has been established in accordance with Rule 5.1.12, determine whether to recommend to accept or reject the offer and forward the basis for its recommendation to the Review Panel for final determination.
- (b) If the Respondent submits the settlement offer any time after the Hearing Panel is formed pursuant to Rule 5.1.12, the Chief Compliance Officer will forward his or her recommendation to the Hearing Panel for final determination.
- (c) The Chief Compliance Officer or Disciplinary Panel, as applicable, may permit the Respondent to settle disciplinary proceedings without admitting or denying the Rule violations if the Respondent consents to the entry of findings and sanctions imposed. When accepting the settlement offer, the Chief Compliance Officer or Hearing Panel may not alter the terms of the offer unless the Respondent agrees. The offer of settlement must detail the Rule violations, including the basis for the conclusions of the Chief Compliance Officer or Disciplinary Panel, as applicable, and any sanctions imposed. If a settlement offer is accepted without the agreement of the Chief Compliance Officer, the decision should adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, the decision must also include a statement that the Respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.
- (d) The acceptance of a settlement offer by either the Chief Compliance Officer or Hearing Panel, as applicable, constitutes a waiver of the Respondent's right to notice, opportunity for a hearing and review, and appeal under the Rules. If the settlement offer is not accepted, fails to become final, or is withdrawn by the Respondent, the matter will proceed without prejudice as if the offer had not been made and the offer and all documents related to it will not become part of the record.

5.1.12 Disciplinary Panels.

- (a) A Review Panel may be established, in the sole discretion of the Chief Compliance Officer, pursuant to Rule 5.1.7 to review a completed Investigation Report and determine whether a reasonable

basis exists for finding a violation of the Rules and authorizing the issuance of a notice of charges.

- (b) If a Respondent requests a formal hearing on charges denied in the answer to the notice of charges per Rule 5.1.10, a Hearing Panel shall be convened and a hearing will commence within sixty (60) days.
- (c) Each Disciplinary Panel, appointed by the Board at the recommendation of the Chief Compliance Officer, shall be composed of not less than three individuals from among individuals with knowledge and experience in the electric power or financial markets, who are not members within the office of the Compliance Manager or involved in any other stage of the same proceeding or the conduct giving rise to the alleged Rule violations. No group or class of Clearing Members may dominate or exercise disproportionate influence on the Disciplinary Panel. The chair of the Disciplinary Panel will be an individual qualified to be a Public Director.
- (d) Within ten (10) days of being notified of the appointment of the Disciplinary Panel, either party may seek to disqualify any individual named to the Disciplinary Panel for any grounds provided in paragraph (c) above or Rule 2.7 by serving notice to the Chief Compliance Officer. Legal counsel, other than the Chief Compliance Officer, will decide the merits of any request for disqualification within his or her sole discretion. Such decision will be final and not subject to appeal. Legal counsel, other than the Chief Compliance Officer, may also remove any member of the Disciplinary Panel for cause. Unless otherwise disqualified or removed for cause, the individuals on the Disciplinary Panel will serve until the related proceedings are completed. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter.

5.1.13 Hearings.

- (a) Prior to the commencement of the hearing, the Respondent will be given the opportunity to review all books, records, documents, transcripts of testimony and other tangible evidence in the possession or under the control of the Clearing House to be used by the Compliance Manager to support the allegations and proposed sanctions in the notice of charges, except for any information that (i) is protected by attorney-client privilege or the work-product doctrine, (ii) was prepared by the Compliance Manager or an employee of the Clearing House but will not be offered in evidence

in the disciplinary proceedings, (iii) may disclose a technique or guideline used in examinations or Disciplinary Actions or (iv) discloses the identity of a confidential source. The Compliance Manager may redact, edit or code information that could adversely affect the competitive position of the person providing the information or if such information might compromise other investigations being conducted by the Compliance Manager. However, the Compliance Manager may not redact, edit or code information that would impair the Respondent's ability to defend against allegations or proposed sanctions in the notice of charges.

- (b) The following Rules shall apply in each case presented before the Hearing Panel:
 - (i) The Compliance Manager, with legal counsel as appropriate, shall prosecute the case.
 - (ii) Formal rules of evidence do not apply.
 - (iii) The Respondent has the power to cross-examine witnesses and present documentary evidence.
 - (iv) The burden of proof is on the Compliance Manager.
 - (v) A majority vote of the Hearing Panel is needed to find a violation of the Rules.
- (c) No Person shall serve on the Hearing Panel unless that Person has agreed in writing that he or she will not publish, divulge, or make known in any manner, any facts or information regarding the business of any person or any other information which may be obtained while serving as a member of the Hearing Panel, except for disclosures when reporting to the Board, the Compliance Manager, the Chief Compliance Officer, upon request by the Commission or other governmental agency, or when compelled to testify in a judicial or administrative proceeding. The hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of the hearings, the Hearing Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (d) The chair of the Hearing Panel shall conduct the hearing as he or she may deem appropriate. The chair of the Hearing Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. Legal counsel, other than the Chief Compliance Officer, will provide guidance to the chair of the Hearing Panel on the conduct of the

hearing. At the hearing, the Hearing Panel or the Compliance Manager and each Respondent may:

- (i) appear personally;
 - (ii) present evidence and facts determined relevant and admissible by the chair of the Hearing Panel;
 - (iii) call and examine witnesses; and
 - (iv) cross-examine witnesses called by other parties.
- (e) The Clearing House will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.
- (f) If the Respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the Respondent's answer, the chair of the Hearing Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a Respondent fails to file an answer but appears at the hearing, the Respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Hearing Panel determines that the Respondent had a compelling reason for failing to timely file an answer. If the Hearing Panel determines that the Respondent had a compelling reason for failing to timely file an answer, the Hearing Panel will adjourn the hearing and direct the Respondent to promptly file a written answer.
- (g) Reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing will be given to persons entitled or required to appear before the Hearing Panel. The Hearing Panel may impose sanctions on any person that impedes or delays the progress of the hearing. Interlocutory appeals of rulings by the Hearing Panel or the chair of the Hearing Panel are not permitted.
- (h) Promptly following a hearing, the Hearing Panel will render a written decision based on the weight of the evidence contained in the record of the disciplinary proceedings. Pursuant to the written decision, the Hearing Panel may take the following actions or impose the following sanctions against the Respondent: (i) a warning letter, which shall indicate each specific Rule that the Respondent was found to have violated; (ii) a cease and desist order; and/or (iii) any sanctions or remedies prescribed in Rule 5.1.14. The

Hearing Panel will serve a copy of the written decision on the Respondent, the Compliance Manager, and the Chief Compliance Officer. The written decision will include the following information:

- (i) the notice of charges or a summary of the charges;
 - (ii) the answer, if any, or a summary of the answer;
 - (iii) a summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;
 - (iv) a statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other bases for such findings and conclusions with respect to each charge;
 - (v) an indication of each specific Rule that the Respondent was found to have violated; and
 - (vi) a declaration of all actions taken or sanctions imposed against the Respondent, including the basis for such sanctions and the effective date of such sanctions.
- (i) The Clearing House will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the Respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Hearing Panel may, within his or her sole discretion, order the Respondent to pay the costs for transcribing the recording of the hearing.
- (j) The Respondent may appeal the Hearing Panel decision within twenty (20) days of receiving the order by filing a written notice of appeal pursuant to Rule 5.1.15. The order of the Hearing Panel's decision will become final upon expiration of twenty (20) days after the order is served on the Respondent, and such final order will not be subject to appeal within the Clearing House.

5.1.14 Sanctions.

- (a) After notice and opportunity for hearing in accordance with the Rules, the Clearing House will impose sanctions if any Respondent is found to have violated or to have attempted to violate a Rule of the Clearing House or provision of Applicable Law for which the

Clearing House possesses disciplinary jurisdiction. Disciplinary sanctions imposed by the Clearing House shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other Clearing Members, Authorized Users or any Persons using the User ID of an Authorized User. All sanctions must take into account the Respondent's disciplinary history. The Clearing House may impose one or more of the following sanctions or remedies:

- (i) censure;
 - (ii) limitation on clearing privileges, ability to otherwise access Nodal Clear, and/or other activities, functions or operations;
 - (iii) suspension of clearing privileges and/or ability to otherwise access Nodal Clear;
 - (iv) fine;
 - (v) restitution or disgorgement;
 - (vi) termination of clearing privileges and/or ability to otherwise access Nodal Clear; or
 - (vii) any other sanction or remedy deemed to be appropriate.
- (b) The Clearing House may impose a fine of up to \$1,000,000 for each violation of the Rules or a provision of Applicable law. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The Clearing House has sole discretion to select the bank on whose quotations to base the prime rate. Clearing Member will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Users or Persons using the User ID of an Authorized User.

5.1.15 Appeal Procedures.

- (a) A Respondent found by the Hearing Panel to have violated a Rule or Applicable Law pursuant to Rule 5.1.13 or who is subject to any summary action imposed pursuant to Rule 5.2 may appeal the order or decision within the time permitted in Rule 5.1.13(j) or Rule 5.2, as applicable, by filing a notice of appeal with the Chief Compliance Officer. The Chief Compliance Officer may also appeal any order by a Hearing Panel prior to the order becoming final pursuant to Rule 5.1.13(j). Except for summary suspensions imposed pursuant

to Rule 5.3.1, Hearing Panel orders and summary imposition of fines shall be suspended while the appeal is pending.

- (b) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the Respondent objects. The Respondent may give notice of appeal on the grounds that:
 - (i) the order or decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules; or
 - (ii) the order or decision exceeded the authority or jurisdiction of the Hearing Panel or the Clearing House.
- (c) The Chief Compliance Officer will forward copies of any notice of appeal received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on the Compliance Manager a brief supporting the notice of appeal and documents supporting the brief. On or before the 20th day after the date on which the appellant serves the supporting brief, the appellee must file and serve its brief in opposition with the Chief Compliance Officer.
- (d) Within 30 days after the last submission filed, the Board will appoint an Appeals Committee at the recommendation of the Chief Compliance Officer, which shall be composed of not less than three individuals from among individuals with knowledge and experience in the electric power or financial markets, who are not members within the office of the Compliance Manager or involved in any other stage of the same proceeding or the conduct giving rise to the alleged Rule violations. No group or class of Clearing Members may dominate or exercise disproportionate influence on the Appeals Committee. The chair of the Appeals Committee will be an individual qualified to be a Public Director.
- (e) Within ten (10) days of being notified of the appointment of the Appeals Committee, either party may seek to disqualify any individual named to the Appeals Committee for any grounds provided in paragraph (d) above or Rule 2.7 by serving notice to the Chief Compliance Officer. Legal counsel, other than the Chief Compliance Officer, will decide the merits of any request for disqualification within his or her sole discretion. Such decision will be final and not subject to appeal. Legal counsel, other than the Chief Compliance Officer, may also remove any member of the Appeals Committee for cause. Unless otherwise disqualified or

removed for cause, the individuals on the Appeals Committee will serve until the related proceedings are completed. If a vacancy shall occur on an Appeals Committee after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter.

5.1.16 Review by the Appeals Committee.

- (a) The Appeals Committee will hold a hearing before all the members of such Appeals Committee to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeals Committee may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeals Committee will not be bound by any evidentiary or procedural rules or law. Except for good cause shown, the review by the Appeals Committee shall only consider the record before the Hearing Panel, the written exceptions filed by the parties, and the oral and written arguments of the parties.
- (b) Upon completing its review, the Appeals Committee may affirm, modify or reverse the Hearing Panel decision or summary action under appeal. Modifications by the Appeals Committee may include increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Rules, remanding the matter to the same or a different Hearing Panel for further disciplinary proceedings, or ordering a new hearing.
- (c) As promptly as reasonably possible following its review, the Appeals Committee will issue a written decision based on the weight of the evidence before the Appeals Committee. To the extent that the Appeals Committee reaches a different conclusion from that of the Hearing Panel, the written decision will include the following information:
 - (i) the notice of charges or a summary of the charges;
 - (ii) the answer, if any, or a summary of the answer;
 - (iii) a summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;
 - (iv) a statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and

other bases for such findings and conclusions with respect to each charge;

- (v) an indication of each specific Rule that the Respondent was found to have violated; and
 - (vi) a declaration of all sanctions imposed against the Respondent, including the basis for such sanctions and the effective date of such sanctions.
- (d) The order by the Appeals Committee will be the final action of the Clearing House and will not be subject to further appeal within the Clearing House.

5.2 Summary Fines

- 5.2.1 The Clearing House may publish a schedule of fines for Clearing Members that fail to make timely and accurate submissions to the Clearing House of notices, reports, or other information required under the Rules of the Clearing House and other minor violations of the Rules. The minimum fine shall be not less than \$1,000 for any one violation.
- 5.2.2 The Chief Compliance Officer may summarily impose a fine against a Clearing Member as provided in Rule 5.2.1. The Chief Compliance Officer shall, in such event, provide written notice to the Risk Management Committee and Clearing Member that specifies: (i) the date of the Rule violation(s); (ii) the amount of the fine; and (iii) the provision(s) of the relevant Rule(s).
- 5.2.3 Within ten (10) days of the Chief Compliance Officer's notice, the Clearing Member must pay the fine. There shall be no right to appeal to the Board.

5.3 Clearing Member Emergencies; Summary Actions

5.3.1 Emergency Procedures

In the event the Chief Executive Officer or, in his or her absence, the Chief Risk Officer or the Board, determines that an Emergency exists or may exist with respect to a Clearing Member, the Chief Executive Officer or, in his or her absence, the Chief Risk Officer or the Board, may suspend, or take any other action against one or more Clearing Members as the Chief Executive Officer or, in his or her absence, the Chief Risk Officer or the Board, may deem necessary or appropriate including, but not limited to, ordering such Clearing Member(s) to deposit additional Margin or transfer Exchange Contracts to one or more Clearing Members as appropriate.

5.3.2 Emergency Hearing

- (a) Any action taken against any Clearing Member pursuant to this Rule shall be taken after notice and opportunity to be heard, unless the Clearing Member waives the right to such notice and opportunity or Chief Executive Officer or, in his or her absence, the Chief Risk Officer or the Board, determines that such notice or opportunity to be heard before taking action is not practicable under the circumstances and there is reason to believe that immediate action is necessary to protect the best interests of the Clearing House. In the event such immediate action is taken, the Clearing House will give the Clearing Member(s) notice and an opportunity to be heard by the Board promptly thereafter. Such notice, to be provided no less than one (1) hour before the hearing, will state the action that has been taken, the reasons therefor, and the effective date, time, and anticipated duration thereof.
- (b) The Board will not be bound by formal rules of evidence and shall conduct the hearing in a manner it deems best suited to obtain and address the information necessary to achieve a fair and impartial hearing. The Chief Risk Officer or his or her designee shall present evidence to demonstrate that an Emergency exists or that substantial question that an Emergency exists regarding the Clearing Member. The Clearing Member may present evidence to demonstrate that no such Emergency or substantial question exists. The Clearing Member may be represented by legal counsel or other appropriate representative. A substantially verbatim record of the hearing shall be made, but need not be transcribed unless the Clearing Member or the CFTC so requests or the Clearing House so determines.
- (c) The Board shall issue a written decision, with a copy to the Chief Risk Officer and the Clearing Member, that will include a copy of any transcript of the hearing (if previously transcribed) and citations, as appropriate, to any documents presented at the hearing. The Board decision shall state: (i) the Board's determination as to whether an Emergency exists or there is a substantial question as to whether an Emergency exists regarding the Clearing Member; and (ii) the Board's decision whether to affirm, modify, or reverse any action theretofore taken and the effective date and duration of the action. The Board's decision shall be the final action of the Clearing House and will not be subject to appeal within the Clearing House.

5.3.3 Any action or decision that may or is required to be taken or made by the Board pursuant to this Rule 5.3 may be taken or made by the Risk Management Committee or by a committee of the Board that has been specially constituted for that purpose. Voting and quorum requirements imposed by the Rules or Applicable Law shall not apply to the Board, the

Risk Management Committee or any such committee in relation to the discharge of its authority and duties under this Rule 5.3.

5.4 Rights and Responsibilities After Suspension or Termination

- 5.4.1 When a Clearing Member's right to access the Clearing House is suspended, none of its rights (including the right to hold oneself out to the public as a Clearing Member) shall apply, except for the right of the Clearing Member to assert claims against others as provided in the Rules. Any such suspension will not affect the rights of creditors under the Rules or relieve the Clearing Member in question of its obligations under the Rules, or for any fees, costs or charges incurred during the suspension.
- 5.4.2 When a Clearing Member's right to access the Clearing House is terminated, all of its rights will terminate except for the right of the Clearing Member to assert claims against others as provided in the Rules. Any such termination will not affect the rights of creditors under the Rules. A terminated Clearing Member may only seek to reinstate its right to access the Clearing House by filing an application in accordance with Rule 3.3. The Clearing House will consider the application of a terminated Clearing Member at its sole discretion.
- 5.4.3 A suspended or terminated Clearing Member or Authorized User remains subject to the Rules and the jurisdiction of Clearing House for acts and omissions prior to the suspension or termination, and must cooperate with requests by the Clearing House as if the suspended or terminated Clearing Member or Authorized User still had the right to access the Clearing House or was still associated with a Clearing Member.

5.5 Notice to the Parties, the CFTC and the Public

The Clearing House will provide written notice of Disciplinary Actions to the parties and the CFTC consistent with CFTC Regulations. Whenever the Clearing House suspends, expels, fines, or otherwise disciplines, or denies any Person access to the Clearing House, Clearing House will make public disclosures as required by CFTC Regulations.

SECTION VI RESERVED

SECTION VII MISCELLANEOUS**7.1 Trading by Clearing House Officials Prohibited; Misuse of Material, Non-Public Information**

- 7.1.1 Terms used in this Rule 7.1 and not otherwise defined in the Rules shall have the meanings set forth in CFTC Regulations 1.3 and 1.59.
- 7.1.2 No Officer or employee of the Clearing House may trade, directly or indirectly: (i) any Exchange Contract or commodity interest cleared by the Clearing House or any related financial instrument; or (ii) any Exchange Contract or related commodity interest where such Officer or employee has access to material, non-public information concerning such Exchange Contract or related commodity interest.

- 7.1.4 The Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may grant exemptions from the provisions of Rule 7.1.2 or Rule 7.1.3 to Clearing House Officials on a case-by-case basis under circumstances which are not contrary to the purposes of this Rule and CFTC Regulation 1.59. Such circumstances may include, but are not necessarily limited to:

 - (d) trading in Exchange Contracts or financial instruments executed on or subject to the rules of a swap execution facility, a designated contract market or a national securities exchange under circumstances in which such Clearing House Official's access to material non-public information in respect of such financial instruments is sufficiently minimal or attenuated so as to be insignificant; and

- (e) such other circumstances as the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) may determine.
- 7.1.5 For the avoidance of doubt, participation by a Clearing House Official in a retirement plan sponsored by the Clearing House or any of its Affiliates shall not be deemed to constitute trading directly or indirectly in an Exchange Contract or financial instrument, notwithstanding such plan's trading of Exchange Contracts or financial instruments.
- 7.1.6 Any Clearing House Official that has received an exemption under Rule 7.1.4 must:
- (a) furnish to the Clearing House (or, in the case of the Chief Compliance Officer, to the Board) account statements and other documents relevant to the trading activities that are so exempted; and
 - (b) inform the Chief Compliance Officer (or, in the case of the Chief Compliance Officer, the Board) within one (1) Business Day of any material change of information that may affect such Clearing House Official's qualification for such exemption.

7.2 Market Data

Each Clearing Member, on behalf of itself and each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing, hereby acknowledges and agrees that the Clearing House owns and shall retain all right, title and interest in and to the Clearing System, all components thereof, including without limitation all related applications, all application programming interfaces, user interface designs, software and source code and any and all intellectual property rights therein, including, without limitation all registered or unregistered, as applicable (a) copyright, (b) trademark, (c) service mark, (d) trade secret, (e) trade name, (f) data or database rights, (g) design rights, (h) moral rights, (i) inventions, whether or not capable of protection by patent or registration, (j) rights in commercial information or technical information, including know-how, research and development data and manufacturing methods, (k) patent, and (l) other intellectual property and ownership rights, including applications for the grant of any of the same, in or to the Clearing House and all other related proprietary rights of the Clearing House and/or any of its Affiliates (together, with any and all enhancements, corrections, bug fixes, updates and other modifications to any of the foregoing and any and all data or information of any kind transmitted by means of any of the foregoing, including, without limitation, the market data of the Clearing House, the "**Proprietary Information**"). Each Clearing Member, on behalf of itself and each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing, further acknowledges and agrees that the Proprietary Information is the exclusive, valuable and confidential property of the Clearing House. Each Clearing Member acknowledges and agrees that it shall not and shall

not permit its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing to, reverse engineer, copy, bug fix, correct, update, transfer, reproduce, republish, broadcast, create derivative works based on or otherwise modify, in any manner, all or any part of the Clearing House or the Proprietary Information. Each Clearing Member further agrees that it will and will cause each of its Affiliates, Authorized Users and other Persons affiliated with any of the foregoing to, keep the Proprietary Information confidential and not to transfer, rent, lease, loan, sell or distribute, directly or indirectly, all or any portion of the Clearing System or any Proprietary Information.

7.3 Recording of Communications

The Clearing House may record conversations and retain copies of electronic communications between Clearing House Officials and Clearing Members, their Authorized Users or other agents. Any such recordings may be retained by the Clearing House in such manner and for such periods of time as the Clearing House may deem necessary or appropriate, including as may be required by Applicable Law. The Clearing House may use such recordings as evidence in any Disciplinary Action or legal proceeding.

7.4 Force Majeure

Notwithstanding any other provision of the Rules, the Clearing House shall not be obligated to perform its obligations under the Rules or any agreement with a Clearing Member, or to compensate any Person for losses occasioned by any delay or failure of performance, to the extent such delay or failure of performance is the result of circumstances that may have a material adverse effect upon the functions and facilities of the Clearing House, including, but not limited to, acts of God, fire or other natural disasters, bomb threats, acts of terrorism or war or severely inclement weather. If the Clearing House shall, as a result of any of the above-described events, fail to perform any of its obligations, such failure shall be excused for a period equal to the period of delay caused by such event. In such an event, the Clearing House shall give written notice thereof to affected Clearing Members as soon as reasonably practicable and shall attempt diligently to remediate such condition.

7.5 Extension or Waiver of Rules

The performance of any act required by the Rules or the time fixed by the Rules for the performance thereof may be waived or extended by the Clearing House if such waiver or extension is necessary or in the best interest of the Clearing House. A written report of any such waiver or extension, stating the pertinent facts and the reason such waiver or extension was deemed necessary or expedient, shall be presented to the Board at its next regular meeting.

7.6 Notice and Effect of Amendment, Repeal or New Rule

- 7.6.1 The Clearing House may, in compliance with the CEA and CFTC Regulations, amend or repeal any Rule and/or adopt new Rules. The Clearing House will publish a notice with respect to each amendment or repeal of any Rule or adoption of any new Rule at the time the Clearing House files such Rules with the CFTC. The Clearing House also will publish notice of any action taken to implement any Rule, in a form and manner that is reasonably designed to enable Clearing Members to become aware of and familiar with, and to implement any necessary preparatory measures to be taken with respect to, such addition or modification, prior to the effective date thereof. For purposes of this Rule 7.6, it will be sufficient (without limiting the discretion of the Clearing House as to any other reasonable means of communication) if notice is published on the Clearing House's website.
- 7.6.2 Any amendment or repeal of a Rule or adoption of a new Rule, shall, upon the effective date of such amendment, repeal or adoption, as applicable, be binding on all Persons subject to the jurisdiction of Clearing House (regardless of when any such Person became subject to Clearing House's jurisdiction) and all Exchange Contracts (regardless of whether any such Exchange Contract was entered into before, on or after such effective date).

7.7 Signatures

Rather than rely on an original signature, Clearing House may elect to rely on a signature that is transmitted, recorded or stored by any electronic, optical, or similar means (including but not limited to telecopy, imaging, photocopying, electronic mail, electronic data interchange, telegram, or telex) as if it were (and the signature shall be considered and have the same effect as) a valid and binding original.

7.8 Governing Law; Legal Proceedings

- 7.8.1 The Rules, and the rights and obligations of the Clearing House and Clearing Members under the Rules, shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts executed and performed wholly within the State of New York without regard to any provisions of New York law that would apply the substantive law of a different jurisdiction.
- 7.8.2 Any action, suit or proceeding against the Clearing House, its limited liability company members, Clearing House Officials, agents, or any member of any committee must be brought within one (1) year from the time that a cause of action has accrued. Any such action, suit or proceeding shall be brought in the State or Federal courts located within Borough of Manhattan in the City of New York. Each Clearing Member expressly

consents, for itself and its Authorized Users, to the jurisdiction of any such court, waives any objection to venue therein, and waives any right it may have to a trial by jury.

- 7.8.3 In the event that a Clearing Member or an Affiliate of such Clearing Member fails to prevail in a lawsuit or other legal proceeding related to the business of the Clearing House that is instituted by such Clearing Member or such Affiliate against the Clearing House, any Affiliate of the Clearing House, or any of their respective officers, directors, equity holders, employees, agents, or any member of any committee (each such Persons, a “**Clearing House Party**”), such Clearing Member shall pay to the affected Clearing House Parties all reasonable expenses, including attorneys’ fees, incurred by such Clearing House Parties in the defense of such proceeding.

7.9 LIMITATION OF LIABILITY; NO WARRANTIES

- 7.9.1 EXCEPT AS OTHERWISE PROVIDED IN THIS RULE 7.9, AND EXCEPT IN INSTANCES IN WHICH THE DISCLAIMING PARTY (DEFINED BELOW) HAS BEEN FINALLY ADJUDICATED TO HAVE BEEN GROSSLY NEGLIGENT OR TO HAVE ENGAGED IN FRAUD OR WILLFUL OR WANTON MISCONDUCT, IN WHICH CASE THE DISCLAIMING PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS RULE 7.9, NEITHER THE CLEARING HOUSE, NOR ANY AFFILIATE OF THE CLEARING HOUSE, NOR ANY OF THEIR RESPECTIVE MANAGERS, OFFICERS, DIRECTORS, EMPLOYEES, EQUITYHOLDERS, AGENTS, CONSULTANTS OR SERVICE PROVIDERS, NOR ANY MEMBER OF ANY COMMITTEE OR OTHER GOVERNING BODY OF ANY AFFILIATE OF THE CLEARING HOUSE (EACH OF THE FOREGOING, AS APPLICABLE, THE “**DISCLAIMING PARTY**” AND, COLLECTIVELY, “**DISCLAIMING PARTIES**”), SHALL BE LIABLE TO ANY PERSON FOR ANY LOSSES ARISING OUT OF OR IN CONNECTION WITH:

- (a) ANY FAILURE, MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION, TERMINATION, OR ANY OTHER EVENT, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE SYSTEMS AND SERVICES OF THE CLEARING HOUSE, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, AND ANY AND ALL TERMINALS, COMMUNICATIONS NETWORKS, CENTRAL COMPUTERS, SOFTWARE, HARDWARE AND FIRMWARE RELATING THERETO; OR

- (e) IN CONNECTION WITH THE PERFORMANCE OR NON-PERFORMANCE OF ANY REGISTRY, REGISTRY OPERATOR, OR EMTS.

THE FOREGOING LIMITATIONS OF LIABILITY SHALL APPLY WHETHER A CLAIM IS BASED ON BREACH OF CONTRACT, TORT, INCLUDING, WITHOUT LIMITATION, NEGLIGENCE (OTHER THAN GROSS NEGLIGENCE), STRICT LIABILITY, NEGLIGENT MISREPRESENTATION, RESTITUTION, BREACH OF STATUTORY DUTY, BREACH OF WARRANTY OR OTHERWISE AND WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD-PARTY CLAIM.

7.9.3 NOTWITHSTANDING ANY OTHER PROVISION OF THESE RULES, IN NO EVENT SHALL ANY PERSON BRING ANY LEGAL ACTION, REGARDLESS OF WHETHER LIABILITY IS BASED ON BREACH OF CONTRACT, TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE, STRICT LIABILITY, NEGLIGENT MISREPRESENTATION), RESTITUTION, BREACH OF STATUTORY DUTY,

BREACH OF WARRANTY OR OTHERWISE AND REGARDLESS OF WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD-PARTY CLAIM, FOR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, ANY LOSS OF REVENUE, LOSS OF ACTUAL OR ANTICIPATED PROFITS, LOSS OF CONTRACTS, LOSS OF THE USE OF MONEY, LOSS OF ANTICIPATED SAVINGS, LOSS OF BUSINESS, LOSS OF OPPORTUNITY, LOSS OF MARKET SHARE, LOSS OF GOODWILL, LOSS OF REPUTATION OR LOSS OF, DAMAGE TO OR CORRUPTION OF DATA), HOWEVER SUFFERED OR INCURRED, AND REGARDLESS OF WHETHER THE PARTY FROM WHOM SUCH DAMAGES WOULD BE SOUGHT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR WHETHER SUCH DAMAGES OTHERWISE COULD HAVE BEEN FORESEEN OR PREVENTED. THE PROVISIONS OF THIS RULE 7.9.3 SHALL NOT APPLY TO THE EXTENT THAT THE PERSON FROM WHICH DAMAGES ARE SOUGHT HAS BEEN FINALLY ADJUDICATED TO HAVE ENGAGED IN FRAUD OR WILLFUL OR WANTON MISCONDUCT.

7.9.4 EXCEPT IN ANY CASE WHERE A DISCLAIMING PARTY HAS BEEN FINALLY ADJUDICATED TO HAVE ENGAGED IN FRAUD OR WILLFUL OR WANTON MISCONDUCT, IN NO EVENT SHALL THE DISCLAIMING PARTIES' TOTAL COMBINED AGGREGATE LIABILITY FOR ALL CLAIMS EXCEED \$100,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES ON A SINGLE CALENDAR DAY; \$200,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES IN A SINGLE CALENDAR MONTH; AND \$1,000,000 FOR ALL LOSSES SUFFERED FROM ALL CAUSES IN A SINGLE CALENDAR YEAR. IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY, SINGLE MONTH OR SINGLE YEAR CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A PRO RATA SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD.

Any and all non-public information, in any form, obtained by Clearing Members or the Clearing House arising out of or related to the provision or use of the Clearing System, services of the Clearing House, or other property of the Clearing House shall be deemed to be “**Confidential Information**.” Without limiting the generality of the foregoing, the Clearing House’s Confidential Information shall specifically include all source code of the Clearing System, and all trade secrets, processes, computer software and other proprietary data, research, information or documentation related thereto. Notwithstanding the foregoing, “Confidential Information” does not include any information that: (i) is in or becomes part of the public domain (other than by disclosure by the recipient or its directors, officers, employees, agents or contractors (“**Representatives**”) in violation of the Rules); (ii) was previously known to the recipient free of restriction; (iii) is independently developed by the recipient, without reference to the Confidential Information of the disclosing party; or (iv) is lawfully obtained by the recipient from a third party having the right to furnish such information.

The Clearing House and the Clearing Member (each, a “**Party**” and, collectively, the “**Parties**”) shall hold in strict confidence the Confidential Information of the other Party, shall use the same degree of care in protecting the confidentiality of the Confidential Information as it uses in protecting its own information of a similar type, and shall not disclose Confidential Information of the other Party to any third party or use Confidential Information of the other Party for any purpose not expressly permitted in the Rules; *except that* a Party may disclose Confidential Information of the other Party solely to those of its Representatives who have a need to know such Confidential Information to facilitate compliance with the Rules. 8.2 Funded Financial Resources

The Clearing House shall maintain funded financial resources sufficient to enable the Clearing House to meet its financial obligations to Clearing Members notwithstanding a default by the two Clearing Members creating the largest combined loss to the Clearing House in extreme but plausible market conditions. If a Clearing Member controls another Clearing Member or is under common control with another Clearing Member, the affiliated Clearing Members shall be deemed to be a single Clearing Member for financial resources calculations under this rule.

8.3 Measures to Mitigate Procyclicality

The Clearing House shall establish Initial Margin requirements designed to limit the likelihood of procyclical changes in Initial Margin requirements and mitigate costly and disruptive adjustments to Initial Margin requirements in periods of high market volatility. Specifically, the Clearing House shall ensure that the Initial Margin model meets Option (b) as listed in Article 28 (Procyclicality) of Delegated Regulation (EU) No. 153/2013, which reads: “assigning at least 25% weight to stressed observations in the lookback period in accordance with Article 26.”
