**RE: Modifications to the Grain & Oilseed Futures ETH Market Maker Program
CBOT Submission No. 22-266**

Dear Mr. Kirkpatrick:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Grain & Oilseed Futures ETH Market Maker Program ("Program"). The modifications to the Program will become effective on August 1, 2022.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

CBOT reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CBOT staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping

The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. Exchange staff will monitor trading in the Program's products in order to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The Program does not impact the Exchange's order execution. Participants in the Program will be selected by CBOT staff using criteria as set forth in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with CBOT in which each participant will expressly agree to comply with, and be subject to, applicable regulations and Exchange rules. Additionally, the Program is subject to the Exchange's record retention policies, which comply with the CEA.

CBOT certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com. Please reference our CBOT Submission No. 22-266 in any related correspondence.

Sincerely,

/s/ Christopher Bowen

Obligations

*Minimum Quoting Obligations**: In order to be eligible to receive incentives, participants must quote continuous two-sided markets in designated contract months of the Products at maximum bid/ask spreads and minimum quote sizes in accordance with the baseline quoting obligations table below. Notwithstanding the foregoing, CBOT may vary the quoting obligations and/or the time-in-market as it deems necessary based on ongoing evaluations of the Program.

	ZC, ZS		ZM, ZL, KE, ZW		Time-in-Market (ETH: 7:00PM – 8:29:59AM CST)

*The first contract month is defined as the nearby contract that can still be traded on Globex® unless it is in its delivery month, at which point the next contract will be named the “Lead Month.” The second contract is the month following the Lead Month, and so on.

Extreme Events Clause: If the at-the-money (“ATM”) implied volatility exceeds the values in Table A for two (2) consecutive trading days for three (3) out of six (6) of the Products, the obligations in Table B may be implemented. Participants will be given notice that the Extreme Events Clause has taken effect.

Monitoring and Termination of Status

The Exchange shall monitor trading activity and participants' performance and shall retain the right to revoke participant status if it concludes from review that a participant has failed to meet its obligations or no longer meets the eligibility requirements of the Program.

If the Exchange determines that a participant has not met its quoting obligations during ~~one (1)~~ two (2) calendar months over the course of the Program, but is within twenty percent (20%) of the time-in-market obligations, the participant will be eligible to receive the incentives for ~~that~~ each applicable month.

If the Exchange determines that a participant has not met its quoting obligations during one (1) additional calendar month, the participant will be eligible to receive all incentives for that applicable month. Participants must meet quoting obligations for all subsequent months in order to continue to receive the incentives.

Upon utilizing the exceptions set forth above, participants that fail to meet quoting obligations in any additional month may be removed from the Program.
