**RE: CFTC Regulation 40.6(a) Certification. Amendments to CME/CBOT/NYMEX/COMEX
and CME SEF Rule 537.
NYMEX Submission No. 15-313 (4 of 5)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME"), The Board of Trade of the City of Chicago, Inc. ("CBOT"), New York Mercantile Exchange, Inc. ("NYMEX"), and Commodity Exchange, Inc. ("COMEX") as registered designated contract markets (collectively, the "Exchanges"), and CME as a registered swap execution facility ("CME SEF"), are notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that they are self-certifying amendments to Rule 537 concerning clear consent to the use of regulatory data for business or marketing purposes. The amended Rule 537 will become effective on August 13, 2015.

Amended Rule 537 precludes the Exchanges and CME SEF from using regulatory data for business or marketing purposes unless it has obtained the clear consent of the relevant market participant to do so. The current version of Rule 537 provides for "opt out" consent. The portion of Rule 537 which includes the prohibition against conditioning market access on the grant of consent to use regulatory data for commercial purposes of the Exchange remains unchanged. The amendments to Rule 537 are similar to the language recently adopted by ICE Futures U.S. CME SEF Rule 537 is being amended to conform to the language of CME/CBOT/NYMEX/COMEX Rule 537. The text of Rule 537 for the Exchanges and CME SEF is included in Exhibit A, with additions underlined and deletions ~~overstruck~~.

Rule 537 was originally filed with the CFTC in February 2014 and works in conjunction with the Exchanges' and CME SEF's Confidentiality Policy, which is publicly available on the CME Group website at the following location: http://files.shareholder.com/downloads/CME/349862097x0x835162/C6196003-0FC2-46AA-9D1C-B83D9FD2ECD6/Confidentiality_Policy.pdf.

The Legal Department reviewed the designated contract market core principles ("DCM Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act") and noted that the adoption of these changes to CME/CBOT/NYMEX/COMEX Rule 537 may have some bearing on the following DCM Core Principle:

Availability of General Information: As required by this DCM Core Principle, the Exchanges will advise market participants of the amendments to Rule 537 via the issuance of CME Group Special Executive Report ("SER") S-7412 on July 27, 2015, which explains the changes in consent procedures put in place by these amendments.

The Legal Department has also reviewed the swap execution facility core principles (“SEF Core Principles”) as set forth in the Act and noted that the adoption of these amendments to CME SEF Rule 537 does not affect CME SEF’s compliance with the SEF Core Principles.

The Exchanges and CME SEF certify that the amendments to Rule 537 comply with the Act and regulations thereunder. They are not aware of any substantive opposing views that were expressed by members or others with respect to this rule amendment.

The Exchanges and CME SEF certify that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you have any questions regarding this submission, please contact me at 212-299-2200, or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel

Exhibit B

Special Executive Report

S-7412

July 30, 2015

Amendments to CME, CBOT, NYMEX, and COMEX DCM Rule 537(b) and CME SEF Rule 537(b) in Connection with Data Submitted to the Exchanges and SEF for the Purpose of Fulfilling Regulatory Obligations, Effective on Trade Date Thursday, August 13, 2015

CME, CBOT, NYMEX, and COMEX (the “Exchanges”) DCM Rule 537(b) and CME SEF Rule 537 currently preclude the Exchanges and SEF from using data submitted for the purpose of fulfilling regulatory obligations for marketing and business activities where a market participant has notified the Exchanges or SEF that it “opts out” of such use. The Exchanges and SEF have self-certified changes to DCM Rule 537 and SEF Rule 537 that will require a market participant’s clear consent in order to use data submitted for the purpose of fulfilling regulatory obligations for marketing and business activities. Pending all relevant regulatory review periods, **these changes will become effective on August 13, 2015.**

Amended DCM Rule 537 precludes the Exchanges from using regulatory data for business or marketing purposes, unless it has obtained the clear consent of the relevant market participant to do so. The current version of DCM Rule 537 provides for “opt out” consent. The amendments to DCM Rule 537 are similar to the language recently adopted by other DCMs and SEFs, including ICE Futures U.S. SEF Rule 537 is being amended to conform to the language of DCM Rule 537.

The text of Rule 537 for both the DCMs and the SEF are listed below, with additions underscored and deletions overstruck. As described at the time Rule 537 was originally filed with the CFTC in February 2014, the Rule works in conjunction with the Exchanges’ and SEF’s Confidentiality Policy, which is publicly available on the CME Group web site at the following location: http://files.shareholder.com/downloads/CME/349862097x0x835162/C6196003-0FC2-46AA-9D1C-B83D9FD2ECD6/Confidentiality_Policy.pdf.

The Exchange has the exclusive right to use, distribute, sub-license, disclose and sell anonymized trade data and derivative works in any manner, media and jurisdiction.
