Rule 303C Direct Market Access

Only a Sponsoring Broker may sponsor a DMA Customer.

All trades in Cleared Swaps executed via DMA connection must be guaranteed by a Sponsoring Broker that assumes financial responsibility for all activity through the DMA connection.

Each DMA Customer must execute the DMA Customer Documentation as a condition of being granted access to CMSEF.

A Sponsoring Broker shall assist CMSEF in any investigation into potential violations of the CMSEF Rules, CFTC Regulations or the Act [CEA], which occur through or with respect to a DMA connection guaranteed by such Sponsoring Broker. Such assistance must be timely and may include requiring any DMA Customer to produce documents, to answer questions from CMSEF, and/or to appear in connection with an investigation.

A Sponsoring Broker shall suspend or terminate the Trading Access of a DMA Customer or any Authorized Trader associated with such DMA Customer if CMSEF determines that the actions of the DMA Customer or any of its Authorized Traders threaten the integrity of CMSEF or liquidity of any Swap or violate any CMSEF Rule or if the DMA Customer or any of its Authorized Traders fails to cooperate in an investigation.

If a Sponsoring Broker has actual or constructive notice of a violation of the CMSEF Rules in connection with Direct Market Access by its DMA Customer and the Sponsoring Broker fails to take appropriate action, CMSEF may consider that the Sponsoring Broker has committed an act detrimental to the interest or welfare of CMSEF.

Rule 319 Participant Maintenance of Records

(i) All CMSEF Participants shall maintain all books and records [that are] required to be maintained pursuant to the CEA and CFTC Regulations. This includes all records related to the trading of Swaps.

- (ii) Such books and records shall be kept for the life of each Swap transacted pursuant to these Rules and five years following the termination of such Swap. Participants shall make copies of such books and records readily accessible to CMSEF for inspection, in each case in the form and manner required under the CEA and CFTC Regulations. During the first two years copies of such Trading Records shall be readily accessible.
- (iii) CMSEF may disclose information it obtains from Participants books and records, to any government agency (foreign or domestic), self-regulatory organization or other Person as required by law, information concerning or associated with a Participant or other Person if the CMSEF believes such disclosure is necessary and appropriate in exercising a legal or regulatory function, whether or not a formal arrangement governing the disclosure exists or a request for information was made.
- (iv) Participants shall make Trading Records available to the CFTC upon request and/or permit on-site inspection by duly authorized CFTC personnel.

Rule 406 Execution of Swaps on CMSEF

The following are the methods CMSEF provides Participants in order to execute Swaps on CMSEF:

- (i) Anonymous Central Limit Order Book (Minimum Functionality):
 - a. <u>Acceptable Orders</u>. The following kinds of orders may be entered into the Central Limit Order Book (CLOB) of the CMSEF Platform.
 - I. Market Orders. A "Market Order" is an order to purchase or sell a contract at the best price on the CMSEF Platform at the time the order is entered in to the CMSEF Platform.
 - II. <u>Limit Orders</u>. A "Limit Order" is an order to buy or sell a contract at a specified price or better.
 - b. <u>Entry of Orders</u>. An anonymous order may be submitted directly by the Participant for its own account or on behalf of a Customer on whose behalf such a Participant is authorized to act.
 - c. <u>Time Delay Requirement</u>. All Participants who, in connection with the execution of a Required Transaction, seek to either execute against a Customer's order or execute two Customers against each other through the CMSEF's CLOB shall use the following procedure:
 - I. If a Participant seeks to execute an order against a Customer order, then such Participant must enter the Customer order into the CMSEF CLOB and then wait at least 15 seconds before entering the Participant's order; or
 - II. If a Participant seeks to execute two Customer orders against each other, then such Participant shall enter one side of the trade into the CMSEF CLOB and wait at least 15 seconds before entering the second side of the trade for execution.
 - d. <u>Time Delay Exception</u>. <u>There is no [The] time delay requirement [does not apply] with respect to any DMA Order [Orders where a broker or dealer does not engage in some form of pre-arrangement or pre-negotiation of such order].</u>
 - e. <u>Price-Time Priority</u>. All prices received in the CLOB are sorted based on strict price-time priority protocol.
 - f. <u>Trading Limits</u>. Participants shall only enter orders for such Contracts and for such amounts as is permitted within the scope of their trading limits.
 - g. Matching of Orders. Orders submitted will be matched as follows:
 - I. <u>Market Orders</u>. Matching orders will be matched against all pending bids and offers in accordance with a price-time priority protocol. If any portion of the market order is not filled, the unfilled remainder will be canceled.

II. <u>Limit Orders</u>. Limit orders will be matched with bids and offers that have a price that is at or better than the price of the limit order, in accordance with the pricetime protocol. If any portion of the limit order is not filled, the unfilled portion of the order will remain in the market at the price and time that the order was entered.

h. Unfilled Orders.

- I. After the close of trading each Trading Day, all unfilled bids and offers will be cancelled
- II. Upon a Participant's logging out from the CMSEF Platform during the Trading Day, all unfilled bids and offers entered by such Participant will be cancelled.
- (ii) Request for Quote (RFQ)
 - a. <u>Entry of Orders</u>. Participants may submit RFQ inquiries on a name disclosed basis. Submission of RFQ inquiries must be sent to minimum of three counterparties none of which shall be:
 - i. affiliated of or controlled by the counterparty requesting the RFQ inquiry; or
 - ii. affiliates of or controlled by each other.
 - b. Anonymous RFQ. In the future CMSEF may enable Participants to submit and respond to RFQ inquiries on an anonymous basis.

Each order submitted on the SEF shall include the following:

- (i) The Legal Entity Identifier of the Participant or Client placing the order;
- (ii) A yes/no indication of whether the Participant or Client is a swap dealer with respect to the product with respect to which the order is placed.
- (iii) A yes/no indication of whether the Participant or Client is a major swap participant with respect to the product with respect to which the order is placed.
- (iv) A yes/no indication of whether the Participant or Client is a Financial Entity.
- (v) A yes/no indication of whether the Participant or Client is a U.S. person.
- (vi) If applicable, an indication that the Participant or Client will elect the clearing requirement exception in CEA section (2)(h)(7) for any swap resulting from the order.
- (vii) If the swap will be allocated:
 - a. An indication that the swap will be allocated.
 - b. The Legal Entity Identifier of each Participant or Client.
 - c. An indication of whether the swap is a post-allocation swap.
- (viii) If the swap is a post-allocation swap, the unique swap identifier of the original transaction between the reporting counterparty and the agent.

Rule 410B Incorporation of Previously Negotiated [Confirmation of] Previously-Negotiated Agreements Between Counterparties

A swap [Upon the execution of a Swap, CMSEF will provide each counterparty to a transaction] that is entered into on CMSEF shall contain a [or pursuant to the rules of the SEF with a written record] of all of the terms of the Swap, which shall legally supersede any previous agreement and serve as a confirmation of the transaction. Such terms shall legally supersede any previous agreement and serve as a confirmation of the Swap transaction (CMSEF's Swap confirmation will state the preceding).[; provided, that specific customer identifiers for accounts included in bunched orders involving Swaps will not be included in confirmations provided by CMSEF if the applicable requirements of CFTC Regulation 1.35(b)(5) are met.]

SEF confirmation must state, where applicable, that it incorporates by reference the terms of the underlying previously negotiated freestanding agreements between the Counterparties to the Swap.

Upon request, Participants must provide CMSEF or the Commission with copies of any underlying previously-negotiated freestanding agreements as soon they are available.

Rule 417 Pre-trade Communications

In any case in which a Participant or Participants pre-arrange or pre-negotiate a transaction prior to entering a bid or offer on the SEF, either directly or through a broker, [A Participant or Authorized User, acting on behalf of a Customer, must have the Customer's consent before engaging in pre-arrangement communication with a counterparty. The Participant or Authorized User may not disclose such communications to any third party and may not use such communications to enter into alternative transactions other than the transaction permitted by this Rule. In any case in which a transaction is agreed upon as the result of pre-arrangement communication,] the Participant or Participants must allow a 15-second delay between orders entered on the SEF.
