Such guarantee is effective only until such time that the Clearing Member accepts the Trade. A Trade will be

deemed to have been accepted by such Clearing Member if the Trade is submitted to the Clearing House, subject to any rule or procedure of the Clearing House, or otherwise is not rejected by the close of business on the Business Day following the Trade date. - (i) CMSEF shall monitor and evaluate data on:
 - a. an ongoing basis in order to detect and prevent manipulation, price distortion, and where necessary disruptions in the cash-settlement process, and

- (viii) any other unusual, unforeseeable or adverse circumstance with respect to which it is impracticable for the CMSEF to submit in a timely fashion a reviewable rule to the CFTC.

- (vi) taking market actions as may be directed by the CFTC.

CMSEF's Board shall review any action taken during an Emergency to ensure that it was proper and appropriate and the Board may revoke, suspend or modified such action its discretion.

If, in the judgment of the CMSEF, the physical functions of CMSEF are, or are threatened to be, severely and adversely affected by a physical emergency, CMSEF may take any action necessary or appropriate to respond to such physical emergency, including closing the CMSEF Platform, delaying the opening of trading in one or more Swaps or suspending trading in or

extending Trading Hours for one or more Swaps. In the event that trading is suspended in any or all Swaps, any unexecuted Orders or RFQs for the suspended Swaps that are currently resting in the CMSEF Platform will automatically be cancelled and must be resubmitted upon resumption of trading in the affected Swaps.

CMSEF will make reasonable efforts to notify the CFTC prior to implementing, modifying or terminating a rule pursuant to this Rule. If CMSEF is not able to notify the CFTC before implementing such action, CMSEF will notify the CFTC as soon as reasonably practicable, but in all circumstances within 24 hours of the implementation, modification or termination of such Emergency action.

If the Emergency is related to a Swap that is fungible with financial products traded on another swap execution facility or a designated contract market, CMSEF will try to coordinate its response with any directions received from the CFTC.

Chapter 5 Disciplinary Rules

Rule 501 General

All CMSEF Participants, Authorized Persons, Authorized Users, and Participant's Customers shall be subject to the CMSEF's jurisdiction. All Participants, Authorized Persons, and Authorized Users are subject to this Chapter 5 if they, or with respect to a Participant, any other Person using any of its User IDs, are alleged to have violated, or to have aided and abetted a violation of, or are about to violate, any Rule or any provision of Applicable Law for which CMSEF possesses disciplinary jurisdiction.

CMSEF, through its Compliance Department and the Disciplinary Panel, will conduct inquiries, investigations, disciplinary proceedings and appeals from disciplinary proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter.

No CMSEF member of the Board, Officer, Employee, or Agent will interfere or attempt to interfere with any investigation, disciplinary hearing, or summary imposition of a judgment or other summary action.

CMSEF shall permit any Participant, Authorized Person, Authorized User, Account Manager, or Customer to be represented by counsel during any inquiry, investigation, disciplinary hearing, or imposition of a fine or summary judgment.

CMSEF may hold a Participant or Authorized User liable for, and impose sanctions against such Participant or Authorized User for such Person's own acts and omissions, or those of its agents, representatives or any Person or API using a User ID of such Participant or Authorized User. CMSEF may additionally hold a Participant liable for the acts and omissions of its Authorized Users.

CMSEF may delegate any or all of its powers or responsibilities under this Chapter 5 to the RSP, which may take any action on behalf CMSEF that the CMSEF is permitted to take hereunder; provided, however, that the CMSEF shall retain supervisory authority with respect to such powers and responsibilities and will document instances where its actions differ in any material respect from those recommended by the RSP.

Rule 502 CMSEF's Right to Inspect Participant's, Books, Records and Systems

CMSEF's Compliance Department and CMSEF's RSP (if any) will have the right to inspect the books, records, systems, equipment, and software of Participants, Authorized Persons, Authorized Users, and Participant's Customers.

CMSEF's Compliance Department and CMSEF's RSP (if any) will have the right to obtain position and trading information directly from Participants as necessary to preform CMSEF's

Rule 503 Inquiries and Investigation

CMSEF's Compliance Department or Disciplinary Panels will investigate any matter within CMSEF's disciplinary jurisdiction of which it becomes aware. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion and will function independently of any commercial interests of CMSEF.

CMSEF's Compliance Department has the authority to:

- (i) initiate and conduct inquiries and investigations;
- (ii) prepare Investigation Reports and make recommendations concerning initiating disciplinary proceedings;
- (iii) allege violations within CMSEF's disciplinary jurisdiction;
- (iv) prosecute alleged violations within CMSEF's disciplinary jurisdiction; and
- (v) represent CMSEF on an appeal to an Appeal Panel of any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

Each Participant, Authorized Person, Authorized User, and Customer:

- (i) is obligated to appear, testify and respond in writing to interrogatories within the time period required by the Compliance Department in connection with any Rule, any inquiry or investigation; or any preparation by and presentation during a disciplinary proceeding or appeal from a decision in a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action by CMSEF;
- (ii) is obligated to produce books, records, papers, documents or other tangible evidence in his possession, custody or control within the time period required by the Compliance Department in connection with any Rule, any inquiry or investigation, any preparation by and presentation during a disciplinary proceeding or appeal from a decision in any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action by CMSEF; and
- (iii) may not impede or delay any inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.

Rule 504 Reports of Investigations

CMSEF's Compliance Department will maintain a log of all investigations and their disposition. The Compliance Department will prepare a written report of each investigation (the "Investigation Report"), regardless of whether the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within CMSEF's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.

Any Investigation Report will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered and the analysis,

conclusions and recommendation of the Compliance Department. For each potential respondent, the Compliance Department will recommend either:

- (i) closing the investigation without further action;
- (ii) entering into a summary action;
- (iii) resolving the investigation through an informal disposition, including the issuance by the Compliance Department of a warning letter (provided that no more than one warning letter for the same violation may be issued to the same potential respondent during a rolling 12-month period);
- (iv) initiating disciplinary proceedings; or
- (v) negotiating a settlement.

An informal disposition (including the issuance of a warning letter by the Compliance Department) will not constitute a finding of a violation or a sanction.

CMSEF's Compliance Department shall provide the Investigation Report to the Chief Compliance Officer, who shall determine whether the Investigation Report is complete.

CMSEF's Compliance Department shall complete each investigation in a timely manner and, absent mitigating factors, no later than 12 months after the date that such investigation was opened.

Rule 505 Opportunity to Respond to Investigation Reports

After completing the Investigation Report, if the evidence gathered during an inquiry or investigation forms a reasonable basis to believe that a violation within CMSEF's jurisdiction has occurred or is about to occur, CMSEF's Compliance Department may, upon approval of the Chief Compliance Officer, notify each potential respondent that the Compliance Department has recommended formal disciplinary charges against each such potential respondent.

The potential respondents shall be notified in writing and shall have fourteen days to respond, unless extenuating circumstances require a response sooner.

CMSEF's Compliance Department may allow a potential respondent to propose a settlement of the matter or to submit a written statement explaining why either a disciplinary proceeding should not be instituted or one or more of the potential charges should not be brought. The potential respondent shall submit such written statement within the time limit established by the Compliance Department.

Rule 506 Review of Investigation Reports

CMSEF's Compliance Department will, within 30 days, take one of the following actions:

- (i) If CMSEF's Compliance Department determines that no reasonable basis exists to believe that a violation within CMSEF's jurisdiction has occurred or is about to occur, it may direct that no further action be taken. Upon such determination, the Compliance Department will provide a written statement setting forth the facts and analysis supporting the decision.
- (ii) If CMSEF's Compliance Department determines that disciplinary proceedings are unwarranted, it may issue a warning letter setting forth, in writing, the facts and analysis supporting the decision.
- (iii) If CMSEF's Compliance Department determines that additional investigation or evidence is needed to decide whether a reasonable basis exists to believe that a violation within

CMSEF's jurisdiction has occurred or is about to occur, it will conduct further investigation.

- (iv) If CMSEF's Compliance Department determines that a reasonable basis exists to believe that a violation within CMSEF's jurisdiction has occurred or is about to occur, the potential respondent will be served with a notice of charges and proceed in accordance with this Chapter 5.

Rule 507 Warnings

CMSEF's Compliance Department is authorized to issue a warning letter to an individual or entity under investigation. If a warning letter is issued by the CMSEF's Compliance Department, it shall not be considered an indication that a violation has occurred. Only one warning letter may be issued to the same individual or entity per violation per year.

Rule 508 Notice of Charges

If CMSEF's Compliance Department authorizes disciplinary proceedings pursuant to these Rules, it will prepare, and serve in accordance with these Rules, a notice of charges.

A notice of charges will:

- (i) state the acts, practices or conduct in which the respondent is alleged to have engaged;
- (ii) state the Rule alleged to have been violated or about to be violated;
- (iii) advise the respondent of its right to a hearing and its right to be represented by legal counsel or any other representative of its choosing (other than a Director, Officer or employee of CMSEF, any member of the Disciplinary Panel or any Person substantially related to the disciplinary proceedings such as a material witness or other respondent) in all succeeding stages of the disciplinary process;
- (iv) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 days after service of the notice of charges;
- (v) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
- (vi) advise the respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.

Rule 509 Service of Notice of Charges

CMSEF shall serve notice of charges or other documents contemplated to be served pursuant to this Chapter 5 to a contact designated by each Participant. CMSEF may serve such notice (and service shall be deemed complete) to the respondent personally, or by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears in records of CMSEF. Notice of Charges may also be served by electronic mail to the respondent's electronic mail address as it appears on the books and records of CMSEF, if followed by a hard copy of the document sent promptly thereafter by registered or certified mail addressed to the respondent at the respondent's address as it appears in records of CMSEF.

Rule 510 Answer to Notice of Charges

If the respondent determines to answer a notice of charges, the respondent must file an answer within 20 days after being served with such notice, or within such other time period determined appropriate by the Chief Compliance Officer.

To answer a notice of charges, the respondent must in writing:

- (i) for each allegation set forth in the notice of charges, admit such allegation, deny such allegation, or affirmatively state that the respondent does not have and is unable to obtain sufficient information to admit or deny such allegation, which shall have the effect of a denial of such allegation;
- (ii) specify any specific facts that contradict the notice of charges;
- (iv) specify any affirmative defenses to the notice of charges;
- (iv) sign and serve the answer on the Chief Compliance Officer; and
- (v) if applicable, request a hearing before a Disciplinary Panel.

Any failure by the respondent to serve a timely answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the requirements of the second paragraph of this Rule.

If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for such violations. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction imposed pursuant to this Rule and advise the respondent that the respondent may request a hearing on such sanction within 20 days of the respondent being served with such notice. Any failure by the respondent to do so will be deemed to be an acceptance of the sanctions in such notice and waiver of any right to appeal such sanctions.

A respondent shall be granted a hearing before a Disciplinary Panel for every instance in which such respondent either denies an allegation and requests a hearing in accordance with this Rule; or requests a hearing in accordance with this Rule.

Rule 511 Right to a Hearing

All respondents who have denied a charge shall be afforded the opportunity for a hearing. The hearing must concern only those charges, which the respondent has denied.

Rule 512 Settlements

A respondent or potential respondent may at any time propose in writing an offer of settlement to anticipated or instituted disciplinary proceedings. Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of CMSEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.

If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) of this Rule, the Compliance Department will forward the offer to the Disciplinary Panel with a recommendation on whether to accept or reject the offer. The respondent or potential respondent may withdraw such offer of settlement at any time before acceptance by the Disciplinary Panel, but may not withdraw such offer at any time after acceptance by the Disciplinary Panel.

The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.

If an offer of settlement is accepted by the Disciplinary Panel, it shall issue a written decision specifying:

- (i) the Rule violations it has reason to believe were committed, including the basis or reasons for its conclusions;
- (ii) any sanction to be imposed, which must include full customer restitution where customer harm has been demonstrated; and
- (iii) if applicable, that the respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

In the event that the Disciplinary Panel accepts an offer of settlement without the agreement of the Compliance Department, the decision must adequately support such acceptance.

If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under these Rules.

If the offer of settlement of a respondent or potential respondent is not accepted by the Disciplinary Panel, fails to become final or is withdrawn by the respondent or potential respondent before its acceptance by the Disciplinary Panel, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

Rule 513 Disciplinary Panels

The Disciplinary Panel shall conduct hearings in connection with any disciplinary proceedings (except for summary impositions of fines pursuant to these Rules), to make findings, render decisions, and impose sanctions pursuant to this Chapter 5.

Each Disciplinary Panel shall be composed of three individuals selected by the Chief Compliance Officer. Except in cases limited to the timely submission of accurate records, each Disciplinary Panel shall consist of at least one individual who would not be disqualified from serving as a Public Director, who shall chair the Disciplinary Panel.

No member of the Compliance Department may serve on a Disciplinary Panel.

Except as may otherwise be provided in these Rules, the Board may at any time remove any member of a Disciplinary Panel for cause.

Within 10 days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in these Rules, by serving written notice on the Chief Compliance Officer and providing a copy thereof to the chairman of the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The Chief Compliance Officer will decide in his sole discretion the merits of any request for disqualification. Any such decision will be final and not subject to appeal.

All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a Company investigation or as otherwise required by law. No individual shall serve on a

Disciplinary Panel unless that individual has agreed in writing that he will not publish, divulge, or make known in any manner facts or information regarding the business of any Person or other information which may come to his or her attention in his official capacity as a member of the Disciplinary Panel, except:

- a. when reporting to the Board or to a Standing Committee concerned with such information;
- b. when reporting to the Compliance Department;
- c. when requested by the CFTC or other government agency; or
- d. when compelled to testify in any judicial or administrative proceeding.

Rule 514 Convening Hearings of Disciplinary Proceedings

All disciplinary proceedings (except for summary impositions of fines pursuant to these Rules) will be conducted at a hearing before a Disciplinary Panel. Hearings will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Compliance Department.

The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules of law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. CMSEF's Legal Department will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.

Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to these Rules, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

Rule 515 Respondent Review of Evidence

Prior to the commencement of a hearing, each respondent will be given the opportunity, subject to the sections below, to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of CMSEF that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and CMSEF will have no obligation to disclose, any information protected by attorney-client privilege. All requests for such information must be made not less than 10 days prior to the scheduled hearing date, unless the chairman of the Disciplinary Panel agrees otherwise.

If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.

Notwithstanding anything in this Rule to the contrary, the Compliance Department:

- (i) will not redact, edit or code competitive or investigative information contained in documents in a manner that would materially impair the respondent's ability to

- defend against the allegations or proposed sanctions in the notices of charges, and
- (ii) will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.

For purposes of these Rules, information that could adversely affect competitive positions includes positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of any Participant or Authorized User and the personal finances of the Person providing the information.

The respondent shall treat as confidential all data and information provided to it pursuant to these Rules, and shall not disclose any such data or information, except as necessary to the respondent's defense of notice of charges and any appeal of the decision of the Disciplinary Panel.

Rule 516 Conducting Hearings of Disciplinary Proceedings

At a hearing conducted in connection with any disciplinary proceedings, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. If a respondent has timely filed an answer to the notice of charges in accordance with these Rules, the respondent is entitled to attend and participate in the hearing.

At a hearing conducted in connection with any disciplinary proceedings, the Compliance Department and each respondent may:

- (i) present evidence and facts determined relevant and admissible by the chairman of the Disciplinary Panel;
- (ii) call and examine witnesses; and
- (iii) cross-examine witnesses called by other parties.

If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chairman of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to file a timely answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to file a timely answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file the written answer in accordance with these Rules.

Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to this Rule will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. CMSEF will require all Participants (that are individuals), Authorized Persons, and Authorized Users that are called as witnesses to appear at the hearing and produce evidence. CMSEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.

If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated a Rule or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with these Rules. In connection with considering apparent violations

pursuant to this Rule, the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.

The Disciplinary Panel may summarily impose sanctions on any Participant, Authorized Person, or Authorized User that impedes or delays the progress of a hearing.

CMSEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded hearing verbatim, or substantially verbatim, in a manner capable of accurate transcription. The record shall not be transcribed unless requested by CTFC staff or the respondent or the decision is appealed. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may within his sole discretion order the respondent to pay the costs for transcribing the recording of the hearing.

No interlocutory appeals of rulings of any Disciplinary Panel or chairman of the Disciplinary Panel are permitted.

Rule 517 Decision of Disciplinary Panel

As promptly as reasonable following a hearing, the Disciplinary Panel will issue an order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

CMSEF will serve a copy of the order of the Disciplinary Panel on the respondent and the Compliance Department. The order will include:

- (i) the notice of charges or summary of the allegations;
- (ii) the answer, if any, or a summary of the answer;
- (iii) a brief summary of the evidence introduced at the hearing (or, where appropriate, incorporation by reference of the Investigation Report);
- (iv) findings of fact and conclusions concerning each allegation, including each specific Rule that the respondent is found to have violated;
- (v) the imposition of sanctions, if any, and the effective date of each sanction; and
- (vi) notice of the respondent's right to appeal pursuant to these Rules.

A Disciplinary Panel shall be dissolved automatically when it has decided the matter for which it was appointed and has notified the respondent and the Chief Compliance Officer in writing of its decision.

Unless a timely notice of appeal is filed pursuant to these Rules, the order of the Disciplinary Panel will become final upon the expiration of 20 days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

Rule 518 Sanctions

After notice and opportunity for hearing in accordance with these Rules, CMSEF will impose sanctions if any Participant, Authorized Person, or Authorized User other Person using any of the Participant's User IDs is found to have violated or to have attempted to violate a Rule or provision of Applicable Law for which CMSEF possesses disciplinary jurisdiction. Any such sanctions shall take into account the respondent's disciplinary history (if any). CMSEF may impose one or more of the following sanctions or remedies:

- (i) a warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same rule violation within a rolling 12-month period;
- (ii) censure;

- (iii) limitation, restriction or qualification of Trading Privileges or other activities, functions or operations;
- (iv) suspension of Trading Privileges for a period not to exceed 12 months;
- (v) fine (subject to this Rule);
- (vi) restitution or disgorgement;
- (vii) termination of Trading Privileges;
- (viii) expulsion; or
- (ix) any other sanction or remedy deemed to be appropriate.

CMSEF may impose a fine of up to \$25,000 for each violation. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three per cent. CMSEF has sole discretion to select the bank on whose quotations to base the prime rate. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Persons or Authorized Users.

Rule 519 Appeal from Disciplinary Panel Decision, Summary Impositions of Fines and Other Summary Actions

Each respondent found by the Disciplinary Panel to have violated (or, in the case of a Participant, whose Authorized User, Clearing Member or other Person using its User ID was found to have violated) a Rule or who is subject to any summary fine imposed pursuant to these Rules or any summary action imposed pursuant to these Rules may appeal the decision within 20 days of receiving the order of the Disciplinary Panel or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Compliance Officer.

The Compliance Department may appeal all or any part of a decision of the Disciplinary Panel, including any sanctions that may or may not have been imposed by the Disciplinary Panel, within 20 days of receiving the order of the Disciplinary Panel, by filing a notice of appeal with the Chief Compliance Officer.

While an appeal is pending, the effect of the order of the Disciplinary Panel or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended.

The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the respondent objects. An appellant may appeal the order of the Disciplinary Panel or any summary action on the grounds that:

- (i) the order or summary action was arbitrary, capricious, an abuse of discretion, or not in accordance with these Rules;
- (ii) the order or summary action exceeded the authority or jurisdiction of the Disciplinary Panel, the Chief Compliance Officer or CMSEF;
- (iii) the order or summary action failed to observe required procedures;
- (iv) the order or summary action was unsupported by the facts or evidence; or
- (v) the sanctions, remedies or costs, which were imposed, were inappropriate or unsupported by the record.

The Chief Compliance Officer will forward copies of any notice of appeal received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on the Compliance Department a brief supporting the notice of appeal and documents supporting the brief. On or before the 20th day after the date on which the appellant serves their supporting brief, the appellee must file and serve its brief in opposition. On or before the 10th day after the date on which the appellee serves its brief in opposition, the appellant must file and serve a brief in reply on the Compliance Department.

In connection with any appeal, the Compliance Department will furnish to the Chief Compliance Officer and to the respondent/appellant a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal and briefs filed to support and oppose the appeal.

No later than 30 days after the last submission filed pursuant to this Rule, the Chief Compliance Officer will appoint an Appeals Panel to consider and determine the appeal. An Appeals Panel shall be comprised of three individuals, none of whom shall be a member of the Compliance Department or have been a member of any Disciplinary Panel involved in the matters on appeal. The chairman of the Appeals Panel shall be an individual who would not be disqualified from serving as a Public Director.

Within 10 days of being notified of the appointment of the Appeals Panel, a respondent may seek to disqualify any individual named to the Appeals Panel for the reasons identified in these Rules, by serving written notice on the Chief Compliance Officer. By not filing a timely request for disqualification, the respondent will be deemed to have waived any objection to the composition of the Appeals Panel. The Chief Compliance Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

The Appeals Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeals Panel may appoint an expert to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeals Panel will not be bound by evidentiary or procedural rules or law.

The Appeals Panel will only consider on appeal the record before the Disciplinary Panel or, in the case of a summary action, the record considered by the Chief Compliance Officer, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeals Panel may only consider new evidence when the Appeals Panel is satisfied that good cause exists for why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.

After completing its review, the Appeals Panel may affirm, modify or reverse any order of the Disciplinary Panel or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by these Rules, or remanding the matter to the same or a different Disciplinary Panel for further disciplinary proceedings or for reconsideration by the Chief Compliance Officer in the case of summary action. The Appeals Panel may order a new hearing for good cause or if the Appeals Panel deems it appropriate.

As promptly as reasonably possible following its review, the Appeals Panel will issue a written decision on appeal rendering its decision based on the weight of the evidence before the Appeals Panel. The decision of the Appeals Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific Rule and provision of Applicable Law that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost.

The Appeals Panel's written order on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies and costs, and the effective date of any sanction, remedy cost) will be the final action of CMSEF and will not be subject to appeal within CMSEF.

Rule 520 Summary Imposition of Fines

The Chief Compliance Officer may summarily impose a fine against a Participant (on behalf of itself or any of its Authorized Persons or Authorized Users or other Persons using any of its User IDs), or Authorized User for failing:

- (i) to timely pay fees, cost, charges or fines to CMSEF or a DCO;
- (ii) to make timely and accurate submissions to CMSEF of notices, reports or other information required by these Rules; and
- (iii) to keep any books and records required by these Rules.

The Compliance Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule to each Participant or Authorized User subject thereto. The notice will specify:

- (i) the violation of these Rules for which the fine is being imposed;
- (ii) the date of the violation; and
- (iii) the amount of the fine. Within 20 days of serving the notice of fine, the Participant, or Authorized User, as the case may be, must either pay or cause the payment of the fine or file notice of an appeal pursuant to these Rules. Unless timely notice of appeal is filed pursuant to these Rules, the fine will become final upon the expiration of 20 days after the notice of fine is served on the Participant, or Authorized User, as the case may be.

CMSEF will set the amount of any fines imposed pursuant to this Rule, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule will not preclude CMSEF from bringing any other action against the Participant, or Authorized User, as the case may be.

Rule 521 Summary Suspensions and Other Summary Actions

Notwithstanding anything in these Rules to the contrary, if the Chief Compliance Officer believes that immediate action is necessary to protect the best interests of CMSEF or the marketplace, the Chief Compliance Officer may, after consultation with the Regulatory Oversight Committee summarily suspend, revoke, limit, condition, restrict or qualify the Trading Privileges of a Participant or Authorized User and take other summary action against a Participant or any of its Authorized Users in accordance with these Rules.

Whenever practicable, the Compliance Department, acting on behalf of the Chief Compliance Officer, shall provide prior written notice to the party against whom any action in accordance with this Rule shall be taken. If prior notice is not practicable, CMSEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The Compliance Department, acting on behalf of the Chief Compliance Officer, will prepare a notice of summary action (which will state the action, the reasons for the action, and the effective time, date and duration of the action) and serve the notice on such party and advise the recipient of the notice of its right to a prompt hearing before a Disciplinary Panel and its right to be represented by legal counsel or other representative at such hearing. A request by the recipient of the notice for such a hearing shall not delay the effectiveness of the summary action.

At the request of CMSEF, a respondent against whom a summary action is brought pursuant to this Rule must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, CMSEF or the Disciplinary Panel with the enforcement of any Rule.

If a hearing is requested pursuant to this Rule, the Disciplinary Panel will promptly convene a hearing to be conducted in accordance with these Rules.

As promptly as reasonably possible after the hearing, the Disciplinary Panel will issue to the respondent a written order affirming, modifying, or reversing the summary action. The order will include a description of the summary action taken, a summary of the evidence introduced at the

reinstatement hearing, a statement of findings of fact and conclusions, a description of any action taken or to be taken by CMSEF, and the effective date, time and duration thereof.

Any decision of a Disciplinary Panel pursuant to this Rule will be the final action of CMSEF, and not subject to appeal within CMSEF upon serving the respondent with a copy of the decision.

Rule 522 Reinstatement after Summary Suspension

A respondent whose Trading Privileges are suspended, revoked, limited, conditioned, restricted or qualified pursuant to these Rules may apply for reinstatement by filing with the Compliance Department a written request stating the applicant's reasons for seeking reinstatement. CMSEF will not consider a respondent's request for reinstatement if the respondent

- (i) owes any fines, fees, charges or costs to CMSEF,
- (ii) continues to fail to appear at disciplinary proceedings without good cause or
- (iii) continues to impede the progress of disciplinary proceedings.

Within a reasonable period after the filing of a request for reinstatement, the Appeals Panel will conduct a hearing to consider the request. At the hearing for reinstatement, the respondent will present its, his case supporting the reinstatement and the Compliance Department, acting on behalf of the Chief Compliance Officer may, in its discretion, present its case opposing or supporting the reinstatement and each may present relevant and admissible evidence and facts and call, examine and cross-examine witnesses. At the hearing for reinstatement, CMSEF may require any Participant, Authorized Person, or Authorized User to appear as witnesses and produce evidence if the Appeals Panel determines that the evidence is relevant.

As promptly as reasonably possible after a reinstatement hearing, the Appeals Panel will issue an order reinstating, denying the reinstatement, or placing conditions on the reinstatement of the Trading Privileges of the respondent. The order will include a brief summary of the evidence introduced at the reinstatement hearing; and, if applicable, findings of fact and conclusions not contained in the notice of summary action issued pursuant to these Rules. The order of the Appeals Panel may not be appealed.

Rule 523 Rights and Responsibilities after Suspension or Termination

When the Trading Privileges of a Participant or Authorized User are suspended for a period of 12 months or less, none of its rights and Trading Privileges (including the right to hold oneself out to the public as a Participant or Authorized User or enter Orders or RFQs into the SEF and receive Participant rates for fees, costs, and charges and deposit margin at Participant levels) will apply to such Participant, Authorized Person or Authorized User during the period of the suspension, except for the right to assert claims against others as provided in these Rules. Any such suspension will not affect the rights of creditors under these Rules or relieve the Participant or Authorized User of its obligations under these Rules to perform any Swaps entered into before the suspension, or for any Company fees, costs, or charges incurred during the suspension. CMSEF may discipline a suspended Participant, Authorized Person or Authorized User under this Chapter 5 for any violation of a Rule or provision of Applicable Law committed by the Participant or Authorized User before, during or after the suspension.

When the Trading Privileges of a Participant or Authorized User are terminated, all of its rights and Trading Privileges will terminate, except for the right of the Participant, Authorized Person or Authorized User in question to assert claims against others, as provided in these Rules. Any such termination will not affect the rights of creditors under these Rules. A terminated Participant or Authorized User may only seek to reinstate his Trading Privileges by providing CMSEF with satisfactory evidence that he complies with these Rules. CMSEF will not consider the application of a terminated Participant or Authorized User if such Participant or Authorized User, as the case may be, fails to appear at disciplinary proceedings without good cause or impedes the progress of disciplinary proceedings.

A suspended or terminated Participant or Authorized User remains subject to these Rules and the jurisdiction of CMSEF for any acts or omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal from disciplinary proceedings, summary suspension or other summary action as if the suspended or terminated Participant or Authorized User still had Trading Privileges.

Rule 524 Notice of Disciplinary Proceedings

CMSEF will provide written notice of disciplinary proceedings to the parties and the RSP consistent with applicable CFTC Regulations. Whenever CMSEF suspends, expels, fines or otherwise disciplines, or denies any Person access, to CMSEF, CMSEF will make the public disclosures required by CFTC Regulations.
