 - (3) establish daily limits (or such other frequency as may be determined from time to time by the SEF) on the notional amount and/or risk of Orders or Transactions that may be submitted by a Participant through the SEF or subject to the SEF Rules;
 - (4) establish limits on Swaps that may be held by a Participant;
 - (5) establish a limit on the maximum daily price fluctuations for any Swap and provide for any related restriction or suspension of trading in the Swap;
 - (6) establish minimum price quoting increments for each Swap; and
 - (7) require a suspended or expelled Participant, or a Participant with restricted trading rights, to have Swaps executed for the Participant to reduce or eliminate any open position or exposure to future price changes for the Participant in any Swap.
- (b) The SEF may, in its discretion and at any time, amend any procedures adopted pursuant to Rule 4001(a), and will publish the amendments in a Notice to Participants or in any other manner determined appropriate by the SEF.

Rule 4002 Required Identifications

- (a) Each Participant and all related Authorized Traders (including those of its Sponsored Participants) must have a User ID assigned in accordance with the procedure adopted by

the SEF from time to time in order to access the SEF. The User ID assigned to a Authorized Trader may not be reassigned to another Authorized Trader.

- (b) Orders entered on the SEF must include the User ID assigned to the Authorized Trader. An Authorized Trader is prohibited from allowing any other Person to use such unique identification to enter Orders on the SEF. No Person may enter Orders on the SEF using a User ID that has not been assigned to such Person.
- (c) Each Participant shall be responsible for all Orders or Transactions placed using any of the User IDs assigned to its Authorized Traders or those of any of its Sponsored Participants.
- (d) Participants must terminate an Authorized Trader's access to the SEF upon termination of the Authorized Trader's employment at, or authorization or appointment by, the Participant or Sponsored Participant (as applicable).

Rule 4003 Execution of Required Transactions

- (a) No Participant shall execute a Required Transaction other than via the Order Book unless such Transaction is a Block Trade, Package Transaction (Order Book Exempt) or an End-User Exempt Transaction. No Participant shall enter into an End-User Exempt Transaction unless it (or, if applicable, its Customer, Client or Sponsored Participant) or the counterparty to the Swap is eligible for and elects to rely on the End-User Clearing Exception. Upon request of the SEF, a Participant shall submit to the SEF all documentation supporting its (or, if applicable, its Customer, Client or Sponsored Participant's) eligibility for the End-User Clearing Exception.
- (b) [Reserved]
- (c) Order Book.
 - (1) All Orders posted to the Order Book are firm.
 - (2) An acceptable Order must include a specific price and size.
 - (3) Orders entered on the Order Book will be executed using price and time priority.
 - (4) An acceptable Order will also indicate the time in force which may include the following:
 - (i) “Day” Orders are only good for the Business Day and applicable Trading Hours in which they are entered.
 - (ii) “Fill-or-Kill” Orders must be immediately executed for the entire size of the Order or are cancelled automatically.

- (iii) “*Immediate or Cancel*” (“*Fill-and-Kill*”) Orders must be executed fully or partially and, if partially, the remaining quantity is cancelled automatically.
- (iv) “*Good ‘til Time*” Orders are cancelled after a specified time if no matching Order is placed.

- (vi) “*One Cancels Other*” Orders are paired Orders stipulating that if one of the Orders is executed, the other is automatically cancelled.

Good ‘til Time, Good ‘til Price and One Cancels Other Orders are all also “Day” Orders, in that they are only good for the Business Day and applicable Trading Hours in which they are entered, even if the time, price or execution conditions are not otherwise met.

Not all types of Orders are available for all Swaps.

- (5) An Order placed on the Order Book may be canceled provided such Order has not been executed. The price or size of an Order placed on the SEF that has not fully traded may be revised. If the size is reduced, the time priority originally assigned to the Order does not change. Revising the price or increasing the size will reset the Order’s time priority in the queue to the time the SEF receives the revision.
- (6) When an Authorized Trader logs off, all of its Orders on the Order Book are terminated provided that the Authorized Trader is the owner of the Order and has not entered the Order on behalf of a Customer. If for any reason the connection to the SEF is lost, all Orders entered from that location on the SEF are deactivated.

Rule 4004 Permitted Transactions

- (a) Permitted Transactions may be executed through the SEF’s Order Book as described in Rule 4003 or as described below in Rule 4004(b) for Permitted Transactions that are Permitted Cross Transactions. Certain Permitted Transactions may also be executed via risk mitigation sessions conducted pursuant to Rule 4018.
- (b) Permitted Cross Transactions may be submitted to the SEF for execution either (i) directly by Participants that have elected direct access to the Order Book, or (ii) to an Execution Specialist. Permitted Cross Transactions that are submitted directly to the SEF are executed via the SEF’s Order Management System (“OMS”) using the Off-Book Ticket Functionality. Permitted Cross Transactions that are submitted to an Execution Specialist may be executed either via the OMS using Off-Book Ticket Functionality or via the SEF’s Deal Management System. A Participant submitting a Permitted Cross Transaction to an Execution Specialist must provide the information required by Rule 8001.

- (c) Any Package Transaction (Order Book Exempt) may be executed in the same manner as any Permitted Cross Transaction. A Package Transaction (Order Book Exempt) may be executed through the SEF's Order Book provided an Order Book is available.

Rule 4005 Mishandling of Orders

Rule 4007 Termination of the SEF Connection

The SEF, at its sole discretion, shall have the right to summarily terminate the connection of any Participant to the SEF. Additionally, the SEF, at its sole discretion, shall have the right to direct a Participant to immediately terminate the access to the SEF of any Sponsored Participant and to terminate the connection to the SEF on behalf of any Customer or Client.

Rule 4008 Risk Controls

- (a) The SEF may, in its sole discretion, to protect other Participants and the integrity of the SEF, reject any Order or Transaction placed or reported on the SEF.
- (b) The SEF shall have the right to take any action to reduce the potential of market disruption, including, but not limited to, market restrictions that pause or halt trading if such action is in the best interest of the swap markets and/or the SEF.

Rule 4009 Priority of Execution for Orders Received by a Participant

Orders received by a Participant must be entered on to the SEF in the sequence received, subject to the following sentence. Participants shall not enter an Order into the SEF for his own account, an account in which he has a direct or indirect financial interest or an account over which he has discretionary trading authority, including, without limitation, an Order allowing discretion as to time and price, when such Person is in possession of any Order for another Person that the SEF is capable of accepting.

Rule 4010 Trading Against Customers' Orders Prohibited; Withholding Orders Prohibited

- (a) No Participant in possession of a Customer's Order shall knowingly take, directly or indirectly, the opposite side of such Order for its own account, an account in which it has a direct or indirect financial interest or an account over which it has discretionary trading authority.

- (b) The foregoing restriction shall not apply to the following:
 - (1) Block Trades; and
 - (2) Transactions where the Customer has consented to the extent required by Applicable Law.
- (c) Except as otherwise explicitly permitted under the SEF Rules, no Person shall disclose another Person's Order to buy or sell except to a designated SEF Official or the CFTC, and no Person shall solicit or induce another Person to disclose Order information. No Person shall take action or direct another to take action based on non-public Order information, however acquired. The mere statement of opinions or indications of the price at which a market may open or resume trading does not constitute a violation of this Rule.
- (d) Any Participant entering Orders on the SEF for its Customer or Client shall not withhold or withdraw from the market any Order , or any part of an Order , for the benefit of any Person other than such Customer or Client.
- (e) A Participant must immediately enter into the SEF all Orders received from its Customers that are executable immediately. If a Participant cannot immediately enter into the SEF an Order received from its Customer, the Participant must enter the Order into the SEF as soon as practicable, and must immediately create an electronic record as provided in Rule 8002.

Rule 4011 Simultaneous Buy and Sell Orders For Different Beneficial Owners

With respect to Required Cross Transactions, the following conditions must be satisfied:

- (a) in the case of an execution by a Participant as principal against a Customer Order, enter the Customer Order into the Order Book as a firm quote at least 15 seconds before entering its Order into the Order Book; or
- (b) in the case of an execution of two Customers' Orders against each other, enter one Order into the Order Book as a firm quote at least 15 seconds before entering the other Order into the Order Book.

Rule 4012 Confirmations and USIs

- (a) The SEF will provide a Confirmation to each counterparty to a Transaction. The Confirmation (including, with respect to Uncleared Swaps, the Terms Incorporated by Reference as defined in Rule 4012(d)(1)) shall legally supersede any previous agreement and shall constitute a confirmation as defined in CFTC Regulation 45.1. The Confirmation shall contain, among other things:
 - (1) the USI for the Transaction; and
 - (2) the identity of the Swap Data Repository to which the Transaction is being reported.
- (b) With respect to certain products, Transactions and counterparties, a Confirmation may be provided on the SEF's behalf by MarkitSERV's Organized Trading Venue (OTV) Confirmation Service or other similar confirmation service.
- (c) Regardless of the means of delivery, pursuant to these rules, each Participant, Sponsored Participant, Customer and Client agrees that the Confirmation represents legally binding documentation memorializing the agreement of the parties to all the terms of the Transaction.
- (d) Confirmations for Uncleared Swaps.
 - (1) The economic terms specific to an Uncleared Swap agreed by Participants shall be reflected by the SEF in a written communication (the "Trade Communication") sent to the applicable Participants. The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master confirmation agreements and incorporated industry definitions) governing such Transaction existing at the time of such commitment to which the Participants are party (the "Terms Incorporated by Reference") shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such Transaction and serve as a confirmation of such Transaction. The provisions of this Rule 4012(d) relating to Terms Incorporated by Reference rely on relief granted by the CFTC in No-Action Letter 15-25, which expires at 11:59 p.m. (Eastern time) on March 31, 2016. Upon the expiry of No-Action Letter 15-25, the provisions of this Rule 4012(d) will cease to apply.
 - (2) In satisfaction of the obligations imposed on the SEF under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference, and (ii) the Participants hereby agree that the provisions of Rule 4012(d)(3) shall govern any conflicting terms.
 - (3) In the event of any conflict between (i) the Trade Communication and (ii) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of any inconsistency. This requirement shall be included in all Confirmations issued by the SEF.

- (4) For each Uncleared Swap executed on or pursuant to the rules of the SEF, each previously-negotiated freestanding agreement of the counterparties included in the Terms Incorporated by Reference must be available to the SEF and/or the CFTC staff upon request within a reasonable period of time. Any such agreements provided to the SEF in connection with a CFTC request will be furnished to the CFTC as soon as they are available.
- (e) The USI referred to in 4012(a) above shall be created by the SEF and transmitted to each counterparty as soon as technologically practicable in accordance with CFTC Rule 45.5(a)(2).

Rule 4013 Clearing and Other Arrangements

- (a) Each Cleared Swap shall be cleared through the DCO indicated in the Swap Specification or agreed by the parties in accordance with the Applicable Law.
- (b) For each Cleared Swap a Participant expects to enter into via the SEF or subject to the SEF Rules, the Participant or a Participant's Client or Customer, as applicable, must establish a clearing account with the relevant DCO or with a Clearing Member of such DCO.
- (c) Promptly upon the execution of each Transaction in a Cleared Swap, the SEF shall submit the Transaction (which may include submission through a middleware provider) to the relevant DCO. A Transaction will be deemed to have been accepted for, or rejected from, clearing upon receipt of appropriate notice, in accordance with Applicable Law, from the DCO or from a third party acting on behalf of the DCO as authorized by the DCO for such purpose. The acceptance of a Transaction for clearing shall not relieve any Participant, Client or Customer of the duty to act in good faith and with reasonable care and diligence.
- (d) If a Transaction in a Cleared Swap (including a Transaction that is a component leg of a Package Transaction) is rejected by the DCO or a third party acting on behalf of the DCO, such Transaction is void *ab initio* and shall be canceled by the SEF. The SEF Rules do not permit trades that are rejected from clearing to be held in a suspended state and then re-submitted.
- (e) Until 11:59 p.m. (Eastern time) on June 15, 2016 , if the SEF determines that a Transaction in a Cleared Swap (including a Transaction that is a component leg of a Package Transaction) is rejected from clearing (i) because of a clerical or operational error or omission made by the SEF or by one of the counterparties to the Transaction or its agent, or (ii) in the case of a component leg of a Package Transaction, due to the sequencing of the submission of the component legs of the Package Transaction, a new trade, with terms and conditions that match the terms and conditions of the original trade, other than any such error or omission and time of execution, may be executed and submitted for clearing without having been executed pursuant to the methods set forth in CFTC Regulations 37.9(a)(2) or 38.500. If the SEF is able to identify and determine how to correct the error or omission, it may execute the new trade without obtaining the

consent of the counterparties. If the SEF is unable to determine how to correct the error or omission, the SEF, at its election, may either (x) seek guidance from the counterparties with respect to how to correct the error after which the SEF may then correct the error with the consent of both counterparties, or (y) elect not to fix the Transaction, in which case the Transaction will be treated as void *ab initio* and shall be cancelled by the SEF. Execution of a new trade pursuant to this Rule 4013(e) must occur as quickly as technologically practicable after receipt of notice of the rejection by the DCO, but, in any event, no later than 60 minutes from issuance of such notice. If the resubmitted Transaction is rejected, such Transaction will be void *ab initio* and shall be cancelled by the SEF. The counterparties may not resubmit a new Transaction a second time. The procedure set forth in this Rule 4013(e) is not available with respect to Transactions that are rejected from clearing for credit reasons. This Rule 4013(e) relies on relief granted by the CFTC in No-Action Letter 15-24, which expires at 11:59 p.m. (Eastern time) on June 15, 2016. Upon the expiry of No-Action Letter 15-24, this Rule 4013(e) will cease to apply.

- (f) Until 11:59 p.m. (Eastern time) on June 15, 2016, if a clerical or operational error or omission is not discovered until after a Transaction has been cleared, the SEF may permit the original counterparties to the Transaction to enter into a prearranged Transaction that offsets the Transaction carried on the DCO's books (an "Offsetting Transaction"), without the Offsetting Transaction having to be executed pursuant to the methods required in CFTC Regulations 37.9(a)(2) and 38.500. The SEF may also permit the original counterparties (or, if the wrong legal entity was assigned as a counterparty to the original Transaction, the intended counterparties) to enter into a prearranged Transaction that corrects the errors in the original Transaction ("Correcting Transaction"), without the Correcting Transaction having to be executed pursuant to the methods required in CFTC Regulations 37.9(a)(2) and 38.500. Offsetting Transactions and Correcting Transactions executed pursuant to this Rule 4013(f) must be executed and cleared no later than three days after the original, erroneous Transaction was executed. This Rule 4013(f) relies on relief granted by the CFTC in No-Action Letter 15-24, which expires at 11:59 p.m. (Eastern time) on June 15, 2016. Upon the expiry of No-Action Letter 15-24, this Rule 4013(f) will cease to apply.
- (g) The SEF shall have the right to (i) suspend Trading Privileges of the Participant(s) that executed one or more rejected Transactions or prohibit further trading on behalf of the Client(s) or Customer(s) on whose behalf any rejected Transaction(s) were executed, or (ii) take any other action permitted by the SEF Rules. The liability for any losses arising out of or in connection with a rejected Transaction will be determined by the parties to the Transaction. For the avoidance of doubt, the SEF will have no liability for any such losses.
- (h) It shall not be a condition for access to the SEF that any Participant be subject to a breakage agreement. This includes breakage agreements in respect of Package Transactions.
- (i) Each Participant or Customer of a Participant that is registered, or required to be registered, with the CFTC as a Swap Dealer or Major Swap Participant is responsible for

compliance with the mandatory trading requirement under Section 2(h)(8) of the CEA when such Participant or Customer enters into, or facilitates entry into, a Swap that is subject to the Clearing Requirement.

- (j) A Participant may enter into an Uncleared Swap only with a counterparty with which such Participant has swap trading relationship documentation that meets the requirements of Applicable Law. A Participant may enter into an Uncleared Swap on behalf of a Customer or Client only if such Customer or Client has swap trading relationship documentation with the relevant counterparty that meets the requirements of Applicable Law. The Participant and/or Customer or Client shall provide any information requested by the SEF in the processing and settlement of such Uncleared Swaps.

Rule 4014 Information Regarding Orders and Dissemination of Trade Data

The SEF may make information regarding Orders (including prices and amounts), Transactions and any other matters it may deem appropriate available to Participants and other Persons at such times and in such manner (whether through the SEF, a ticker, financial information services or otherwise) as it may consider necessary from time to time. In accordance with Rule 5702, each Participant or other Person receiving any such information through the SEF may redistribute such information only to such extent and in such manner as may be permitted by the SEF from time to time.

Participants are hereby notified that the SEF discloses swap transaction and pricing data for publicly reportable swap transactions executed on the Order Book prior to the public dissemination of such data by the relevant Swap Data Repository. This data is available to all Participants that have elected to obtain a connection to the Order Book and is disclosed to such Participants contemporaneously with the transmission of the data to the applicable Swap Data Repository for public dissemination.

Rule 4015 Enforceability

A Transaction entered into on or pursuant to the Rules shall not be void, voidable, subject to rescission or otherwise invalidated or rendered unenforceable as a result of (a) a violation by the SEF of the provisions of Section 5h of the CEA or Part 37 of the CFTC Regulations or (b) any CFTC proceeding to alter or supplement a rule, term or condition under Section 8a(7) of the CEA, to declare an emergency under Section 8a(9) of the CEA, or any other proceeding the effect of which is to alter, supplement or otherwise require the SEF to adopt a specific term or condition, trading rule or procedure or to take or refrain from taking a specific action.

Without limiting the generality of the foregoing, failure of the SEF to broadcast any message in respect of a Transaction made on the SEF shall not invalidate any Transaction recorded by the SEF.

Rule 4016 Block Trades

The following shall govern all Block Trades in Swaps:

- (a) All Block Trades, unless otherwise exempted by a SEF Rule, must comply with the requirements set forth in Rule 8003.

Prior to the execution of any Order for a Cleared Swap or any Cleared Block Trade, the SEF will facilitate pre-execution credit screening by or on behalf of the designated Clearing Member. Upon receiving confirmation that the Order or Cleared Block Trade satisfies the Clearing Member's pre-execution limits, the SEF will accept the Order or Cleared Block Trade for execution. If the SEF does not promptly receive confirmation or receives confirmation that the Order or Cleared Block Trade does not satisfy the Clearing Member's pre-execution limits, the SEF will cancel the Order or Cleared Block Trade.

POSITION LIMITS AND POSITION ACCOUNTABILITY LEVELS

Rule 4100 SEF Rules Do Not Limit Emergency Powers

- (b) Except as otherwise provided by the SEF Rules, no Person, including a Participant, may hold or control a position in excess of such position limits and a Participant may not maintain a position in excess of such position limits for a Client or Customer if such Participant knows, or with reasonable care should know, that such position will cause such Client or Customer to exceed the applicable position limits.
- (c) Position limits shall apply to (i) all positions in accounts for which any Person, by power of attorney or otherwise, directly or indirectly holds positions or controls trading, and (ii) positions held by two or more Persons acting pursuant to an expressed or implied agreement or understanding, as if the positions were held by, or the trading of the positions were done by, a single Person.

Rule 4102 Exemptions from Position Limits

Any Person, including a Participant, who owns or controls Swaps in excess of the applicable position accountability level shall provide the SEF, at its request, any information regarding the nature of the position, trading strategy or hedging activities, if applicable, and if ordered by the SEF, shall not increase the size of any such position.

Without limiting the generality of the foregoing, if such Participant is a Clearing Participant, the SEF may request the DCO to effect such liquidation in accordance with rules of the DCO. In addition, the SEF in its discretion may require any Participant carrying an account for such Participant, Customer or Client to obtain and hold additional original margin from such Participant, Customer or Client in such amount and form and by such time as the SEF shall specify until such excess has been eliminated.

- (b) The SEF, through its Market Regulation Department, Review Panels, Disciplinary Panels and Appeals Panels will conduct inquiries, investigations, disciplinary proceedings and appeals from disciplinary proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Section 6.
- (c) The SEF and its Regulatory Services Provider are parties to a Regulatory Service Agreement as referenced in Rule 2600, pursuant to which the Regulatory Services Provider has agreed to perform certain regulatory services described in this Section 6 on behalf of SEF. The SEF Rules that refer to the SEF, SEF staff, the Market Regulation Department and other SEF departments should be understood as also referring to the Regulatory Services Provider, the Regulatory Services Provider staff and the Regulatory Services Provider departments acting on behalf of SEF pursuant to the Regulatory Services Agreement. Notwithstanding the fact that the SEF has entered into the Regulatory Services Agreement with its Regulatory Services Provider to perform some of the SEF's functions, the SEF shall retain ultimate legal responsibility for, and control of, such functions.
- (d) No SEF Official will interfere with or attempt to influence the process or resolution of a Disciplinary Action except to the extent provided under the SEF Rules with respect to a proceeding in which the SEF Official is a member of the relevant panel.
- (e) Any Participant, Sponsored Participant, Account Manager, Authorized Trader, Client, Customer or Supervised Person may be represented by counsel during any Disciplinary Action pursuant to this Section 6.
- (f) The SEF may hold a Participant liable for, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation as well as for the acts and omissions of each (A) Authorized Trader of such Participant, (B) other Supervised Person of such Participant, (C) other Person using a User ID of such Participant or login credentials linked to the Participant or User ID, (D) agent or representative of such Participant, in each case, that constitute a violation as if such

violation were that of the Participant, or (E) Sponsored Participant, Client or Customer of such Participant.

- (g) The SEF may hold an Authorized Trader liable for, and impose sanctions against such Authorized Trader for, such Authorized Trader's own acts and omissions that constitute a violation as well as or for the acts and omissions of any agent or representative of such Authorized Trader that constitute a violation as if such violation were that of the Authorized Trader.

Rule 6001 Inquiries and Investigations

- (a) The SEF, through its Market Regulation Department, will investigate any matter within the SEF's jurisdiction of which it becomes aware. The Market Regulation Department will commence an investigation upon the receipt of a request from CFTC staff or upon the discovery or receipt of information by the SEF, or its trading or market surveillance or review of other information or other SEF data, that, in the judgment of the Market Regulation Department, indicates a possible basis for finding that a violation has occurred or will occur. The Market Regulation Department will determine the nature and scope of its inquiries and investigations in its sole discretion. The Market Regulation Department shall inform the Chief Compliance Officer of all inquiries.
- (b) The Market Regulation Department may:
 - (1) initiate and conduct inquiries and investigations;
 - (2) prepare Investigation Reports and make recommendations concerning initiating disciplinary proceedings;
 - (3) prosecute alleged violations within the SEF's disciplinary jurisdiction; and
 - (4) represent the SEF on summary imposition of fines, summary suspension or other summary action.
- (c) Each Participant, Sponsored Participant, Account Manager, Authorized Trader, Customer, Client and Supervised Person and any other Person that is subject to the SEF Rules:
 - (1) is obligated to appear and testify and respond in writing to interrogatories within the time period required by the SEF in connection with:
 - (i) any SEF Rule or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction;
 - (ii) any Disciplinary Action; or
 - (iii) any preparation for and presentation during a Disciplinary Action;

- (2) is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the SEF in connection with:
 - (i) any SEF Rule or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction;
 - (ii) any Disciplinary Action;
 - (iii) any preparation for and presentation during a Disciplinary Action; and
- (3) may not impede or delay any Disciplinary Action.
- (d) Each investigation will be completed in a timely manner. Absent mitigating factors, a timely manner is no later than twelve (12) months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation taking longer than twelve (12) months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed by the Market Regulation Department.

Rule 6002 Reports of Investigations

- (a) The Market Regulation Department will maintain a log of all investigations and their disposition. The Market Regulation Department will prepare an Investigation Report, regardless of whether the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the SEF's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.
- (b) The Investigation Report will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, Market Regulation Department's analysis and conclusions, the potential respondent's disciplinary history at the SEF, and the recommendation of the Market Regulation Department. For each potential respondent, the Market Regulation Department will recommend:
 - (1) closing the investigation without further action;
 - (2) settlement;
 - (3) summary action;
 - (4) initiating disciplinary proceeding; or
 - (5) resolving the investigation through an informal disposition, including the issuance of a warning letter. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction.

- (c) The Market Regulation Department will submit the Investigation Report to the Chief Compliance Officer for review. After reviewing the Investigation Report, the Chief Compliance Officer will:
 - (1) proceed with the Market Regulation Department's recommendation; or
 - (2) forward the Investigation Report to a Review Panel as discussed in Rule 6004.

Rule 6003 Opportunity to Respond

- (a) If the Review Panel authorizes disciplinary proceedings or the Chief Compliance Officer determines to proceed with the Market Regulation Department's recommendation to initiate disciplinary proceedings, the Market Regulation Department will notify each potential respondent that the Market Regulation Department or Review Panel has recommended formal disciplinary charges against the potential respondent.
- (b) The SEF may allow a potential respondent to propose a settlement of the matter or to submit a written statement explaining why a disciplinary proceeding should not be instituted or one or more of the potential charges should not be brought. The potential respondent shall submit such written statement within the time limit established by the Market Regulation Department.

Rule 6004 Review of Investigation Reports

- (a) The Chief Compliance Officer may, in his/her discretion, convene a Review Panel to review the Investigation Report.
- (b) The Review Panel shall be comprised of three individuals, at least one of whom will be a Public Director. No member of the Review Panel may be involved in the adjudication of any other stage of the same proceeding. If a vacancy occurs on a Review Panel after it has begun a proceeding, the remaining members of the panel shall complete consideration and disposition of the matter. Once the Review Panel has provided its decision, it shall be dissolved automatically.
- (c) The Review Panel will review the Investigation Report and, within 30 days of receiving the Investigation Report, will take one (1) of the following actions:
 - (1) If the Review Panel determines that additional investigation or evidence is needed, it will promptly direct the Market Regulation Department to conduct further investigation or obtain additional evidence.
 - (2) If the Review Panel determines that no reasonable basis exists for finding a violation of the SEF Rules or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction has occurred or is about to occur or that adjudication is otherwise unwarranted, it may direct that no further action be taken. Such determination will be in writing, and will include the reason the investigation was initiated, a summary of the complaint, a written statement setting forth the facts and analysis supporting the decision and, if applicable, any

recommendations. The Review Panel shall also provide the written statement to any applicable Regulatory Services Provider.

- (3) If the Review Panel determines that a reasonable basis exists for finding a violation of the SEF Rules or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction has occurred or is about to occur and adjudication is warranted, the Review Panel will determine for each potential respondent whether to authorize:
 - (i) the informal disposition of the investigation (by issuing a warning letter or otherwise) because disciplinary proceedings are unwarranted, in which case the Review Panel shall provide a written explanation to any Regulatory Services Provider;
 - (ii) the closing of the investigation without any action because no reasonable basis exists to believe that a violation within the SEF's jurisdiction has occurred or is about to occur in which case the Review Panel shall provide a written explanation to any Regulatory Services Provider; or,
 - (iii) the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the SEF's jurisdiction has occurred or is about to occur.

Rule 6005 Notice of Charges

- (a) If the Review Panel authorizes disciplinary proceedings or the Chief Compliance Officer elects to follow the recommendation of the Market Regulation Department to commence a disciplinary proceeding, the Chief Compliance Officer will appoint a Disciplinary Panel as provided in this Section. In addition, the Market Regulation Department will prepare, and serve in accordance with Rule 6007, a notice of charges.
- (b) A notice of charges will:
 - (1) state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (2) state the SEF Rule or other provision of Applicable Law alleged to have been violated or about to be violated;
 - (3) state the proposed sanctions;
 - (4) advise the respondent of its right to a hearing;
 - (5) advise the respondent of its right to be represented by legal counsel of its choosing in all succeeding stages of the disciplinary process

- (6) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 days after service of the notice of charges;
- (7) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
- (8) advise the respondent that any allegation in the notice of charges that is not expressly denied or answered will be deemed to be admitted.

Rule 6006 Answer to Notice of Charges

- (a) If the respondent determines to answer a notice of charges, the respondent must file answers within 20 days after being served with such notice, or within such longer time period determined by the Disciplinary Panel in accordance with Rule 6012.
- (b) To answer a notice of charges, the respondent must in writing:
 - (1) specify the allegations that the respondent denies or admits;
 - (2) specify the allegations that the respondent does not have sufficient information to either deny or admit;
 - (3) specify any specific facts that contradict the notice of charges;
 - (4) specify any affirmative defenses to the notice of charges; and
 - (5) sign and serve the answer on the Disciplinary Panel.
- (c) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the foregoing requirements.

Rule 6007 Service of Notice of Charges

- (a) Any notice of charges or other documents to be served pursuant to this Section 6 may be served upon the respondent, and service shall be deemed complete either personally or by leaving the same at his or her place of business; by deposit in the United States mail, addressed to respondent at the address as it appears on the books and records of the SEF.
- (b) Any notice of charges or other documents contemplated to be served pursuant to this Section 6 may also be served upon the respondent and service shall be deemed complete via electronic mail to the electronic mail address as it appears on the books and records of the SEF.

Rule 6008 Settlements

- (a) A respondent or potential respondent may at any time propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.
- (b) Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Market Regulation Department.
- (c) A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.
- (d) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Market Regulation Department will forward the offer to the Chief Compliance Officer with a recommendation on whether to accept or reject the offer. Any preliminary determination by the Chief Compliance Officer to accept the offer shall be submitted for review by the Disciplinary Panel. If the Disciplinary Panel agrees, then the Chief Compliance Officer shall conditionally accept an offer of settlement, and the settlement will become final upon the expiration of 20 days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.
- (e) If an offer of settlement is accepted, the Disciplinary Panel will issue a written decision specifying the rule violations it has reason to believe were committed, including the basis or reasons for the panel's conclusions, and any sanction to be imposed, which must include full customer restitution where customer harm is demonstrated. If an offer of settlement is accepted without the agreement of the Market Regulation Department or Chief Compliance Officer, the decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.
- (f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under the SEF Rules.
- (g) The respondent may withdraw his or her offer of settlement at any time before final acceptance by the Disciplinary Panel. If an offer is withdrawn after submission, or is rejected by the Disciplinary Panel, the respondent must not be deemed to have made any admissions by reason of the offer of settlement and must not be otherwise prejudiced by having submitted the offer of settlement.
- (h) If the offer of settlement of a respondent or potential respondent is not accepted by agreement between the Chief Compliance Officer and the Disciplinary Panel, fails to become final, or is withdrawn by the respondent or potential respondent, the matter will

proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Market Regulation Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of disciplinary proceedings.

Rule 6009 Disciplinary Panel

- (a) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any disciplinary proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions. The Disciplinary Panel will be comprised of three individuals, at least one of whom will be a Public Director. The Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance Officer. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has made its decision and notified all relevant parties, it shall be dissolved automatically.
- (b) Within ten (10) days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in the SEF Rules or for any other reasonable grounds by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The Chief Compliance Officer, in consultation with the General Counsel, of the SEF will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.
- (c) No Person shall serve on a Disciplinary Panel unless that Person has agreed in writing that he or she will not publish, divulge, or make known in any manner, any facts or information regarding the business of any Person or any other information which may come to his attention in his official capacity as a member of the Disciplinary Panel, except when reporting to the Board or to a committee concerned with such information or to the Market Regulation Department, when requested by the CFTC or other governmental agency or when compelled to testify in any judicial or administrative proceeding.
- (d) All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a SEF investigation or as required by law.

Rule 6010 Convening Hearings of Disciplinary Proceedings

- (a) A hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (b) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Market Regulation Department.
- (c) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered.
- (d) In determining procedural and evidentiary matters, the chair of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The General Counsel of the SEF, or his or her designee, may provide guidance to the chair of the Disciplinary Panel on the conduct of the hearing.
- (e) Except for procedural and evidentiary matters decided by the chair of the Disciplinary Panel pursuant to paragraph (c) above and Rule 6012, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

Rule 6011 Respondent Review of Evidence

- (a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the SEF that the Market Regulation Department will use to support the allegations and proposed sanctions in the notice of charges or which the chair of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and the SEF will have no obligation to disclose, any information protected by work product or attorney-client privilege.
- (b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Market Regulation Department, the Market Regulation Department may redact, edit or code such information before furnishing it to the respondent.

- (c) Notwithstanding anything in paragraph (b) above to the contrary, the Market Regulation Department:
 - (1) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (2) will provide the respondent with access to the information and portions of the documents that the Market Regulation Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.
- (d) For purposes of this Rule 6011, information that could adversely affect competitive positions may include positions in Swaps or other positions currently held, trading strategies employed in establishing or liquidating positions, the identity of any Customer, Client, Sponsored Participant, Participant or Authorized Trader and the personal finances of the Person providing the information.

Rule 6012 Conducting Hearings of Disciplinary Proceedings

- (a) At a hearing conducted in connection with any disciplinary proceedings, the Market Regulation Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to attend and participate in the hearing.
- (b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Market Regulation Department and each respondent may:
 - (1) present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;
 - (2) call and examine witnesses; and
 - (3) cross-examine witnesses called by other parties.
- (c) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chair of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 6006.
- (d) If the respondent has requested a hearing on a charge that the respondent denies, or on a sanction set by the Disciplinary Panel under Rule 6014, the respondent will be given an

opportunity for a hearing in accordance with the SEF Rules. Except for good cause, such hearing will be limited to addressing those charges denied by the respondent and/or sanctions set by the Disciplinary Panel under Rule 6014 for which a hearing has been requested.

- (e) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(2) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. All Participants (that are individuals) and Supervised Persons that are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. The SEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.
- (f) If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule of the SEF or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 6006. In connection with considering apparent violations pursuant to this paragraph (f), the Disciplinary Panel may request that the Market Regulation Department provide the Disciplinary Panel with any additional information related to the violations at issue.
- (g) The Disciplinary Panel may provide that a sanction be summarily imposed upon any Person within its jurisdiction whose actions impede the progress of a hearing.
- (h) If the respondent has requested the hearing, a copy of the hearing must be made and must become a part of the record of the proceedings. The SEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chair of the Disciplinary Panel may within his or her sole discretion require the respondent to pay the costs for transcribing the recording of the hearing.
- (i) No interlocutory appeals of rulings of any Disciplinary Panel or chair of the Disciplinary Panel are permitted.

Rule 6013 Decision of Disciplinary Panel

- (a) Promptly following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.
- (b) The Disciplinary Panel will serve a copy of the order of the disciplinary proceedings on the respondent and the Market Regulation Department. The order will include:
 - (1) the notice of charges or summary of the charges;

- (2) the answer, if any, or a summary of the answer;
 - (3) a summary of the evidence produced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;
 - (4) a statement of findings of fact and conclusions with respect to each charge, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each charge;
 - (5) each specific SEF Rule and/or other provision of Applicable Law that the respondent was found to have violated; and
 - (6) a declaration of all sanctions imposed against the respondent, if any, including the basis for such sanctions and the effective date of each sanction.
- (c) The order of the disciplinary proceedings will become final upon the expiration of twenty (20) days after the order is served on the respondent and provided to the Market Regulation Department.

Rule 6014 Sanctions

- (a) After notice and opportunity for hearing in accordance with the SEF Rules, the SEF will impose sanctions if any Customer, Client, Sponsored Participant, Participant, Account Manager, Authorized Trader, Supervised Person or other Person using a Participant's User ID or login credentials linked to a Participant or User ID who is found to have violated or to have attempted to violate a SEF Rule or other provision of Applicable Law for which the SEF has disciplinary jurisdiction. All sanctions must take into account the respondent's disciplinary history. In the event of demonstrated customer harm, any sanction must also include full customer restitution.

The SEF may impose one or more of the following sanctions or remedies:

- (1) censure;
 - (2) limitation on Trading Privileges, ability to otherwise access the SEF, and/or other activities, functions or operations;
 - (3) suspension of Trading Privileges and/or ability to otherwise access the SEF;
 - (4) fine (subject to paragraph (b) below);
 - (5) restitution and/or disgorgement;
 - (6) termination of Trading Privileges and/or ability to otherwise access the SEF; or
 - (7) any other sanction or remedy deemed to be appropriate.
- (b) The SEF may impose a fine of up to \$100,000, unless aggravating or mitigating circumstances otherwise warrant as determined by the SEF, for each violation of the SEF

Rules or other provision of Applicable Law for which the SEF has disciplinary jurisdiction. The minimum fine for any one violation is \$1,000. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The SEF has sole discretion to select the bank on whose quotations it will base the prime rate. Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Supervised Persons.

Rule 6015 Right to Appeal from Disciplinary Panel Decision, Summary Impositions of Fines and Other Summary Actions

- (a) Each respondent found by the Disciplinary Panel to have violated the SEF Rules or other provision of Applicable Law for which the SEF has disciplinary jurisdiction or who is subject to any summary fine imposed pursuant to Rule 6016 or any other summary action may appeal the decision within 20 days of receiving the order of the Disciplinary Panel or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Compliance Officer.
- (b) The SEF may appeal all or any part of a decision of the Disciplinary Panel, including any sanctions that may or may not have been imposed by the Disciplinary Panel, within 20 days of receiving the order of the Disciplinary Panel, by filing a notice of appeal with the Chief Compliance Officer.
- (c) While an appeal is pending, the effect of the order of the Disciplinary Panel or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended.
- (d) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the appellant objects. An appellant may appeal the order of the Disciplinary Panel or any summary action on the grounds that:
 - (1) the order or summary action was arbitrary, capricious, an abuse of discretion or not in accordance with the SEF Rules;
 - (2) the order or summary action exceeded the authority or jurisdiction of the Disciplinary Panel, the Chief Compliance Officer or the SEF;
 - (3) the order or summary action failed to observe required procedures;
 - (4) the order or summary action was unsupported by the facts or evidence; or
 - (5) the sanctions, remedies or costs imposed were inappropriate or unsupported by the record.
- (e) The Chief Compliance Officer will forward copies of any notice of appeal received by him or her to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on the appellee a brief

supporting the notice of appeal and documents supporting the brief. On or before the 20th day after the date on which the appellant serves its supporting brief, the appellee must file and serve its brief in opposition on the Chief Compliance Officer and the appellant. On or before the 10th day after the date on which the appellee serves its brief in opposition, the appellant may file and serve on the SEF a brief in reply.

- (f) In connection with any appeal, the SEF will furnish to the Chief Compliance Officer and to the appellant and appellee a transcript of the hearing and any exhibits introduced at the hearing.
- (g) No later than 30 days after the last submission filed pursuant to paragraph (e) of this Rule 6015, the Chief Compliance Officer will appoint an Appeals Panel to consider and determine the appeal. An Appeals Panel shall be comprised of three individuals, none of whom shall be a member of the Market Regulation Department or have been a member of the Disciplinary Panel involved in the matters on appeal. The chairperson of the Appeals Panel shall be an individual who would not be disqualified from serving as a Public Director.
- (h) Within 10 days of being notified of the appointment of the Appeals Panel, an appellant or appellee may seek to disqualify any individual named to the Appeals Panel or any person designated as chairperson thereof for the reasons identified in Rule 2500 or in the definition of Public Director (as the case may be) or on other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the appellant or appellee will be deemed to have waived any objection to the composition of the Appeals Panel and appointment of its chairperson. The Chief Compliance Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.
- (i) The Appeals Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeals Panel may appoint an expert to attend any hearing and assist in the deliberations if such individual(s) agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeals Panel will not be bound by evidentiary or procedural rules or law.
- (j) The Appeals Panel will only consider on appeal the record before the Disciplinary Panel or, in the case of a summary action, the record considered by the Chief Compliance Officer, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeals Panel may only consider new evidence when the Appeals Panel is satisfied that good cause exists for why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.
- (k) After completing its review, the Appeals Panel may affirm, modify or reverse any order of the Disciplinary Panel or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the SEF Rules, or remanding the matter to the same or a different Disciplinary Panel for further disciplinary proceedings or for

reconsideration by the Chief Compliance Officer in the case of summary action. The Appeals Panel may order a new hearing for good cause or if the Appeals Panel deems it appropriate.

- (l) As promptly as reasonably possible following its review, the Appeals Panel will issue a written decision on appeal rendering its decision based on the preponderance of the evidence before the Appeals Panel and will provide a copy to the Chief Compliance Officer, the appellant and the appellee. The decision of the Appeals Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific SEF Rule and other provision of Applicable Law for which the SEF has disciplinary jurisdiction that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost.
- (m) The Appeals Panel's written order on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies and costs, and the effective date of any sanction, remedy cost) will be the final action of the SEF and will not be subject to appeal within the SEF; provided, however, that any suspension, expulsion, disciplinary or access denial action or other adverse action by the SEF may (to the extent required thereby) be subject to review by the CFTC pursuant to Part 9 of the CFTC's Regulations.

Rule 6016 Summary Imposition of Fines

- (a) The Chief Compliance Officer may summarily impose a fine against a Participant (or any of its Supervised Persons or other Persons using any of the Participant's User IDs or login credentials linked to the Participant or its User IDs) for failing:
 - (1) to make timely and accurate submissions to the SEF of notices, reports or other information required by the SEF Rules;
 - (2) to make timely payments of fees, cost, charges or fines to the SEF; or
 - (3) to keep any books and records required by the SEF Rules.
- (b) The Market Regulation Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule to each Participant or Supervised Person subject thereto. The notice will specify:
 - (1) the violations of the SEF Rules for which the fine is being imposed;
 - (2) the date of the violation for which the fine is being imposed; and
 - (3) the amount of the fine.
- (c) Within 20 days of serving the notice of fine, the Participant or Authorized Trader, as the case may be, must either pay or cause the payment of the fine. If a fine or other amount is not paid within 20 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent.

The SEF has sole discretion to select the bank on whose quotations it will base the prime rate. The Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Supervised Persons.

- (d) The SEF will set the amount of any fines imposed pursuant to this Rule 6016 at no less than \$1,000 per violation, with the maximum fine for each violation not to exceed \$5,000. Recurring violations will be subject to progressively larger fines. Summary imposition of fines pursuant to this Rule 6016 will not preclude the SEF from bringing any other action against the Participant (or any of its Supervised Persons).

Rule 6017 Warning Letters

The SEF authorizes the Market Regulation Department to issue a warning letter to a Person or entity under investigation or to recommend that a Disciplinary Panel take such an action. A warning letter issued in accordance with this Rule is not a penalty or an indication that a finding of a violation has been made. A copy of a warning letter issued by the Market Regulation Department will be included in the Investigation Report. No more than one warning letter for the same potential violation may be issued to the same Person or entity during a rolling 12-month period.

Rule 6018 Summary Access Denial Actions

- (a) The Chief Compliance Officer, upon a good faith determination that there is a reasonable belief that such immediate action is necessary to protect the best interests of the SEF, may summarily suspend, revoke, limit, condition, restrict or qualify the Trading Privileges of a Participant or any Supervised Person, including denial of access to the SEF.
- (b) Non-Participants may be denied access to the SEF by the Chief Compliance Officer upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the best interests of the SEF.
- (c) If practicable, a respondent must be served with a notice before the action is taken or otherwise at the earliest possible opportunity. The notice must state the action taken, the reasons for the action, and the effective date, time and the duration of the action taken. The party shall be advised of his right to a hearing, as soon as reasonably practicable, before a Disciplinary Panel by filing notice of intent with the Market Regulation Department within ten (10) Business Days of the notice date.

Rule 6019 Rights and Responsibilities after Suspension or Termination

- (a) When a Person's Trading Privileges and/or ability to otherwise access the SEF are suspended for a period of 12 months or less, none of its rights (including the right to hold oneself out to the public as a Participant or Authorized Trader, enter Orders into the SEF, submit Block Trades to the SEF, and receive Participant rates for fees, costs, and charges) will apply during the period of the suspension, except for the right of the Person in question to assert claims against others as provided in the SEF Rules. Any such suspension will not affect the rights of creditors under the SEF Rules or relieve the

Person in question of its, his or her obligations under the SEF Rules to perform any Swaps entered into before the suspension, or for any SEF fees, costs, or charges incurred during the suspension. The SEF may discipline a suspended Person under this Section 6 for any violation of a Rule of the SEF or other provision of Applicable Law committed by such Person before, during or after the suspension.

- (b) When a Person's Trading Privileges and/or ability to otherwise access the SEF are terminated, all of its related rights will terminate, except for the right of the Person in question to assert claims against others, as provided in the SEF Rules. Any such termination will not affect the rights of creditors under the SEF Rules.
- (c) The SEF will not consider the application of a terminated Participant or Authorized Trader if such Participant or Authorized Trader, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.
- (d) A suspended or terminated Person remains subject to the SEF Rules and the jurisdiction of the SEF for acts and omissions prior to the suspension of termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal of disciplinary proceedings, summary suspension or other summary action as if the suspended or Person still had Trading Privileges or ability to otherwise access the SEF.

Rule 6020 Notice to the Respondent, the Regulatory Services Provider and the Public

The SEF will provide written notice of disciplinary proceedings to the parties and the Regulatory Services Provider consistent with applicable CFTC Regulations. Whenever the SEF suspends, expels, fines or otherwise disciplines, or denies any Person access to the SEF, the SEF will make the disclosures and notifications required by Part 9 of the CFTC's Regulations (including by any of the alternative methods available thereunder) and any other applicable CFTC Regulations.

Rule 6021 Costs

- (a) Regardless of the outcome of any disciplinary proceeding, the Disciplinary Panel may order a respondent to pay some or all of the costs associated with the disciplinary proceedings if the Disciplinary Panel concludes that the respondent has behaved in a manifestly unreasonable manner. Costs may include costs associated with the inquiry or investigation, the prosecution by the Market Regulation Department, legal and professional assistance, the hearing and administrative and other expenses incurred by the Disciplinary Panel.
- (b) The Disciplinary Panel may only award costs against the SEF if the panel concludes that the SEF has behaved in a manifestly unreasonable manner in the commencement or conduct of the disciplinary proceedings in question. The Disciplinary Panel must limit any award of costs against the SEF to an amount that the panel concludes is reasonable and appropriate, but does not exceed the respondent's costs for external legal or other external professional assistance.

- (c) The Disciplinary Panel may determine the amounts and allocation of costs in any manner it may deem appropriate. The SEF or the respondent will pay any costs ordered to be paid by it by the Disciplinary Panel within 30 days of written notice of the amount imposed by the Disciplinary Panel. If costs are not paid within 20 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The SEF has sole discretion to select the bank on whose quotations it will base the prime rate. Participant will be responsible for paying any costs imposed on, but not paid by, any of its Supervised Persons.

Rule 6022 *Ex Parte* Communications

- (a) A Person subject to a disciplinary proceeding or an appeal from a disciplinary proceeding (and any counsel or representative of such Person) and the Market Regulation Department (and any counsel or representative of the Market Regulation Department) shall not knowingly make or cause to be made an *ex parte* communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary proceeding to any member of the Disciplinary Panel or Appeals Panel hearing such proceeding.
- (b) Members of a Disciplinary Panel or an Appeals Panel shall not knowingly make or cause to be made an *ex parte* communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary proceeding to any Person subject to such proceeding (and any counsel or representative of such Person) or the Market Regulation Department (and any counsel or representative of the Market Regulation Department).
- (c) Any Person who receives, makes or learns of any communication that is prohibited by this Rule 6022 shall promptly give notice of such communication and any response thereto to the Market Regulation Department and all parties to the proceeding to which the communication relates.
- (d) A Person shall not be deemed to have violated this rule if the Person refuses an attempted communication concerning the merits of a proceeding as soon as it becomes apparent the communication concerns the merits.

Rule 6023 [Reserved]

Rule 6024 Extension or Waiver of the SEF Rules

If necessary and expedient, the Chief Compliance Officer may, in his or her sole discretion, waive, or extend the time period for performing, any act or acts designated by the SEF Rules, but only to the extent such waiver or extension is not inconsistent with the CEA, CFTC Regulations or other applicable regulations.

Rule 6025 Effect of Amendment, Repeal or New Rule

- (a) If an amendment or repeal of a Rule or adoption of a new Rule does not materially change the terms or conditions of a Swap and does not affect the value of open Swaps, then the effective date of any amendment or repeal of a Rule or adoption of a new Rule relating to Swaps is binding on all Swaps entered into before and after the effective date of such amendment, repeal or adoption.
- (b) If an amendment or repeal of a Rule or adoption of a new Rule materially changes the terms or conditions of a Swap or affects the value of open Swaps, then the amendment, repeal or new Rule is binding only on Swaps listed for trading after the effective date of such amendment, repeal or adoption, and Swaps listed as of the effective date of such amendment, repeal or adoption with no open positions then in existence, unless otherwise specifically provided by the Board.

Rule 6026 Swap Contract Specifications

- (a) Notwithstanding any provision of the SEF Rules to the contrary, the Swap Specification with respect to a particular Swap shall govern the applicability of the SEF Rules to trading in such Swap and, in the event of any conflict between the SEF Rules and the Swap Specification, the Swap Specification shall govern with respect to trading in the relevant Swap.
- (b) The Swap Specification for each individual Swap may specify:
 - (1) different classes of Participants eligible to trade such Swaps. Each such class of Participants shall have the rights and obligations specified by the Swap Specification for each such Swap;
 - (2) whether such Swap may be settled via cash settlement, physical delivery of the underlying commodity, or by any other means, as applicable; and
 - (3) the method for determining settlement prices.
- (c) Each Swap Specification will be published by the SEF on its website.
- (d) The SEF shall permit trading only in Swaps that are not readily susceptible to manipulation.

Rule 6027 Governing Law, Jurisdiction and Dispute Resolution

- (a) The law of the State of New York governs the SEF Rules regardless of the laws that would otherwise apply under applicable choice-of-law principles.
- (b) Any dispute between the SEF and a Person arising from or in connection with the SEF Rules or use of the SEF must be brought to arbitration pursuant to subsection (c) of this Rule 6027 within two (2) years from the occurrence of the event giving rise to the

dispute. This Rule 6027 shall in no way create a cause of action nor authorize an action that would otherwise be prohibited by the SEF Rules.

- (c) Any dispute between the SEF and a Person arising from or in connection with the SEF Rules will be settled by arbitration administered in New York County, New York by the American Arbitration Association (the “AAA”) under its Commercial Arbitration Rules. The dispute will be submitted to one arbitrator who will be appointed by the AAA. Any arbitrator appointed for purposes of this Rule 6027 will have experience with and knowledge of commodities, derivatives and Swaps as listed on the National Roster of Arbitrators kept in the AAA’s records. Judgment on the award rendered by the arbitrator will be binding on the parties and may be entered in any state or federal court sitting in New York County, New York, and the SEF and each Person shall be deemed to have consented to the personal jurisdiction of any such court. Each party to the dispute will bear its own costs and expenses in connection with any arbitration hereunder, as well as an equal share of the administrative fees and the fees of the arbitrator; *provided, however*, that the arbitrator will be entitled to include in any award a full reimbursement for the prevailing party’s costs and expenses, such party’s share of the administrative fees and the fees of the arbitrator, or any combination of any or all of the above. In the event that this Rule 6027 is held to be unenforceable in connection with any dispute or a claim is deemed by a court of competent jurisdiction to be not arbitrable, (i) exclusive jurisdiction for any such dispute will reside in any state or federal court sitting in New York County, New York, (ii) the SEF and the Person involved in the dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iii) an action to enforce any judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue. Finally, all Persons unconditionally and irrevocably waive any and all right to trial by jury in connection with any such dispute.

Rule 6028 Limitation of Liability, Indemnity

THE SEF AND ITS RELATED PARTIES ARE NOT LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHICH A PARTICIPANT OR ANY THIRD PARTY MAY INCUR OR EXPERIENCE BECAUSE THE PARTICIPANT ENTERED INTO THESE TERMS OR RELIED ON THE SEF SERVICES, EVEN IF THE SEF KNOWS OF THE POSSIBILITY OF

THOSE DAMAGES. THE SEF AND ITS RELATED PARTIES ARE NOT RESPONSIBLE FOR INFORMING A PARTICIPANT OF ANY DIFFICULTIES THE SEF OR OTHER THIRD PARTIES EXPERIENCE CONCERNING USE OF THE SEF SERVICES OR TO TAKE ANY ACTION IN CONNECTION WITH THOSE DIFFICULTIES. EACH PARTICIPANT IS SOLELY RESPONSIBLE FOR ANY LOSSES, DAMAGES OR COSTS RESULTING FROM THE PARTICIPANT'S RELIANCE ON ANY DATA OR INFORMATION THAT THE SEF MAY PROVIDE IN CONNECTION WITH A PARTICIPANT'S USE OF THE SEF SERVICES.

- (b) THE SEF DOES NOT MAKE ANY RECOMMENDATION AS TO THE SUITABILITY OF ANY INVESTMENT OR PROPOSED TRANSACTION. IN ADDITION, THE SEF SERVICES DO NOT INCLUDE ANY INVESTMENT, FINANCIAL, LEGAL OR TAX ADVICE WHICH PARTICIPANT MAY DESIRE OR NEED IN CONNECTION WITH ANY TRANSACTION. PARTICIPANTS ARE RESPONSIBLE FOR OBTAINING ANY LEGAL OR TAX ADVICE.

THE SEF SHALL HAVE SOLE CONTROL OVER THE DEFENSE AND ANY NEGOTIATION FOR ITS SETTLEMENT OR COMPROMISE. IF SUCH A CLAIM IS MADE OR IS LIKELY TO BE MADE, THE SEF SHALL, AT THE SEF'S SOLE OPTION, HAVE THE RIGHT TO TAKE ONE OR MORE OF THE FOLLOWING ACTIONS AT NO ADDITIONAL COST TO THE PARTICIPANT: (I) PROCURE THE RIGHT FOR THE PARTICIPANT TO CONTINUE THE USE OF THE SEF

IF THE SEF DETERMINE THAT NONE OF THESE ALTERNATIVES IS REASONABLY AVAILABLE, THE PARTICIPANT AGREES TO IMMEDIATELY TERMINATE ITS USE OF THE SEF SERVICES ON THE SEF'S WRITTEN REQUEST. HOWEVER, THE SEF HAS NO OBLIGATION FOR ANY CLAIM BASED ON THE SEF'S USE OF THE SEF SERVICES IN ANY MANNER INCONSISTENT WITH THESE TERMS, PARTICIPANT'S MODIFICATION OF THE SEF SERVICES OR PARTICIPANT'S COMBINATION, OPERATION, OR USE OF THE SEF SERVICES WITH ANY PRODUCT, DATA, OR APPARATUS NOT SPECIFIED OR PROVIDED BY THE SEF, PROVIDED THAT SUCH CLAIM SOLELY AND NECESSARILY IS BASED ON SUCH COMBINATION, OPERATION OR USE, OR FOR CONTINUED ALLEGEDLY INFRINGING ACTIVITY BY THE PARTICIPANT AFTER THE PARTICIPANT HAVE BEEN NOTIFIED OF POSSIBLE INFRINGEMENT, UNLESS APPROVED IN ADVANCE BY THE SEF. THE FOREGOING REPRESENTS THE SOLE AND EXCLUSIVE REMEDY FOR PARTICIPANTS WITH REGARD TO ANY OF THE ABOVE INFRINGEMENTS OR ALLEGED INFRINGEMENTS.

- (d) WITH THE EXCEPTION OF THE PROVISIONS OF RULE 6028(c), THE SEF'S LIABILITY AND THE COLLECTIVE LIABILITY OF THE SEF'S RELATED PARTIES AND THE THIRD PARTY SERVICE PROVIDERS SELECTED BY THE SEF, IF ANY, ARISING OUT OF ANY KIND OF LEGAL CLAIM (WHETHER IN CONTRACT, TORT, OR OTHERWISE) OR IN ANY WAY CONNECTED TO A PARTICIPANT'S USE OF THE SEF SERVICES WILL NOT EXCEED \$500,000 UNLESS CAUSED DIRECTLY BY THE SEF'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

Emergency Rules may require or authorize the SEF, the Board, any committee of the Board, the CEO, or any other Officer to take Emergency Action necessary or appropriate to respond to the Emergency. If applicable, the SEF may provide for the carrying out of Emergency Actions through its agreements with its Regulatory Services Provider.
- (b) Before any Emergency Rule may be adopted and enforced, a required vote of the Board must approve the enforcement of such Emergency Rule at a duly convened meeting. Directors may attend such a meeting by teleconference and such meeting may, if necessary, be conducted pursuant to Rule 2100(c). Notwithstanding, if the CEO (or, in his absence, the most senior Officer present) determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Board can reasonably be convened, then the CEO (or such seniormost Officer) shall have the authority, without Board action, to implement any Emergency Rules with respect to such Emergency that he or she deems necessary or appropriate to respond to such Emergency. In such circumstances, the CEO (or such seniormost Officer) must convene a meeting of the Board (which may, if necessary, be conducted pursuant to Rule 2100(c)) as soon as practicable thereafter. - (d) The SEF will use reasonable efforts to notify the CFTC prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not possible or practicable, the SEF will notify the CFTC as soon as possible or reasonably practicable but in all circumstances within twenty-four (24) hours of the implementation, modification or termination of such Emergency Rule.
- (e) Upon taking any action in response to an Emergency, the SEF will document the decision-making process related to such action. Such documentation will be kept for at

1. Background to This Document and Status

The generation of a Unique Swap Identifier (“USI”) can be linked to reporting counterparty (“RP”) responsibilities while the process of USI generation and determination of an RP are separate and distinct processes.

The ISDA USI Working Group was responsible for the USI generation and documentation of RP rules which are discussed with and agreed to by the various asset class implementation groups and steering committees. The ISDA Data and Reporting Compliance Working Group (“DWG”) will identify next steps and ongoing maintenance of this document.

2. Reporting Party Requirements

The Commodity Futures Trading Commission (“CFTC” or “Commission”) specified in the final rules for Part 45 that complete data concerning swaps is available to regulators, including:

1. Creation data; and
2. Continuation data of all life cycle events affecting the terms of the swap until final termination or expiration.

The CFTC also specified in the final rules for Part 43 that certain anonymized data concerning swaps is publicly disseminated to enhance price discovery and increase transparency. Registered entities and swap counterparties must report swap creation data electronically to a Swap Data Repository (“SDR”). Required swap creation data includes all primary economic terms (“PET”) data and all confirmation data for a swap. Required swap continuation data must be reported to the SDR to ensure that all data concerning the swap remains current and accurate and includes any change to the primary economic terms of the swap. Continuation data generally must be reported by a swap dealer (“SD”) or major swap participant (“MSP”) to the SDR no later than the same day of such a change (non-SD/MSP RPs have longer timeframes). Additionally, regulations require SD and MSP reporting counterparties to report valuation data to fully describe the daily mark of the transaction (such as the daily “mark to market”) for each of their swaps on a transactional basis.

Registered entities and counterparties required to report swap creation data or swap continuation data may contract with third-party service providers to facilitate reporting. However, these entities remain fully responsible for reporting as required by the regulations.

3. Reporting Counterparty Responsibility

The RP is the party to a swap with the responsibility to report a swap¹ to an SDR as soon as technologically practicable after execution in accordance with the Dodd Frank Act.² Under the Dodd-Frank Act and CFTC regulations, one party must bear responsibility to ensure that the trade is reported. The CFTC has created a hierarchy whereby registered SDs always report when trading with MSPs or End Users and registered MSPs always report when trading with End Users. (See Annex 1)

For swaps executed on facility:

- For Parts 43 and 45 swaps executed on a SEF or DCM the SEF or DCM must report swap creation data to an SDR “as soon as technologically practicable.”
- For Part 45 swap continuation data reporting only, if neither party is a U.S. person but the swap is executed on a SEF or DCM or otherwise executed in the U.S. or cleared by a DCO, then the parties are required to agree which counterparty will be the RP.

For swaps executed off-facility: (both U.S. persons)

- For Parts 43 and 45, if only one party is an SD or MSP, the SD or MSP shall be the RP.
- For Parts 43 and 45, if one party is an SD and the other party is an MSP, the SD shall be the RP.
- For Parts 43 and 45, if both parties are SDs, the SDs shall designate which party shall be the RP (see section 5 - Same Level Determination of the Reporting Party).
- For Parts 43 and 45, if both parties are MSPs, the MSPs shall designate which party shall be the RP (see section 5 - Same Level Determination of the Reporting Party).
- For Part 45 only:
 - If both parties are non-SDs/MSPs, and only one party is a financial entity,³ the party that is a financial entity is the RP.
 - If both parties are non-SDs/MSPs that are financial entities or non-SDs/MSPs that are not financial entities, the parties shall designate which party (or its agent) will be the RP.
- For Part 43 only:
 - If both parties are non-SDs/MSPs, the parties shall designate which party (or its agent) shall be the RP for the publicly reportable swap transaction (see section 5 - Same Level Determination of the Reporting Party).

¹

Under Part 45 all swaps must be reported; however the reporting requirements under Part 43 only require an RP to report a “publicly reportable swap transaction” which means:

(1) Any executed swap that is an arm's-length transaction between two parties that results in a corresponding change in the market risk position between the two parties; or
(2) Any termination, assignment, novation, exchange, transfer, amendment, conveyance, or extinguishing of rights or obligations of a swap that changes the pricing of the swap.

²

Dodd–Frank Wall Street Reform and Consumer Protection Act, [Pub.L. 111-203, 124 Stat. 1376 \(2010\)](#).

³

As defined in Section 2(h)(7)(C) of the Commodity Exchange Act.

For swaps executed off-facility: (one U.S. person only)

- For Part 45 only, if both parties are non-SDs/MSPs, the U.S. person is the RP.
- For Part 43 only, if both parties are non-SDs/MSPs the parties shall designate which party (or its agent) shall be the RP for the publicly reportable swap transaction.
- For Parts 43 and 45, the Commission generally agrees that if a registered SD or MSP is a party to a swap, regardless of whether it is non-U.S. person, it should be the RP in accordance with the hierarchy described above for swaps with two U.S. persons.

For swaps accepted for clearing:

The determination of the RP under § 45.8 of the Commission's Regulations applies to all swaps, both cleared and non-cleared. The general hierarchy for determining the RP for swaps accepted for clearing is the same as that detailed above for swaps executed off-facility.

However, it should be noted that with respect to the definition of non-SD/MSP set forth in § 45.1 of the Commission's Regulations, the CFTC Staff interpret the regulations such that DCOs will have reporting obligations for cleared swaps that are not dependent on whether the DCO is deemed to be an RP.

Further details on the reporting of cleared swaps transactions can be found in the CFTC Division of Market Oversight publication entitled "Frequently Asked Questions (FAQ) on the Reporting of Cleared Swaps".⁴

4. Designation of reporting responsibilities:

Parties required to report pursuant to Part 43 or Part 45 may contract with third parties to facilitate reporting. In this context, third parties may include, but are not limited to, the other counterparty to the swap, a third party service provider as well as the DCO in the case of a cleared swap. As a result, the RP may delegate the actual process of reporting data to the SDR to the other counterparty as well as to a third party. However, the party that is required to report remains fully responsible for compliance with the reporting obligations under Part 43 and Part 45.

5. Same Level Determination of the Reporting Party

In situations where both counterparties have the same hierarchical status in executing a swap transaction, the regulations established a mechanism for the parties to the swap transaction to follow in choosing the RP.

In such situations (e.g., both counterparties are SDs) the regulations require the counterparties to agree, as either one term of their swap transaction for off-facility swaps or as a post-execution side agreement for swaps executed on an SEF or DCM, which counterparty will fulfill the reporting obligations with respect to the swap. Therefore SDs and MSPs are establishing a set of rules (“Reporting Party Rules”) for each swap transaction to determine which counterparty has the RP responsibility for real-time, creation and continuation data for situations where the CFTC Regulations indicate that the parties shall agree on the RP as a term of the swap transaction.

Prime Brokerage Intermediation

Notwithstanding the reporting hierarchy in Parts 43 and 45 and the Reporting Party Rules provided below, an alternative approach to RP determination applies to transactions intermediated by a Prime Broker (“PB”). In brief and in very general terms, under customary PB arrangements, a client of a PB agrees on the terms of a PB intermediated trade with an Executing Broker (“EB”) and then the client and/or the EB gives up the trade to a PB for its acceptance. If the trade terms are within certain pre-agreed parameters and the PB thus accepts the trade, the result is two off-setting transactions, one between the EB and PB and the second between the PB and the client. In these cases, reporting eligibility for each trade is determined independently based on the status of the two parties to the transaction, and the reporting responsibilities are as follows:

EB is the RP for the EB-PB trade

PB is the RP for the PB-Client trade

For the avoidance of doubt, there is no separate transaction between the EB and client to report.

Please note: The above approach to determine the RP to a PB Intermediated swap was acknowledged by the CFTC in No Action Letter No. 12-53¹. Although the relief under NAL 12-53 has expired, the RP approach is still industry best practice, and ISDA continues to work with the CFTC to permanently adopt the approach in revisions to Part 43 and Part 45. Included in those discussions are outstanding questions regarding cross-border treatment for PB Intermediated transactions (e.g. if EB and/or PB is not a SD, MSP or U.S. Person).

6. Reporting Party Rule Determination: status and description of the rule

The ISDA Unique Swap Identifier (USI)/(UTI) Trade Identifier Working Group proposed that each asset class Steering Committee would determine the “Reporting Party Rules” for the asset class where two parties to a swap transaction are on the same hierarchical level. This proposal was approved and ratified by the DWG.

Because of the different characteristics and workflows of the various asset classes: Rates, Credit, Equity, Commodity and FX, each asset class is required to analyze in detail the specific trade workflows in formulating a “Reporting Party Rule” convention unique to that asset class.

Regardless of asset class, each set of reporting party rules provided below assumes that both parties have a reporting obligation under the Commission’s requirements. In the event only one party has a reporting obligation, that party is the RP.

6.1 Reporting Party Rules

1. Credit

Where both parties are the same hierarchy level (e.g., MSP vs. MSP, SD vs. SD, or non- SD/MSP vs. non-SD/MSP), the RP is the Floating Rate Payer (a/k/a ‘seller’). For Swaptions, the RP is the Floating Rate Payer of the underlying swap.

For Real Time Reporting of step-in novations, the RP should be determined between the Transferor and Transferee based on the above and the position of the Transferee. So, if both parties are of the same classification and the Transferee is the Seller (Floating Rate Payer) in the novated transaction, the Transferee is the RP. If the Transferee is the Buyer (Fixed Rate Payer), then the Transferor is the RP.

For novated transactions, the RP should be reassessed between the Transferee and Remaining Party based on the above.

2. Rates

Product Attribute Determination

RP Tiebreaker Logic - Rates		
Trade Type	Explanation	Reporting Party
Cap/Floor	When a single Fixed Rates Payer exists	Fixed Rate Payer. Otherwise Reverse ASCII sort, first LEI/pre-LEI
Debt Option	All	Option Buyer
Exotic	All	Reverse ASCII sort, first LEI/pre-LEI
FRA	All	Fixed Rate Payer
IRS Basis	All	Reverse ASCII sort, first LEI/pre-LEI
IRS Fix-Fix	All	Reverse ASCII sort, first LEI/pre-LEI
IRS Fix-Float	All	Fixed Rate Payer
IRSwap: Inflation	When a single Fixed Rates Payer exists	Fixed Rate Payer. Otherwise Reverse ASCII sort, first LEI/pre-LEI
IRSwap: OIS	All	Fixed Rate Payer
Swaption	All	Option Buyer
XCCY Basis	All	Reverse ASCII sort, first LEI/pre-LEI
XCCY Fix-Fix	All	Reverse ASCII sort, first LEI/pre-LEI
XCCY Fix-Float	All	Fixed Rate Payer

Tiebreaker Logic

When the LEI/pre-LEI tiebreaker is invoked the following processes will be used:

1. Identifier Tiebreaker Logic Scenarios
 - i. When only one firm has an LEI/pre-LEI then the party with the LEI/pre-LEI is the RP.
 - ii. When both firms have an LEI/pre-LEI then determine based on comparison of the two LEI/pre-LEIs in accordance with the below.
2. Determining sort order of identifiers
 - LEI/pre-LEI are comprised of characters from the following set {0-9, A-Z}.
 - For avoidance of doubt, before comparing IDs convert all IDs to UPPER CASE only.
 - For comparison basis the sort order will be reverse ASCII sort order. For avoidance of doubt the following are sort order of precedence:
 - Z, Y, X, W, V, U, T, S, R, Q, P, O, N, M, L, K, J, I, H, G, F, E, D, C, B, A, 9, 8, 7, 6, 5, 4, 3, 2, 1, 0.
3. When comparing two IDs the RP will be the firm with the first ID in the list when sorted in reverse ASCII sort order.

3. Equity

When both parties are of the same hierarchy level, the RP will be the:

- Seller of performance on any product in the taxonomy.⁵
- Seller of product on all other (exotic) products in the taxonomy.
- If seller cannot be identified the fall back would be for the parties to agree amongst themselves.
- For Portfolio Swaps Agreements (PSA's) the seller will remain the seller regardless of the underlying's performance.

For the avoidance of doubt, if the trade is confirmed via negative affirmation, the provider of the negative affirmation agreement is the RP.

⁵<http://www2.isda.org/otc-taxonomies-and-upi/>

4. Commodities

A seller convention applies if the executed trade is one of the trade types enumerated in the table below. Otherwise, the LEIs of the parties should be compared in standard ASCII order and the party with the first ID in the list will be the RP.

RP Tiebreaker Logic - Commodities		
Trade Type	Explanation	Reporting Party
Fixed Floating Swap	Seller of the Fixed leg = Reporting Party	Fixed leg seller (Receiver of Cash on the fixed leg)
Option	Receiver of premium payment or Option writer	Seller
Swaption	Receiver of premium payment or Swaption writer	Seller
Option Strategies (Collars, Corridors, Multi-leg)	Premium receiver is the Seller = Reporting Party	Premium Receiver
	If no premium, go to alpha convention	Go to alpha convention
For trade types not listed above		
Seller convention with Alpha	Any trade that falls outside of that list will have the alphanumeric ASCII convention applied based on the LEI/CICI. The LEI/CICI selected as the RP will be the LEI/CICI at the top of that sort order. As an example, ASCII is the same sort logic that MS Excel applies.	

5. FX

When asset class tie-breaker logic needs to be applied:

- For Cash trades: The RP is the counterparty selling the currency that occurs first in the 26-letter English alphabet.
- For Options: The RP is the seller of the option.

RP Tie Breaker Logic - FX		
Taxonomy	Rule	Comment
Forward	FX Cash Rule	For FX Swaps, the Reporting Party of both legs of the swap would be determined by applying the Cash Rule to the far-leg of the Swap
NDF	FX Cash Rule	n/a
Option	Option Seller Rule	n/a
NDO	Option Seller Rule	n/a
Simple Exotic	Option Seller Rule	n/a
Complex Exotic	See comment	For a complex exotic product where there is an unambiguous seller of the product, then Option Seller Rule would apply. The seller determination would be driven by the seller as agreed in the standard FpML representation of the product. IF there is no clear seller, then the FX Cash Rule would apply.

7. Change in Registration Status

On October 16, 2012, the ISDA DWG participants were polled to determine what should happen to the RP obligations on a trade executed between, for instance, an SD and a non-MSP/SD, where at a later date, the non-MSP/SD becomes an SD. Determination of RP may equally be impacted by a party's deregistration as an SD/MSP.

Industry consensus was reached that the RP obligation remains unchanged through the remaining life of the USI until it is matured / terminated / novated away / compressed into a new transaction. The RP is reassessed only when a new USI is created. (In summary if an event does not result in a new USI, the RP remains unchanged. If the event results in a new USI, the RP is calculated a fresh for the new USI using the statuses effective at that date).

In general, a contract intrinsic event would not result in a new USI, nor would a bilaterally negotiated event that does not change the parties to the swap. Events that change the parties to the swap and/or result in a new swap(s) would prompt the creation of a new USI(s). The following table indicates which lifecycle events would result in a new USI at the point the event occurs or is executed:

Event Type		Triggers new USI Generation?
New Trade		Y
Amendment (correction to the trade for any trade attribute or fee)		N

8. Part 46 Historical Swap Reporting

As described in the prior section, each individual swap should have a single Reporting Party (RP) for the life of the swap. Therefore the party responsible for reporting an historic swap under the CFTC's Part 46 regulations should be the party that first incurs the RP obligation and retains that obligation throughout the remaining life of the swap, if any. Such RP should be determined in accordance with section 46.5 of the CFTC's rules and the Reporting Party Rules specified in this document.

Given the uncertainties in the evolving regulation of the swaps marketplace, including but not limited to the interplay of the CFTC's Cross Border Interpretive Guidance⁷, Exemptive Order⁸ and/or a change in the swap dealer registration status of counterparties, for a swap between two non-U.S. Persons, the parties may have reporting obligations commence at different points in time. To prevent duplication or gaps in historic swap reporting, participants should determine the RP for an historic swap, whether live or non-live, based on the Reporting Party determination rules provided in this document, without regard to whether the other party's reporting obligation is currently in effect, unless otherwise indicated in this Section 8. Each party should submit historical swap data for the swaps for which they are the RP in accordance with the commencement of their reporting obligation and in accordance with the reporting logic developed and agreed to among the swap dealers then in effect at the time of their reporting obligation.

For swaps between two non-U.S. persons, if a new swap (reportable under Part 45) was entered into in the time period where only one party ("Party 1") had already a Part 45/46 reporting obligation while the Part 45/46 reporting obligation for the other party ("Party 2") is still delayed/not yet in effect, Party 1 may rely for its Part 45 reporting obligation for the new swap on the reporting party logic set forth in this document with the result that any new trade not reported by Party 1 under Part 45 (because the reporting party logic required Party 2 to report such trade) will be reported by Party 2 as part of its (later in time) Part 46 reporting obligation.

For swaps between two non-U.S. persons, if a party to a swap changes its status and becomes a SD (the "New SD") in the time period when all applicable time delays permitted under the Exemptive Order expired (e.g., the time period starting December 22, 2013), if the other party to the swap was a SD already prior to that time period (the "Old SD"), the Old SD may have already reported the historical swap data and, therefore would remain the RP for the life of the USI.

If one of the parties to the swap is a U.S. Person, that party may have already reported the historical swap data, and therefore would remain the RP for the life of the USI.

SECTION 1 DEFINITIONS

Rule 1000 Definitions

Unless otherwise specifically provided in the SEF Rules or the context otherwise requires, the following terms have the meanings specified herein.

“*Account Manager*” means an investment manager or other Person acting in a similar capacity that (i) is not an individual, and (ii) acts as an agent and attorney-in-fact to transact Swaps via the SEF in the name and on behalf of a Client. An Account Manager may be a Participant, a Sponsored Participant or a Customer.

“*Affected Person*” has the meaning specified in Rule 3103.

- (a) A Director, Officer, panel member or other Person authorized to exercise the SEF's authority concerning a Self-Regulatory Action who knowingly has a Material Conflict of Interest between (i) his or her position as a Director, Officer or panel member, or the exercise of authority concerning a Self-Regulatory Action, and (ii) his or her personal interests (each, an "Interested Person") may not participate in any deliberations or vote of the Board (which includes for purposes hereof a Board committee) or panel, or exercise any authority with respect to the Self-Regulatory Action, involving his or her personal interest, except as described below.
- (b) Before considering any Self-Regulatory Action, an Interested Person must disclose in writing to the Board the material facts concerning his or her relationship or interest in the matter.
- (c) Any Interested Person who would be required otherwise to abstain from deliberations and voting or the exercise of authority pursuant to paragraph (a) above as a result of

having Material Conflict of Interest may participate in deliberations, prior to a vote on the matter, if:

- (1) the material facts about the Interested Person's interest in the matter are disclosed or known to the Board or panel;

 - (3) a majority of the Directors (excluding any Interested Persons) vote to allow the Interested Person to participate in deliberations on the matter.
- (d) If a determination is made pursuant to paragraph (c) that an Interested Person may participate in deliberations prior to a vote, then the minutes of the meeting of the Board or committee thereof will reflect the determination and the reasons for the determination.
- (e) If a determination is made that all Directors are Interested Persons with respect to a matter subject to a vote by the Board, the Chief Executive Officer will appoint a panel of individuals who are not Interested Persons with respect to such matter, which will have the same authority and powers over such matter that the Board would have if the Directors were not Interested Persons with respect to such matter.
- (f) No Director, Officer or member of any committee or panel established by the Board shall use or disclose, either during his or her association with the SEF or thereafter, for any purpose other than the performance of his or her official duties and responsibilities as a Director, Officer or committee or panel member any confidential information, including any material, non-public information obtained as a result of the individual's duties and responsibilities as a Director, Officer or committee or panel member. Each Director, Officer or committee or panel member in possession of confidential information shall take all appropriate steps to safeguard the information and to protect it against disclosure, misuse, espionage, loss and theft.
- (g) Notwithstanding paragraph (f) above, a Director, Officer or member of any committee or panel established by the Board may disclose confidential information in the course of his or her official duties or disclosures made to the CFTC, any Self-Regulatory Organization, a court of competent jurisdiction or any Government Agency or pursuant to Applicable Law.

Each Sponsored Participant shall designate one or more Authorized Traders to transact on the SEF.
- (b) The Sponsoring Participant is responsible for all Orders and Transactions placed by any Person acting on behalf of or in the name of the Sponsored Participant on the SEF as if such Orders or Transactions were placed by the Sponsoring Participant (whether or not the Sponsoring Participant was aware of and/or had approved the placing of such Orders or Transactions). Any execution occurring as a result of an Order or Transaction entered by a Sponsored Participant shall be binding in all respects on the Sponsoring Participant.

 - (5) establish a limit on the maximum daily price fluctuations for any Swap and provide for any related restriction or suspension of trading in the Swap;
 - (6) establish minimum price quoting increments for each Swap; and
 - (7) require a suspended or expelled Participant, or a Participant with restricted trading rights, to have Swaps executed for the Participant to reduce or eliminate any open position or exposure to future price changes for the Participant in any Swap.

If the size is reduced, the time priority originally assigned to the Order does not change. Revising the price or increasing the size will reset the Order’s time priority in the queue to the time the SEF receives the revision.
- (6) When an Authorized Trader logs off, all of its Orders on the Order Book are terminated provided that the Authorized Trader is the owner of the Order and has not entered the Order on behalf of a Customer. - (b) The foregoing restriction shall not apply to the following:
 - (1) Block Trades; and
 - (2) Transactions where the Customer has consented to the extent required by Applicable Law.
- (c) Except as otherwise explicitly permitted under the SEF Rules, no Person shall disclose another Person's Order to buy or sell except to a designated SEF Official or the CFTC, and no Person shall solicit or induce another Person to disclose Order information. - (a) The SEF will provide a Confirmation to each counterparty to a Transaction. The Confirmation (including, with respect to Uncleared Swaps, the Terms Incorporated by Reference as defined in Rule 4012(d)(1)) shall legally supersede any previous agreement and shall constitute a confirmation as defined in CFTC Regulation 45.1. The Confirmation shall contain, among other things:
 - (1) the USI for the Transaction; and
 - (2) the identity of the Swap Data Repository to which the Transaction is being reported.
- (b) With respect to certain products, Transactions and counterparties, a Confirmation may be provided on the SEF's behalf by MarkitSERV's Organized Trading Venue (OTV) Confirmation Service or other similar confirmation service.

- (d) Confirmations for Uncleared Swaps.
 - (1) The economic terms specific to an Uncleared Swap agreed by Participants shall be reflected by the SEF in a written communication (the "Trade Communication") sent to the applicable Participants. The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master confirmation agreements and incorporated industry definitions) governing such Transaction existing at the time of such commitment to which the Participants are party (the "Terms Incorporated by Reference") shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such Transaction and serve as a confirmation of such Transaction. The provisions of this Rule 4012(d) relating to Terms Incorporated by Reference rely on relief granted by the CFTC in No-Action Letter 15-25, which expires at 11:59 p.m. (Eastern time) on March 31, 2016. Upon the expiry of No-Action Letter 15-25, the provisions of this Rule 4012(d) will cease to apply.
 - (2) In satisfaction of the obligations imposed on the SEF under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference, and (ii) the Participants hereby agree that the provisions of Rule 4012(d)(3) shall govern any conflicting terms.
 - (3) In the event of any conflict between (i) the Trade Communication and (ii) the Terms Incorporated by Reference, the Trade Communication shall prevail to the

extent of any inconsistency. This requirement shall be included in all Confirmations issued by the SEF.

- (4) For each Uncleared Swap executed on or pursuant to the rules of the SEF, each previously-negotiated freestanding agreement of the counterparties included in the Terms Incorporated by Reference must be available to the SEF and/or the CFTC staff upon request within a reasonable period of time. Any such agreements provided to the SEF in connection with a CFTC request will be furnished to the CFTC as soon as they are available.

- (b) For each Cleared Swap a Participant expects to enter into via the SEF or subject to the SEF Rules, the Participant or a Participant's Client or Customer, as applicable, must establish a clearing account with the relevant DCO or with a Clearing Member of such DCO.
- (c) Promptly upon the execution of each Transaction in a Cleared Swap, the SEF shall submit the Transaction (which may include submission through a middleware provider) to the relevant DCO. A Transaction will be deemed to have been accepted for, or rejected from, clearing upon receipt of appropriate notice, in accordance with Applicable Law, from the DCO or from a third party acting on behalf of the DCO as authorized by the DCO for such purpose. The acceptance of a Transaction for clearing shall not relieve any Participant, Client or Customer of the duty to act in good faith and with reasonable care and diligence.
- (d) If a Transaction in a Cleared Swap (including a Transaction that is a component leg of a Package Transaction) is rejected by the DCO or a third party acting on behalf of the DCO, such Transaction is void *ab initio* and shall be canceled by the SEF. and submitted for clearing without having been executed pursuant to the methods set forth in CFTC Regulations 37.9(a)(2) or 38.500. If the SEF is able to identify and determine how to correct the error or omission, it may execute the new trade without obtaining the consent of the counterparties. If the SEF is unable to determine how to correct the error or omission, the SEF, at its election, may either (x) seek guidance from the counterparties with respect to how to correct the error after which the SEF may then correct the error with the consent of both counterparties, or (y) elect not to fix the Transaction, in which case the Transaction will be treated as void *ab initio* and shall be cancelled by the SEF. Execution of a new trade pursuant to this Rule 4013(e) must occur as quickly as technologically practicable after receipt of notice of the rejection by the DCO, but, in any event, no later than 60 minutes from issuance of such notice. If the resubmitted Transaction is rejected, such Transaction will be void *ab initio* and shall be cancelled by the SEF. The counterparties may not resubmit a new Transaction a second time. The procedure set forth in this Rule 4013(e) is not available with respect to Transactions that are rejected from clearing for credit reasons. [This Rule 4013\(e\) relies on relief granted by the CFTC in No-Action Letter 15-24, which expires at 11:59 p.m. \(Eastern time\) on June 15, 2016. The SEF may also permit the original counterparties (or, if the wrong legal entity was assigned as a counterparty to the original Transaction, the intended counterparties) to enter into a prearranged Transaction that corrects the errors in the original Transaction ("Correcting Transaction"), without the Correcting Transaction having to be executed pursuant to the methods required in CFTC Regulations 37.9(a)(2) and 38.500. Offsetting Transactions and Correcting Transactions executed pursuant to this Rule 4013(f) must be executed and cleared no later than three days after the original, erroneous Transaction was executed. [This Rule 4013\(f\) relies on relief granted by the CFTC in No-Action Letter 15-24, which expires at 11:59 p.m. \(Eastern time\) on June 15, 2016. Upon the expiry of No-Action Letter 15-24, this Rule 4013\(f\) will cease to apply.](#)

- (j) A Participant may enter into an Uncleared Swap only with a counterparty with which such Participant has swap trading relationship documentation that meets the requirements of Applicable Law. A Participant may enter into an Uncleared Swap on behalf of a Customer or Client only if such Customer or Client has swap trading relationship documentation with the relevant counterparty that meets the requirements of Applicable Law. The Participant and/or Customer or Client shall provide any information requested by the SEF in the processing and settlement of such Uncleared Swaps.

Rule 5103 Errors

(a) If an Order was incorrectly executed or rejected by the SEF, a Participant may, within fifteen (15) minutes thereafter, request review of the Order by providing the confirmation number for the Order and stating the grounds for the disagreement.

If the request for review is not timely, the SEF may, in its sole discretion, perform a review of the Order. Such review will be completed (i) on the same Business Day if the SEF received such request for

review prior to two and a half hours prior to the end of Trading Hours for the Swap on any Business Day, or (ii) by the end of the following Business Day if such request was received (x) on or after such time on any Business Day or (y) on any day that is not a Business Day.

- (c) If the review described in this Rule reveals that the Order was incorrectly executed, then the Order in question shall be cancelled as to all affected parties.
- (d) If the review described in this Rule reveals that the Order was correctly executed by the SEF, then no adjustment shall be made.
- (e) Notwithstanding anything to the contrary in this Rule, if the SEF determines in its sole discretion that the execution of any Transaction was the result of Orders being incorrectly processed by the SEF, or any other cause beyond the control of any Participant, then the SEF may cancel such Transactions of all affected Participants. The SEF may also cancel, or adjust the terms of, any Transaction executed on or pursuant to the SEF Rules: (i) when the SEF determines, in its sole discretion, such action is necessary, for example, to mitigate market disrupting events caused by malfunctions in the SEF's trading systems or platforms or by errors in any Order(s) submitted, or (ii) at any time the SEF determines, in its sole discretion, that allowing a Transaction to stand as executed may have a material adverse effect on the integrity of the market.
- (f) If a Participant incorrectly enters a Transaction and requires the SEF to submit a correction of the Transaction to the Swap Data Repository, the Participant must inform the SEF of any such correction within two (2) Business Days of the Transaction's trade date. Such Participant must obtain the counterparty's (if applicable) consent to any such correction and retain evidence of such consent in accordance with the SEF's recordkeeping rules.

ENFORCEMENT OF RULES AND
DISCIPLINARY PROCEEDINGS

Rule 6000 General

- (a) All Participants, Sponsored Participants, Account Managers, Authorized Traders, Clients, Customers, Supervised Persons and any other Person using a User ID of a Participant or login credentials linked to a Participant or User ID shall be subject to the SEF's jurisdiction. Any Participant, Sponsored Participant, Account Manager, Authorized Trader, Client, Customer, Supervised Person or other Person using a User ID of a Participant or login credentials linked to a Participant or User ID is subject to this Section 6 if such person is alleged to have violated, to have aided and abetted a violation, to be violating, or to be about to violate, any SEF Rule or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction.
- (b) The SEF, through its Market Regulation Department, Review Panels, Disciplinary Panels and Appeals Panels will conduct inquiries, investigations, disciplinary proceedings and appeals from disciplinary proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Section 6.
- (c) The SEF and its Regulatory Services Provider are parties to a Regulatory Service Agreement as referenced in Rule 2600, pursuant to which the Regulatory Services Provider has agreed to perform certain regulatory services described in this Section 6 on behalf of SEF. The SEF Rules that refer to the SEF, SEF staff, the Market Regulation Department and other SEF departments should be understood as also referring to the Regulatory Services Provider, the Regulatory Services Provider staff and the Regulatory Services Provider departments acting on behalf of SEF pursuant to the Regulatory Services Agreement. Notwithstanding the fact that the SEF has entered into the Regulatory Services Agreement with its Regulatory Services Provider to perform some of the SEF's functions, the SEF shall retain ultimate legal responsibility for, and control of, such functions.
- (d) No SEF Official will interfere with or attempt to influence the process or resolution of a Disciplinary Action except to the extent provided under the SEF Rules with respect to a proceeding in which the SEF Official is a member of the relevant panel.
- (e) Any Participant, Sponsored Participant, Account Manager, Authorized Trader, Client, Customer or Supervised Person may be represented by counsel during any Disciplinary Action pursuant to this Section 6.
- (f) The SEF may hold a Participant liable for, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation as well as for the acts and omissions of each (A) Authorized Trader of such Participant, (B) other Supervised Person of such Participant, (C) other Person using a User ID of such Participant or login credentials linked to the Participant or User ID, (D) agent or representative of such Participant, in each case, that constitute a violation as if such

violation were that of the Participant, or (E) Sponsored Participant, Client or Customer of such Participant.

- (g) The SEF may hold an Authorized Trader liable for, and impose sanctions against such Authorized Trader for, such Authorized Trader's own acts and omissions that constitute a violation as well as or for the acts and omissions of any agent or representative of such Authorized Trader that constitute a violation as if such violation were that of the Authorized Trader.

Rule 6001 Inquiries and Investigations

- (a) The SEF, through its Market Regulation Department, will investigate any matter within the SEF's jurisdiction of which it becomes aware. The Market Regulation Department will commence an investigation upon the receipt of a request from CFTC staff or upon the discovery or receipt of information by the SEF, or its trading or market surveillance or review of other information or other SEF data, that, in the judgment of the Market Regulation Department, indicates a possible basis for finding that a violation has occurred or will occur. The Market Regulation Department will determine the nature and scope of its inquiries and investigations in its sole discretion. The Market Regulation Department shall inform the Chief Compliance Officer of all inquiries.
- (b) The Market Regulation Department may:
 - (1) initiate and conduct inquiries and investigations;
 - (2) prepare Investigation Reports and make recommendations concerning initiating disciplinary proceedings;
 - (3) prosecute alleged violations within the SEF's disciplinary jurisdiction; and
 - (4) represent the SEF on summary imposition of fines, summary suspension or other summary action.
- (c) Each Participant, Sponsored Participant, Account Manager, Authorized Trader, Customer, Client and Supervised Person and any other Person that is subject to the SEF Rules:
 - (1) is obligated to appear and testify and respond in writing to interrogatories within the time period required by the SEF in connection with:
 - (i) any SEF Rule or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction;
 - (ii) any Disciplinary Action; or
 - (iii) any preparation for and presentation during a Disciplinary Action;

- (2) is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the SEF in connection with:
 - (i) any SEF Rule or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction;
 - (ii) any Disciplinary Action;
 - (iii) any preparation for and presentation during a Disciplinary Action; and
- (3) may not impede or delay any Disciplinary Action.
- (d) Each investigation will be completed in a timely manner. Absent mitigating factors, a timely manner is no later than twelve (12) months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation taking longer than twelve (12) months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed by the Market Regulation Department.

Rule 6002 Reports of Investigations

- (a) The Market Regulation Department will maintain a log of all investigations and their disposition. The Market Regulation Department will prepare an Investigation Report, regardless of whether the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the SEF's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.
- (b) The Investigation Report will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, Market Regulation Department's analysis and conclusions, the potential respondent's disciplinary history at the SEF, and the recommendation of the Market Regulation Department. For each potential respondent, the Market Regulation Department will recommend:
 - (1) closing the investigation without further action;
 - (2) settlement;
 - (3) summary action;
 - (4) initiating disciplinary proceeding; or

- (5) resolving the investigation through an informal disposition, including the issuance of a warning letter. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction.
- (c) The Market Regulation Department will submit the Investigation Report to the Chief Compliance Officer for review. After reviewing the Investigation Report, the Chief Compliance Officer will:
 - (1) proceed with the Market Regulation Department's recommendation; or
 - (2) forward the Investigation Report to a Review Panel as discussed in Rule 6004.

Rule 6003 Opportunity to Respond

- (a) If the Review Panel authorizes disciplinary proceedings or the Chief Compliance Officer determines to proceed with the Market Regulation Department's recommendation to initiate disciplinary proceedings, the Market Regulation Department will notify each potential respondent that the Market Regulation Department or Review Panel has recommended formal disciplinary charges against the potential respondent.
- (b) The SEF may allow a potential respondent to propose a settlement of the matter or to submit a written statement explaining why a disciplinary proceeding should not be instituted or one or more of the potential charges should not be brought. The potential respondent shall submit such written statement within the time limit established by the Market Regulation Department.

Rule 6004 Review of Investigation Reports

- (a) The Chief Compliance Officer may, in his/her discretion, convene a Review Panel to review the Investigation Report.
- (b) The Review Panel shall be comprised of three individuals, at least one of whom will be a Public Director. No member of the Review Panel may be involved in the adjudication of any other stage of the same proceeding. If a vacancy occurs on a Review Panel after it has begun a proceeding, the remaining members of the panel shall complete consideration and disposition of the matter. Once the Review Panel has provided its decision, it shall be dissolved automatically.
- (c) The Review Panel will review the Investigation Report and, within 30 days of receiving the Investigation Report, will take one (1) of the following actions:
 - (1) If the Review Panel determines that additional investigation or evidence is needed, it will promptly direct the Market Regulation Department to conduct further investigation or obtain additional evidence.
 - (2) If the Review Panel determines that no reasonable basis exists for finding a violation of the SEF Rules or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction has occurred or is about to occur or that

adjudication is otherwise unwarranted, it may direct that no further action be taken. Such determination will be in writing, and will include the reason the investigation was initiated, a summary of the complaint, a written statement setting forth the facts and analysis supporting the decision and, if applicable, any recommendations. The Review Panel shall also provide the written statement to any applicable Regulatory Services Provider.

- (3) If the Review Panel determines that a reasonable basis exists for finding a violation of the SEF Rules or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction has occurred or is about to occur and adjudication is warranted, the Review Panel will determine for each potential respondent whether to authorize:
 - (i) the informal disposition of the investigation (by issuing a warning letter or otherwise) because disciplinary proceedings are unwarranted, in which case the Review Panel shall provide a written explanation to any Regulatory Services Provider;
 - (ii) the closing of the investigation without any action because no reasonable basis exists to believe that a violation within the SEF's jurisdiction has occurred or is about to occur in which case the Review Panel shall provide a written explanation to any Regulatory Services Provider; or,
 - (iii) the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the SEF's jurisdiction has occurred or is about to occur.

Rule 6005 Notice of Charges

- (a) If the Review Panel authorizes disciplinary proceedings or the Chief Compliance Officer elects to follow the recommendation of the Market Regulation Department to commence a disciplinary proceeding, the Chief Compliance Officer will appoint a Disciplinary Panel as provided in this Section. In addition, the Market Regulation Department will prepare, and serve in accordance with Rule 6007, a notice of charges.
- (b) A notice of charges will:
 - (1) state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (2) state the SEF Rule or other provision of Applicable Law alleged to have been violated or about to be violated;
 - (3) state the proposed sanctions;
 - (4) advise the respondent of its right to a hearing;

- (5) advise the respondent of its right to be represented by legal counsel of its choosing in all succeeding stages of the disciplinary process
- (6) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 days after service of the notice of charges;
- (7) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
- (8) advise the respondent that any allegation in the notice of charges that is not expressly denied or answered will be deemed to be admitted.

Rule 6006 Answer to Notice of Charges

- (a) If the respondent determines to answer a notice of charges, the respondent must file answers within 20 days after being served with such notice, or within such longer time period determined by the Disciplinary Panel in accordance with Rule 6012.
- (b) To answer a notice of charges, the respondent must in writing:
 - (1) specify the allegations that the respondent denies or admits;
 - (2) specify the allegations that the respondent does not have sufficient information to either deny or admit;
 - (3) specify any specific facts that contradict the notice of charges;
 - (4) specify any affirmative defenses to the notice of charges; and
 - (5) sign and serve the answer on the Disciplinary Panel.
- (c) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the foregoing requirements.

Rule 6007 Service of Notice of Charges

- (a) Any notice of charges or other documents to be served pursuant to this Section 6 may be served upon the respondent, and service shall be deemed complete either personally or by leaving the same at his or her place of business; by deposit in the United States

mail, addressed to respondent at the address as it appears on the books and records of the SEF.

- (b) Any notice of charges or other documents contemplated to be served pursuant to this Section 6 may also be served upon the respondent and service shall be deemed complete via electronic mail to the electronic mail address as it appears on the books and records of the SEF.

Rule 6008 Settlements

- (a) A respondent or potential respondent may at any time propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.
- (b) Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Market Regulation Department.
- (c) A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.
- (d) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Market Regulation Department will forward the offer to the Chief Compliance Officer with a recommendation on whether to accept or reject the offer. Any preliminary determination by the Chief Compliance Officer to accept the offer shall be submitted for review by the Disciplinary Panel. If the Disciplinary Panel agrees, then the Chief Compliance Officer shall conditionally accept an offer of settlement, and the settlement will become final upon the expiration of 20 days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.
- (e) If an offer of settlement is accepted, the Disciplinary Panel will issue a written decision specifying the rule violations it has reason to believe were committed, including the basis or reasons for the panel's conclusions, and any sanction to be imposed, which must include full customer restitution where customer harm is demonstrated. If an offer of settlement is accepted without the agreement of the Market Regulation Department or Chief Compliance Officer, the decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.
- (f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a

waiver of the right to notice, opportunity for a hearing and review and appeal under the SEF Rules.

- (g) The respondent may withdraw his or her offer of settlement at any time before final acceptance by the Disciplinary Panel. If an offer is withdrawn after submission, or is rejected by the Disciplinary Panel, the respondent must not be deemed to have made any admissions by reason of the offer of settlement and must not be otherwise prejudiced by having submitted the offer of settlement.
- (h) If the offer of settlement of a respondent or potential respondent is not accepted by agreement between the Chief Compliance Officer and the Disciplinary Panel, fails to become final, or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Market Regulation Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of disciplinary proceedings.

Rule 6009 Disciplinary Panel

- (a) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any disciplinary proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions. The Disciplinary Panel will be comprised of three individuals, at least one of whom will be a Public Director. The Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance Officer. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has made its decision and notified all relevant parties, it shall be dissolved automatically.
- (b) Within ten (10) days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in the SEF Rules or for any other reasonable grounds by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The Chief Compliance Officer, in consultation with the General Counsel, of the SEF will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.
- (c) No Person shall serve on a Disciplinary Panel unless that Person has agreed in writing that he or she will not publish, divulge, or make known in any manner, any facts or information regarding the business of any Person or any other information which may come to his attention in his official capacity as a member of the Disciplinary Panel, except when reporting to the Board or to a committee concerned with such information

or to the Market Regulation Department, when requested by the CFTC or other governmental agency or when compelled to testify in any judicial or administrative proceeding.

- (d) All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a SEF investigation or as required by law.

Rule 6010 Convening Hearings of Disciplinary Proceedings

- (a) A hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (b) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Market Regulation Department.
- (c) The chair of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered.
- (d) In determining procedural and evidentiary matters, the chair of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The General Counsel of the SEF, or his or her designee, may provide guidance to the chair of the Disciplinary Panel on the conduct of the hearing.
- (e) Except for procedural and evidentiary matters decided by the chair of the Disciplinary Panel pursuant to paragraph (c) above and Rule 6012, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

Rule 6011 Respondent Review of Evidence

- (a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the SEF that the Market Regulation Department will use to support the allegations and proposed sanctions in the notice of charges or which the chair of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the

right to review, and the SEF will have no obligation to disclose, any information protected by work product or attorney-client privilege.

- (b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Market Regulation Department, the Market Regulation Department may redact, edit or code such information before furnishing it to the respondent.
- (c) Notwithstanding anything in paragraph (b) above to the contrary, the Market Regulation Department:
 - (1) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (2) will provide the respondent with access to the information and portions of the documents that the Market Regulation Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.
- (d) For purposes of this Rule 6011, information that could adversely affect competitive positions may include positions in Swaps or other positions currently held, trading strategies employed in establishing or liquidating positions, the identity of any Customer, Client, Sponsored Participant, Participant or Authorized Trader and the personal finances of the Person providing the information.

Rule 6012 Conducting Hearings of Disciplinary Proceedings

- (a) At a hearing conducted in connection with any disciplinary proceedings, the Market Regulation Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to attend and participate in the hearing.
- (b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Market Regulation Department and each respondent may:
 - (1) present evidence and facts determined relevant and admissible by the chair of the Disciplinary Panel;
 - (2) call and examine witnesses; and
 - (3) cross-examine witnesses called by other parties.
- (c) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chair of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an

answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 6006.

- (d) If the respondent has requested a hearing on a charge that the respondent denies, or on a sanction set by the Disciplinary Panel under Rule 6014, the respondent will be given an opportunity for a hearing in accordance with the SEF Rules. Except for good cause, such hearing will be limited to addressing those charges denied by the respondent and/or sanctions set by the Disciplinary Panel under Rule 6014 for which a hearing has been requested.
- (e) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(2) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. All Participants (that are individuals) and Supervised Persons that are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. The SEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.
- (f) If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule of the SEF or any other provision of Applicable Law for which the SEF has disciplinary jurisdiction other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 6006. In connection with considering apparent violations pursuant to this paragraph (f), the Disciplinary Panel may request that the Market Regulation Department provide the Disciplinary Panel with any additional information related to the violations at issue.
- (g) The Disciplinary Panel may provide that a sanction be summarily imposed upon any Person within its jurisdiction whose actions impede the progress of a hearing.
- (h) If the respondent has requested the hearing, a copy of the hearing must be made and must become a part of the record of the proceedings. The SEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chair of the Disciplinary Panel may within his or her sole discretion require the respondent to pay the costs for transcribing the recording of the hearing.
- (i) No interlocutory appeals of rulings of any Disciplinary Panel or chair of the Disciplinary Panel are permitted.

Rule 6013 Decision of Disciplinary Panel

- (a) Promptly following a hearing, the Disciplinary Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.
- (b) The Disciplinary Panel will serve a copy of the order of the disciplinary proceedings on the respondent and the Market Regulation Department. The order will include:
 - (1) the notice of charges or summary of the charges;
 - (2) the answer, if any, or a summary of the answer;
 - (3) a summary of the evidence produced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;
 - (4) a statement of findings of fact and conclusions with respect to each charge, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each charge;
 - (5) each specific SEF Rule and/or other provision of Applicable Law that the respondent was found to have violated; and
 - (6) a declaration of all sanctions imposed against the respondent, if any, including the basis for such sanctions and the effective date of each sanction.
- (c) The order of the disciplinary proceedings will become final upon the expiration of twenty (20) days after the order is served on the respondent and provided to the Market Regulation Department.

Rule 6014 Sanctions

- (a) After notice and opportunity for hearing in accordance with the SEF Rules, the SEF will impose sanctions if any Customer, Client, Sponsored Participant, Participant, Account Manager, Authorized Trader, Supervised Person or other Person using a Participant's User ID or login credentials linked to a Participant or User ID who is found to have violated or to have attempted to violate a SEF Rule or other provision of Applicable Law for which the SEF has disciplinary jurisdiction. All sanctions must take into account the respondent's disciplinary history. In the event of demonstrated customer harm, any sanction must also include full customer restitution.

The SEF may impose one or more of the following sanctions or remedies:

- (1) censure;

- (2) limitation on Trading Privileges, ability to otherwise access the SEF, and/or other activities, functions or operations;
 - (3) suspension of Trading Privileges and/or ability to otherwise access the SEF;
 - (4) fine (subject to paragraph (b) below);
 - (5) restitution and/or disgorgement;
 - (6) termination of Trading Privileges and/or ability to otherwise access the SEF; or
 - (7) any other sanction or remedy deemed to be appropriate.
- (b) The SEF may impose a fine of up to \$100,000, unless aggravating or mitigating circumstances otherwise warrant as determined by the SEF, for each violation of the SEF Rules or other provision of Applicable Law for which the SEF has disciplinary jurisdiction. The minimum fine for any one violation is \$1,000. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The SEF has sole discretion to select the bank on whose quotations it will base the prime rate. Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Supervised Persons.

Rule 6015 Right to Appeal from Disciplinary Panel Decision, Summary Impositions of Fines and Other Summary Actions

- (a) Each respondent found by the Disciplinary Panel to have violated the SEF Rules or other provision of Applicable Law for which the SEF has disciplinary jurisdiction or who is subject to any summary fine imposed pursuant to Rule 6016 or any other summary action may appeal the decision within 20 days of receiving the order of the Disciplinary Panel or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Compliance Officer.
- (b) The SEF may appeal all or any part of a decision of the Disciplinary Panel, including any sanctions that may or may not have been imposed by the Disciplinary Panel, within 20 days of receiving the order of the Disciplinary Panel, by filing a notice of appeal with the Chief Compliance Officer.
- (c) While an appeal is pending, the effect of the order of the Disciplinary Panel or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended.
- (d) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the appellant objects. An appellant may appeal the order of the Disciplinary Panel or any summary action on the grounds that:

- (1) the order or summary action was arbitrary, capricious, an abuse of discretion or not in accordance with the SEF Rules;
 - (2) the order or summary action exceeded the authority or jurisdiction of the Disciplinary Panel, the Chief Compliance Officer or the SEF;
 - (3) the order or summary action failed to observe required procedures;
 - (4) the order or summary action was unsupported by the facts or evidence; or
 - (5) the sanctions, remedies or costs imposed were inappropriate or unsupported by the record.
- (e) The Chief Compliance Officer will forward copies of any notice of appeal received by him or her to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on the appellee a brief supporting the notice of appeal and documents supporting the brief. On or before the 20th day after the date on which the appellant serves its supporting brief, the appellee must file and serve its brief in opposition on the Chief Compliance Officer and the appellant. On or before the 10th day after the date on which the appellee serves its brief in opposition, the appellant may file and serve on the SEF a brief in reply.
- (f) In connection with any appeal, the SEF will furnish to the Chief Compliance Officer and to the appellant and appellee a transcript of the hearing and any exhibits introduced at the hearing.
- (g) No later than 30 days after the last submission filed pursuant to paragraph (e) of this Rule 6015, the Chief Compliance Officer will appoint an Appeals Panel to consider and determine the appeal. An Appeals Panel shall be comprised of three individuals, none of whom shall be a member of the Market Regulation Department or have been a member of the Disciplinary Panel involved in the matters on appeal. The chairperson of the Appeals Panel shall be an individual who would not be disqualified from serving as a Public Director.
- (h) Within 10 days of being notified of the appointment of the Appeals Panel, an appellant or appellee may seek to disqualify any individual named to the Appeals Panel or any person designated as chairperson thereof for the reasons identified in Rule 2500 or in the definition of Public Director (as the case may be) or on other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the appellant or appellee will be deemed to have waived any objection to the composition of the Appeals Panel and appointment of its chairperson. The Chief Compliance Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

- (i) The Appeals Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeals Panel may appoint an expert to attend any hearing and assist in the deliberations if such individual(s) agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeals Panel will not be bound by evidentiary or procedural rules or law.
- (j) The Appeals Panel will only consider on appeal the record before the Disciplinary Panel or, in the case of a summary action, the record considered by the Chief Compliance Officer, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeals Panel may only consider new evidence when the Appeals Panel is satisfied that good cause exists for why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.
- (k) After completing its review, the Appeals Panel may affirm, modify or reverse any order of the Disciplinary Panel or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the SEF Rules, or remanding the matter to the same or a different Disciplinary Panel for further disciplinary proceedings or for reconsideration by the Chief Compliance Officer in the case of summary action. The Appeals Panel may order a new hearing for good cause or if the Appeals Panel deems it appropriate.
- (l) As promptly as reasonably possible following its review, the Appeals Panel will issue a written decision on appeal rendering its decision based on the preponderance of the evidence before the Appeals Panel and will provide a copy to the Chief Compliance Officer, the appellant and the appellee. The decision of the Appeals Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific SEF Rule and other provision of Applicable Law for which the SEF has disciplinary jurisdiction that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost.
- (m) The Appeals Panel's written order on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies and costs, and the effective date of any sanction, remedy cost) will be the final action of the SEF and will not be subject to appeal within the SEF; provided, however, that any suspension, expulsion, disciplinary or access denial action or other adverse action by the SEF may (to the extent required thereby) be subject to review by the CFTC pursuant to Part 9 of the CFTC's Regulations.

Rule 6016 Summary Imposition of Fines

- (a) The Chief Compliance Officer may summarily impose a fine against a Participant (or any of its Supervised Persons or other Persons using any of the Participant's User IDs or login credentials linked to the Participant or its User IDs) for failing:
 - (1) to make timely and accurate submissions to the SEF of notices, reports or other information required by the SEF Rules;
 - (2) to make timely payments of fees, cost, charges or fines to the SEF; or
 - (3) to keep any books and records required by the SEF Rules.
- (b) The Market Regulation Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule to each Participant or Supervised Person subject thereto. The notice will specify:
 - (1) the violations of the SEF Rules for which the fine is being imposed;
 - (2) the date of the violation for which the fine is being imposed; and
 - (3) the amount of the fine.
- (c) Within 20 days of serving the notice of fine, the Participant or Authorized Trader, as the case may be, must either pay or cause the payment of the fine. If a fine or other amount is not paid within 20 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The SEF has sole discretion to select the bank on whose quotations it will base the prime rate. The Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Supervised Persons.
- (d) The SEF will set the amount of any fines imposed pursuant to this Rule 6016 at no less than \$1,000 per violation, with the maximum fine for each violation not to exceed \$5,000. Recurring violations will be subject to progressively larger fines. Summary imposition of fines pursuant to this Rule 6016 will not preclude the SEF from bringing any other action against the Participant (or any of its Supervised Persons).

Rule 6017 Warning Letters

The SEF authorizes the Market Regulation Department to issue a warning letter to a Person or entity under investigation or to recommend that a Disciplinary Panel take such an action. A warning letter issued in accordance with this Rule is not a penalty or an indication that a finding of a violation has been made. A copy of a warning letter issued by the Market Regulation Department will be included in the Investigation Report. No more than one warning letter for the same potential violation may be issued to the same Person or entity during a rolling 12-month period.

Rule 6018 Summary Access Denial Actions

- (a) The Chief Compliance Officer, upon a good faith determination that there is a reasonable belief that such immediate action is necessary to protect the best interests of the SEF, may summarily suspend, revoke, limit, condition, restrict or qualify the Trading Privileges of a Participant or any Supervised Person, including denial of access to the SEF.
- (b) Non-Participants may be denied access to the SEF by the Chief Compliance Officer upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the best interests of the SEF.
- (c) If practicable, a respondent must be served with a notice before the action is taken or otherwise at the earliest possible opportunity. The notice must state the action taken, the reasons for the action, and the effective date, time and the duration of the action taken. The party shall be advised of his right to a hearing, as soon as reasonably practicable, before a Disciplinary Panel by filing notice of intent with the Market Regulation Department within ten (10) Business Days of the notice date.

Rule 6019 Rights and Responsibilities after Suspension or Termination

- (a) When a Person's Trading Privileges and/or ability to otherwise access the SEF are suspended for a period of 12 months or less, none of its rights (including the right to hold oneself out to the public as a Participant or Authorized Trader, enter Orders into the SEF, submit Block Trades to the SEF, and receive Participant rates for fees, costs, and charges) will apply during the period of the suspension, except for the right of the Person in question to assert claims against others as provided in the SEF Rules. Any such suspension will not affect the rights of creditors under the SEF Rules or relieve the Person in question of its, his or her obligations under the SEF Rules to perform any Swaps entered into before the suspension, or for any SEF fees, costs, or charges incurred during the suspension. The SEF may discipline a suspended Person under this Section 6 for any violation of a Rule of the SEF or other provision of Applicable Law committed by such Person before, during or after the suspension.
- (b) When a Person's Trading Privileges and/or ability to otherwise access the SEF are terminated, all of its related rights will terminate, except for the right of the Person in question to assert claims against others, as provided in the SEF Rules. Any such termination will not affect the rights of creditors under the SEF Rules.
- (c) The SEF will not consider the application of a terminated Participant or Authorized Trader if such Participant or Authorized Trader, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.
- (d) A suspended or terminated Person remains subject to the SEF Rules and the jurisdiction of the SEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal of disciplinary

proceedings, summary suspension or other summary action as if the suspended or Person still had Trading Privileges or ability to otherwise access the SEF.

Rule 6020 Notice to the Respondent, the Regulatory Services Provider and the Public

The SEF will provide written notice of disciplinary proceedings to the parties and the Regulatory Services Provider consistent with applicable CFTC Regulations. Whenever the SEF suspends, expels, fines or otherwise disciplines, or denies any Person access to the SEF, the SEF will make the disclosures and notifications required by Part 9 of the CFTC's Regulations (including by any of the alternative methods available thereunder) and any other applicable CFTC Regulations.

Rule 6021 Costs

- (a) Regardless of the outcome of any disciplinary proceeding, the Disciplinary Panel may order a respondent to pay some or all of the costs associated with the disciplinary proceedings if the Disciplinary Panel concludes that the respondent has behaved in a manifestly unreasonable manner. Costs may include costs associated with the inquiry or investigation, the prosecution by the Market Regulation Department, legal and professional assistance, the hearing and administrative and other expenses incurred by the Disciplinary Panel.
- (b) The Disciplinary Panel may only award costs against the SEF if the panel concludes that the SEF has behaved in a manifestly unreasonable manner in the commencement or conduct of the disciplinary proceedings in question. The Disciplinary Panel must limit any award of costs against the SEF to an amount that the panel concludes is reasonable and appropriate, but does not exceed the respondent's costs for external legal or other external professional assistance.
- (c) The Disciplinary Panel may determine the amounts and allocation of costs in any manner it may deem appropriate. The SEF or the respondent will pay any costs ordered to be paid by it by the Disciplinary Panel within 30 days of written notice of the amount imposed by the Disciplinary Panel. If costs are not paid within 20 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. The SEF has sole discretion to select the bank on whose quotations it will base the prime rate. Participant will be responsible for paying any costs imposed on, but not paid by, any of its Supervised Persons.

Rule 6022 Ex Parte Communications

- (a) A Person subject to a disciplinary proceeding or an appeal from a disciplinary proceeding (and any counsel or representative of such Person) and the Market Regulation Department (and any counsel or representative of the Market Regulation Department) shall not knowingly make or cause to be made an *ex parte* communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary

proceeding to any member of the Disciplinary Panel or Appeals Panel hearing such proceeding.

- (b) Members of a Disciplinary Panel or an Appeals Panel shall not knowingly make or cause to be made an *ex parte* communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary proceeding to any Person subject to such proceeding (and any counsel or representative of such Person) or the Market Regulation Department (and any counsel or representative of the Market Regulation Department).
- (c) Any Person who receives, makes or learns of any communication that is prohibited by this Rule 6022 shall promptly give notice of such communication and any response thereto to the Market Regulation Department and all parties to the proceeding to which the communication relates.
- (d) A Person shall not be deemed to have violated this rule if the Person refuses an attempted communication concerning the merits of a proceeding as soon as it becomes apparent the communication concerns the merits.

Rule 6023 [Reserved]

Rule 6024 Extension or Waiver of the SEF Rules

If necessary and expedient, the Chief Compliance Officer may, in his or her sole discretion, waive, or extend the time period for performing, any act or acts designated by the SEF Rules, but only to the extent such waiver or extension is not inconsistent with the CEA, CFTC Regulations or other applicable regulations.

Rule 6025 Effect of Amendment, Repeal or New Rule

- (a) If an amendment or repeal of a Rule or adoption of a new Rule does not materially change the terms or conditions of a Swap and does not affect the value of open Swaps, then the effective date of any amendment or repeal of a Rule or adoption of a new Rule relating to Swaps is binding on all Swaps entered into before and after the effective date of such amendment, repeal or adoption.
- (b) If an amendment or repeal of a Rule or adoption of a new Rule materially changes the terms or conditions of a Swap or affects the value of open Swaps, then the amendment, repeal or new Rule is binding only on Swaps listed for trading after the effective date of such amendment, repeal or adoption, and Swaps listed as of the effective date of such amendment, repeal or adoption with no open positions then in existence, unless otherwise specifically provided by the Board.

Rule 6026 Swap Contract Specifications

- (a) Notwithstanding any provision of the SEF Rules to the contrary, the Swap Specification with respect to a particular Swap shall govern the applicability of the SEF Rules to trading in such Swap and, in the event of any conflict between the SEF Rules and the Swap Specification, the Swap Specification shall govern with respect to trading in the relevant Swap.
- (b) The Swap Specification for each individual Swap may specify:
 - (1) different classes of Participants eligible to trade such Swaps. Each such class of Participants shall have the rights and obligations specified by the Swap Specification for each such Swap;
 - (2) whether such Swap may be settled via cash settlement, physical delivery of the underlying commodity, or by any other means, as applicable; and
 - (3) the method for determining settlement prices.
- (c) Each Swap Specification will be published by the SEF on its website.
- (d) The SEF shall permit trading only in Swaps that are not readily susceptible to manipulation.

Rule 6027 Governing Law, Jurisdiction and Dispute Resolution

- (a) The law of the State of New York governs the SEF Rules regardless of the laws that would otherwise apply under applicable choice-of-law principles.
- (b) Any dispute between the SEF and a Person arising from or in connection with the SEF Rules or use of the SEF must be brought to arbitration pursuant to subsection (c) of this Rule 6027 within two (2) years from the occurrence of the event giving rise to the

dispute. This Rule 6027 shall in no way create a cause of action nor authorize an action that would otherwise be prohibited by the SEF Rules.

- (c) Any dispute between the SEF and a Person arising from or in connection with the SEF Rules will be settled by arbitration administered in New York County, New York by the American Arbitration Association (the “AAA”) under its Commercial Arbitration Rules. The dispute will be submitted to one arbitrator who will be appointed by the AAA. Any arbitrator appointed for purposes of this Rule 6027 will have experience with and knowledge of commodities, derivatives and Swaps as listed on the National Roster of Arbitrators kept in the AAA’s records. Judgment on the award rendered by the arbitrator will be binding on the parties and may be entered in any state or federal court sitting in New York County, New York, and the SEF and each Person shall be deemed to have consented to the personal jurisdiction of any such court. Each party to the dispute will bear its own costs and expenses in connection with any arbitration hereunder, as well as an equal share of the administrative fees and the fees of the arbitrator; *provided, however*, that the arbitrator will be entitled to include in any award a full reimbursement for the prevailing party’s costs and expenses, such party’s share of the administrative fees and the fees of the arbitrator, or any combination of any or all of the above. In the event that this Rule 6027 is held to be unenforceable in connection with any dispute or a claim is deemed by a court of competent jurisdiction to be not arbitrable, (i) exclusive jurisdiction for any such dispute will reside in any state or federal court sitting in New York County, New York, (ii) the SEF and the Person involved in the dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iii) an action to enforce any judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue. Finally, all Persons unconditionally and irrevocably waive any and all right to trial by jury in connection with any such dispute.

Rule 6028 Limitation of Liability, Indemnity

- (a) UNLESS ARISING OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE SEF, THE SEF, ITS SUBSIDIARIES AND AFFILIATES AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS (EACH A “RELATED PARTY” AND COLLECTIVELY “RELATED PARTIES”) HAVE NO LIABILITY, CONTINGENT OR OTHERWISE, TO PARTICIPANTS OR TO THIRD PARTIES, FOR THE CORRECTNESS, QUALITY, ACCURACY, SECURITY, COMPLETENESS, RELIABILITY, PERFORMANCE, TIMELINESS, PRICING OR CONTINUED AVAILABILITY OF THE SEF SERVICES OR FOR DELAYS OR OMISSIONS OF THE SEF SERVICES, OR FOR THE FAILURE OF ANY CONNECTION OR COMMUNICATION SERVICE TO PROVIDE OR MAINTAIN PARTICIPANT ACCESS TO THE SEF SERVICES, OR FOR ANY INTERRUPTION IN OR DISRUPTION OF A PARTICIPANT’S ACCESS OR ANY ERRONEOUS COMMUNICATIONS BETWEEN THE SEF AND A PARTICIPANT. THE SEF AND ITS RELATED PARTIES ARE NOT LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHICH A PARTICIPANT OR ANY THIRD PARTY MAY INCUR OR

EXPERIENCE BECAUSE THE PARTICIPANT ENTERED INTO THESE TERMS OR RELIED ON THE SEF SERVICES, EVEN IF THE SEF KNOWS OF THE POSSIBILITY OF THOSE DAMAGES. THE SEF AND ITS RELATED PARTIES ARE NOT RESPONSIBLE FOR INFORMING A PARTICIPANT OF ANY DIFFICULTIES THE SEF OR OTHER THIRD PARTIES EXPERIENCE CONCERNING USE OF THE SEF SERVICES OR TO TAKE ANY ACTION IN CONNECTION WITH THOSE DIFFICULTIES. THE SEF AND ITS RELATED PARTIES ALSO HAVE NO DUTY OR OBLIGATION TO VERIFY, CORRECT, COMPLETE OR UPDATE ANY INFORMATION DISPLAYED IN THE SEF SERVICES. EACH PARTICIPANT IS SOLELY RESPONSIBLE FOR ANY LOSSES, DAMAGES OR COSTS RESULTING FROM THE PARTICIPANT'S RELIANCE ON ANY DATA OR INFORMATION THAT THE SEF MAY PROVIDE IN CONNECTION WITH A PARTICIPANT'S USE OF THE SEF SERVICES.

- (b) THE SEF DOES NOT MAKE ANY RECOMMENDATION AS TO THE SUITABILITY OF ANY INVESTMENT OR PROPOSED TRANSACTION. EACH PARTICIPANT ACKNOWLEDGES THAT THE SEF WILL NOT, AND ARE UNDER NO DUTY TO, PROVIDE ADVICE IN RELATION TO ANY SUCH TRANSACTION OR PROPOSED TRANSACTION THROUGH ANY SEF SERVICE. EACH PARTICIPANT AGREES THAT (I) THE SEF SERVICES ARE NOT AND WILL NOT BE THE BASIS FOR ANY OF INVESTMENT DECISIONS BY A PARTICIPANT AND (II) PARTICIPANTS ARE SOLELY RESPONSIBLE FOR (A) ANY INVESTMENT OR TRADING DECISIONS THAT THE PARTICIPANT MAKES WITH RESPECT TO THE PRODUCTS AVAILABLE VIA ANY SEF SERVICE AND (B) DETERMINING WHETHER ANY TRANSACTION IS SUITABLE, APPROPRIATE OR ADVISABLE FOR THE PARTICIPANT OR SPONSORED PARTICIPANT OR CLIENTS OR CUSTOMERS. PROVISION OF THE SEF SERVICES DOES NOT MAKE THE SEF AN ADVISOR OR FIDUCIARY FOR A PARTICIPANT, SPONSORED PARTICIPANT, CLIENT OR CUSTOMER. THESE TERMS DO NOT CONSTITUTE AN OFFER TO SELL OR SOLICITATION OF AN OFFER TO BUY SECURITIES OR OTHER INSTRUMENTS. IN ADDITION, THE SEF SERVICES DO NOT INCLUDE ANY INVESTMENT, FINANCIAL, LEGAL OR TAX ADVICE WHICH PARTICIPANT MAY DESIRE OR NEED IN CONNECTION WITH ANY TRANSACTION. PARTICIPANTS ARE RESPONSIBLE FOR OBTAINING ANY LEGAL OR TAX ADVICE.
- (c) IF A THIRD PARTY CLAIMS THAT THE SEF SERVICES INFRINGE UPON ITS PATENT COPYRIGHT, OR TRADE SECRET, OR ANY SIMILAR INTELLECTUAL PROPERTY RIGHT, THE SEF WILL DEFEND THE PARTICIPANT AGAINST THAT CLAIM AT THE SEF'S EXPENSE AND PAY ALL DAMAGES THAT A COURT FINALLY AWARDS, PROVIDED THAT THE PARTICIPANT PROMPTLY NOTIFY THE SEF IN WRITING OF THE CLAIM AND COOPERATE WITH THE SEF IN THE DEFENSE OR ANY RELATED SETTLEMENT NEGOTIATIONS. THE SEF SHALL HAVE SOLE CONTROL OVER THE DEFENSE AND ANY NEGOTIATION FOR ITS SETTLEMENT OR

COMPROMISE. IF SUCH A CLAIM IS MADE OR IS LIKELY TO BE MADE, THE SEF SHALL, AT THE SEF'S SOLE OPTION, HAVE THE RIGHT TO TAKE ONE OR MORE OF THE FOLLOWING ACTIONS AT NO ADDITIONAL COST TO THE PARTICIPANT: (I) PROCURE THE RIGHT FOR THE PARTICIPANT TO CONTINUE THE USE OF THE SEF SERVICES; (II) REPLACE THE SEF SERVICES WITH NON-INFRINGEMENT SOFTWARE; OR (III) MODIFY THE SEF SERVICES SO AS TO BE NON-INFRINGEMENT. IF THE SEF DETERMINE THAT NONE OF THESE ALTERNATIVES IS REASONABLY AVAILABLE, THE PARTICIPANT AGREES TO IMMEDIATELY TERMINATE ITS USE OF THE SEF SERVICES ON THE SEF'S WRITTEN REQUEST. HOWEVER, THE SEF HAS NO OBLIGATION FOR ANY CLAIM BASED ON THE SEF'S USE OF THE SEF SERVICES IN ANY MANNER INCONSISTENT WITH THESE TERMS, PARTICIPANT'S MODIFICATION OF THE SEF SERVICES OR PARTICIPANT'S COMBINATION, OPERATION, OR USE OF THE SEF SERVICES WITH ANY PRODUCT, DATA, OR APPARATUS NOT SPECIFIED OR PROVIDED BY THE SEF, PROVIDED THAT SUCH CLAIM SOLELY AND NECESSARILY IS BASED ON SUCH COMBINATION, OPERATION OR USE, OR FOR CONTINUED ALLEGEDLY INFRINGING ACTIVITY BY THE PARTICIPANT AFTER THE PARTICIPANT HAVE BEEN NOTIFIED OF POSSIBLE INFRINGEMENT, UNLESS APPROVED IN ADVANCE BY THE SEF. THE FOREGOING REPRESENTS THE SOLE AND EXCLUSIVE REMEDY FOR PARTICIPANTS WITH REGARD TO ANY OF THE ABOVE INFRINGEMENTS OR ALLEGED INFRINGEMENTS.

- (d) WITH THE EXCEPTION OF THE PROVISIONS OF RULE 6028(c), THE SEF'S LIABILITY AND THE COLLECTIVE LIABILITY OF THE SEF'S RELATED PARTIES AND THE THIRD PARTY SERVICE PROVIDERS SELECTED BY THE SEF, IF ANY, ARISING OUT OF ANY KIND OF LEGAL CLAIM (WHETHER IN CONTRACT, TORT, OR OTHERWISE) OR IN ANY WAY CONNECTED TO A PARTICIPANT'S USE OF THE SEF SERVICES WILL NOT EXCEED \$500,000 UNLESS CAUSED DIRECTLY BY THE SEF'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.
- (e) NONE OF THE ABOVE WILL LIMIT PARTICIPANT'S RIGHTS AND REMEDIES UNDER THE STATE OR FEDERAL SECURITIES LAWS.

SECTION 7 EMERGENCIES

Rule 7000 Emergency Actions

- (a) During an Emergency, the Board and/or the CEO (or, in his absence, the most senior Officer present), in consultation with the CFTC, as necessary, may implement temporary emergency procedures and rules (“Emergency Rules”), subject to the applicable provisions of the CEA and CFTC Regulations. Emergency Rules may require or authorize the SEF, the Board, any committee of the Board, the CEO, or any other Officer to take Emergency Action necessary or appropriate to respond to the Emergency. If applicable, the SEF may provide for the carrying out of Emergency Actions through its agreements with its Regulatory Services Provider.
- (b) Before any Emergency Rule may be adopted and enforced, a required vote of the Board must approve the enforcement of such Emergency Rule at a duly convened meeting. Directors may attend such a meeting by teleconference and such meeting may, if necessary, be conducted pursuant to Rule 2100(c). Notwithstanding, if the CEO (or, in his absence, the most senior Officer present) determines that Emergency Rules must be implemented with respect to an Emergency before a meeting of the Board can reasonably be convened, then the CEO (or such seniormost Officer) shall have the authority, without Board action, to implement any Emergency Rules with respect to such Emergency that he or she deems necessary or appropriate to respond to such Emergency. In such circumstances, the CEO (or such seniormost Officer) must convene a meeting of the Board (which may, if necessary, be conducted pursuant to Rule 2100(c)) as soon as practicable thereafter. Notwithstanding that the Board does not ratify or approve extending or making permanent any Emergency Rules implemented by the CEO or seniormost Officer pending convening of the Board meeting, all actions previously taken in accordance with such Emergency Rules shall remain binding and valid.
- (c) Whenever the SEF, the Board, any committee of the Board, the CEO or any other Officer takes actions necessary or appropriate to respond to an Emergency, a duly authorized representative of the SEF, where possible, will post an announcement in a Notice to Participants. When the Board, any committee of the Board or the CEO (or, in his absence, the most senior Officer present) determines that the Emergency has been reduced sufficiently to allow the SEF to resume normal functioning, any such actions responding to an Emergency will be terminated.
- (d) The SEF will use reasonable efforts to notify the CFTC prior to implementing, modifying or terminating an Emergency Rule. If such prior notification is not possible or practicable, the SEF will notify the CFTC as soon as possible or reasonably practicable but in all circumstances within twenty-four (24) hours of the implementation, modification or termination of such Emergency Rule.
- (e) Upon taking any action in response to an Emergency, the SEF will document the decision-making process related to such action. Such documentation will be kept for at

least five (5) years following the date on which the Emergency ceases to exist or to affect the SEF, and all such documentation will be provided to the CFTC upon request.

SECTION 8
RECORDKEEPING AND REPORTING

Rule 8000 Maintenance of Books and Records by the SEF

- (a) The SEF shall keep, or cause to be kept, complete and accurate books and records of all activities relating to its business, including complete audit trails for all Swaps executed on or otherwise subject to the rules of the SEF, investigatory files, disciplinary files and all books and records required to be maintained pursuant to the CEA and CFTC Regulations.
- (b) The SEF shall retain all such books and records for a period of at least five (5) years, and shall make such books and records readily accessible via real-time electronic access for inspection by any representative of the CFTC or other regulator [\(including the SEC and any prudential regulator as authorized by the CFTC\)](#) and any representative of the United States Department of Justice during the first two (2) years of this five-year period. The SEF shall retain all books and records related to a Swap executed on, or pursuant to the rules of, the SEF throughout the life of the Swap and for a period of at least five (5) years following the final termination of the Swap. All books and records required to be maintained by the SEF shall be open to inspection by any representative of the CFTC or the United States Department of Justice. In addition, all audit trail data and reconstructions shall be made available to the CFTC or the United States Department of Justice in a form, manner and time that is acceptable to the CFTC or the United States Department of Justice, as applicable.

For executed Orders, such audit trail must record the execution time of the Transaction, along with all fill information. Participants and ISVs shall maintain audit trail information as required by Applicable Law and must have the ability to produce audit trail data in a reasonably usable format upon request of the SEF.

Rule 8002 Books and Records

- (a) All Participants, Sponsored Participants, Customers and Clients must prepare and keep, or cause to be kept, all books, ledgers and other records relating to its activity on the SEF required to be kept by it pursuant to Applicable Law, and must prepare and keep such other books and records relating to its SEF activity as the SEF may from time to time prescribe. Such books and records must include, without limitation, records of such Person's trading, including records of the Person's activity in the index or instrument used as a reference price, the underlying commodity and related derivatives markets. All Participants, Sponsored Participants, Customers and Clients shall make such books and records available, upon request, to the SEF, the SEF's Regulatory Service Provider, the CFTC or the United States Department of Justice and as otherwise required by Applicable Law.

Such books and records shall be readily accessible during the first two (2) years of such five-year period, unless otherwise provided in the SEF Rules or other Applicable Law. Each Participant, Sponsored Participant, Customer or Client which is a counterparty to a Swap on, or pursuant to the rules of, the SEF shall retain all books and records related to such Swap for the life of the Swap and for a period of at least five (5) years following the final termination of the Swap. Each Participant, Sponsored Participant, Customer or Client that is a counterparty to an Uncleared Swap on, or pursuant to the rules of, the SEF shall notify the SEF of any extension of the final termination of the Swap beyond the original stated maturity in order to enable the SEF to comply with Rule 8000(b) and the SEF's obligations under Applicable Law.
- (e) The SEF may require a Participant, Account Manager, Sponsored Participant, Customer or Client to furnish any information in connection with a Person's activities on the SEF including (i) information relating to Swaps executed on or pursuant to the rules of the

Rule 8003 Recordkeeping Requirements for Block Trades

Block Trades executed in accordance with Rule 4016, ~~unless otherwise exempted by a Rule,~~ must comply with the following recordkeeping requirements:

- (a) At the time of execution, every order received from a Participant must be in the form of a written or electronic record and include information meeting the requirements of Rule 8001, including, without limiting the generality of the foregoing, required [Legal Entity Identifier information](#), and a timestamp reflecting the date and time that such order was received.

Rule 8004 Access to Position Information

Without limiting any provision of these SEF Rules, the SEF and any Regulatory Service Provider, shall have the authority to obtain from any Participant, Sponsored Participant, Account Manager, Customer or Client, or Supervised Person information with respect to positions of such Person or any Sponsored Participant, Customer or Client, or Supervised Person. This authority shall include the authority to obtain information concerning positions maintained at other firms, and it shall be the obligation of a Participant receiving such an inquiry to obtain such information from its Account Manager, Sponsored Participant, Customer, Client, or any Supervised Person. In the event a Participant Sponsored Participant, Customer, Client, or any Supervised Person fails to provide the requested information the SEF, in addition to any other remedy provided in these SEF Rules, may order that the Participant, Account Managers, Sponsored Participant, Customer, Client, or any Supervised Person liquidate the positions that are related to the inquiry.

Rule 8005 Reporting to a Swap Data Repository

- (a) The SEF will report each Swap executed on, or pursuant to the rules of, the SEF as soon as technologically practicable after execution to a Swap Data Repository in compliance with Parts 43 and 45 of the CFTC Regulations. The SEF may report to following SDRs:
 - DTCC SDR for Rates, Credit, FX and Equities³; and
 - DTCC SDR, CME SDR and ICE Trade Vault for Commodities.

Without limiting the generality of the foregoing, for each Swap executed on or pursuant to the rules of the SEF, the SEF will report all required swap creation data, as soon as technologically practicable after execution of the Swap. This report will include all required primary economic terms data and confirmation data for each Swap, as such terms are defined in Section 45.1 of the CFTC Regulations.

(b) The Reporting Counterparty for each Swap shall be established pursuant to CFTC Regulation 45.8. If the identity of the Reporting Counterparty cannot be established under CFTC Regulation 45.8, the ISDA Reporting Counterparty Rules shall be applied as provided in Exhibit A to this Rulebook.

(c) [Reserved]

~~(e) If the SEF cannot identify the Reporting Counterparty, the SEF will:~~

~~(1) notify each counterparty, as soon as technologically practicable after execution of the Swap, that it cannot identify whether that counterparty is the Reporting Counterparty and, if applicable, that neither counterparty is a U.S. person; and~~

~~(2) transmit to each counterparty the Legal Entity Identifier of the other counterparty.~~

(d) If the Reporting Counterparty for a Swap that was executed on, or pursuant to the rules of, the SEF becomes aware of an error or omission in the swap transaction or pricing data that was reported with respect to such Swap, either through its own initiative or through notice by the other party to the swap, such party shall promptly notify the SEF of the error and/or correction. Upon receiving a notification from the Reporting Counterparty or otherwise becoming aware of an error or omission in the swap transaction or pricing data reported with respect to a Swap executed on, or pursuant to the rules of, the SEF, the SEF shall promptly submit corrected data to the same Swap Data Repository to which the Swap was previously reported.

(e) No Person shall submit or agree to submit a cancellation or correction for the purpose of re-reporting swap transaction and pricing data in order to gain or extend a delay in public dissemination of accurate swap transaction or pricing data or to otherwise evade Applicable Law, including the reporting requirements set forth in Part 43 of the CFTC Regulations.

(f) All Swaps executed on, or pursuant to the rules of, the SEF are reported to the Swap Data Repository of the Depository Trust and Clearing Corporation, except that “other commodity” swaps (as defined under Part 45 of the CFTC Regulations) are reported to a Swap Data Repository selected by the parties prior to executing the relevant Swap.

Rule 8006 Timely Publication of Trading Information

The SEF will publish trading information as required by Core Principle 9 of Part 37 and by Part 16 of the CFTC Regulations.

This version supersedes the one published on May 30, 2014.

Latest updates can be found on ISDA's Data & Reporting website

<http://www2.isda.org/functional-areas/technology-infrastructure/data-and-reporting/>

1. Background to This Document and Status

The generation of a Unique Swap Identifier (“USI”) can be linked to reporting counterparty (“RP”) responsibilities while the process of USI generation and determination of an RP are separate and distinct processes.

The ISDA USI Working Group was responsible for the USI generation and documentation of RP rules which are discussed with and agreed to by the various asset class implementation groups and steering committees. The ISDA Data and Reporting Compliance Working Group (“DWG”) will identify next steps and ongoing maintenance of this document.

2. Reporting Party Requirements

The Commodity Futures Trading Commission (“CFTC” or “Commission”) specified in the final rules for Part 45 that complete data concerning swaps is available to regulators, including:

1. Creation data; and
2. Continuation data of all life cycle events affecting the terms of the swap until final termination or expiration.

The CFTC also specified in the final rules for Part 43 that certain anonymized data concerning swaps is publicly disseminated to enhance price discovery and increase transparency. Registered entities and swap counterparties must report swap creation data electronically to a Swap Data Repository (“SDR”). Required swap creation data includes all primary economic terms (“PET”) data and all confirmation data for a swap. Required swap continuation data must be reported to the SDR to ensure that all data concerning the swap remains current and accurate and includes any change to the primary economic terms of the swap. Continuation data generally must be reported by a swap dealer (“SD”) or major swap participant (“MSP”) to the SDR no later than the same day of such a change (non-SD/MSP RPs have longer timeframes). Additionally, regulations require SD and MSP reporting counterparties to report valuation data to fully describe the daily mark of the transaction (such as the daily “mark to market”) for each of their swaps on a transactional basis.

Registered entities and counterparties required to report swap creation data or swap continuation data may contract with third-party service providers to facilitate reporting. However, these entities remain fully responsible for reporting as required by the regulations.

3. Reporting Counterparty Responsibility

The RP is the party to a swap with the responsibility to report a swap¹ to an SDR as soon as technologically practicable after execution in accordance with the Dodd Frank Act.² Under the Dodd-Frank Act and CFTC regulations, one party must bear responsibility to ensure that the trade is reported. The CFTC has created a hierarchy whereby registered SDs always report when trading with MSPs or End Users and registered MSPs always report when trading with End Users. (See Annex 1)

For swaps executed on facility:

- For Parts 43 and 45 swaps executed on a SEF or DCM the SEF or DCM must report swap creation data to an SDR “as soon as technologically practicable.”
- For Part 45 swap continuation data reporting only, if neither party is a U.S. person but the swap is executed on a SEF or DCM or otherwise executed in the U.S. or cleared by a DCO, then the parties are required to agree which counterparty will be the RP.

For swaps executed off-facility: (both U.S. persons)

- For Parts 43 and 45, if only one party is an SD or MSP, the SD or MSP shall be the RP.
- For Parts 43 and 45, if one party is an SD and the other party is an MSP, the SD shall be the RP.
- For Parts 43 and 45, if both parties are SDs, the SDs shall designate which party shall be the RP (see section 5 - Same Level Determination of the Reporting Party).
- For Parts 43 and 45, if both parties are MSPs, the MSPs shall designate which party shall be the RP (see section 5 - Same Level Determination of the Reporting Party).
- For Part 45 only:
 - If both parties are non-SDs/MSPs, and only one party is a financial entity,³ the party that is a financial entity is the RP.
 - If both parties are non-SDs/MSPs that are financial entities or non-SDs/MSPs that are not financial entities, the parties shall designate which party (or its agent) will be the RP.
- For Part 43 only:
 - If both parties are non-SDs/MSPs, the parties shall designate which party (or its agent) shall be the RP for the publicly reportable swap transaction (see section 5 - Same Level Determination of the Reporting Party).

¹

Under Part 45 all swaps must be reported; however the reporting requirements under Part 43 only require an RP to report a “publicly reportable swap transaction” which means:

(1) Any executed swap that is an arm's-length transaction between two parties that results in a corresponding change in the market risk position between the two parties; or
(2) Any termination, assignment, novation, exchange, transfer, amendment, conveyance, or extinguishing of rights or obligations of a swap that changes the pricing of the swap.

²

Dodd–Frank Wall Street Reform and Consumer Protection Act, [Pub.L. 111-203, 124 Stat. 1376 \(2010\)](#).

³

As defined in Section 2(h)(7)(C) of the Commodity Exchange Act.

For swaps executed off-facility: (one U.S. person only)

- For Part 45 only, if both parties are non-SDs/MSPs, the U.S. person is the RP.
- For Part 43 only, if both parties are non-SDs/MSPs the parties shall designate which party (or its agent) shall be the RP for the publicly reportable swap transaction.
- For Parts 43 and 45, the Commission generally agrees that if a registered SD or MSP is a party to a swap, regardless of whether it is non-U.S. person, it should be the RP in accordance with the hierarchy described above for swaps with two U.S. persons.

For swaps accepted for clearing:

The determination of the RP under § 45.8 of the Commission's Regulations applies to all swaps, both cleared and non-cleared. The general hierarchy for determining the RP for swaps accepted for clearing is the same as that detailed above for swaps executed off-facility.

However, it should be noted that with respect to the definition of non-SD/MSP set forth in § 45.1 of the Commission's Regulations, the CFTC Staff interpret the regulations such that DCOs will have reporting obligations for cleared swaps that are not dependent on whether the DCO is deemed to be an RP.

Further details on the reporting of cleared swaps transactions can be found in the CFTC Division of Market Oversight publication entitled "Frequently Asked Questions (FAQ) on the Reporting of Cleared Swaps".⁴

4. Designation of reporting responsibilities:

Parties required to report pursuant to Part 43 or Part 45 may contract with third parties to facilitate reporting. In this context, third parties may include, but are not limited to, the other counterparty to the swap, a third party service provider as well as the DCO in the case of a cleared swap. As a result, the RP may delegate the actual process of reporting data to the SDR to the other counterparty as well as to a third party. However, the party that is required to report remains fully responsible for compliance with the reporting obligations under Part 43 and Part 45.

5. Same Level Determination of the Reporting Party

In situations where both counterparties have the same hierarchical status in executing a swap transaction, the regulations established a mechanism for the parties to the swap transaction to follow in choosing the RP.

In such situations (e.g., both counterparties are SDs) the regulations require the counterparties to agree, as either one term of their swap transaction for off-facility swaps or as a post-execution side agreement for swaps executed on an SEF or DCM, which counterparty will fulfill the reporting obligations with respect to the swap. Therefore SDs and MSPs are establishing a set of rules (“Reporting Party Rules”) for each swap transaction to determine which counterparty has the RP responsibility for real-time, creation and continuation data for situations where the CFTC Regulations indicate that the parties shall agree on the RP as a term of the swap transaction.

Prime Brokerage Intermediation

Notwithstanding the reporting hierarchy in Parts 43 and 45 and the Reporting Party Rules provided below, an alternative approach to RP determination applies to transactions intermediated by a Prime Broker (“PB”). In brief and in very general terms, under customary PB arrangements, a client of a PB agrees on the terms of a PB intermediated trade with an Executing Broker (“EB”) and then the client and/or the EB gives up the trade to a PB for its acceptance. If the trade terms are within certain pre-agreed parameters and the PB thus accepts the trade, the result is two off-setting transactions, one between the EB and PB and the second between the PB and the client. In these cases, reporting eligibility for each trade is determined independently based on the status of the two parties to the transaction, and the reporting responsibilities are as follows:

EB is the RP for the EB-PB trade

PB is the RP for the PB-Client trade

For the avoidance of doubt, there is no separate transaction between the EB and client to report.

Please note: The above approach to determine the RP to a PB Intermediated swap was acknowledged by the CFTC in No Action Letter No. 12-53¹. Although the relief under NAL 12-53 has expired, the RP approach is still industry best practice, and ISDA continues to work with the CFTC to permanently adopt the approach in revisions to Part 43 and Part 45. Included in those discussions are outstanding questions regarding cross-border treatment for PB Intermediated transactions (e.g. if EB and/or PB is not a SD, MSP or U.S. Person).

6. Reporting Party Rule Determination: status and description of the rule

The ISDA Unique Swap Identifier (USI)/(UTI) Trade Identifier Working Group proposed that each asset class Steering Committee would determine the “Reporting Party Rules” for the asset class where two parties to a swap transaction are on the same hierarchical level. This proposal was approved and ratified by the DWG.

Because of the different characteristics and workflows of the various asset classes: Rates, Credit, Equity, Commodity and FX, each asset class is required to analyze in detail the specific trade workflows in formulating a “Reporting Party Rule” convention unique to that asset class.

Regardless of asset class, each set of reporting party rules provided below assumes that both parties have a reporting obligation under the Commission’s requirements. In the event only one party has a reporting obligation, that party is the RP.

6.1 Reporting Party Rules

1. Credit

Where both parties are the same hierarchy level (e.g., MSP vs. MSP, SD vs. SD, or non- SD/MSP vs. non-SD/MSP), the RP is the Floating Rate Payer (a/k/a ‘seller’). For Swaptions, the RP is the Floating Rate Payer of the underlying swap.

For Real Time Reporting of step-in novations, the RP should be determined between the Transferor and Transferee based on the above and the position of the Transferee. So, if both parties are of the same classification and the Transferee is the Seller (Floating Rate Payer) in the novated transaction, the Transferee is the RP. If the Transferee is the Buyer (Fixed Rate Payer), then the Transferor is the RP.

For novated transactions, the RP should be reassessed between the Transferee and Remaining Party based on the above.

2. Rates

Product Attribute Determination

RP Tiebreaker Logic - Rates		
Trade Type	Explanation	Reporting Party
Cap/Floor	When a single Fixed Rates Payer exists	Fixed Rate Payer. Otherwise Reverse ASCII sort, first LEI/pre-LEI
Debt Option	All	Option Buyer
Exotic	All	Reverse ASCII sort, first LEI/pre-LEI
FRA	All	Fixed Rate Payer
IRS Basis	All	Reverse ASCII sort, first LEI/pre-LEI
IRS Fix-Fix	All	Reverse ASCII sort, first LEI/pre-LEI
IRS Fix-Float	All	Fixed Rate Payer
IRSwap: Inflation	When a single Fixed Rates Payer exists	Fixed Rate Payer. Otherwise Reverse ASCII sort, first LEI/pre-LEI
IRSwap: OIS	All	Fixed Rate Payer
Swaption	All	Option Buyer
XCCY Basis	All	Reverse ASCII sort, first LEI/pre-LEI
XCCY Fix-Fix	All	Reverse ASCII sort, first LEI/pre-LEI
XCCY Fix-Float	All	Fixed Rate Payer

Tiebreaker Logic

When the LEI/pre-LEI tiebreaker is invoked the following processes will be used:

1. Identifier Tiebreaker Logic Scenarios
 - i. When only one firm has an LEI/pre-LEI then the party with the LEI/pre-LEI is the RP.
 - ii. When both firms have an LEI/pre-LEI then determine based on comparison of the two LEI/pre-LEIs in accordance with the below.
2. Determining sort order of identifiers
 - LEI/pre-LEI are comprised of characters from the following set {0-9, A-Z}.
 - For avoidance of doubt, before comparing IDs convert all IDs to UPPER CASE only.
 - For comparison basis the sort order will be reverse ASCII sort order. For avoidance of doubt the following are sort order of precedence:
 - Z, Y, X, W, V, U, T, S, R, Q, P, O, N, M, L, K, J, I, H, G, F, E, D, C, B, A, 9, 8, 7, 6, 5, 4, 3, 2, 1, 0.
3. When comparing two IDs the RP will be the firm with the first ID in the list when sorted in reverse ASCII sort order.

3. Equity

When both parties are of the same hierarchy level, the RP will be the:

- Seller of performance on any product in the taxonomy.⁵
- Seller of product on all other (exotic) products in the taxonomy.
- If seller cannot be identified the fall back would be for the parties to agree amongst themselves.
- For Portfolio Swaps Agreements (PSA's) the seller will remain the seller regardless of the underlying's performance.

For the avoidance of doubt, if the trade is confirmed via negative affirmation, the provider of the negative affirmation agreement is the RP.

⁵<http://www2.isda.org/otc-taxonomies-and-upi/>

4. Commodities

A seller convention applies if the executed trade is one of the trade types enumerated in the table below. Otherwise, the LEIs of the parties should be compared in standard ASCII order and the party with the first ID in the list will be the RP.

RP Tiebreaker Logic - Commodities		
Trade Type	Explanation	Reporting Party
Fixed Floating Swap	Seller of the Fixed leg = Reporting Party	Fixed leg seller (Receiver of Cash on the fixed leg)
Option	Receiver of premium payment or Option writer	Seller
Swaption	Receiver of premium payment or Swaption writer	Seller
Option Strategies (Collars, Corridors, Multi-leg)	Premium receiver is the Seller = Reporting Party	Premium Receiver
	If no premium, go to alpha convention	Go to alpha convention
For trade types not listed above		
Seller convention with Alpha	Any trade that falls outside of that list will have the alphanumeric ASCII convention applied based on the LEI/CICI. The LEI/CICI selected as the RP will be the LEI/CICI at the top of that sort order. As an example, ASCII is the same sort logic that MS Excel applies.	

5. FX

When asset class tie-breaker logic needs to be applied:

- For Cash trades: The RP is the counterparty selling the currency that occurs first in the 26-letter English alphabet.
- For Options: The RP is the seller of the option.

RP Tie Breaker Logic - FX		
Taxonomy	Rule	Comment
Forward	FX Cash Rule	For FX Swaps, the Reporting Party of both legs of the swap would be determined by applying the Cash Rule to the far-leg of the Swap
NDF	FX Cash Rule	n/a
Option	Option Seller Rule	n/a
NDO	Option Seller Rule	n/a
Simple Exotic	Option Seller Rule	n/a
Complex Exotic	See comment	For a complex exotic product where there is an unambiguous seller of the product, then Option Seller Rule would apply. The seller determination would be driven by the seller as agreed in the standard FpML representation of the product. IF there is no clear seller, then the FX Cash Rule would apply.

7. Change in Registration Status

On October 16, 2012, the ISDA DWG participants were polled to determine what should happen to the RP obligations on a trade executed between, for instance, an SD and a non-MSP/SD, where at a later date, the non-MSP/SD becomes an SD. Determination of RP may equally be impacted by a party's deregistration as an SD/MSP.

Industry consensus was reached that the RP obligation remains unchanged through the remaining life of the USI until it is matured / terminated / novated away / compressed into a new transaction. The RP is reassessed only when a new USI is created. (In summary if an event does not result in a new USI, the RP remains unchanged. If the event results in a new USI, the RP is calculated a fresh for the new USI using the statuses effective at that date).

In general, a contract intrinsic event would not result in a new USI, nor would a bilaterally negotiated event that does not change the parties to the swap. Events that change the parties to the swap and/or result in a new swap(s) would prompt the creation of a new USI(s). The following table indicates which lifecycle events would result in a new USI at the point the event occurs or is executed:

Event Type		Triggers new USI Generation?
New Trade		Y

8. Part 46 Historical Swap Reporting

As described in the prior section, each individual swap should have a single Reporting Party (RP) for the life of the swap. Therefore the party responsible for reporting an historic swap under the CFTC's Part 46 regulations should be the party that first incurs the RP obligation and retains that obligation throughout the remaining life of the swap, if any. Such RP should be determined in accordance with section 46.5 of the CFTC's rules and the Reporting Party Rules specified in this document.

Given the uncertainties in the evolving regulation of the swaps marketplace, including but not limited to the interplay of the CFTC's Cross Border Interpretive Guidance⁷, Exemptive Order⁸ and/or a change in the swap dealer registration status of counterparties, for a swap between two non-U.S. Persons, the parties may have reporting obligations commence at different points in time. To prevent duplication or gaps in historic swap reporting, participants should determine the RP for an historic swap, whether live or non-live, based on the Reporting Party determination rules provided in this document, without regard to whether the other party's reporting obligation is currently in effect, unless otherwise indicated in this Section 8. Each party should submit historical swap data for the swaps for which they are the RP in accordance with the commencement of their reporting obligation and in accordance with the reporting logic developed and agreed to among the swap dealers then in effect at the time of their reporting obligation.

For swaps between two non-U.S. persons, if a new swap (reportable under Part 45) was entered into in the time period where only one party ("Party 1") had already a Part 45/46 reporting obligation while the Part 45/46 reporting obligation for the other party ("Party 2") is still delayed/not yet in effect, Party 1 may rely for its Part 45 reporting obligation for the new swap on the reporting party logic set forth in this document with the result that any new trade not reported by Party 1 under Part 45 (because the reporting party logic required Party 2 to report such trade) will be reported by Party 2 as part of its (later in time) Part 46 reporting obligation.

For swaps between two non-U.S. persons, if a party to a swap changes its status and becomes a SD (the "New SD") in the time period when all applicable time delays permitted under the Exemptive Order expired (e.g., the time period starting December 22, 2013), if the other party to the swap was a SD already prior to that time period (the "Old SD"), the Old SD may have already reported the historical swap data and, therefore would remain the RP for the life of the USI.

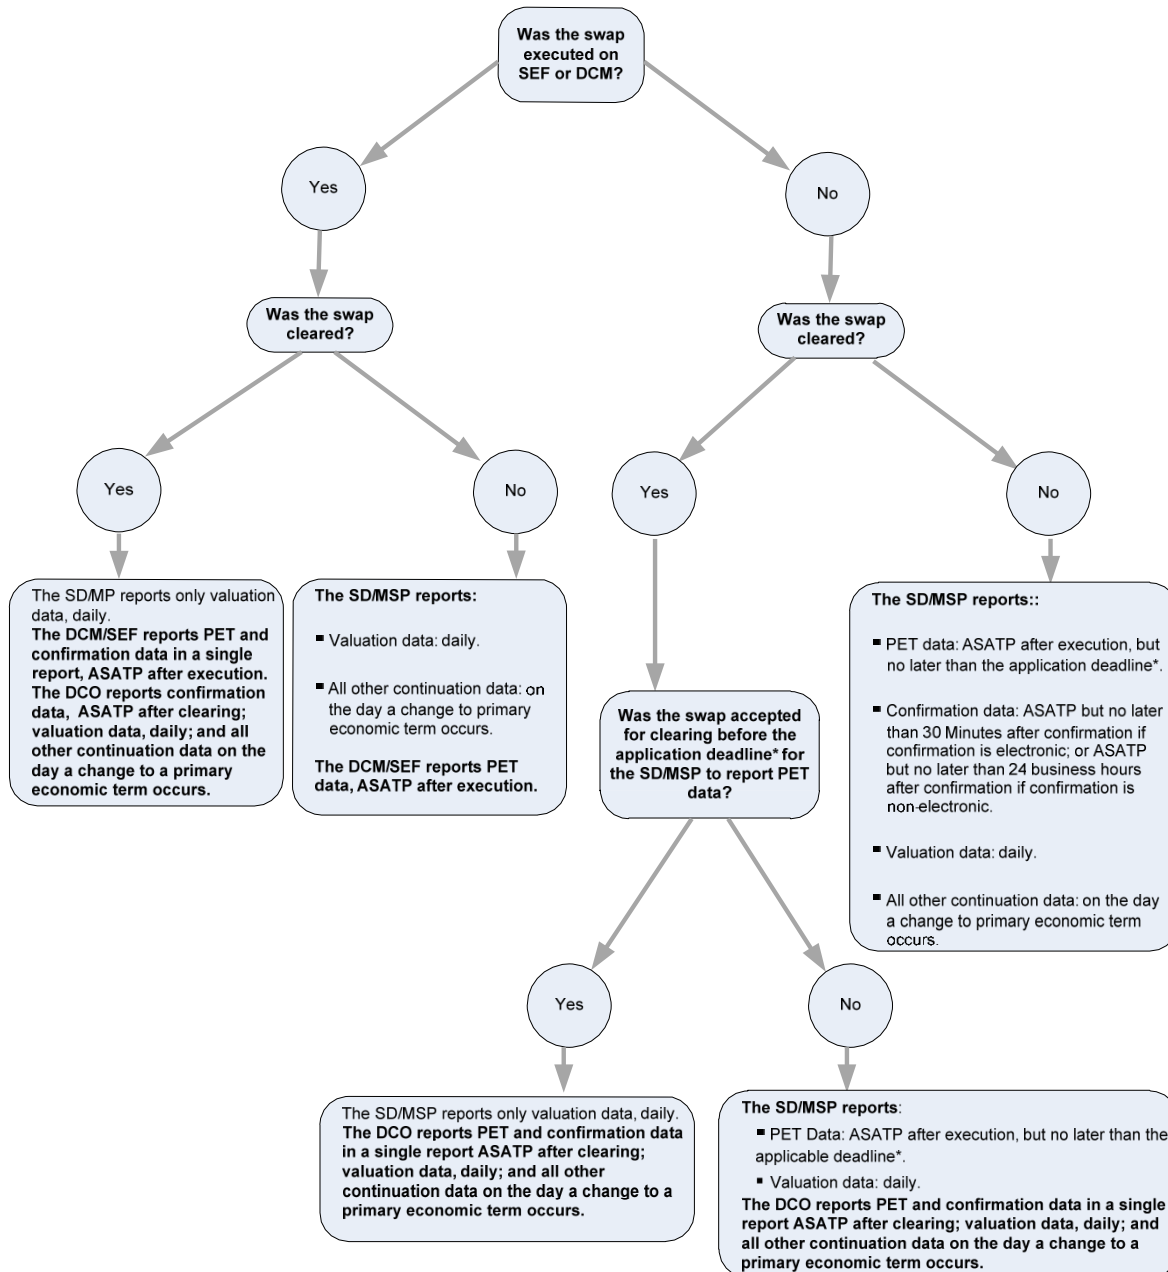

If one of the parties to the swap is a U.S. Person, that party may have already reported the historical swap data, and therefore would remain the RP for the life of the USI.
