- Swap Class Certification under § 40.2 (d)
- Request for Approval under § 40.3 (a)
- Novel Derivative Product Notification under § 40.12 (a)

RULE NUMBERS

See Schedule A attached hereto.

DESCRIPTION

As Schedule A indicates, most of the rule changes are simply a result of reorganizing the order in which the rules appear in the rulebook so that the order reflects a more logical structure based on substance and/or sequencing. Schedule A cross references each new rule number with its predecessor rule, if any. In addition the revised rules incorporate grammatical and typographical corrections throughout the rulebook.
