The current hours for submission to clearing via CME ClearPort are 5:00 PM CT to 4:15 PM CT next day, Sunday-Friday. The new hours will be 6:00 PM CT to 5:45 PM CT next day, Sunday-Friday.

The change in hours will shorten the period in which daily trade submission is halted from 45 minutes to 15 minutes. This change in hours was prompted by a request from market users. The Exchange contacted participants in these contracts and determined that there were no substantive opposing views to the change in hours.

CME business staff and the CME legal department collectively reviewed the derivatives clearing organization (“DCO”) core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”). During the review, CME staff identified that the proposed changes may impact the following Core Principles:

Recordkeeping: The new hours will be made known to the trading community in advance of the effective date via a Special Executive Report and will be posted in the trading specifications for the contracts on the CME website.

Public Information: As required by this Core Principle, CME will issue a Special Executive Report regarding these aforementioned amendments to notify the market authorities, market participants, and the public so that they have accurate, up-to-date information regarding amended hours for submission for clearing via CME ClearPort for these products.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that these changes comply with the CEA and regulations thereunder. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this action, please contact me at 212.299.2200 or Christopher.Bowen@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
