Re: FOIA Confidential Treatment Request - Default Auction Procedures

Dear FOIA Compliance Staff:

In conjunction with the self-certification submitted today by ICE Clear US, Inc. ("ICUS"), pursuant to Section 5c(c)(1) of the Commodity Exchange Act ("CEA") and Commission Regulation 40.6(a), ICUS respectfully requests Confidential Treatment for the ICUS Clearing Member Default Management Procedures until further notice.

Under the Freedom of Information Act ("FOIA"), 5 USC Section 552, Section 809(g) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and pursuant to Commission Regulation 145.9(d)(5) and any other applicable regulations under or implementing FOIA, ICUS hereby respectfully requests that confidential treatment be maintained for the documents which bear Bates numbers 10.03.2017-000001-10.03.2017-000039 until further notice. ICUS also requests that the Commission notify the undersigned immediately after receiving any FOIA request for such documents or any other court order, subpoena or summons for the same. Finally, ICUS requests that it be notified in the event the Commission intends to disclose such documents to Congress or to any other governmental agency or unit pursuant to Section 8 of the CEA or other applicable law. ICUS does not waive its notification rights under Section 8(f) of the CEA or other applicable law with respect to any subpoena or summons for such document(s).

The basis for the request is that disclosure of these document(s) would reveal confidential commercial and financial information of ICUS, the disclosure of which could have a material adverse effect on, and cause injury to, the operations and competitive position of ICUS. This request is not to be construed as a waiver of any other protection from disclosure or confidential treatment accorded by law, and ICUS will rely on and invoke any such confidentiality protection.
