**Re: Extension of FX Contract Member Fee Program  
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits by written certification, notice that the Exchange is extending the FX Contract Member Fee Program (“Program”) through December 31, 2020, as set forth in Exhibit A. The Program was launched in its current form in May 2011 and was scheduled to terminate on December 31, 2019. However, the Exchange believes that the program has helped tighten markets in the covered products and that termination of the program may reduce liquidity. As such, the Exchange is extending the Program through December 31, 2020; provided, however, that the Exchange in its sole discretion may cancel the Program prior to December 31, 2020. The extension will become effective on November 20, 2019. All other Program terms remain unchanged.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the Program and further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website at (<https://www.theice.com/futures-us/regulation#rule-filings>).
