**Re: Extension of ICE Futures U.S. Legacy 1<sup>st</sup> Line Futures Liquidity Provider Program  
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits, by written certification, notice that the Exchange is extending the term of the ICE Futures U.S. Legacy 1<sup>st</sup> Line Futures Liquidity Provider Program (“Program”) through November 30, 2020. The Program, which was launched on February 22, 2018 with the listing of Legacy 1<sup>st</sup> Line Futures Contracts, was scheduled to terminate on December 31, 2019. However, the Exchange believes that the program will continue to help tighten markets and build interest in the covered products and is, therefore, extending the Program through November 30, 2020, provided, however, that the Exchange in its sole discretion may cancel the Program prior to that time.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the Program extension, which will become effective on December 1, 2019, and further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website at (<https://www.theice.com/futures-us/regulation#rule-filings>).
