(“NFX” or “Exchange”) submits this self-certification to specify the days and hours the Exchange will be open and closed for business in 2016 with respect to its listed energy Options and Futures products (“Energy Products”). This filing will be implemented on November 23, 2015.

Pursuant to NFX Rules at Chapter IV, Section 2, entitled “Trading Days and Hours” the Exchange shall determine and post on its website the days on which the Exchange is open for business and the opening and closing hours of the market for each Contract. The Trading Calendar for 2016, for Energy Products, is attached as Exhibit A.

With respect to the designated contract market core principles (“Core Principles”) as set forth in the Act:

The Exchange will post the terms and conditions of Exchange Contracts in its Rulebook along with trading rules. The specifications for its Trading System will appear on the Exchange’s website.

There were no opposing views among the Exchange's Board of Directors, members or market participants. The Exchange hereby certifies that the trading hours and days comply with the Commodity Exchange Act and regulations thereunder. The Exchange also certifies that notice of pending certification and a copy of this submission have been concurrently posted on the Exchange's website at <http://business.nasdaq.com/nasdaq-futures/nfx-market>.
