The SEF may consider any relevant information, including, but not limited to, the last transaction price of the Swap or a better Bid/Offer, a more recent price for a different maturity date, the volatility of the market, market conditions at the time of the Transaction, the prices of related instruments in other markets, any other factors that the SEF deems relevant.
- (4) Transaction Review, Price Adjustment and Cancellation Procedures.
- (a) If the SEF determines that a Transaction has been executed at a price that is representative of the market for the Swap, the SEF will issue a notification to Trading Privilege Holders that the Transaction shall stand as executed.
 - (b) If the SEF determines that a Transaction has been executed at a price that is not representative of the market for the Swap, the SEF shall have the right, in its sole discretion, to cancel or adjust the price of such Transaction. Cancelled Transactions shall be cancelled in the SEF's official records; Transactions that have had their price adjusted shall be cancelled in the SEF's official records and shall be inserted in the SEF's official records at the adjusted price; all cancelled and adjusted Transactions shall be reported to the relevant SDR.
- (5) Voluntary Adjustment by Counterparty Agreement.
- (a) With the approval of the SEF, parties to a Transaction that is under review or that has had its price adjusted may instead mutually agree to cancel or to adjust the price of the Transaction.
 - (b) With the approval of the SEF, Counterparties to a Transaction that is cancelled may instead mutually agree to adjust the price of such Transaction to a fair value price.
 - (c) Subject to clauses (5)(a) and (5)(b), Counterparties to a trade that is cancelled or that has had its price adjusted may mutually agree to a cash adjustment.
 - (d) Any cancellation or adjustment made pursuant to this paragraph (5) must immediately be reported by the Counterparties to the SEF, which shall report such cancellation or adjustment to the SDR. The parties shall maintain a record of such cancellation or adjustment, including a record of their report of the same to the SEF.
- (6) SEF Recordkeeping.

In accordance with the provisions of Rule 901, all cancelled and modified Transactions shall be captured and retained in the SEF's official records.

515. Confirmations

The SEF shall provide each Counterparty to a Swap with a written record of all of the terms of the Swap which shall serve as a Confirmation of the Swap. With respect to certain products, Transactions and Trading Privilege Holders, such Confirmation may be provided on the SEF's

behalf by MarketSERV's Organized Trading Venue (OTV) Confirmation Service or other similar confirmation services.

(1) Cleared Swaps

(a) For Cleared Swaps, the SEF will provide the Trading Privilege Holder a Confirmation of all the terms of each transaction executed on the SEF at the same time as the swap transaction is accepted for clearing, as defined in CFTC Regulation § 23.501(4)(ii). Where a Trading Privilege Holder is a Customer in an Intermediated Transaction, the confirmation will be provided to the Intermediary in accordance with paragraph (3). The Confirmation provided by the SEF for Cleared Swaps will be the final legally binding confirmation of the terms of any transaction executed on the SEF and will supersede any conflicting confirmation or agreement provided to, or between, as applicable, Participants and Customers, regardless of when such other confirmation is provided.

(b) [Reserved]

(2) Uncleared Swaps

(a) The economic terms specific to the Transaction agreed by Participants with respect to an Uncleared Swap shall be reflected by the SEF in a written communication (the "Trade Communication") sent to the applicable Trading Privilege Holders that are party to such Uncleared Swap, provided that where a Trading Privilege Holder is a Customer in an Intermediated Transaction, the confirmation will be provided to the Intermediary in accordance with paragraph (3). The Trade Communication, together with the documents and agreements (including, without limitation, ISDA master agreements, other master agreements, terms supplements, master Confirmation agreements, and incorporated industry definitions) governing such Uncleared Swap existing at the time of such commitment to which such Participants are party (the "Terms Incorporated by Reference") shall, taken together, for purposes of CFTC Regulation 37.6(b) comprise all of the terms of such Transaction and serve as a Confirmation of such Transaction (the Trade Communication and Terms Incorporated by Reference, together, the "Confirmation"). Confirmations for uncleared swaps are distributed to the respective Counterparties at the time of execution in accordance with 37.6(b).

(b) In satisfaction of the obligations imposed on the SEF under CFTC Regulation 37.6(b), (i) each Trade Communication is deemed to incorporate the Terms Incorporated by Reference set forth in this Rule 515, and (ii) the Participants that are party to the Uncleared Swap referenced in such Trade Communication hereby agree that the provisions of paragraph (3) shall govern any conflicting terms.

(c) In the event of any conflict between (x) the Trade Communication and (y) the Terms Incorporated by Reference, the Trade Communication shall prevail to the extent of the inconsistency, and the SEF's Trade Communication shall state the same.

(d) For each Uncleared Swap executed on or pursuant to the Rules of the SEF, each previously-negotiated freestanding agreement of the Counterparties included in the Terms Incorporated by Reference must be available to the SEF and/or the CFTC staff upon request within a reasonable period of time. Any such agreements provided to the SEF in connection with a CFTC request will be furnished to the CFTC as soon as they are available.

- (3) Intermediated Transactions. Each Trading Privilege Holder authorizes the SEF to send copies of Confirmations of Swaps that are effected through an Intermediary to such Intermediary.

516. Incentive Programs

- (1) The SEF may establish programs for Trading Privilege Holders that provide financial incentives for meeting trading volume or revenue thresholds, as established by the SEF.
- (2) All Trading Privilege Holders are eligible for discounts, provided that they meet the terms of the relevant program.

517. Enforceability

A transaction entered into on or pursuant to the rules of the SEF shall not be void, voidable, subject to rescission, otherwise invalidated, or rendered unenforceable as a result of:

- (1) A violation by the SEF of the provisions of section 5h of the Act or Part 37 of the Commission's Regulations;
- (2) Any Commission proceeding to alter or supplement a rule, term, or condition under section 8a(7) of the Act or to declare an emergency under section 8a(9) of the Act; or
- (3) Any other proceeding the effect of which is to:
 - (a) Alter or supplement a specific term or condition or trading rule or procedure; or
 - (b) Require the SEF to adopt a specific term or condition, trading rule or procedure, or to take or refrain from taking a specific action.

518. Post Trade Anonymity

- (1) Pursuant to the Commission issuing final rule § 37.9(d), it is prohibited to disclose, directly or indirectly, including through a third-party service provider, the identity of a counterparty for swaps executed, pre-arranged or pre-negotiated anonymously on or pursuant to the rules of a SEF and intended to be cleared by both counterparties.
- (2) Prohibition on post-trade name give-up shall not apply to components of a package transaction that are uncleared swaps or non-swap instruments. Examples include, but are not limited by, swaps executed with a US Treasury hedge cleared bilaterally between the counterparties, swaps executed as part of a hedge to an Interest Rate Option or Credit Option and swaps executed as part of a package with an uncleared swap.
- (3) The compliance date for swaps subject to the trade execution requirement under section 2(h)(8) of the CEA is November 1, 2020. The compliance date for swaps not subject to the trade execution requirement under section 2(h)(8) of the CEA is July, 5, 2021.

Chapter 6. Cleared Transactions

601. Cleared Swaps

- (1) All Transactions executed on or through the SEF that are required to be cleared under section 2(h)(1)(A) of the Act or are voluntarily cleared by the Counterparties shall be cleared through a Commission registered DCO, or a DCO that the Commission has determined is exempt from registration.
- (2) Any Transaction not subject to mandatory clearing may be cleared at the discretion of the Counterparties to such Transaction, provided that such Swaps are able to be cleared through a DCO by a Clearing Firm. Each Cleared Swap shall be cleared through a DCO indicated in the Contract Specifications in accordance with the CEA and the CFTC Regulations.
- (3) The following DCOs are currently recognized by the SEF:

- (a) Chicago Mercantile Exchange, Inc.
- (b) LCH.Clearnet Limited

The SEF may recognize additional DCOs either through amendment of this Rule 601 or by issuance of a Notice to Participants.

- (4) The clearing requirement in this Rule 601 will not apply if at least one Participant that is a Counterparty to a Transaction is an end-user and that party elects the end-user exception from mandatory clearing that is available under CFTC Regulation 50.50.

602. Participant Clearing Eligibility

- (1) A Participant or Customer shall be eligible to trade Cleared Swaps on the SEF only if the Participant or Customer (or their respective Affiliate) is a Clearing Firm of the appropriate DCO where the Cleared Swap is designated for clearing or has a clearing account with a Clearing Firm who has undertaken to provide a guarantee to the DCO to clear such Cleared Swap at the DCO, following the Clearing Firm's acceptance of such Cleared Swap for clearing, within the limits set by the Clearing Firm, in each case executed on the Trading System or pursuant to the Rules.
- (2) A Participant will only execute a Cleared Swap on the Trading System if the Participant has delivered to the SEF all information necessary to permit the SEF to submit the Swap for clearing.
- (3) Each Participant shall be responsible for determining whether any Swap it enters into is subject to the mandatory clearing requirements of Section 2(h)(1) of the Act.

603. Clearing Firm Authorization

- (1) Each Clearing Firm by entering into a relationship to intermediate clearing on behalf of a Participant shall be subject to, and shall be considered to have consented to, the jurisdiction of the SEF as per Rule 301, in respect of such transactions, including the jurisdiction of the SEF to impose sanctions for violations under Rule 814.
- (2) A Clearing Firm may at any time revoke any authorization granted and guarantee made by it by providing written notice of such revocation to the SEF specifying the effective date of the revocation. The effective date of the revocation shall not be less than 15

Business Days following the date of giving of such withdrawal notice or such other date as may be approved by the SEF.

604. DCO Rules

A LatAm SEF Swap submitted to a DCO for clearing shall be subject to the applicable DCO Rules. The clearing services provided by the DCO with respect to any LatAm SEF Swap, and the rights and obligations of purchasers and sellers under Cleared Swaps resulting from Trades executed on LatAm SEF (including without limitation rights and obligations in respect of clearing and settlement, variation payments and performance at maturity), shall be governed by the DCO, as applicable.

605. Trade Submission to a DCO

- (1) The SEF shall submit each Cleared Swap to the DCO identified pursuant to Rule 505(2) within 10 minutes after execution. Trade submission to the DCO may be through a middleware provider.
- (2) All Cleared Swaps executed as Intermediated Transactions must be Affirmed by Participants or Customers as soon as technologically practicable, and in no event later than ten (10) minutes, after execution/submission to the Affirmation Hub.
- (3) A Transaction will be deemed to have been accepted for, or rejected from, clearing upon receipt of appropriate notice, in accordance with Applicable Law, from the DCO or from a third party acting on behalf of the DCO as authorized by the DCO for such purpose.
- (4) Any Trade that is designated to be cleared and is executed on LatAm SEF but is not accepted for clearing shall be deemed void ab initio, other than as provided for in Rule 608.

606. Pre-Execution Credit Checks

- (1) Consistent with and to the extent required by CFTC Regulations (including CFTC Regulations 1.73 and 23.609):
 - (a) Each Participant that is a Clearing Firm shall establish Risk-Based Limits in its proprietary account;
 - (b) Each Clearing Firm, whether or not a Participant, shall establish Risk-Based Limits in each of its Customer accounts; and
 - (c) Each Clearing Firm shall use automated means to screen Orders that it has authorized a Participant to execute electronically and shall establish and maintain systems of risk controls reasonably designed to ensure compliance with Risk-Based Limits for all other Orders.
- (2) The SEF will facilitate pre-execution checks by Clearing Firms for compliance with Risk-Based Limits, and will issue notices to Clearing Firms and Participants relating thereto. Pre-execution checks may be facilitated via a third-party middleware provider, a service provided by the Clearing Firm, or a service provided by the SEF.
- (3) Any party that is Self-Clearing with respect to a Transaction is deemed to represent, by submitting an Order for its proprietary account, that it has completed pre-execution screening of its internal clearing risk limits for proprietary accounts.
- (4) In advance of submitting an Order for any Cleared Swap (including any Cleared Swap that is a leg of a Package Transaction), a Participant must designate a Clearing Firm with

regard to the Transaction, which may be either the relevant party to the Transaction if such party is Self-Clearing or a designated Clearing Firm if the relevant party to the Transaction is not Self-Clearing.

607. Breakage Agreements Prohibited

Participants and Customers are prohibited from requiring a Breakage Agreement from any other Participant or Customer as a condition of trading swaps intended for clearing with that other Participant or Customer on the SEF, including with respect to Package transactions.

608. Failure to Clear

- (1) Failure to Clear – Risk-Based Limits. Upon receipt by the SEF of notice from a DCO that a Swap (including a Transaction that is a component leg of a Package Transaction), whether or not subject to mandatory clearing, has been rejected for clearing for violation of a Risk-Based Limit, the Swap will be deemed to be void ab initio under these Rules and the SEF will promptly notify the parties to such Swap.
- (2) Failure to Clear – Other Causes. Upon receipt by the SEF of notice from a DCO that a Swap (including a Transaction that is a component leg of a Package Transaction), whether or not subject to mandatory clearing, has been rejected (i) because of a clerical or operational error or omission, or (ii) in the case of a component leg of a Package Transaction, due to the sequencing of the submission of the component legs of the Package Transaction, a new trade, with terms and conditions that match the terms and conditions of the original trade, other than any such error or omission and time of execution, may be executed and submitted for clearing without having been executed pursuant to the methods set forth in CFTC Regulations 37.9(a)(2). If the SEF is able to identify and determine how to correct the error or omission, it may execute the new trade without obtaining the consent of the Counterparties. If the SEF is unable to determine how to correct the error or omission, the SEF will promptly notify the parties to such Swap and disclose to each party the identities of its Counterparty and the Counterparty's Clearing Firm. The parties and their Clearing Firms may in such a case (and after obtaining the consent of their Customers, if applicable) resubmit the Swap to the DCO for clearing provided the following conditions are met:
 - (a) The parties and their Clearing Firms (after obtaining the consent of their Customers, if applicable) must agree to submit the new trade.
 - (b) The clearing member cannot require a Customer to agree in advance to consent to the submission. The consent must be sought on a case-by-case basis, after the trade has been rejected.
 - (c) The new trade must be submitted as soon as technologically practicable after receipt by the parties and their Clearing Firms of a notice of rejection by the DCO to the clearing members, but in any case no later than one hour from the issuance of such notice.
 - (d) Both the original trade and the new trade must be subject to pre-execution credit checks that comply with Commission regulations, including §§ 1.73 and 23.609.
 - (e) The new trade must be submitted with terms and conditions matching those of the original trade other than any such error as identified by the DCO in the original trade rejection.
 - (f) LatAm SEF will report Required Swap Creation Data to the relevant SDR as soon as technologically practicable after the original trade is rejected by the DCO, including: (i) a part 43 cancellation for the original trade; (ii) a part 45 termination indicating that the original trade is void ab initio; (iii) swap transaction

data linking the original canceled trade to the new trade pursuant to Parts 43 and 45 of the Commission Regulations.

- (g) If, after such resubmission, the DCO notifies the parties and their Clearing Firms that the Swap that has been resubmitted will not be accepted for clearing, the parties and their Clearing Firms shall so notify the SEF, no further resubmissions may be made and the Swap shall be deemed to be void ab initio under these Rules.

609. Erroneous Cleared Swaps

If a clerical or operational error or omission is not discovered until after a Transaction has been cleared, the SEF may permit the original Counterparties to the Transaction to enter into a prearranged Transaction that offsets the Transaction carried on the DCO's books (an "Offsetting Transaction"), without the Offsetting Transaction having to be executed pursuant to the methods required in CFTC Regulations 37.9(a)(2) and 38.500. The SEF may also permit the original Counterparties (or, if the wrong legal entity was assigned as a Counterparty to the original Transaction, the intended Counterparties) to enter into a prearranged Transaction that corrects the errors in the original Transaction ("Correcting Transaction"), without the Correcting Transaction having to be executed pursuant to the methods required in CFTC Regulations 37.9(a)(2). Offsetting Transactions and Correcting Transactions executed pursuant to this Rule 601(9) must be executed and submitted for clearing no later than three days after the original, erroneous Transaction was executed.

Chapter 7. Business Conduct

701. Rule Violations

It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to violate any agreement made with the SEF.

702. Market Abuse Detection

The SEF has systems and measures in place to monitor compliance with the Rules, including, but not limited to disorderly trading conditions and conduct that may involve market abuse. A Trading Privilege Holder or Authorized Person demonstrating improper trading activity or attempts to manipulate the market may be suspended or excluded from using the SEF.

703. Supervision

Each Trading Privilege Holder shall be responsible for establishing, maintaining and administering supervisory procedures that are reasonably designed to ensure that its Authorized Persons and its associated persons, if any, comply with these Rules, and may be held accountable for the actions of such Authorized Persons and associated persons.

704. Just and Equitable Principles of Trade

It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to engage in conduct inconsistent with just and equitable principles of trade.

705. Misuse of the Platform

Misuse of the Trading System is prohibited. It shall be deemed an act detrimental to the welfare of the SEF to engage in unauthorized use of the Trading System, to assist any Person in obtaining unauthorized access to the SEF Trading System, to alter the equipment associated with the Trading System, to interfere with the operation of the Trading System, to intercept or interfere with information provided thereby, or in any way to use the SEF in a manner contrary to the Rules.

706. Withholding Orders Prohibited

Any Trading Privilege Holder or Authorized Person entering Orders on the SEF for a Customer shall not withhold or withdraw from the market any Order, or any part of an Order, for the benefit of any Person other than such Customer. A Trading Privilege Holder or Authorized Person must enter into the Trading System all Orders received from its Customers that are immediately executable as soon as practicable following receipt.

707. Prohibited Trading Conduct

It is a violation of these Rules for a Trading Privilege Holder to engage in abusive and/or prohibited trading conduct including, but not limited to, trading ahead of customer orders, accommodation trading, and improper cross trading. Specific prohibited trading conduct includes, but is not limited to:

- (1) Fraudulent Acts. No Trading Privilege Holder or Authorized Person shall engage or attempt to engage in any fraudulent act, or engage or attempt to engage in any scheme to defraud, deceive, trick or mislead another Person in connection with or related to any Trade on or other activity related to the SEF.

- (2) Fictitious Transactions. No Trading Privilege Holder or Authorized Person shall engage in fictitious transactions, improper cross-trading, accommodation trading or execute any such Order with knowledge of its nature as any of the foregoing.
- (3) Market Disruption. Orders entered into the SEF for the purpose of upsetting the equilibrium of the market in any Swap or creating a condition in which prices do not or will not reflect fair market values are prohibited, and any Trading Privilege Holder or Authorized Person who makes or assists in entering any such Order with knowledge of the purpose thereof or who, with such knowledge, in any way assists in carrying out any plan or scheme for the entering of any such Order will be deemed to have engaged in an act detrimental to the SEF.
- (4) Market Manipulation. No Trading Privilege Holder or Authorized Person shall manipulate or attempt to manipulate the price in any Swap.
- (5) Disruptive Trading Practices. No Trading Privilege Holder or Authorized Person shall engage in any trading practice or conduct that constitutes a “disruptive trading practice,” as such term is described in Section 4c(a)(5) of the CEA, CFTC Regulations and any interpretations issued thereunder.
- (6) Misstatements of Material Fact. It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to make any knowing misstatement of a material fact to the SEF or knowingly to omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which they were made, not misleading.
- (7) Disclosing Orders. Except as otherwise permitted by these Rules, no Trading Privilege Holder or Authorized Person shall disclose to any Person the terms of any Order prior to its entry into the SEF, except to (a) an employee or agent of the same Trading Privilege Holder for the sole purpose of executing or recording such Order, (b) a SEF official, or (c) any regulatory or self-regulatory organization with jurisdiction over the SEF or such Trading Privilege Holder.
- (8) Front-Running. No Trading Privilege Holder or Authorized Person shall enter an Order into the SEF for its own account when such Trading Privilege Holder or Authorized Person knows that he is in possession of an Order for the same instrument that has not been executed, cancelled or expired.
- (9) Wash Sales. No Trading Privilege Holder or Authorized Person shall buy and sell a Swap, place or accept buy and sell Orders in the same Instrument, or knowingly execute or accommodate the execution of such Orders by direct or indirect means, if the Trading Privilege Holder or Authorized Person knows or reasonably should know that the purpose of the Transaction is to avoid taking a bona fide market position exposed to market risk. Buy and sell Orders for different Customers with common Beneficial Ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate this Rule.
- (10) “Money passing,” Pre-Arranged, Pre-Negotiated and Noncompetitive Transactions. (a) No Trading Privilege Holder or Authorized Person may enter an Order for the purpose of entering into the position without a net change in either party’s open positions but a resulting profit to one party and a loss to the other party, commonly known as a “money pass,” and (b) no Trading Privilege Holder or Authorized Person shall pre-arrange or pre-negotiate any purchase or sale or noncompetitively execute any Required Transaction other than a Block Trade that is executed in accordance with Rule 510, or any Permitted Transaction that is executed in accordance with Rule 508.
- (11) Trading Against Customer Orders. No Trading Privilege Holder or Authorized Person in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite

side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.

- (12) Any other manipulative or disruptive trading practices prohibited by the Act or by the Commission pursuant to Commission regulation.

708. Position Limits

- (1) To reduce the potential threat of market manipulation or congestion, the SEF shall adopt for each of the contracts of the facility, as is necessary and appropriate, position limitations or position accountability levels for speculators.

- (3) For Permitted Transactions, the SEF may set and enforce position accountability levels or send the Commission a list of the Permitted Transactions transacted on the SEF.
- (4) All Trading Privilege Holders and Authorized Persons must comply with all SEF and Commission requirements regarding Position Limits or position accountability levels.
- (5) Each Trading Privilege Holder and each Authorized Person required to file any report, statement, form or other information with the Commission pursuant to Commission Regulations concerning any Swap or commodity underlying a Swap of or relating to the SEF must simultaneously file a copy of such report, statement, form or other information with the SEF. Such information shall include, for Trading Privilege Holders who are Intermediaries, information concerning the Customers for which Transactions are made on the SEF.
- (6) Any Trading Privilege Holder or Authorized Person who exceeds a SEF or Commission position limit by entering into a Transaction on the SEF shall be deemed in violation of the Rules of the SEF. In addition, any Trading Privilege Holder, Authorized Person, or Customer entering Bids or Offers, if accepted, which would cause that Trading Privilege Holder, Authorized Person, or Customer to exceed the applicable SEF or Commission position limit, shall be in violation of the Rules of the SEF.
- (7) Without limiting any provision of these Rules, the SEF shall have the authority to obtain from any Trading Privilege Holder or their Authorized Persons on request, information with respect to all positions of such Trading Privilege Holder or Customer in Swaps which are equivalent, for purposes of SEF or Commission position limits, to those transacted in by the Trading Privilege Holder on the SEF.
- (8) For purposes of this Rule 708, positions in Swaps shall be aggregated in accordance with CFTC regulations.

Chapter 8. Discipline and Enforcement

801. General

- (1) Trading Privilege Holders and other Persons within the SEF's jurisdiction are subject to this Chapter 8 if they are alleged to have violated, to have aided and abetted a violation of, to be violating, or to be about to violate, any Rule of the SEF or any provision of Applicable Law for which the SEF possesses disciplinary jurisdiction.
- (2) Except when the Board reserves responsibility for an inquiry or investigation to itself or delegates its responsibility to a committee of the Board, the SEF will conduct inquiries, investigations, Disciplinary Proceedings and appeals from Disciplinary Proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 8.
- (3) The SEF may delegate any or all of its powers or responsibilities under this Chapter 8 to the Compliance Department, which may take any actions on behalf of the SEF that the SEF is permitted to take hereunder. In the event of any such delegation, references to the SEF in this Chapter 8 shall be construed to be references to the Compliance Department. The Compliance Department will maintain an enforcement staff that will effectively and promptly prosecute violations in accordance with this Chapter 8. The enforcement staff may not include Persons that are associated with Trading Privilege Holders or with Persons whose interests conflict with their enforcement duties. Further, a member of the enforcement staff may not operate under the direction or control of any Person with Trading Privileges. Any reference to the Compliance Department in this Chapter 8 shall also be a reference to the enforcement staff.
- (4) Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(a) with a potential respondent in an investigative report.
- (5) No member of the staff of the SEF will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action. No member of the Board will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action with respect to which the Board member is not a member of the relevant Review Panel, Disciplinary Panel or Appeal Panel.

 - (b) [Reserved]
 - (c) [Reserved]
 - (d) [Reserved]

- (8) The Board shall appoint individuals at the recommendation of the Chief Compliance Officer to serve for a term of one year subject to reappointment, removal or replacement by the Board, as potential participants on Review Panels, Disciplinary Panels and Appeal Panels. The term of an individual selected as a member of a Review Panel, Disciplinary Panel or an Appeal Panel will not expire until the relevant Disciplinary Proceedings are complete. No member of the Compliance Department may be a participant on a Review Panel, Disciplinary Panel or Appeal Panel.

802. Inquiries and Investigation

- (1) The Compliance Department will investigate any matter within the SEF's disciplinary jurisdiction that is brought to the attention of the Compliance Department. An investigation must be commenced upon the receipt of a request from the CFTC staff or upon the discovery or receipt of information by the SEF that, in the judgment of the Compliance Department, indicates a reasonable basis for finding that a violation has occurred or will occur. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion.
- (2) The Compliance Department has the authority to:
 - (a) Initiate and conduct inquiries and investigations;
 - (b) Prepare investigative reports and make recommendations concerning the initiation of Disciplinary Proceedings; and
 - (c) Prosecute alleged violations within the SEF's disciplinary jurisdiction; and

 - (c) May not impede or delay any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.

803. Reports of Investigations

- (1) The Compliance Department will maintain a log of all investigations and their disposition. Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent named in an investigative report.

The Compliance Department will prepare a written report of an investigation for the Chief Compliance Officer when the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the SEF's jurisdiction has occurred or is about to occur. Any such written investigation report will include the following information:

- (a) The reason(s) for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) The recommendation of the Compliance Department as to whether disciplinary action should be pursued.
- (2) For each potential respondent, the Compliance Department will recommend any one of the following actions:
- (a) Closing the investigation without further action;
 - (b) Resolving the investigation through an informal disposition, including the issuance of a warning letter; or

 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and

- (4) After reviewing the Compliance Department's written investigation report, the Chief Compliance Officer will either:
- (a) Determine to proceed with the Compliance Department's recommendation to close the investigation without further action, or to resolve the investigation through an informal disposition, if such a recommendation has been made;
 - (b) Forward the investigation report to a Review Panel to determine whether further action with respect to the matters discussed therein is warranted; or
 - (c) Determine to proceed with the Compliance Department's recommendation to initiate Disciplinary Proceedings, if such a recommendation has been made.
- (5) Each Compliance Department investigation must be completed in a timely manner. Absent mitigating factors, a timely manner is no later than 12 months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation

taking longer than 12 months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed. The SEF shall maintain investigatory files and disciplinary files in a form and manner acceptable to the Commission, for a period of at least five years, in accordance with CFTC Regulation 1.31 and Part 45 of CFTC regulations.

- (6) In addition to any of the actions permitted pursuant to this Rule 803, the Compliance Department may issue a warning letter to the potential respondent. Such warning letter, if issued, shall not be construed as a penalty or an indication that a finding of a violation has been made. No more than one warning letter for the same potential violation may be issued to the same potential respondent during any rolling 12-month period.

804. Review Panel

- (1) The Chief Compliance Officer may, at his or her discretion, convene a Review Panel to review an investigation report submitted by the Compliance Department to determine whether (i) a reasonable basis exists to believe that a violation of the Rules has occurred, and (ii) commencing Disciplinary Proceedings in respect of such potential violation is warranted. The chairman of the Review Panel shall be appointed by the Chief Compliance Officer.
- (2) The Review Panel will review the completed investigation report promptly after receipt thereof and, within 20 Business Days of such receipt, take one of the following actions:
 - (a) If the Review Panel determines that additional investigation or evidence is needed, the Review Panel shall promptly direct the Compliance Department to conduct such further investigation;
 - (b) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, the Review Panel may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision; or
 - (c) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges.
- (3) Any member of the Review Panel must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent in an investigative report.
- (4) The Review Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director under CFTC Regulations. In forming a Review Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Review Panels. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Review Panel, and no member of the Review Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Review Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Review Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Review Panel has determined the matter for which it was appointed and has notified the Chief Compliance Officer in writing of its decision, it shall be dissolved automatically. The Regulatory Oversight Committee may, at any time, remove any member of a Review Panel for cause.

805. Notice of Charges

- (1) If the Chief Compliance Officer or Review Panel authorizes the initiation of Disciplinary Proceedings, the Compliance Department will prepare, and serve in accordance with Rule 807, a notice of charges.
- (2) A notice of charges must:
 - (a) Adequately state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (b) State the Rule(s) or provision(s) of Applicable Law alleged to have been violated or about to be violated;
 - (c) Advise the respondent of its right to a hearing;
 - (d) State the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 Business Days after service of the notice of charges;
 - (e) Advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
 - (f) Advise the respondent that a failure to answer or to expressly deny a charge may be deemed to be an admission of such charge.
- (3) Upon being served with a notice of charges, the respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the Disciplinary Proceedings, other than a Board member, Director, member of an applicable Disciplinary Panel, SEF Employee or other person substantially related to the underlying investigation.

806. Answer to Notice of Charges

- (1) If the respondent determines to answer a notice of charges, the respondent must file a written answer within 20 Business Days after being served with such notice, or within such later time period determined appropriate by the Chairman of the Disciplinary Panel.
- (2) To answer a notice of charges, the respondent must in writing:
 - (a) Specify the allegations that the respondent denies or admits;
 - (b) Specify the allegations that the respondent does not have sufficient information to either deny or admit;
 - (c) Specify any specific facts that contradict the notice of charges;
 - (d) Specify any affirmative defenses to the notice of charges; and
 - (e) Sign and serve the answer to the Disciplinary Panel.
- (3) Any failure by the respondent to timely serve a written answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer or expressly deny one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. A general denial by the respondent, without more, will not satisfy the foregoing requirements.

- (4) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for each such violation. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction to be imposed pursuant to this Rule 806(4) and advise the respondent that it may request a hearing on such sanction within the time period specified in the notice. The failure to request such a hearing within such time period shall be deemed to constitute an acceptance of such sanction. Any hearing pursuant to this Rule 806(4) shall be concerned only with the sanction(s) imposed by the Disciplinary Panel pursuant to this Rule 806(4).

807. Service of Notice

Any notice of charges or other documents contemplated to be served pursuant to this Chapter 8 may be served upon the respondent either personally or by leaving the same at the respondent's place of business during Business Hours or by deposit with the United States post office, postage prepaid via registered or certified mail, or by overnight delivery, addressed to the respondent at the respondent's last known place of business or residence.

808. Settlements

- (1) At any time after a notice of charges has been issued, the respondent may propose in writing an offer of settlement to anticipated or instituted Disciplinary Proceedings. Any offer of settlement must contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle Disciplinary Proceedings without admitting or denying the findings contained in the order of the Disciplinary Proceedings, but must accept the jurisdiction of the SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed under such offer of settlement.
- (2) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.
- (3) If an offer of settlement is accepted, the Disciplinary Panel must issue a written decision specifying the rule violations that the presiding panel has reason to believe were committed, including the basis or reasons for the presiding panel's conclusions, and any sanction to be imposed, which shall include full Customer restitution where Customer harm is demonstrated. Should an offer of settlement be accepted by the Disciplinary Panel without the agreement of the Compliance Department, such written decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, such written decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.
- (4) The respondent or potential respondent may withdraw his or her offer of settlement at any time before final acceptance by the presiding panel.
- (5) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn before final acceptance by the presiding panel, the matter will proceed as if the offer had not been made and the offer (and all documents relating to it) will not become part of the record. Neither the respondent, the potential respondent, nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, any Disciplinary Proceedings.
- (6) Any accepted settlement agreement shall include a waiver by the respondent of all rights to appeal or otherwise challenge or contest the validity of the settlement offer.

809. Disciplinary Panel

- (1) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any Disciplinary Proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions pursuant to this Chapter 8.
- (2) The Disciplinary Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with CFTC Regulations. The Disciplinary Committee and/or Panel must include persons representing different membership interests so as to ensure fairness and to prevent special treatment or preference for any person in the conduct of a committee's or the panel's responsibilities. In forming a Disciplinary Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The Chief Compliance Officer is prohibited from appointing to the Disciplinary Panel any compliance staff or SEF Employees including seconded Employees. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance Officer. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Disciplinary Panel, and no member of the Disciplinary Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has determined the matter for which it was appointed and has notified the secretary in writing of its decision, it shall be dissolved automatically. The Board may, at any time, remove any member of a Disciplinary Panel for cause.
- (3) Any of the functions of the SEF or the Disciplinary Panel under this Chapter 8 may be performed by a Regulatory Services Provider pursuant to a delegation of such functions by the SEF, and references to the Disciplinary Panel or the Compliance Department, as appropriate, shall be deemed to be references to such Regulatory Service Provider. Nevertheless, the SEF will retain exclusive authority in all substantive decisions made by the Regulatory Service Provider, including, but not limited to, denials of access to the Trading System for disciplinary reasons. The SEF will document any instances where its actions differ from those recommended by the Regulatory Services Provider.
- (4) Within ten Business Days of being notified of the appointment of a Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the SEF's General Counsel and providing a copy thereof to the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The general counsel will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

810. Convening Hearings of Disciplinary Proceedings

- (1) All Disciplinary Proceedings (except for summary impositions of fines pursuant to Rule 817) will be conducted at a hearing before a Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, a Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (2) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct Disciplinary Proceedings with respect to such respondent. Parties

to a Disciplinary Proceeding include each respondent and the Compliance Department. The hearing shall be conducted before members of the Disciplinary Panel.

- (3) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including any pre-hearing motions and the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The SEF will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.
- (4) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (3) above and Rule 811, unless each respondent otherwise consents, the entire Disciplinary Panel must be present (either in person or telephonically) during the entire hearing and any related deliberations.

811. Respondent's Review of Evidence

- (1) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other evidence in the possession or under the control of the SEF that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to those charges. Notwithstanding the foregoing, no respondent will have the right to review, and the SEF will have no obligation to disclose, any information that (i) is protected by attorney-client privilege or the work product doctrine; (ii) was prepared by the Compliance Department or an Employee of the SEF but will not be offered in evidence in the Disciplinary Proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.
- (2) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.
- (3) Notwithstanding anything in paragraph (2) above to the contrary, the Compliance Department:
 - (a) Will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (b) Will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges or that are relevant to those charges.
- (4) For purposes of this Rule 811, information that could adversely affect competitive positions includes positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of Trading Privilege Holders or Customers, and the personal finances of the Person providing the information.

- (5) Unless indicated otherwise by the chairman of the Disciplinary Panel, all such requests for access to information identified in Rule 811(1) must be made not less than ten Business Days prior to the scheduled hearing date.

812. Conducting Hearings of Disciplinary Proceedings

- (1) At a hearing conducted with a Disciplinary Panel, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to appear personally and participate in the hearing.
- (2) At a hearing conducted with a Disciplinary Panel, the Compliance Department and each respondent may:
 - (a) Present evidence and facts deemed relevant and admissible by the chairman of the Disciplinary Panel;
 - (b) Call and examine witnesses (including, but not limited to, Employees or agents of the SEF that form part of the Compliance Department); and
 - (c) Cross-examine witnesses called by other parties.
- (3) If a respondent has failed to timely file a written answer to a notice of charges but appears at the hearing, the respondent may not participate in the hearing (except for a hearing pursuant to Rule 806(4)) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 806.
- (4) Any person entitled, required, or called upon to attend a hearing before a Disciplinary Panel pursuant to paragraph (2)(b) above will be given reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing, and the caption of the Disciplinary Proceedings. The SEF will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.
- (5) If, during any Disciplinary Proceedings, the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated, or is about to violate, a Rule of the SEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 806. In connection with considering apparent violations pursuant to this paragraph (5), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.
- (6) The Disciplinary Panel may summarily impose sanctions on any Trading Privilege Holder or other Person within the SEF's jurisdiction whose actions impede the progress of a hearing.
- (7) The SEF will arrange for any hearing conducted in connection with Disciplinary Proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may, within his or her sole discretion, order the respondent to pay the costs for transcribing the recording of the hearing.

- (8) No interlocutory appeals of rulings of any Disciplinary Panel, or chairman of the Disciplinary Panel, are permitted.

813. Decision of Disciplinary Panel

- (1) Promptly following a hearing, the Disciplinary Panel will render a written decision within thirty (30) days of adjudication based on the weight of the evidence contained in the record of the Disciplinary Proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel. Such decisions shall become effective at minimum fifteen (15) days after written notice has been delivered.
- (2) The SEF will serve a copy of the written decision on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) The notice of charges or a summary of the charges;
 - (b) The answer, if any, or a summary of the answer;
 - (c) A summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigation report;
 - (d) A statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each charge;
 - (e) An indication of each specific rule that the respondent was found to have violated; and
 - (f) A declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.
- (3) Unless a timely notice of appeal is filed pursuant to Rule 816, the order of the Disciplinary Proceedings will become final upon the expiration of 20 Business Days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

814. Sanctions

- (1) After notice and opportunity for hearing in accordance with these Rules, the SEF will impose sanctions if a Trading Privilege Holder or other Person or entity within the SEF's jurisdiction is found to have violated any Applicable Law. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. All sanctions, including those imposed pursuant to an accepted settlement offer, will take into account the respondent's disciplinary history in determining the appropriate sanction.
- (2) The SEF may impose one or more of the following sanctions or remedies:
 - (a) A warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same rule violation within a rolling twelve month period;
 - (b) Censure;
 - (c) Limitation on the Trading Privilege Holder's right to access all or part of the Trading System;

- (d) Suspension of the Trading Privilege Holder's right to access all or part of the Trading System for a period not to exceed 12 months;
 - (e) Fine (subject to paragraph (3) below);
 - (f) Restitution or disgorgement;
 - (g) Expulsion or termination of a Trading Privilege Holder or other Person within the SEF's jurisdiction; or
 - (h) Any other sanction or remedy deemed to be appropriate including, but not limited to, full customer restitution, except where the amount of the restitution, or to whom it should be provided, cannot be reasonably determined in event of customer harm.
- (3) The SEF may impose a fine of up to \$100,000 for each violation. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any other agent or representative of such Participant.

815. Costs

A Disciplinary Panel may order a respondent who has been found to have violated the Rules to pay costs associated with the Disciplinary Proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent, in addition to any fine or other penalty which may be imposed on such respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional assistance, the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

816. Appeal From Disciplinary Panel Decision

- (1) Parties to a Disciplinary Proceeding may appeal the decision of the Disciplinary Panel within 20 Business Days of receiving the order of the Disciplinary Proceedings by filing a notice of appeal with the Chief Compliance Officer. While an appeal is pending, the effect of the written decision issued by the Disciplinary Panel (including any sanctions, remedies, or costs imposed thereby) shall be suspended.
- (2) In a notice of appeal, the appellant must state in writing the grounds for appeal, including the findings of fact, conclusions, or sanctions to which the appellant objects. A written request for an appeal must specify the grounds for the appeal and the specific error or impropriety of the original decision. An appellant may appeal the written decision of a Disciplinary Panel on the grounds that (i) the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or (ii) the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF.
- (3) The Chief Compliance Officer will forward copies of any notice of appeals received by him or her to all parties to the Disciplinary Proceedings in question other than the appellant. On or before the 20th Business Day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve the Compliance Department a brief supporting the notice of appeal and documents supporting the brief.
- (4) Within 20 Business Days after the last submission filed pursuant to paragraph (3) above, the Chief Compliance Officer shall appoint an Appeal Panel to consider and determine the appeal. The Appeal Panel shall be comprised of three individuals appointed by the Board as potential members of Appeal Panels, one of whom shall be appointed by the Chief Compliance Officer to serve as chairman of the Appeal Panel. The Appeal Panel must include at least one person who is qualified to serve as a Public Director under

CFTC Regulations. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on an Appeal Panel. An individual may not serve on an Appeal Panel if the individual has a relationship of a type described in Rule 208(1)(2) or was involved in the adjudication of any other stage of the same proceeding. The appeals proceeding shall be conducted before all members of the Appeal Panel.

- (5) Within ten Business Days of being notified of the appointment of an Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons listed in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of the Appeal Panel. The chief legal officer will decide the merits of any such objection in his or her sole discretion. Any such decision will be final and not subject to appeal.
- (6) The Appeal Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appeal Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant may be able to demonstrate that the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or that the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF. The Appeal Panel's determination shall be based solely upon the materials submitted by the appellant pursuant to paragraph (3). The Appeal Panel's determination of whether to hold a hearing on an appeal shall be final. If the Appeal Panel grants the appellant's request for a hearing, the appellee may file and serve its brief in opposition not more than 20 Business Days after the issuance of the determination of the Appeal Panel.
- (7) An Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the chairman of the Appeal Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present its, his, or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, an Appeal Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by any evidentiary or procedural rules or law.
- (8) Except for good cause, the Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the written exceptions filed by the parties, and the oral or written arguments of the parties. The Appeal Panel may only consider new evidence when it is satisfied that good cause exists as to why the evidence was not introduced during a prior stage of the Disciplinary Proceeding. In connection with any appeal, the Compliance Department will furnish to the Appeal Panel a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.
- (9) After completing its review, the Appeal Panel may affirm, modify, or reverse any order of Disciplinary Proceedings under appeal in whole or in part, including increasing, decreasing, or eliminating any sanction or remedy imposed; imposing any other sanction or remedy authorized by the Rules; or remanding the matter to the same or a different Disciplinary Panel for further Disciplinary Proceedings. The Appeal Panel may order a new hearing for good cause, or if the Appeal Panel deems it appropriate.
- (10) Promptly following the appeal proceeding, the Appeal Panel will issue a written decision and provide a copy to the parties. The written decision issued by the Appeal Panel must adhere to all the requirements of Rule 813(2), to the extent that a different conclusion is reached from that issued by the Disciplinary Panel. A decision by a majority of the Appeal Panel will constitute the decision of the Appeal Panel.

- (11) An Appeal Panel's written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies, and costs, and the effective date of any sanction, remedy, or cost) will be the final action of the SEF, and will not be subject to appeal within the SEF. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

817. Summary Imposition of Fines Relating to Submission of Records

- (1) The SEF may fine a Trading Privilege Holder or any other Person subject to the SEF's jurisdiction using a summary fine schedule for a violation of Rules regarding timely submission of accurate records.
- (2) A warning letter may be issued for first-time violations, provided that no more than one warning letter may be issued per any rolling 12-month period for the same violation.

818. Summary Suspensions

- (1) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer, or his or her designee, may summarily suspend a Participant's right to access the Trading System or the association of an Intermediary or any other Person with a Participant, or take other summary action against any Trading Privilege Holder or any Person subject to the SEF's jurisdiction, or suspend access to the Trading System of any other Person subject to the SEF's jurisdiction, if the SEF reasonably believes such immediate action is necessary to protect the best interest of the marketplace.
- (2) Whenever summary action pursuant to paragraph (1) above is proposed, the SEF will, if practicable, serve the party against whom the action is contemplated with written notice. If prior notice is not practicable, the SEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The notice will be prepared by the Compliance Department, and such notice will state the action, briefly state the reasons for the action, and state the effective time, date, and duration of the action taken. The notice shall be served on the respondent in accordance with Rule 807.
- (3) The respondent shall be advised of its right to a hearing before a Disciplinary Panel pursuant to Rules 809-813, by filing a notice of intent with the Compliance Department within ten Business Days of service of notice. Filing of a notice of intent pursuant to this Rule shall not stay the Chief Compliance Officer's decision to deny access. The respondent shall have the right to be represented by legal counsel, or any other representative of its choosing and at its own expense.
- (4) Promptly but no later than 20 Business Days after filing of a notice of intent, a Disciplinary Panel will conduct a hearing concerning the summary suspension. Promptly after such hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the proceeding. The decision of a majority of the Disciplinary Panel will be the decision of the Disciplinary Panel. The SEF will serve copies of the written decision of the Disciplinary Panel on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) A description of, and reasons for, the summary action taken;
 - (b) A summary of the evidence produced at the hearing;
 - (c) A statement of findings of fact and conclusions;

- (d) A determination that the summary action should be affirmed, modified, or reversed; and
 - (e) A declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.
- (5) Any decision of a Disciplinary Panel pursuant to this Rule 818 will be the final action of the SEF, and not subject to appeal within the SEF upon serving the respondent with a copy of the decision.
- (6) At the request of the SEF, a respondent who is summarily suspended pursuant to this Rule 818 must provide access to and/or copies of books and records over which the respondent has access or control, and must furnish information to, or appear or testify before, the SEF in connection with the enforcement of any Rule of the SEF.

819. Rights and Responsibilities After Suspension or Termination

- (1) When the right of a Person to access the SEF is suspended for a period of 12 months or less, none of its rights will apply during the period of the suspension, except for (i) any right such Person may have to receive rebates or similar payments that were earned, prior to the suspension period, provided that such rebates or payments are not directly related to conduct giving rise to such suspension; or (ii) the right of the Person to assert claims against others as provided in the Rules. Any such suspension will not relieve such Person of its obligations under the Rules to perform any transactions entered into before the suspension, or for any SEF fees, costs, or charges incurred during the suspension. The SEF may discipline a suspended Person under this Chapter 8 for any violation of Applicable Law committed by it before, during, or after the suspension.
- (2) When the right of a Person to access the Trading System is terminated, all of its rights will terminate, except for the right of the Person in question to assert claims against others, as provided in the Rules. A terminated Trading Privilege Holder or other Person may only seek to reinstate its right to access the SEF by filing an application for participation in the SEF. The SEF will not consider the application of a terminated Person if such Person has failed to appear at Disciplinary Proceedings without good cause, or has impeded the progress of Disciplinary Proceedings.
- (3) A suspended or terminated Person remains subject to the Rules and the jurisdiction of the SEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Proceeding, appeal of Disciplinary Proceedings, summary suspension, or other summary action as if the suspended or terminated Person still had the right to access the SEF.

820. Notice to the Respondent, the CFTC, and the Public

The SEF will provide written notice of Disciplinary Proceedings to the parties and the CFTC consistent with CFTC Regulations. Requests for correspondence related to the aforementioned, such as tapes, transcripts and other related documents will be provided at the expense of the respondent. Any such requests from the CFTC will be provided gratis. Whenever the SEF suspends, expels, fines, or otherwise disciplines, or denies any Person access to the SEF, the SEF will make the public disclosures required by CFTC Regulations.

821. Arbitration

- (1) Except as otherwise provided in these Rules, Trading Privilege Holders and/or Authorized Persons shall submit to the National Futures Association (“NFA”) for arbitration all disputes, controversies and claims between or among themselves arising out of a Swap, Swap Derivative or the use of the systems or services of the SEF or the

services, equipment, or facilities used to support such systems or services, including, without limitation, the SEF Trading System and the SEF operated by the SEF (each, a "Dispute"). Any such claim against a Trading Privilege Holder and/or Authorized Person shall be brought within two years from the time that a cause of action has accrued. This Rule 821 shall in no way be construed to create a cause of action and shall not authorize an action that would otherwise be prohibited by these Rules or Applicable Law.

- (2) Should this Rule be deemed unenforceable, (i) exclusive jurisdiction for any such dispute will reside in any state or federal court sitting in New York County, New York, (ii) the Trading Privilege Holders involved in the dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iii) an action to enforce any judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue. Finally, all Trading Privilege Holders unconditionally and irrevocably waive any and all right to trial by jury in connection with any such dispute and the Arbitration Panels decision is final. Arbitration is an alternative to litigation or mediation in order to resolve a dispute amicably.
- (3) Notwithstanding the foregoing, this Rule 821 does not apply to disputes between Trading Privilege Holders or Authorized Persons that: (i) such Persons are required by the Rules of a SRO to submit to the dispute resolution procedures of that SRO; or (ii) such Persons have, by valid and binding agreement, committed to negotiate or litigate in a forum other than the forum set out in Rule 822.

822. Arbitration Forum

NFA will conduct any and all arbitrations of a type described in Rule 821 pursuant to NFA's Member Arbitration Rules, as if each Trading Privilege Holder or Authorized Person to such arbitration was an "NFA Member".

823. Initiating an Arbitration Claim

- (1) A Trading Privilege Holder or Authorized Person may initiate an arbitration claim by submitting the required documents and fees to NFA.
- (2) A Trading Privilege Holder or Authorized Person submitting an arbitration claim shall provide notice of such claim to the SEF.

Chapter 9. Recordkeeping and Reporting

901. Recordkeeping Requirements

- (1) The SEF will capture and retain all transaction data, so as to be able to reconstruct all Indicative Orders, Requests for Quotes, Orders, and Transactions within a reasonable period of time and to provide evidence of any Rule violations.
- (2) The SEF will retain unalterable, sequentially identified records for all Transactions executed on the SEF. This includes all Bids/Offers, whether accepted, unaccepted, canceled or modified, and all acceptances of Bids/Offers.
- (3) The SEF shall maintain an electronic transaction history database, which includes a history of all Bids/Offers and Transactions, and also includes:
 - (a) All data that are input into the order entry system;
 - (b) The categories of Trading Privilege Holders for which each Transaction is executed, and by which each Transaction is executed, including whether the Trading Privilege Holder executed the Transaction for its own account;
 - (c) Timing and sequencing data adequate to reconstruct trading activity; and
 - (d) Identification of each Trading Privilege Holder to which fills are allocated.
- (4) The SEF will use the electronic transaction history database to reconstruct trading and identify possible Rule violations. The SEF will conduct annual reviews of all members, authorized/key personnel and firms subject to the SEF's jurisdiction to verify their compliance with the SEF's audit trail and recordkeeping requirements and will identify Trading Privilege Holders that may have failed to comply with such requirements. Such Persons will be subject to investigation by the Compliance Department for possible disciplinary action. The annual review must include, but is not limited to, reviews of randomly selected samples of front-end audit trail data for order routing systems; a review of the process by which user identifications are assigned and user identification records are maintained; a review of usage patterns associated with user identifications to monitor for violations of user identification requirements; and reviews of account numbers and Customer Type Indicator Codes in transaction records to test for accuracy and improper use.
- (5) The SEF will safely store all data retained in the transaction history database in a manner that protects it from unauthorized alteration, as well as from accidental erasure or other loss.

902. [Reserved]

903. SDR Reporting

- (1) The SEF will report Required Swap Creation Data to a Swap Data Repository for each Swap executed on or pursuant to the Rules of the SEF as soon as technologically practicable after execution. Required Swap Creation Data includes the Primary Economic Terms (PET) and Confirmation Data. The SEF may provide such Required Swap Creation Data to Trading Privilege Holders no earlier than the time it transmits such information to a Swap Data Repository and in a form that does not disclose the identities, or otherwise facilitate identification, of the parties to the Swap. Currently, the SEF utilizes the services of DTCC Data Repository (U.S.) LLC ("DDR") to report all trades in IRS and FX asset classes.

- (2) The Reporting Counterparty for each Swap executed on the Trading System shall be established pursuant to CFTC Regulation 45.8. If both Counterparties are equal in the hierarchy set out in CFTC Regulation 45.8 (for example, both are swap dealers), the Reporting Counterparty for such Swap shall be determined in accordance with Dodd Frank Act - Swap Transaction Reporting Party Requirements (version April 2, 2015 or such successor version as may be adopted from time to time), published by the International Swaps and Derivatives Association Inc., which establishes tiebreaker logic as provided in Appendix A hereto.
- (3) The SEF shall from time to time designate a Swap Data Repository in respect of one or more Swaps in accordance with the Notice provisions of Rule 311.
- (4) Each Trading Privilege Holder and Authorized Person:
 - (a) Authorizes the SEF to send Required Swap Creation Data on its behalf and, if applicable, on behalf of its Customers to the relevant Swap Data Repository designated in accordance with Rule 903(3) and further agrees to take all such actions as are deemed necessary or required by such Swap Data Repository to facilitate or confirm such authorization; and
 - (b) Consents to the maintenance of such Required Swap Creation Data by the relevant Swap Data Repository designated in accordance with Rule 903(3).
- (5) The Reporting Counterparty for any Uncleared Transaction, whether or not the Transaction is executed on the SEF, is responsible for reporting Required Swap Continuation Data to the relevant Swap Data Repository pursuant to CFTC Regulation 45.4(c). The SEF will have no obligation to fulfill any requirements to report Continuation Data for any Trading Privilege Holder, including valuation data.

The Chief Compliance Officer will respond in concert with regulatory guidelines and requirements. Any cost associated with complying and or responding to subpoenas is the responsibility of the requester.

Chapter 12. IRS Contract Terms and Conditions

1201. Scope

- (1) The rules in this chapter govern the trading of Interest Rate Swap (“IRS”) contracts. For purposes of this Chapter, the terms “contract” and “swap” shall have the same meaning and may be used interchangeably.
- (2) The SEF shall list for trading hereunder Contracts as may be designated by the SEF from time to time.
- (3) Any matters not specifically covered herein related to trading, clearing, settlement or otherwise related to Transactions involving IRS Contracts shall be governed by the Rules and the Clearing House rules, if applicable.

1202. IRS Trading Hours

Trading hours for all IRS contracts are 7:00 AM to 4:00 PM Eastern Time, Monday – Friday.

1203. IRS General Terms and Conditions

An Interest Rate Swap (IRS) is an agreement between two parties to exchange cash flows of interest payments based on a notional amount. Payments are calculated based on the notional amount and the value of the reference index or indices over a predetermined term until maturity.

The terms and conditions of IRS contracts are based on combinations of the criteria that follow.

(1) IRS Types

IRS products have one or more of the following characteristics:

- Fixed-for-Floating – An Interest Rate Swap in which the “buyer” makes periodic payments based on a fixed interest rate, and the “seller” makes periodic payments based on a floating interest rate over the term to maturity.
- Overnight Index Swap (OIS) – An Interest Rate Swap in which periodic fixed and floating interest payments based on an overnight rate are exchanged over the term to maturity. Cash flows are net settled in a major currency on fixing date. Overnight index swaps are considered a good indicator of the interbank credit markets, and less risky than other traditional interest rate spreads.
- Cross-Currency Basis Swap – An Interest Rate Swap that involves the periodic exchange of two floating-rate cash flows in different currencies.
- Cross-Currency Swap – A swap involving the exchange of periodic payments in one fixed-rate currency for periodic payments in another floating rate currency.
- Cross-Currency Inflation Swap – A fixed-floating swap involving the exchange of a synthetic inflation-indexed currency for a physical currency. Cross-currency inflation swaps include “domestic” swaps involving an inflation currency and a physical currency of the same country, as well as swaps involving an inflation currency and a physical currency of a different country.
- Swaption – An option agreement granting the buyer the right, but not the obligation, to enter into an underlying interest rate derivative transaction – typically a Fixed/Float IRS – on a given exercise date. As specified in the terms of the Swaption, the Swaption buyer may (1) pay a fixed interest rate at a given strike price and receive a floating rate based on a reference index defined in the underlying instrument (“Payer”), (2) receive a fixed interest rate at a given strike price and pay a floating

rate based on a reference index defined in the underlying instrument (“Receiver”), or (3) determine on Exercise Date whether they will be a Payer or Receiver (“Straddle”). The value of payments exchanged is based on the agreed notional value of the transaction, the agreed strike price for fixed rate payments, and the agreed reference index rate for floating rate payments.

(2) Trading Conventions

Fixed-for-Floating:

- Buyer pays fixed interest rate and receives floating interest rate (expects rates to rise).
- Seller pays floating interest rate and receives fixed interest rate (expects rates to fall).

Cross-Currency/Basis Swap:

- Buyer of swap “pays” floating interest rate plus/minus a spread and “receives” floating interest rate.
- Seller of swap “receives” floating interest rate plus/minus a spread and “pays” floating interest rate.

(3) Trade Types

The Trading System may support the following trade types:

- Outright – A single-leg swap involving a single maturity of an IRS product.
- Spread – A multi-leg swap involving the simultaneous purchase and sale of two different maturities of the yield curve (e.g. 2-year by 5-year).

(4) Contract Size

Also referred to as “Trade Unit,” the notional size and currency the contract is specified in. Standard contract sizes are millions and billions. E.g.: Millions, USD.

(5) Quotation Currencies

The SEF lists IRS contracts quoted in the following currencies:

- ARS – Argentinian Peso
- BRL – Brazilian Real
- CLP – Chilean Peso
- COP – Colombian Peso
- MXN – Mexican Peso
- PEN – Peruvian Nuevo Sol
- USD – U.S. Dollar

(6) Effective Date

The first date from which floating interest amounts accrue, also referred to as the “Start Date”. The Effective Date of the contract must be a business day subject to the appropriate Business Day Convention.

(7) Fixing Date

Also referred to as “Valuation Date,” the date on which the values to be exchanged between Buyer and Seller on Settlement Date are calculated. The Fixing Date of the Contract must be a business day subject to the appropriate Business Day Convention.

(8) Maturity Date

Also referred to as “Termination Date,” the final date until which Fixed and Floating payment amounts accrue, subject to Business Day Convention.

(9) Settlement Date

The date on which transfer of fixed rate payments and floating rate payments are conducted between the Buyer and the Seller. Settlement Date is subject to Business Day Convention.

(10) Trade Start Type

Method for determining Effective Date relative to Trade Date.

- T+0 (also called “Same Day Starting”) – A swap whose Effective Date is the same as the Trade Date.
- T+1 – A swap whose Effective Date is 1 business day after the Trade Date.
- T+2 (also called “Spot Starting”) – A swap whose Effective Date is 2 business days after the Trade Date.

(11) Holiday Calendars

One or more holiday calendars are referenced in determining effective, maturity and settlement dates. Holiday calendars are applied in accordance with the country currency or currencies denoted for instrument.

(12) Business Day Conventions

Method for adjusting payment dates to business days when unadjusted dates fall on weekends or holidays.

- Following – Payment date is rolled to the next business day for the country currency denoted for the product.
- Modified Following – Payment date is rolled to the next business day for the country currency denoted for the product, unless doing so would cause the payment to be in the next calendar month, in which case the payment date is rolled to the previous business day.

(13) Day Count Conventions

As indicated for each listed product, one of the following day count conventions is employed to determine how interest accrues and the number of days between payments:

- Actual/360 – The actual number of days in the period over 360.
- 30/360 (also called “360/360”) – The year fraction is calculated based on a 360 day year with 30-day months, after applying the following rules: If the first date falls on the 31st of the month, it is changed to the 30th. If the second date falls on the 31th, it is changed to the 30th, but only if the first date falls on the 30th or the 31st.
- Business/252 – Used exclusively in Brazilian Interest Rate Swaps, 252-Business-Day – Calculation Days / 252, where Calculation Days means the number of Brazil Business Days (each such Day, a “Scheduled Reset Date”) from and including the

Effective Date (which is equal to the Trade Date) to but not including the Termination Date.

(14) Payment Frequencies

As indicated for each listed product, the payment frequency is one or more of those listed below. Interest Rate Swaps often feature a zero coupon payment frequency for short-term tenors (e.g. 18 months or less) and a periodic payment frequency for longer-term tenors.

- Zero Coupon – Also referred to as “bullet,” full payment at swap termination
- Monthly – Payments made on monthly basis
- Quarterly – Payments made every three months
- Semi-annual – Payments made every six months

(15) Tenor

The duration of time from the Effective Date to the Maturity Date. Tenors range in duration greater than 0 years to 50 years.

- Listed Tenors, also known as On-the-Run, are whole calendar year Spot Starting Contracts with a Tenor of 1 through 60 years.
- Other Tenors, also known as Off-the-Run, means any partial year Tenor (Months, Weeks, Days).

(16) Term

Also referred to as “Calculation Days,” the number of Business Days from and including Effective Date to, but not including, Maturity Date.

(17) Floating Reset Dates

The Floating Reset Dates are utilized to determine the Floating Rate amounts for each interest accrual period during the Tenor of the contract. Except in the case of a Stub Period, the Reset Date is aligned with the floating rate frequency as determined.

(18) Roll Day Convention

The date used for determining all fixed and floating Reset Dates. Roll Days define the beginning and end of interest accrual periods within the full swap duration.

For On-the-Run Contracts, the Roll Day falls on the same date of the month as the Effective Date. For Off-the-Run Contracts, it can be any date of the month, subject to the provisions of the Business Day Convention. Roll Day marks the start of a new interest accrual period, and is the date on which a reset rate takes effect.

(19) First Period Fixing Date

For Spot Starting swaps, the Interest Rate for the first interest period is fixed on the Trade Date, for both Floating and Fixed Rates.

For Forward Starting swaps, the Fixed Rate for the first interest period is fixed on the Trade Date, and the Floating Rate for the first interest period is fixed 2 business days prior to the first floating payment date, taking into account agreed non-working days.

(20) Stub Period Rate

For swaps with partial year Tenors, an interest period that is shorter than the standard underlying Floating index interest periods may occur between the Effective Date and the first or last Roll Date (known as a Stub Period). In these cases, the Interest Rate for such Stub Period is determined using linear interpolation based on the two index rates that surround the Stub Period. This can be applied either at the start (“Front”) or end (“Back”) of that period.

(21) Settlement Type

Non-Deliverable, with the effect that any Reference Currency amounts payable hereunder on Settlement Date shall be paid in and, if necessary, converted to, Settlement Currency amounts on the applicable Valuation Date. All payments shall be made in the Settlement Currency on the Settlement Date.

(22) Settlement Price

Multiple payments may take place during the term of the swap. Settlement price used for the periodic exchange of fixed and floating payments is based on the following factors:

- Fixed Leg – Payment amount on the fixed leg is based on the traded price and notional amounts of the swap on Trade Date. Payment timing on the fixed leg is based on the Payment Frequency, Day Count Convention, Business Day Convention, and Roll Day.
- Floating Leg – Payment on the floating leg is based on the Interest Rate and notional amounts of the swap. Payments on the floating leg are based on the Payment Frequency, Day Count Convention, Business Day Convention, Roll Day Convention and Floating Reset Dates.

(23) Settlement Price Spot Rate Reference

The spot rate used to convert from the swap’s base currency to the settlement currency, if necessary.

(24) Minimum Price Fluctuation

The smallest amount by which the price of the swap can increase or decrease.

(25) Calculation Agent

As agreed by the parties.

- T+0 – Also called “Same Day Starting,” Effective Date is the same as the Trade Date.
 - T+1 – Effective Date is one business day after the Trade Date.
 - T+2 – Also called “Spot Starting,” Effective Date is two business days after the Trade Date.
- (34) Option Tenor

- (35) Option Expiration Date
- Date on which Buyer’s right to exercise option expires, calculated as the Trade Date plus Option Expiry Tenor, subject to option day count frequency, day count convention and Option Expiration Business Center, or as specified by the Counterparties. In a European Swaption, this is the only date on which the Buyer can exercise the option.
- (36) Option Expiration Business Center
- Business day calendar location referenced to determine the valid business day for option expiration.
- (37) Option Earliest Exercise Time

- Physical – Seller grants Buyer the right to cause the Underlying Interest Rate Derivative Transaction (which in the case of a Straddle will be either a Payer or a Receiver Option Type) to become effective.
- Cleared Physical – Seller grants Buyer the right to cause the Underlying Interest Rate Derivative Transaction (which in the case of a Straddle will be either a Payer or a Receiver Option Type) to become effective; provided, however that the Underlying Swap Transaction is cleared through a mutually agreed upon clearinghouse.
- Cash – Seller grants Buyer the right to cause Seller to pay Buyer the Cash Settlement Amount in lieu of physical delivery, if any, on the cash settlement payment date. Cash settlement includes details on applicable valuation date, time, business center, settlement currency, quotation rate, rate source and reference banks.

- (3) The following DCOs are currently recognized by the SEF:

- (a) Chicago Mercantile Exchange, Inc.
- (b) LCH.Clearnet Limited

The SEF may recognize additional DCOs either through amendment of this Rule 601 or by issuance of a Notice to Participants.

- (4) The clearing requirement in this Rule 601 will not apply if at least one Participant that is a Counterparty to a Transaction is an end-user and that party elects the end-user exception from mandatory clearing that is available under CFTC Regulation 50.50.

602. Participant Clearing Eligibility

- (1) A Participant or Customer shall be eligible to trade Cleared Swaps on the SEF only if the Participant or Customer (or their respective Affiliate) is a Clearing Firm of the appropriate DCO where the Cleared Swap is designated for clearing or has a clearing account with a Clearing Firm who has undertaken to provide a guarantee to the DCO to clear such Cleared Swap at the DCO, following the Clearing Firm's acceptance of such Cleared Swap for clearing, within the limits set by the Clearing Firm, in each case executed on the Trading System or pursuant to the Rules.
- (2) A Participant will only execute a Cleared Swap on the Trading System if the Participant has delivered to the SEF all information necessary to permit the SEF to submit the Swap for clearing.
- (3) Each Participant shall be responsible for determining whether any Swap it enters into is subject to the mandatory clearing requirements of Section 2(h)(1) of the Act.

603. Clearing Firm Authorization

- (1) Each Clearing Firm by entering into a relationship to intermediate clearing on behalf of a Participant shall be subject to, and shall be considered to have consented to, the jurisdiction of the SEF as per Rule 301, in respect of such transactions, including the jurisdiction of the SEF to impose sanctions for violations under Rule 814.
- (2) A Clearing Firm may at any time revoke any authorization granted and guarantee made by it by providing written notice of such revocation to the SEF specifying the effective date of the revocation. The effective date of the revocation shall not be less than 15

Business Days following the date of giving of such withdrawal notice or such other date as may be approved by the SEF.

604. DCO Rules

A LatAm SEF Swap submitted to a DCO for clearing shall be subject to the applicable DCO Rules. The clearing services provided by the DCO with respect to any LatAm SEF Swap, and the rights and obligations of purchasers and sellers under Cleared Swaps resulting from Trades executed on LatAm SEF (including without limitation rights and obligations in respect of clearing and settlement, variation payments and performance at maturity), shall be governed by the DCO, as applicable.

605. Trade Submission to a DCO

- (1) The SEF shall submit each Cleared Swap to the DCO identified pursuant to Rule 505(2) within 10 minutes after execution. Trade submission to the DCO may be through a middleware provider.
- (2) All Cleared Swaps executed as Intermediated Transactions must be Affirmed by Participants or Customers as soon as technologically practicable, and in no event later than ten (10) minutes, after execution/submission to the Affirmation Hub.
- (3) A Transaction will be deemed to have been accepted for, or rejected from, clearing upon receipt of appropriate notice, in accordance with Applicable Law, from the DCO or from a third party acting on behalf of the DCO as authorized by the DCO for such purpose.
- (4) Any Trade that is designated to be cleared and is executed on LatAm SEF but is not accepted for clearing shall be deemed void ab initio, other than as provided for in Rule 608.

606. Pre-Execution Credit Checks

- (1) Consistent with and to the extent required by CFTC Regulations (including CFTC Regulations 1.73 and 23.609):
 - (a) Each Participant that is a Clearing Firm shall establish Risk-Based Limits in its proprietary account;
 - (b) Each Clearing Firm, whether or not a Participant, shall establish Risk-Based Limits in each of its Customer accounts; and
 - (c) Each Clearing Firm shall use automated means to screen Orders that it has authorized a Participant to execute electronically and shall establish and maintain systems of risk controls reasonably designed to ensure compliance with Risk-Based Limits for all other Orders.
- (2) The SEF will facilitate pre-execution checks by Clearing Firms for compliance with Risk-Based Limits, and will issue notices to Clearing Firms and Participants relating thereto. Pre-execution checks may be facilitated via a third-party middleware provider, a service provided by the Clearing Firm, or a service provided by the SEF.
- (3) Any party that is Self-Clearing with respect to a Transaction is deemed to represent, by submitting an Order for its proprietary account, that it has completed pre-execution screening of its internal clearing risk limits for proprietary accounts.
- (4) In advance of submitting an Order for any Cleared Swap (including any Cleared Swap that is a leg of a Package Transaction), a Participant must designate a Clearing Firm with

regard to the Transaction, which may be either the relevant party to the Transaction if such party is Self-Clearing or a designated Clearing Firm if the relevant party to the Transaction is not Self-Clearing.

607. Breakage Agreements Prohibited

Participants and Customers are prohibited from requiring a Breakage Agreement from any other Participant or Customer as a condition of trading swaps intended for clearing with that other Participant or Customer on the SEF, including with respect to Package transactions.

608. Failure to Clear

- (1) Failure to Clear – Risk-Based Limits. Upon receipt by the SEF of notice from a DCO that a Swap (including a Transaction that is a component leg of a Package Transaction), whether or not subject to mandatory clearing, has been rejected for clearing for violation of a Risk-Based Limit, the Swap will be deemed to be void ab initio under these Rules and the SEF will promptly notify the parties to such Swap.
- (2) Failure to Clear – Other Causes. Upon receipt by the SEF of notice from a DCO that a Swap (including a Transaction that is a component leg of a Package Transaction), whether or not subject to mandatory clearing, has been rejected (i) because of a clerical or operational error or omission, or (ii) in the case of a component leg of a Package Transaction, due to the sequencing of the submission of the component legs of the Package Transaction, a new trade, with terms and conditions that match the terms and conditions of the original trade, other than any such error or omission and time of execution, may be executed and submitted for clearing without having been executed pursuant to the methods set forth in CFTC Regulations 37.9(a)(2). If the SEF is able to identify and determine how to correct the error or omission, it may execute the new trade without obtaining the consent of the Counterparties. If the SEF is unable to determine how to correct the error or omission, the SEF will promptly notify the parties to such Swap and disclose to each party the identities of its Counterparty and the Counterparty's Clearing Firm. The parties and their Clearing Firms may in such a case (and after obtaining the consent of their Customers, if applicable) resubmit the Swap to the DCO for clearing provided the following conditions are met:
 - (a) The parties and their Clearing Firms (after obtaining the consent of their Customers, if applicable) must agree to submit the new trade.
 - (b) The clearing member cannot require a Customer to agree in advance to consent to the submission. The consent must be sought on a case-by-case basis, after the trade has been rejected.
 - (c) The new trade must be submitted as soon as technologically practicable after receipt by the parties and their Clearing Firms of a notice of rejection by the DCO to the clearing members, but in any case no later than one hour from the issuance of such notice.
 - (d) Both the original trade and the new trade must be subject to pre-execution credit checks that comply with Commission regulations, including §§ 1.73 and 23.609.
 - (e) The new trade must be submitted with terms and conditions matching those of the original trade other than any such error as identified by the DCO in the original trade rejection.
 - (f) LatAm SEF will report Required Swap Creation Data to the relevant SDR as soon as technologically practicable after the original trade is rejected by the DCO, including: (i) a part 43 cancellation for the original trade; (ii) a part 45 termination indicating that the original trade is void ab initio; (iii) swap transaction

data linking the original canceled trade to the new trade pursuant to Parts 43 and 45 of the Commission Regulations.

- (g) If, after such resubmission, the DCO notifies the parties and their Clearing Firms that the Swap that has been resubmitted will not be accepted for clearing, the parties and their Clearing Firms shall so notify the SEF, no further resubmissions may be made and the Swap shall be deemed to be void ab initio under these Rules.

609. Erroneous Cleared Swaps

If a clerical or operational error or omission is not discovered until after a Transaction has been cleared, the SEF may permit the original Counterparties to the Transaction to enter into a prearranged Transaction that offsets the Transaction carried on the DCO's books (an "Offsetting Transaction"), without the Offsetting Transaction having to be executed pursuant to the methods required in CFTC Regulations 37.9(a)(2) and 38.500. The SEF may also permit the original Counterparties (or, if the wrong legal entity was assigned as a Counterparty to the original Transaction, the intended Counterparties) to enter into a prearranged Transaction that corrects the errors in the original Transaction ("Correcting Transaction"), without the Correcting Transaction having to be executed pursuant to the methods required in CFTC Regulations 37.9(a)(2). Offsetting Transactions and Correcting Transactions executed pursuant to this Rule 601(9) must be executed and submitted for clearing no later than three days after the original, erroneous Transaction was executed.

Chapter 7. Business Conduct

701. Rule Violations

It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to violate any agreement made with the SEF.

702. Market Abuse Detection

The SEF has systems and measures in place to monitor compliance with the Rules, including, but not limited to disorderly trading conditions and conduct that may involve market abuse. A Trading Privilege Holder or Authorized Person demonstrating improper trading activity or attempts to manipulate the market may be suspended or excluded from using the SEF.

703. Supervision

Each Trading Privilege Holder shall be responsible for establishing, maintaining and administering supervisory procedures that are reasonably designed to ensure that its Authorized Persons and its associated persons, if any, comply with these Rules, and may be held accountable for the actions of such Authorized Persons and associated persons.

704. Just and Equitable Principles of Trade

It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to engage in conduct inconsistent with just and equitable principles of trade.

705. Misuse of the Platform

Misuse of the Trading System is prohibited. It shall be deemed an act detrimental to the welfare of the SEF to engage in unauthorized use of the Trading System, to assist any Person in obtaining unauthorized access to the SEF Trading System, to alter the equipment associated with the Trading System, to interfere with the operation of the Trading System, to intercept or interfere with information provided thereby, or in any way to use the SEF in a manner contrary to the Rules.

706. Withholding Orders Prohibited

Any Trading Privilege Holder or Authorized Person entering Orders on the SEF for a Customer shall not withhold or withdraw from the market any Order, or any part of an Order, for the benefit of any Person other than such Customer. A Trading Privilege Holder or Authorized Person must enter into the Trading System all Orders received from its Customers that are immediately executable as soon as practicable following receipt.

707. Prohibited Trading Conduct

It is a violation of these Rules for a Trading Privilege Holder to engage in abusive and/or prohibited trading conduct including, but not limited to, trading ahead of customer orders, accommodation trading, and improper cross trading. Specific prohibited trading conduct includes, but is not limited to:

- (1) Fraudulent Acts. No Trading Privilege Holder or Authorized Person shall engage or attempt to engage in any fraudulent act, or engage or attempt to engage in any scheme to defraud, deceive, trick or mislead another Person in connection with or related to any Trade on or other activity related to the SEF.

- (2) Fictitious Transactions. No Trading Privilege Holder or Authorized Person shall engage in fictitious transactions, improper cross-trading, accommodation trading or execute any such Order with knowledge of its nature as any of the foregoing.
- (3) Market Disruption. Orders entered into the SEF for the purpose of upsetting the equilibrium of the market in any Swap or creating a condition in which prices do not or will not reflect fair market values are prohibited, and any Trading Privilege Holder or Authorized Person who makes or assists in entering any such Order with knowledge of the purpose thereof or who, with such knowledge, in any way assists in carrying out any plan or scheme for the entering of any such Order will be deemed to have engaged in an act detrimental to the SEF.
- (4) Market Manipulation. No Trading Privilege Holder or Authorized Person shall manipulate or attempt to manipulate the price in any Swap.
- (5) Disruptive Trading Practices. No Trading Privilege Holder or Authorized Person shall engage in any trading practice or conduct that constitutes a “disruptive trading practice,” as such term is described in Section 4c(a)(5) of the CEA, CFTC Regulations and any interpretations issued thereunder.
- (6) Misstatements of Material Fact. It shall be a violation of these Rules for a Trading Privilege Holder or Authorized Person to make any knowing misstatement of a material fact to the SEF or knowingly to omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which they were made, not misleading.
- (7) Disclosing Orders. Except as otherwise permitted by these Rules, no Trading Privilege Holder or Authorized Person shall disclose to any Person the terms of any Order prior to its entry into the SEF, except to (a) an employee or agent of the same Trading Privilege Holder for the sole purpose of executing or recording such Order, (b) a SEF official, or (c) any regulatory or self-regulatory organization with jurisdiction over the SEF or such Trading Privilege Holder.
- (8) Front-Running. No Trading Privilege Holder or Authorized Person shall enter an Order into the SEF for its own account when such Trading Privilege Holder or Authorized Person knows that he is in possession of an Order for the same instrument that has not been executed, cancelled or expired.
- (9) Wash Sales. No Trading Privilege Holder or Authorized Person shall buy and sell a Swap, place or accept buy and sell Orders in the same Instrument, or knowingly execute or accommodate the execution of such Orders by direct or indirect means, if the Trading Privilege Holder or Authorized Person knows or reasonably should know that the purpose of the Transaction is to avoid taking a bona fide market position exposed to market risk. Buy and sell Orders for different Customers with common Beneficial Ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate this Rule.
- (10) “Money passing,” Pre-Arranged, Pre-Negotiated and Noncompetitive Transactions. (a) No Trading Privilege Holder or Authorized Person may enter an Order for the purpose of entering into the position without a net change in either party’s open positions but a resulting profit to one party and a loss to the other party, commonly known as a “money pass,” and (b) no Trading Privilege Holder or Authorized Person shall pre-arrange or pre-negotiate any purchase or sale or noncompetitively execute any Required Transaction other than a Block Trade that is executed in accordance with Rule 510, or any Permitted Transaction that is executed in accordance with Rule 508.
- (11) Trading Against Customer Orders. No Trading Privilege Holder or Authorized Person in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite

side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.

- (12) Any other manipulative or disruptive trading practices prohibited by the Act or by the Commission pursuant to Commission regulation.

708. Position Limits

- (1) To reduce the potential threat of market manipulation or congestion, the SEF shall adopt for each of the contracts of the facility, as is necessary and appropriate, position limitations or position accountability levels for speculators.
- (2) The SEF hereby adopts the Commission's position limits for any Swap for which the Commission has adopted a Position Limit. In no event will the SEF set its position limits at a level higher than the Commission's Position Limits.
- (3) For Permitted Transactions, the SEF may set and enforce position accountability levels or send the Commission a list of the Permitted Transactions transacted on the SEF.
- (4) All Trading Privilege Holders and Authorized Persons must comply with all SEF and Commission requirements regarding Position Limits or position accountability levels.
- (5) Each Trading Privilege Holder and each Authorized Person required to file any report, statement, form or other information with the Commission pursuant to Commission Regulations concerning any Swap or commodity underlying a Swap of or relating to the SEF must simultaneously file a copy of such report, statement, form or other information with the SEF. Such information shall include, for Trading Privilege Holders who are Intermediaries, information concerning the Customers for which Transactions are made on the SEF.
- (6) Any Trading Privilege Holder or Authorized Person who exceeds a SEF or Commission position limit by entering into a Transaction on the SEF shall be deemed in violation of the Rules of the SEF. In addition, any Trading Privilege Holder, Authorized Person, or Customer entering Bids or Offers, if accepted, which would cause that Trading Privilege Holder, Authorized Person, or Customer to exceed the applicable SEF or Commission position limit, shall be in violation of the Rules of the SEF.
- (7) Without limiting any provision of these Rules, the SEF shall have the authority to obtain from any Trading Privilege Holder or their Authorized Persons on request, information with respect to all positions of such Trading Privilege Holder or Customer in Swaps which are equivalent, for purposes of SEF or Commission position limits, to those transacted in by the Trading Privilege Holder on the SEF.
- (8) For purposes of this Rule 708, positions in Swaps shall be aggregated in accordance with CFTC regulations.

Chapter 8. Discipline and Enforcement

801. General

- (1) Trading Privilege Holders and other Persons within the SEF's jurisdiction are subject to this Chapter 8 if they are alleged to have violated, to have aided and abetted a violation of, to be violating, or to be about to violate, any Rule of the SEF or any provision of Applicable Law for which the SEF possesses disciplinary jurisdiction.
- (2) Except when the Board reserves responsibility for an inquiry or investigation to itself or delegates its responsibility to a committee of the Board, the SEF will conduct inquiries, investigations, Disciplinary Proceedings and appeals from Disciplinary Proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 8.
- (3) The SEF may delegate any or all of its powers or responsibilities under this Chapter 8 to the Compliance Department, which may take any actions on behalf of the SEF that the SEF is permitted to take hereunder. In the event of any such delegation, references to the SEF in this Chapter 8 shall be construed to be references to the Compliance Department. The Compliance Department will maintain an enforcement staff that will effectively and promptly prosecute violations in accordance with this Chapter 8. The enforcement staff may not include Persons that are associated with Trading Privilege Holders or with Persons whose interests conflict with their enforcement duties. Further, a member of the enforcement staff may not operate under the direction or control of any Person with Trading Privileges. Any reference to the Compliance Department in this Chapter 8 shall also be a reference to the enforcement staff.
- (4) Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(a) with a potential respondent in an investigative report.
- (5) No member of the staff of the SEF will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action. No member of the Board will interfere with or attempt to influence the process or resolution of any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action with respect to which the Board member is not a member of the relevant Review Panel, Disciplinary Panel or Appeal Panel.
- (6) Upon being served with a notice of charges, the respondent may be represented by counsel or any other representative of its choosing, at its own expense, in all succeeding stages of the disciplinary process pursuant to this Chapter 8.
- (7) Pursuant to this Chapter 8, the SEF may hold:
 - (a) A Participant liable, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation of Applicable Law.
 - (b) [Reserved]
 - (c) [Reserved]
 - (d) [Reserved]

- (8) The Board shall appoint individuals at the recommendation of the Chief Compliance Officer to serve for a term of one year subject to reappointment, removal or replacement by the Board, as potential participants on Review Panels, Disciplinary Panels and Appeal Panels. The term of an individual selected as a member of a Review Panel, Disciplinary Panel or an Appeal Panel will not expire until the relevant Disciplinary Proceedings are complete. No member of the Compliance Department may be a participant on a Review Panel, Disciplinary Panel or Appeal Panel.

802. Inquiries and Investigation

- (1) The Compliance Department will investigate any matter within the SEF's disciplinary jurisdiction that is brought to the attention of the Compliance Department. An investigation must be commenced upon the receipt of a request from the CFTC staff or upon the discovery or receipt of information by the SEF that, in the judgment of the Compliance Department, indicates a reasonable basis for finding that a violation has occurred or will occur. The Compliance Department will determine the nature and scope of its inquiries and investigations within its sole discretion.
- (2) The Compliance Department has the authority to:
 - (a) Initiate and conduct inquiries and investigations;
 - (b) Prepare investigative reports and make recommendations concerning the initiation of Disciplinary Proceedings; and
 - (c) Prosecute alleged violations within the SEF's disciplinary jurisdiction; and
 - (d) Represent the SEF on appeal from any Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.
- (3) Each Trading Privilege Holder or other Person subject to the SEF's jurisdiction:
 - (a) Is obligated to appear and testify and respond in writing to inquiries within the time period required by the Compliance Department in connection with (i) any Rule of the SEF; (ii) any inquiry or investigation; or (iii) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SEF;
 - (b) Is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Compliance Department in connection with (i) any Rule of the SEF; (ii) any inquiry or investigation; or (iii) any preparation by and presentation during a Disciplinary Proceeding or appeal from a decision in any Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action by the SEF; and
 - (c) May not impede or delay any inquiry, investigation, Disciplinary Proceeding, appeal from a Disciplinary Proceeding, summary imposition of fines, summary suspension or other summary action.

803. Reports of Investigations

- (1) The Compliance Department will maintain a log of all investigations and their disposition. Any member of the Compliance Department must promptly recuse himself or herself and notify the Chief Compliance Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent named in an investigative report.

The Compliance Department will prepare a written report of an investigation for the Chief Compliance Officer when the evidence gathered during any inquiry or investigation forms a reasonable basis to believe that a violation within the SEF's jurisdiction has occurred or is about to occur. Any such written investigation report will include the following information:

- (a) The reason(s) for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) The recommendation of the Compliance Department as to whether disciplinary action should be pursued.
- (2) For each potential respondent, the Compliance Department will recommend any one of the following actions:
- (a) Closing the investigation without further action;
 - (b) Resolving the investigation through an informal disposition, including the issuance of a warning letter; or
 - (c) Initiating Disciplinary Proceedings.
- (3) If the Compliance Department determines that no reasonable basis exists for finding a violation, then the written investigation report will include the following information:
- (a) The reasons for initiating the investigation;
 - (b) A summary of the complaint, if any;
 - (c) All relevant facts and evidence gathered;
 - (d) The Compliance Department's analysis and conclusions; and
 - (e) A copy of any recommended warning letter as well as the Trading Privilege Holder's disciplinary history at the SEF.
- (4) After reviewing the Compliance Department's written investigation report, the Chief Compliance Officer will either:
- (a) Determine to proceed with the Compliance Department's recommendation to close the investigation without further action, or to resolve the investigation through an informal disposition, if such a recommendation has been made;
 - (b) Forward the investigation report to a Review Panel to determine whether further action with respect to the matters discussed therein is warranted; or
 - (c) Determine to proceed with the Compliance Department's recommendation to initiate Disciplinary Proceedings, if such a recommendation has been made.
- (5) Each Compliance Department investigation must be completed in a timely manner. Absent mitigating factors, a timely manner is no later than 12 months after the date that an investigation is opened. Mitigating factors that may reasonably justify an investigation

taking longer than 12 months to complete include the complexity of the investigation, the number of firms or individuals involved as potential wrongdoers, the number of potential violations to be investigated, and the volume of documents and data to be examined and analyzed. The SEF shall maintain investigatory files and disciplinary files in a form and manner acceptable to the Commission, for a period of at least five years, in accordance with CFTC Regulation 1.31 and Part 45 of CFTC regulations.

- (6) In addition to any of the actions permitted pursuant to this Rule 803, the Compliance Department may issue a warning letter to the potential respondent. Such warning letter, if issued, shall not be construed as a penalty or an indication that a finding of a violation has been made. No more than one warning letter for the same potential violation may be issued to the same potential respondent during any rolling 12-month period.

804. Review Panel

- (1) The Chief Compliance Officer may, at his or her discretion, convene a Review Panel to review an investigation report submitted by the Compliance Department to determine whether (i) a reasonable basis exists to believe that a violation of the Rules has occurred, and (ii) commencing Disciplinary Proceedings in respect of such potential violation is warranted. The chairman of the Review Panel shall be appointed by the Chief Compliance Officer.
- (2) The Review Panel will review the completed investigation report promptly after receipt thereof and, within 20 Business Days of such receipt, take one of the following actions:
 - (a) If the Review Panel determines that additional investigation or evidence is needed, the Review Panel shall promptly direct the Compliance Department to conduct such further investigation;
 - (b) If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, the Review Panel may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision; or
 - (c) If the Review Panel determines that a reasonable basis exists for finding a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges.
- (3) Any member of the Review Panel must promptly recuse himself or herself and notify the Chief ~~Regulatory Compliance~~ Officer of the recusal if such member has a relationship of a type listed in Rule 208(1)(2) with a potential respondent in an investigative report.
- (4) The Review Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director under CFTC Regulations. In forming a Review Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Review Panels. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Review Panel, and no member of the Review Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Review Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Review Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Review Panel has determined the matter for which it was appointed and has notified the Chief Compliance Officer in writing of its decision, it shall be dissolved automatically. The Regulatory Oversight Committee may, at any time, remove any member of a Review Panel for cause.

805. Notice of Charges

- (1) If the Chief Compliance Officer or Review Panel authorizes the initiation of Disciplinary Proceedings, the Compliance Department will prepare, and serve in accordance with Rule 807, a notice of charges.
- (2) A notice of charges must:
 - (a) Adequately state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (b) State the Rule(s) or provision(s) of Applicable Law alleged to have been violated or about to be violated;
 - (c) Advise the respondent of its right to a hearing;
 - (d) State the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than 20 Business Days after service of the notice of charges;
 - (e) Advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
 - (f) Advise the respondent that a failure to answer or to expressly deny a charge may be deemed to be an admission of such charge.
- (3) Upon being served with a notice of charges, the respondent has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the Disciplinary Proceedings, other than a Board member, Director, member of an applicable Disciplinary Panel, SEF Employee or other person substantially related to the underlying investigation.

806. Answer to Notice of Charges

- (1) If the respondent determines to answer a notice of charges, the respondent must file a written answer within 20 Business Days after being served with such notice, or within such later time period determined appropriate by the Chairman of the Disciplinary Panel.
- (2) To answer a notice of charges, the respondent must in writing:
 - (a) Specify the allegations that the respondent denies or admits;
 - (b) Specify the allegations that the respondent does not have sufficient information to either deny or admit;
 - (c) Specify any specific facts that contradict the notice of charges;
 - (d) Specify any affirmative defenses to the notice of charges; and
 - (e) Sign and serve the answer to the Disciplinary Panel.
- (3) Any failure by the respondent to timely serve a written answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer or expressly deny one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. A general denial by the respondent, without more, will not satisfy the foregoing requirements.

- (4) If a respondent admits or fails to specifically deny any of the allegations in the notice of charges, the Disciplinary Panel shall find that the violations set forth in such allegations have been committed and shall impose a sanction for each such violation. The Disciplinary Panel shall promptly notify the respondent in writing of any sanction to be imposed pursuant to this Rule 806(4) and advise the respondent that it may request a hearing on such sanction within the time period specified in the notice. The failure to request such a hearing within such time period shall be deemed to constitute an acceptance of such sanction. Any hearing pursuant to this Rule 806(4) shall be concerned only with the sanction(s) imposed by the Disciplinary Panel pursuant to this Rule 806(4).

807. Service of Notice

Any notice of charges or other documents contemplated to be served pursuant to this Chapter 8 may be served upon the respondent either personally or by leaving the same at the respondent's place of business during Business Hours or by deposit with the United States post office, postage prepaid via registered or certified mail, or by overnight delivery, addressed to the respondent at the respondent's last known place of business or residence.

808. Settlements

- (1) At any time after a notice of charges has been issued, the respondent may propose in writing an offer of settlement to anticipated or instituted Disciplinary Proceedings. Any offer of settlement must contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle Disciplinary Proceedings without admitting or denying the findings contained in the order of the Disciplinary Proceedings, but must accept the jurisdiction of the SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed under such offer of settlement.
- (2) The Disciplinary Panel may accept the offer of settlement, but may not alter the terms of a settlement offer unless the respondent or potential respondent agrees.
- (3) If an offer of settlement is accepted, the Disciplinary Panel must issue a written decision specifying the rule violations that the presiding panel has reason to believe were committed, including the basis or reasons for the presiding panel's conclusions, and any sanction to be imposed, which shall include full Customer restitution where Customer harm is demonstrated. Should an offer of settlement be accepted by the Disciplinary Panel without the agreement of the Compliance Department, such written decision must adequately support the Disciplinary Panel's acceptance of the settlement. If applicable, such written decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.
- (4) The respondent or potential respondent may withdraw his or her offer of settlement at any time before final acceptance by the presiding panel.
- (5) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn before final acceptance by the presiding panel, the matter will proceed as if the offer had not been made and the offer (and all documents relating to it) will not become part of the record. Neither the respondent, the potential respondent, nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, any Disciplinary Proceedings.
- (6) Any accepted settlement agreement shall include a waiver by the respondent of all rights to appeal or otherwise challenge or contest the validity of the settlement offer.

809. Disciplinary Panel

- (1) The Chief Compliance Officer will appoint a Disciplinary Panel to conduct hearings in connection with any Disciplinary Proceedings authorized by the Chief Compliance Officer or a Review Panel to make findings and impose sanctions pursuant to this Chapter 8.
- (2) The Disciplinary Panel shall be comprised of three individuals, at least one of whom would qualify to serve as a Public Director in accordance with CFTC Regulations. The Disciplinary Committee and/or Panel must include persons representing different membership interests so as to ensure fairness and to prevent special treatment or preference for any person in the conduct of a committee's or the panel's responsibilities. In forming a Disciplinary Panel, the Chief Compliance Officer shall draw panel members from the individuals appointed by the Board as potential members of Disciplinary Panels. The Chief Compliance Officer is prohibited from appointing to the Disciplinary Panel any compliance staff or SEF Employees including seconded Employees. The chairman of the Disciplinary Panel shall be appointed by the Chief Compliance Officer. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on a Disciplinary Panel, and no member of the Disciplinary Panel may participate in deliberations or voting on any matter in which he or she has a financial, personal or other direct interest. A Disciplinary Panel may not include any person involved in adjudicating any other stage of the same proceeding. If a vacancy shall occur on a Disciplinary Panel after it has begun its proceedings, the remaining members shall complete consideration and disposition of the matter. Once a Disciplinary Panel has determined the matter for which it was appointed and has notified the secretary in writing of its decision, it shall be dissolved automatically. The Board may, at any time, remove any member of a Disciplinary Panel for cause.
- (3) Any of the functions of the SEF or the Disciplinary Panel under this Chapter 8 may be performed by a Regulatory Services Provider pursuant to a delegation of such functions by the SEF, and references to the Disciplinary Panel or the Compliance Department, as appropriate, shall be deemed to be references to such Regulatory Service Provider. Nevertheless, the SEF will retain exclusive authority in all substantive decisions made by the Regulatory Service Provider, including, but not limited to, denials of access to the Trading System for disciplinary reasons. The SEF will document any instances where its actions differ from those recommended by the Regulatory Services Provider.
- (4) Within ten Business Days of being notified of the appointment of a Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the SEF's General Counsel and providing a copy thereof to the Disciplinary Panel. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The general counsel will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

810. Convening Hearings of Disciplinary Proceedings

- (1) All Disciplinary Proceedings (except for summary impositions of fines pursuant to Rule 817) will be conducted at a hearing before a Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, a Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (2) After reasonable notice to each respondent, the Disciplinary Panel will promptly convene a hearing to conduct Disciplinary Proceedings with respect to such respondent. Parties

to a Disciplinary Proceeding include each respondent and the Compliance Department. The hearing shall be conducted before members of the Disciplinary Panel.

- (3) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including any pre-hearing motions and the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law; nevertheless, the procedures for the hearing may not be so informal as to deny a fair hearing. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The SEF will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.
- (4) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (3) above and Rule 811, unless each respondent otherwise consents, the entire Disciplinary Panel must be present (either in person or telephonically) during the entire hearing and any related deliberations.

811. Respondent's Review of Evidence

- (1) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other evidence in the possession or under the control of the SEF that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to those charges. Notwithstanding the foregoing, no respondent will have the right to review, and the SEF will have no obligation to disclose, any information that (i) is protected by attorney-client privilege or the work product doctrine; (ii) was prepared by the Compliance Department or an Employee of the SEF but will not be offered in evidence in the Disciplinary Proceedings; (iii) may disclose a technique or guideline used in examinations, investigations or enforcement proceedings; or (iv) discloses the identity of a confidential source.
- (2) If any books, records, documents, papers, transcripts of testimony or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.
- (3) Notwithstanding anything in paragraph (2) above to the contrary, the Compliance Department:
 - (a) Will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (b) Will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges or that are relevant to those charges.
- (4) For purposes of this Rule 811, information that could adversely affect competitive positions includes positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of Trading Privilege Holders or Customers, and the personal finances of the Person providing the information.

- (5) Unless indicated otherwise by the chairman of the Disciplinary Panel, all such requests for access to information identified in Rule 811(1) must be made not less than ten Business Days prior to the scheduled hearing date.

812. Conducting Hearings of Disciplinary Proceedings

- (1) At a hearing conducted with a Disciplinary Panel, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. The respondent is entitled to appear personally and participate in the hearing.
- (2) At a hearing conducted with a Disciplinary Panel, the Compliance Department and each respondent may:
 - (a) Present evidence and facts deemed relevant and admissible by the chairman of the Disciplinary Panel;
 - (b) Call and examine witnesses (including, but not limited to, Employees or agents of the SEF that form part of the Compliance Department); and
 - (c) Cross-examine witnesses called by other parties.
- (3) If a respondent has failed to timely file a written answer to a notice of charges but appears at the hearing, the respondent may not participate in the hearing (except for a hearing pursuant to Rule 806(4)) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 806.
- (4) Any person entitled, required, or called upon to attend a hearing before a Disciplinary Panel pursuant to paragraph (2)(b) above will be given reasonable notice, confirmed in writing, specifying the date, time, and place of the hearing, and the caption of the Disciplinary Proceedings. The SEF will require persons within its jurisdiction that are called as witnesses to appear at the hearing and produce evidence, and will make reasonable efforts to secure the presence of all other persons called as witnesses whose testimony would be relevant.
- (5) If, during any Disciplinary Proceedings, the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated, or is about to violate, a Rule of the SEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 806. In connection with considering apparent violations pursuant to this paragraph (5), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.
- (6) The Disciplinary Panel may summarily impose sanctions on any Trading Privilege Holder or other Person within the SEF's jurisdiction whose actions impede the progress of a hearing.
- (7) The SEF will arrange for any hearing conducted in connection with Disciplinary Proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription, and a copy of such recordings shall become a part of the record of such proceedings. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may, within his or her sole discretion, order the respondent to pay the costs for transcribing the recording of the hearing.

- (8) No interlocutory appeals of rulings of any Disciplinary Panel, or chairman of the Disciplinary Panel, are permitted.

813. Decision of Disciplinary Panel

- (1) Promptly following a hearing, the Disciplinary Panel will render a written decision within thirty (30) days of adjudication based on the weight of the evidence contained in the record of the Disciplinary Proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel. Such decisions shall become effective at minimum fifteen (15) days after written notice has been delivered.
- (2) The SEF will serve a copy of the written decision on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) The notice of charges or a summary of the charges;
 - (b) The answer, if any, or a summary of the answer;
 - (c) A summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the investigation report;
 - (d) A statement of findings and conclusions with respect to each charge, and a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each charge;
 - (e) An indication of each specific rule that the respondent was found to have violated; and
 - (f) A declaration of all sanctions imposed against the respondent, including the basis for such sanctions and the effective date of such sanctions.
- (3) Unless a timely notice of appeal is filed pursuant to Rule 816, the order of the Disciplinary Proceedings will become final upon the expiration of 20 Business Days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

814. Sanctions

- (1) After notice and opportunity for hearing in accordance with these Rules, the SEF will impose sanctions if a Trading Privilege Holder or other Person or entity within the SEF's jurisdiction is found to have violated any Applicable Law. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. All sanctions, including those imposed pursuant to an accepted settlement offer, will take into account the respondent's disciplinary history in determining the appropriate sanction.
- (2) The SEF may impose one or more of the following sanctions or remedies:
 - (a) A warning letter, provided that no more than one warning letter may be issued to the same respondent found to have committed the same rule violation within a rolling twelve month period;
 - (b) Censure;
 - (c) Limitation on the Trading Privilege Holder's right to access all or part of the Trading System;

- (d) Suspension of the Trading Privilege Holder's right to access all or part of the Trading System for a period not to exceed 12 months;
 - (e) Fine (subject to paragraph (3) below);
 - (f) Restitution or disgorgement;
 - (g) Expulsion or termination of a Trading Privilege Holder or other Person within the SEF's jurisdiction; or
 - (h) Any other sanction or remedy deemed to be appropriate including, but not limited to, full customer restitution, except where the amount of the restitution, or to whom it should be provided, cannot be reasonably determined in event of customer harm.
- (3) The SEF may impose a fine of up to \$100,000 for each violation. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any other agent or representative of such Participant.

815. Costs

A Disciplinary Panel may order a respondent who has been found to have violated the Rules to pay costs associated with the Disciplinary Proceedings, including costs that the Disciplinary Panel believes were unnecessarily caused by the respondent, in addition to any fine or other penalty which may be imposed on such respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional assistance, the hearing, and administrative and other expenses incurred by the Disciplinary Panel.

816. Appeal From Disciplinary Panel Decision

- (1) Parties to a Disciplinary Proceeding may appeal the decision of the Disciplinary Panel within 20 Business Days of receiving the order of the Disciplinary Proceedings by filing a notice of appeal with the Chief Compliance Officer. While an appeal is pending, the effect of the written decision issued by the Disciplinary Panel (including any sanctions, remedies, or costs imposed thereby) shall be suspended.
- (2) In a notice of appeal, the appellant must state in writing the grounds for appeal, including the findings of fact, conclusions, or sanctions to which the appellant objects. A written request for an appeal must specify the grounds for the appeal and the specific error or impropriety of the original decision. An appellant may appeal the written decision of a Disciplinary Panel on the grounds that (i) the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or (ii) the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF.
- (3) The Chief Compliance Officer will forward copies of any notice of appeals received by him or her to all parties to the Disciplinary Proceedings in question other than the appellant. On or before the 20th Business Day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve the Compliance Department a brief supporting the notice of appeal and documents supporting the brief.
- (4) Within 20 Business Days after the last submission filed pursuant to paragraph (3) above, the Chief Compliance Officer shall appoint an Appeal Panel to consider and determine the appeal. The Appeal Panel shall be comprised of three individuals appointed by the Board as potential members of Appeal Panels, one of whom shall be appointed by the Chief Compliance Officer to serve as chairman of the Appeal Panel. The Appeal Panel must include at least one person who is qualified to serve as a Public Director under

CFTC Regulations. No group or class of Trading Privilege Holders may dominate or exercise disproportionate influence on an Appeal Panel. An individual may not serve on an Appeal Panel if the individual has a relationship of a type described in Rule 208(1)(2) or was involved in the adjudication of any other stage of the same proceeding. The appeals proceeding shall be conducted before all members of the Appeal Panel.

- (5) Within ten Business Days of being notified of the appointment of an Appeal Panel, either party may seek to disqualify any individual named to the Appeal Panel for the reasons listed in Rule 208(1)(2) or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the parties will be deemed to have waived any objection to the composition of the Appeal Panel. The chief legal officer will decide the merits of any such objection in his or her sole discretion. Any such decision will be final and not subject to appeal.
- (6) The Appeal Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appeal Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant may be able to demonstrate that the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules, or that the decision exceeded the authority or jurisdiction of the Disciplinary Panel or the SEF. The Appeal Panel's determination shall be based solely upon the materials submitted by the appellant pursuant to paragraph (3). The Appeal Panel's determination of whether to hold a hearing on an appeal shall be final. If the Appeal Panel grants the appellant's request for a hearing, the appellee may file and serve its brief in opposition not more than 20 Business Days after the issuance of the determination of the Appeal Panel.
- (7) An Appeal Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the chairman of the Appeal Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present its, his, or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, an Appeal Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by any evidentiary or procedural rules or law.
- (8) Except for good cause, the Appeal Panel will only consider on appeal the record before the Disciplinary Panel, the written exceptions filed by the parties, and the oral or written arguments of the parties. The Appeal Panel may only consider new evidence when it is satisfied that good cause exists as to why the evidence was not introduced during a prior stage of the Disciplinary Proceeding. In connection with any appeal, the Compliance Department will furnish to the Appeal Panel a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.
- (9) After completing its review, the Appeal Panel may affirm, modify, or reverse any order of Disciplinary Proceedings under appeal in whole or in part, including increasing, decreasing, or eliminating any sanction or remedy imposed; imposing any other sanction or remedy authorized by the Rules; or remanding the matter to the same or a different Disciplinary Panel for further Disciplinary Proceedings. The Appeal Panel may order a new hearing for good cause, or if the Appeal Panel deems it appropriate.
- (10) Promptly following the appeal proceeding, the Appeal Panel will issue a written decision and provide a copy to the parties. The written decision issued by the Appeal Panel must adhere to all the requirements of Rule 813(2), to the extent that a different conclusion is reached from that issued by the Disciplinary Panel. A decision by a majority of the Appeal Panel will constitute the decision of the Appeal Panel.

- (11) An Appeal Panel's written decision on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies, and costs, and the effective date of any sanction, remedy, or cost) will be the final action of the SEF, and will not be subject to appeal within the SEF. Disciplinary sanctions imposed by the SEF shall be commensurate with the violations committed, and shall be clearly sufficient to deter recidivism or similar violations by other market participants. In addition, the respondent's disciplinary history will be taken into account in determining the appropriate sanction.

817. Summary Imposition of Fines Relating to Submission of Records

- (1) The SEF may fine a Trading Privilege Holder or any other Person subject to the SEF's jurisdiction using a summary fine schedule for a violation of Rules regarding timely submission of accurate records.
- (2) A warning letter may be issued for first-time violations, provided that no more than one warning letter may be issued per any rolling 12-month period for the same violation.

818. Summary Suspensions

- (1) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer, or his or her designee, may summarily suspend a Participant's right to access the Trading System or the association of an Intermediary or any other Person with a Participant, or take other summary action against any Trading Privilege Holder or any Person subject to the SEF's jurisdiction, or suspend access to the Trading System of any other Person subject to the SEF's jurisdiction, if the SEF reasonably believes such immediate action is necessary to protect the best interest of the marketplace.
- (2) Whenever summary action pursuant to paragraph (1) above is proposed, the SEF will, if practicable, serve the party against whom the action is contemplated with written notice. If prior notice is not practicable, the SEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought. The notice will be prepared by the Compliance Department, and such notice will state the action, briefly state the reasons for the action, and state the effective time, date, and duration of the action taken. The notice shall be served on the respondent in accordance with Rule 807.
- (3) The respondent shall be advised of its right to a hearing before a Disciplinary Panel pursuant to Rules 809-813, by filing a notice of intent with the Compliance Department within ten Business Days of service of notice. Filing of a notice of intent pursuant to this Rule shall not stay the Chief Compliance Officer's decision to deny access. The respondent shall have the right to be represented by legal counsel, or any other representative of its choosing and at its own expense.
- (4) Promptly but no later than 20 Business Days after filing of a notice of intent, a Disciplinary Panel will conduct a hearing concerning the summary suspension. Promptly after such hearing, the Disciplinary Panel will render a written decision based on the weight of the evidence contained in the record of the proceeding. The decision of a majority of the Disciplinary Panel will be the decision of the Disciplinary Panel. The SEF will serve copies of the written decision of the Disciplinary Panel on the respondent and the Compliance Department. The written decision will include the following information:
 - (a) A description of, and reasons for, the summary action taken;
 - (b) A summary of the evidence produced at the hearing;
 - (c) A statement of findings of fact and conclusions;

- (d) A determination that the summary action should be affirmed, modified, or reversed; and
 - (e) A declaration of any action to be taken pursuant to the determination, and the effective date and duration of such action.
- (5) Any decision of a Disciplinary Panel pursuant to this Rule 818 will be the final action of the SEF, and not subject to appeal within the SEF upon serving the respondent with a copy of the decision.
- (6) At the request of the SEF, a respondent who is summarily suspended pursuant to this Rule 818 must provide access to and/or copies of books and records over which the respondent has access or control, and must furnish information to, or appear or testify before, the SEF in connection with the enforcement of any Rule of the SEF.

819. Rights and Responsibilities After Suspension or Termination

- (1) When the right of a Person to access the SEF is suspended for a period of 12 months or less, none of its rights will apply during the period of the suspension, except for (i) any right such Person may have to receive rebates or similar payments that were earned, prior to the suspension period, provided that such rebates or payments are not directly related to conduct giving rise to such suspension; or (ii) the right of the Person to assert claims against others as provided in the Rules. Any such suspension will not relieve such Person of its obligations under the Rules to perform any transactions entered into before the suspension, or for any SEF fees, costs, or charges incurred during the suspension. The SEF may discipline a suspended Person under this Chapter 8 for any violation of Applicable Law committed by it before, during, or after the suspension.
- (2) When the right of a Person to access the Trading System is terminated, all of its rights will terminate, except for the right of the Person in question to assert claims against others, as provided in the Rules. A terminated Trading Privilege Holder or other Person may only seek to reinstate its right to access the SEF by filing an application for participation in the SEF. The SEF will not consider the application of a terminated Person if such Person has failed to appear at Disciplinary Proceedings without good cause, or has impeded the progress of Disciplinary Proceedings.
- (3) A suspended or terminated Person remains subject to the Rules and the jurisdiction of the SEF for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, Disciplinary Proceeding, appeal of Disciplinary Proceedings, summary suspension, or other summary action as if the suspended or terminated Person still had the right to access the SEF.

820. Notice to the Respondent, the CFTC, and the Public

The SEF will provide written notice of Disciplinary Proceedings to the parties and the CFTC consistent with CFTC Regulations. Requests for correspondence related to the aforementioned, such as tapes, transcripts and other related documents will be provided at the expense of the respondent. Any such requests from the CFTC will be provided gratis. Whenever the SEF suspends, expels, fines, or otherwise disciplines, or denies any Person access to the SEF, the SEF will make the public disclosures required by CFTC Regulations.

821. Arbitration

- (1) Except as otherwise provided in these Rules, Trading Privilege Holders and/or Authorized Persons shall submit to the National Futures Association (“NFA”) for arbitration all disputes, controversies and claims between or among themselves arising out of a Swap, Swap Derivative or the use of the systems or services of the SEF or the

services, equipment, or facilities used to support such systems or services, including, without limitation, the SEF Trading System and the SEF operated by the SEF (each, a "Dispute"). Any such claim against a Trading Privilege Holder and/or Authorized Person shall be brought within two years from the time that a cause of action has accrued. This Rule 821 shall in no way be construed to create a cause of action and shall not authorize an action that would otherwise be prohibited by these Rules or Applicable Law.

- (2) Should this Rule be deemed unenforceable, (i) exclusive jurisdiction for any such dispute will reside in any state or federal court sitting in New York County, New York, (ii) the Trading Privilege Holders involved in the dispute will be presumed to have submitted to the personal jurisdiction of any such court, and (iii) an action to enforce any judgment or decision of such court may be brought in the same court or in any other court with jurisdiction or venue. Finally, all Trading Privilege Holders unconditionally and irrevocably waive any and all right to trial by jury in connection with any such dispute and the Arbitration Panels decision is final. Arbitration is an alternative to litigation or mediation in order to resolve a dispute amicably.
- (3) Notwithstanding the foregoing, this Rule 821 does not apply to disputes between Trading Privilege Holders or Authorized Persons that: (i) such Persons are required by the Rules of a SRO to submit to the dispute resolution procedures of that SRO; or (ii) such Persons have, by valid and binding agreement, committed to negotiate or litigate in a forum other than the forum set out in Rule 822.

822. Arbitration Forum

NFA will conduct any and all arbitrations of a type described in Rule 821 pursuant to NFA's Member Arbitration Rules, as if each Trading Privilege Holder or Authorized Person to such arbitration was an "NFA Member".

823. Initiating an Arbitration Claim

- (1) A Trading Privilege Holder or Authorized Person may initiate an arbitration claim by submitting the required documents and fees to NFA.
- (2) A Trading Privilege Holder or Authorized Person submitting an arbitration claim shall provide notice of such claim to the SEF.

Chapter 9. Recordkeeping and Reporting

901. Recordkeeping Requirements

- (1) The SEF will capture and retain all transaction data, so as to be able to reconstruct all Indicative Orders, Requests for Quotes, Orders, and Transactions within a reasonable period of time and to provide evidence of any Rule violations.
- (2) The SEF will retain unalterable, sequentially identified records for all Transactions executed on the SEF. This includes all Bids/Offers, whether accepted, unaccepted, canceled or modified, and all acceptances of Bids/Offers.
- (3) The SEF shall maintain an electronic transaction history database, which includes a history of all Bids/Offers and Transactions, and also includes:
 - (a) All data that are input into the order entry system;
 - (b) The categories of Trading Privilege Holders for which each Transaction is executed, and by which each Transaction is executed, including whether the Trading Privilege Holder executed the Transaction for its own account;
 - (c) Timing and sequencing data adequate to reconstruct trading activity; and
 - (d) Identification of each Trading Privilege Holder to which fills are allocated.
- (4) The SEF will use the electronic transaction history database to reconstruct trading and identify possible Rule violations. The SEF will conduct annual reviews of all members, authorized/key personnel and firms subject to the SEF's jurisdiction to verify their compliance with the SEF's audit trail and recordkeeping requirements and will identify Trading Privilege Holders that may have failed to comply with such requirements. Such Persons will be subject to investigation by the Compliance Department for possible disciplinary action. The annual review must include, but is not limited to, reviews of randomly selected samples of front-end audit trail data for order routing systems; a review of the process by which user identifications are assigned and user identification records are maintained; a review of usage patterns associated with user identifications to monitor for violations of user identification requirements; and reviews of account numbers and Customer Type Indicator Codes in transaction records to test for accuracy and improper use.
- (5) The SEF will safely store all data retained in the transaction history database in a manner that protects it from unauthorized alteration, as well as from accidental erasure or other loss.

902. [Reserved]

903. SDR Reporting

- (1) The SEF will report Required Swap Creation Data to a Swap Data Repository for each Swap executed on or pursuant to the Rules of the SEF as soon as technologically practicable after execution. Required Swap Creation Data includes the Primary Economic Terms (PET) and Confirmation Data. The SEF may provide such Required Swap Creation Data to Trading Privilege Holders no earlier than the time it transmits such information to a Swap Data Repository and in a form that does not disclose the identities, or otherwise facilitate identification, of the parties to the Swap. Currently, the SEF utilizes the services of DTCC Data Repository (U.S.) LLC ("DDR") to report all trades in IRS and FX asset classes.

- (2) The Reporting Counterparty for each Swap executed on the Trading System shall be established pursuant to CFTC Regulation 45.8. If both Counterparties are equal in the hierarchy set out in CFTC Regulation 45.8 (for example, both are swap dealers), the Reporting Counterparty for such Swap shall be determined in accordance with Dodd Frank Act - Swap Transaction Reporting Party Requirements (version April 2, 2015 or such successor version as may be adopted from time to time), published by the International Swaps and Derivatives Association Inc., which establishes tiebreaker logic as provided in Appendix A hereto.
- (3) The SEF shall from time to time designate a Swap Data Repository in respect of one or more Swaps in accordance with the Notice provisions of Rule 311.
- (4) Each Trading Privilege Holder and Authorized Person:
 - (a) Authorizes the SEF to send Required Swap Creation Data on its behalf and, if applicable, on behalf of its Customers to the relevant Swap Data Repository designated in accordance with Rule 903(3) and further agrees to take all such actions as are deemed necessary or required by such Swap Data Repository to facilitate or confirm such authorization; and
 - (b) Consents to the maintenance of such Required Swap Creation Data by the relevant Swap Data Repository designated in accordance with Rule 903(3).
- (5) The Reporting Counterparty for any Uncleared Transaction, whether or not the Transaction is executed on the SEF, is responsible for reporting Required Swap Continuation Data to the relevant Swap Data Repository pursuant to CFTC Regulation 45.4(c). The SEF will have no obligation to fulfill any requirements to report Continuation Data for any Trading Privilege Holder, including valuation data.

Chapter 10. Liability and Disclaimers of Liability

1001. LIMITATION OF LIABILITY

- (1) EXCEPT TO THE EXTENT THAT A COURT OF COMPETENT JURISDICTION HAS FOUND IN A FINAL ADJUDICATION THAT ANY OF THE FOLLOWING PERSONS HAS ENGAGED IN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, THE SEF, ITS AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, CONSULTANTS AND LICENSORS, SHALL NOT BE LIABLE TO ANY PERSON FOR ANY LOSSES, DAMAGES, COSTS OR EXPENSES (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, LOSS OF USE, AND DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES) IN CONTRACT, TORT, NEGLIGENCE, FRAUD, STRICT LIABILITY, CONTRIBUTION OR OTHERWISE AND WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD PARTY CLAIM, ARISING FROM:
 - (a) ANY FAILURE, MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION, TERMINATION, OR ANY OTHER CAUSE, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE SYSTEMS AND SERVICES OF THE SEF (INCLUDING SUBSIDIARIES AND AFFILIATES), OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, INCLUDING WITHOUT LIMITATION ELECTRONIC ORDER ENTRY/DELIVERY, TRADING THROUGH ANY ELECTRONIC MEANS, ELECTRONIC COMMUNICATION OF MARKET DATA OR INFORMATION, WORKSTATIONS USED BY TRADING PRIVILEGE HOLDERS, PRICE REPORTING SYSTEMS AND ANY AND ALL TERMINALS, COMMUNICATIONS NETWORKS, CENTRAL COMPUTERS, SOFTWARE, HARDWARE, FIRMWARE AND PRINTERS RELATING THERETO; OR
 - (b) ANY FAILURE OR MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION OR TERMINATION, OR ANY OTHER CAUSE, OF ANY SYSTEM OR SERVICE OF THE SEF (INCLUDING SUBSIDIARIES AND AFFILIATES), OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, CAUSED BY ANY THIRD PARTIES INCLUDING, BUT NOT LIMITED TO, INDEPENDENT SOFTWARE VENDORS AND NETWORK PROVIDERS; OR
 - (c) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE SEF (INCLUDING SUBSIDIARIES AND AFFILIATES) OR ANY SEF (INCLUDING SUBSIDIARIES AND AFFILIATES) SYSTEMS, SERVICES OR FACILITIES; EXCEPT FOR INCORRECT ORDER STATUS; OR
 - (d) ANY UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF ANY SEF (INCLUDING SUBSIDIARIES AND AFFILIATES) SYSTEMS, SERVICES OR FACILITIES BY ANY PERSON.

Chapter 12. IRS Contract Terms and Conditions

1201. Scope

- (1) The rules in this chapter govern the trading of Interest Rate Swap (“IRS”) contracts. For purposes of this Chapter, the terms “contract” and “swap” shall have the same meaning and may be used interchangeably.
- (2) The SEF shall list for trading hereunder Contracts as may be designated by the SEF from time to time.
- (3) Any matters not specifically covered herein related to trading, clearing, settlement or otherwise related to Transactions involving IRS Contracts shall be governed by the Rules and the Clearing House rules, if applicable.

1202. IRS Trading Hours

Trading hours for all IRS contracts are 7:00 AM to 4:00 PM Eastern Time, Monday – Friday.

1203. IRS General Terms and Conditions

An Interest Rate Swap (IRS) is an agreement between two parties to exchange cash flows of interest payments based on a notional amount. Payments are calculated based on the notional amount and the value of the reference index or indices over a predetermined term until maturity.

The terms and conditions of IRS contracts are based on combinations of the criteria that follow.

(1) IRS Types

IRS products have one or more of the following characteristics:

- Fixed-for-Floating – An Interest Rate Swap in which the “buyer” makes periodic payments based on a fixed interest rate, and the “seller” makes periodic payments based on a floating interest rate over the term to maturity.
- Overnight Index Swap (OIS) – An Interest Rate Swap in which periodic fixed and floating interest payments based on an overnight rate are exchanged over the term to maturity. Cash flows are net settled in a major currency on fixing date. Overnight index swaps are considered a good indicator of the interbank credit markets, and less risky than other traditional interest rate spreads.
- Cross-Currency Basis Swap – An Interest Rate Swap that involves the periodic exchange of two floating-rate cash flows in different currencies.
- Cross-Currency Swap – A swap involving the exchange of periodic payments in one fixed-rate currency for periodic payments in another floating rate currency.
- Cross-Currency Inflation Swap – A fixed-floating swap involving the exchange of a synthetic inflation-indexed currency for a physical currency. Cross-currency inflation swaps include “domestic” swaps involving an inflation currency and a physical currency of the same country, as well as swaps involving an inflation currency and a physical currency of a different country.
- Swaption – An option agreement granting the buyer the right, but not the obligation, to enter into an underlying interest rate derivative transaction – typically a Fixed/Float IRS – on a given exercise date. As specified in the terms of the Swaption, the Swaption buyer may (1) pay a fixed interest rate at a given strike price and receive a floating rate based on a reference index defined in the underlying instrument (“Payer”), (2) receive a fixed interest rate at a given strike price and pay a floating

rate based on a reference index defined in the underlying instrument (“Receiver”), or (3) determine on Exercise Date whether they will be a Payer or Receiver (“Straddle”). The value of payments exchanged is based on the agreed notional value of the transaction, the agreed strike price for fixed rate payments, and the agreed reference index rate for floating rate payments.

(2) Trading Conventions

Fixed-for-Floating:

- Buyer pays fixed interest rate and receives floating interest rate (expects rates to rise).
- Seller pays floating interest rate and receives fixed interest rate (expects rates to fall).

Cross-Currency/Basis Swap:

- Buyer of swap “pays” floating interest rate plus/minus a spread and “receives” floating interest rate.
- Seller of swap “receives” floating interest rate plus/minus a spread and “pays” floating interest rate.

(3) Trade Types

The Trading System may support the following trade types:

- Outright – A single-leg swap involving a single maturity of an IRS product.
- Spread – A multi-leg swap involving the simultaneous purchase and sale of two different maturities of the yield curve (e.g. 2-year by 5-year).

(4) Contract Size

Also referred to as “Trade Unit,” the notional size and currency the contract is specified in. Standard contract sizes are millions and billions. E.g.: Millions, USD.

(5) Quotation Currencies

The SEF lists IRS contracts quoted in the following currencies:

- ARS – Argentinian Peso
- BRL – Brazilian Real
- CLP – Chilean Peso
- COP – Colombian Peso
- MXN – Mexican Peso
- PEN – Peruvian Nuevo Sol
- USD – U.S. Dollar

(6) Effective Date

The first date from which floating interest amounts accrue, also referred to as the “Start Date”. The Effective Date of the contract must be a business day subject to the appropriate Business Day Convention.

(7) Fixing Date

Also referred to as “Valuation Date,” the date on which the values to be exchanged between Buyer and Seller on Settlement Date are calculated. The Fixing Date of the Contract must be a business day subject to the appropriate Business Day Convention.

(8) Maturity Date

Also referred to as “Termination Date,” the final date until which Fixed and Floating payment amounts accrue, subject to Business Day Convention.

(9) Settlement Date

The date on which transfer of fixed rate payments and floating rate payments are conducted between the Buyer and the Seller. Settlement Date is subject to Business Day Convention.

(10) Trade Start Type

Method for determining Effective Date relative to Trade Date.

- T+0 (also called “Same Day Starting”) – A swap whose Effective Date is the same as the Trade Date.
- T+1 – A swap whose Effective Date is 1 business day after the Trade Date.
- T+2 (also called “Spot Starting”) – A swap whose Effective Date is 2 business days after the Trade Date.

(11) Holiday Calendars

One or more holiday calendars are referenced in determining effective, maturity and settlement dates. Holiday calendars are applied in accordance with the country currency or currencies denoted for instrument.

(12) Business Day Conventions

Method for adjusting payment dates to business days when unadjusted dates fall on weekends or holidays.

- Following – Payment date is rolled to the next business day for the country currency denoted for the product.
- Modified Following – Payment date is rolled to the next business day for the country currency denoted for the product, unless doing so would cause the payment to be in the next calendar month, in which case the payment date is rolled to the previous business day.

(13) Day Count Conventions

As indicated for each listed product, one of the following day count conventions is employed to determine how interest accrues and the number of days between payments:

- Actual/360 – The actual number of days in the period over 360.
- 30/360 (also called “360/360”) – The year fraction is calculated based on a 360 day year with 30-day months, after applying the following rules: If the first date falls on the 31st of the month, it is changed to the 30th. If the second date falls on the 31st, it is changed to the 30th, but only if the first date falls on the 30th or the 31st.
- Business/252 – Used exclusively in Brazilian Interest Rate Swaps, 252-Business-Day – Calculation Days / 252, where Calculation Days means the number of Brazil Business Days (each such Day, a “Scheduled Reset Date”) from and including the

Effective Date (which is equal to the Trade Date) to but not including the Termination Date.

(14) Payment Frequencies

As indicated for each listed product, the payment frequency is one or more of those listed below. Interest Rate Swaps often feature a zero coupon payment frequency for short-term tenors (e.g. 18 months or less) and a periodic payment frequency for longer-term tenors.

- Zero Coupon – Also referred to as “bullet,” full payment at swap termination
- Monthly – Payments made on monthly basis
- Quarterly – Payments made every three months
- Semi-annual – Payments made every six months

(15) Tenor

The duration of time from the Effective Date to the Maturity Date. Tenors range in duration greater than 0 years to 50 years.

- Listed Tenors, also known as On-the-Run, are whole calendar year Spot Starting Contracts with a Tenor of 1 through 60 years.
- Other Tenors, also known as Off-the-Run, means any partial year Tenor (Months, Weeks, Days).

(16) Term

Also referred to as “Calculation Days,” the number of Business Days from and including Effective Date to, but not including, Maturity Date.

(17) Floating Reset Dates

The Floating Reset Dates are utilized to determine the Floating Rate amounts for each interest accrual period during the Tenor of the contract. Except in the case of a Stub Period, the Reset Date is aligned with the floating rate frequency as determined.

(18) Roll Day Convention

The date used for determining all fixed and floating Reset Dates. Roll Days define the beginning and end of interest accrual periods within the full swap duration.

For On-the-Run Contracts, the Roll Day falls on the same date of the month as the Effective Date. For Off-the-Run Contracts, it can be any date of the month, subject to the provisions of the Business Day Convention. Roll Day marks the start of a new interest accrual period, and is the date on which a reset rate takes effect.

(19) First Period Fixing Date

For Spot Starting swaps, the Interest Rate for the first interest period is fixed on the Trade Date, for both Floating and Fixed Rates.

For Forward Starting swaps, the Fixed Rate for the first interest period is fixed on the Trade Date, and the Floating Rate for the first interest period is fixed 2 business days prior to the first floating payment date, taking into account agreed non-working days.

(20) Stub Period Rate

For swaps with partial year Tenors, an interest period that is shorter than the standard underlying Floating index interest periods may occur between the Effective Date and the first or last Roll Date (known as a Stub Period). In these cases, the Interest Rate for such Stub Period is determined using linear interpolation based on the two index rates that surround the Stub Period. This can be applied either at the start (“Front”) or end (“Back”) of that period.

(21) Settlement Type

Non-Deliverable, with the effect that any Reference Currency amounts payable hereunder on Settlement Date shall be paid in and, if necessary, converted to, Settlement Currency amounts on the applicable Valuation Date. All payments shall be made in the Settlement Currency on the Settlement Date.

(22) Settlement Price

Multiple payments may take place during the term of the swap. Settlement price used for the periodic exchange of fixed and floating payments is based on the following factors:

- Fixed Leg – Payment amount on the fixed leg is based on the traded price and notional amounts of the swap on Trade Date. Payment timing on the fixed leg is based on the Payment Frequency, Day Count Convention, Business Day Convention, and Roll Day.
- Floating Leg – Payment on the floating leg is based on the Interest Rate and notional amounts of the swap. Payments on the floating leg are based on the Payment Frequency, Day Count Convention, Business Day Convention, Roll Day Convention and Floating Reset Dates.

(23) Settlement Price Spot Rate Reference

The spot rate used to convert from the swap’s base currency to the settlement currency, if necessary.

(24) Minimum Price Fluctuation

The smallest amount by which the price of the swap can increase or decrease.

(25) Calculation Agent

As agreed by the parties.

- Payer – Buyer pays fixed/receives float.
- Straddle – Buyer determines to receive or pay fixed on Exercise Date.

(27) Exercise Type

- T+0 – Also called “Same Day Starting,” Effective Date is the same as the Trade Date.
 - T+1 – Effective Date is one business day after the Trade Date.
 - T+2 – Also called “Spot Starting,” Effective Date is two business days after the Trade Date.
- (34) Option Tenor
- Duration of time from the Option Effective Date to the Option Expiration Date. Tenors range in duration from one day to 50 years, or as specified by the Counterparties. Standard tenors include 1-month, 2-month, 3-month, 6-month, 9-month, 12-month, 18-month, and 2-year through 20-year.
- (35) Option Expiration Date
- Date on which Buyer’s right to exercise option expires, calculated as the Trade Date plus Option Expiry Tenor, subject to option day count frequency, day count convention and Option Expiration Business Center, or as specified by the Counterparties. In a European Swaption, this is the only date on which the Buyer can exercise the option.
- (36) Option Expiration Business Center

- Physical – Seller grants Buyer the right to cause the Underlying Interest Rate Derivative Transaction (which in the case of a Straddle will be either a Payer or a Receiver Option Type) to become effective.
- Cleared Physical – Seller grants Buyer the right to cause the Underlying Interest Rate Derivative Transaction (which in the case of a Straddle will be either a Payer or a Receiver Option Type) to become effective; provided, however that the Underlying Swap Transaction is cleared through a mutually agreed upon clearinghouse.
- Cash – Seller grants Buyer the right to cause Seller to pay Buyer the Cash Settlement Amount in lieu of physical delivery, if any, on the cash settlement payment date. Cash settlement includes details on applicable valuation date, time, business center, settlement currency, quotation rate, rate source and reference banks.
