

ALTERNATIVE NOTICE OF INTENTION TO DELIVER FORM

The Clearing Members, whose authorized representatives have executed this Alternative Notice of Intention to Deliver (ANID), are the seller and the buyer of one or more contracts for delivery in the month specified, and have agreed to make or take delivery of said contracts under terms and conditions other than as set forth in the delivery rules of the relevant CME/CBOT/NYMEX/COMEX rulebook. Pursuant to Rule 771 (Alternative Notice of Intention to Deliver) set forth in the Exchange Rules, each Clearing Member agrees to release and indemnify the Exchange, which includes any obligation to ensure financial performance under Rule 702. Clearing Members shall not be released of their respective obligations as the seller or the buyer of the Exchange contracts listed below unless and until the Exchange has received this notice of an Alternative Notice of Intention to Deliver executed by both Clearing Members of such contracts.

Pursuant to CME Group Rule 771, an Alternative Notice of Intention to Deliver is hereby submitted for:
