1.33 ~~{Reserved.}~~ Basis swap splitting

From time to time a SwapClear Clearing Member or a SwapClear Clearing Client may request via the ClearLink API or SwapClear Portal that the Clearing House re-registers one or more of its eligible SwapClear Contracts that are recorded in the books and records of the Clearing House as “basis swaps” (each, an “Original Basis Swap”) so that immediately following such re-registration by the Clearing House, the Original Basis Swap is replaced by the following two SwapClear Contracts which, together, shall be economically identical to the Original Basis Swap:

- (a) the first SwapClear Contract shall have a “Floating Rate” (as defined in the ISDA Definitions) equal to the first “Floating Rate” referenced in the Original Basis Swap, a “Fixed Rate” (as defined in the ISDA Definitions) determined by the Clearing House, and the “Floating Rate Payer” or “Floating Amount Payer”

(as defined in the ISDA Definitions) shall be the same as the "Floating Rate Payer" or "Floating Amount Payer" in relation to the first "Floating Rate" under the Original Basis Swap; and

(b) the second SwapClear Contract shall have a "Floating Rate" (as defined in the ISDA Definitions) equal to the second "Floating Rate" referenced in the Original Basis Swap, a "Fixed Rate" (as defined in the ISDA Definitions) equal to the "Fixed Rate" under (a) above, and the "Floating Rate Payer" or "Floating Amount Payer" (as defined in the ISDA Definitions) shall be the same as the "Floating Rate Payer" or "Floating Amount Payer" in relation to the second "Floating Rate" under the Original Basis Swap.

If the Clearing House accepts the SwapClear Clearing Member or SwapClear Clearing Client's request, it shall effect the re-registration referred to above no later than the business day following the date on which the request is received, subject to and in accordance with such other conditions or provisions as the Clearing House may from time to time provide or require generally or in relation to any specific request.

4.331.34 **Actions in Respect of an FCM Client Default**

Following an FCM Client Default (as defined in the FCM Regulations) and in connection with a request from an FCM Clearing Member to the Clearing House to transfer one or more FCM SwapClear Contracts (including those submitted for registration pursuant to Section 2.1.13(c) of the FCM Procedures) from (i) a Defaulting FCM Client's FCM Client Sub-Account or (ii) an FCM Clearing Member's Proprietary Account to the Proprietary Account of a SwapClear Clearing Member, such SwapClear Clearing Member shall transfer (or make available) required margin into its Proprietary Account.

2. PORTFOLIO MARGINING SERVICE

2.1 Introduction

The Portfolio Margining Service is an optional service which provides Joint Rates Service Clearing Members portfolio-margining functionality in respect of pairs of accounts which are held in the SwapClear and Listed Interest Rates Services by transferring Eligible Listed Interest Rates Contracts between accounts in each Service.

A Joint Rates Service Clearing Member must opt-in to the Portfolio Margining Service in accordance with the procedure set out in paragraph 2.2 below and meet the PM Eligibility Criteria (as defined below) in order to benefit from the portfolio-margining functionality provided by the service. However it should be noted that, regardless of whether or not a Joint Rates Service Clearing Member opts in, the SwapClear Service and Listed Interest Rates Service share a common default fund. Accordingly, the risk profile of participating in either one of such Services may be impacted by other Clearing Members participating in the other such Service whether or not as a Portfolio Margining Clearing Member. In particular, the resources of a Clearing Member that is a member of the SwapClear Service and the Listed Interest Rates Service will be made available to cover the Clearing House's losses in a different manner to those of a Clearing Member that is only a member of one of those Services, regardless of whether that Clearing Member opts-in to the Portfolio Margining Service.
