2 — Standard Agreements between Eurex Clearing AG and the Clearing Member

2.1 — Construction and Prerequisites

2.1.1 — Any Transaction between Eurex Clearing AG and the Clearing Member which is subject to the Individual Clearing Model Provisions shall be a “**Covered Transaction**” for the purpose of these Individual Clearing Model Provisions.

~~2.1.2 Upon execution of an ICM Clearing Agreement with a specific ICM Client, all rights and obligations between Eurex Clearing AG and the Clearing Member with respect to Covered Transactions under such ICM Clearing Agreement (irrespective of the ICM Transaction Account to which the Covered Transactions are booked in accordance with Number 4.1.1) shall for the purpose of these Clearing Conditions constitute a separate arrangement (each such relevant separate arrangement is a Standard Agreement between Eurex Clearing AG and the Clearing Member pursuant to the Individual Clearing Model Provisions).~~

~~Covered Transactions, Segregated Margin, Segregated Variation Margin, Redelivery Claims and any other rights and obligations under such Standard Agreement relating to such ICM Client will be separate from those Covered Transactions, Segregated Margin, Segregated Variation Margin and Redelivery Claims or Non-Covered Transactions, Margin, Variation Margin and Redelivery Claims as well as other rights and obligations under any other Standard Agreement established under any other Clearing Agreement pursuant to the Clearing Conditions.~~

~~References in these Individual Clearing Model Provisions to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member or references to the Difference Claim between Eurex Clearing AG and the Clearing Member shall be construed solely by reference to the ICM Clearing Agreement and a certain ICM Client (and shall therefore exclude the relevant Standard Agreements and Difference Claims under any other ICM Clearing Agreement as well as the relevant Standard Agreements and Difference Claims pursuant to the Elementary Clearing Model Provisions, the relevant Standard Agreements and Difference Claims pursuant to the ISA Provisions and the relevant Basic Clearing Member Standard Agreements and Difference Claims under the Basic Clearing Member Provisions).~~

~~2.1.3 All Covered Transactions and all Redelivery Claims between Eurex Clearing AG and the Clearing Member arising pursuant to the Individual Clearing Model Provisions under the relevant Standard Agreement, together the “**Covered Claims**”, form a single agreement between the parties to the relevant Standard Agreement and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between such parties which (subject to provisions in this Chapter I on the termination of individual Covered Transactions) can be terminated only in its entirety.~~

~~2.2 General principles applicable to the settlement of Covered Transactions and any Delivery and Redelivery of Segregated Margin or Segregated Variation Margin~~

~~2.2.1 Each party to the relevant Standard Agreement shall be obliged to fulfil any payment or delivery obligations under Covered Transactions or obligations to deliver or redeliver cover in respect of either the Segregated Margin or the Segregated Variation Margin under the relevant Standard Agreement by transferring to the transferee all right, title and interest in and to the concerned assets or Eligible Margin Assets, as the case may be, free and clear from any and all rights and claims of the transferring party and of any third person, howsoever arising, including, without limitation, pursuant to applicable regulation or under any statutory or other trust. The value of such assets shall, as of the date the~~

~~transfer is effected, be at least equal to the value at that date of the concerned payment or delivery obligation.~~

~~In the case of a transfer of Eligible Margin Assets in the form of Securities by the Clearing Member to Eurex Clearing AG, the Clearing Member shall (i) if such transfer is made through accounts with Clearstream Banking AG, instruct Clearstream Banking AG in a timely manner to transfer the relevant Securities to the Securities Margin Account with Clearstream Banking AG or to have them labelled in Xemac, and authorizes Clearstream Banking AG to inform Eurex Clearing AG of such transfer and (ii) if such transfer is made through accounts with Clearstream Banking S.A., instruct Clearstream Banking S.A. in a timely manner to transfer the relevant Securities to the securities accounts of Eurex Clearing AG with Clearstream Banking S.A. (each account notified by Eurex Clearing AG to the Clearing Member for such purposes from time to time, a "**Eurex Clearing Securities Margin Account**").~~

~~2.2.2 The purpose of the Segregated Margin and Segregated Variation Margin actually delivered under the relevant Standard Agreement shall be to collateralise all claims (whether present, future, actual, contingent or prospective) of the relevant margin taker arising under the Covered Transactions entered into between the parties to such Standard Agreement.~~

~~2.2.3 The actual payment or delivery of Eligible Margin Assets in respect of Segregated Margin or Segregated Variation Margin gives rise to a corresponding contractual claim of the margin provider against the margin taker for repayment or redelivery, as the case may be, of equivalent assets in the same amount or the same number as such Eligible Margin Assets actually delivered (or increases an already existing repayment or redelivery claim; each such claim shall be referred to as a "**Redelivery Claim**"), subject to, in the case of a Direct Segregated Margin Transfer, Number 16.1.8. In the case of Segregated Margin, only the Clearing Member and the ICM Client, respectively and if applicable, may be the creditor of the relevant Redelivery Claim and in the case of Segregated Variation Margin, either party to the relevant Standard Agreement may be the creditor of the relevant Redelivery Claim.~~

~~For the purpose of the relevant Redelivery Claim, the term "**equivalent**" means assets of the same type, currency, description, nominal value and amount as such Eligible Margin Assets (including, in the case of debt securities, the sum of money or assets equivalent to any redemption or other proceeds therefrom) actually delivered in respect of the Segregated Margin or the Segregated Variation Margin.~~

~~References in these Individual Clearing Model Provisions to Redelivery Claims shall be construed so as to exclude any Redelivery Claim pursuant to the Elementary Clearing Model Provisions, the ISA Provisions and the Basic Clearing Member Provisions.~~

~~A Redelivery Claim will become due with respect to the Segregated Margin (i) upon receipt of a respective declaration from the margin provider by Eurex Clearing AG prior to the then applicable cut-off time of any Business Day, as specified by Eurex Clearing AG on its website www.eurexclearing.com (A) with respect to Securities credited to the relevant Securities Margin Account with Clearstream Banking AG (B) with respect to~~

~~Securities credited to the relevant Eurex Clearing Securities Margin Account with Clearstream Banking S.A., or (C) for cash with respect to the relevant currency, as applicable, and if and to the extent the relevant applicable Default Margin Requirement is below the aggregate value of all Eligible Margin Assets actually delivered in respect of the Segregated Margin or (ii) in accordance with Number 5.3.5 and with respect to the Segregated Variation Margin in accordance with Number 6, in each case provided that no Termination Date has occurred.~~

~~2.2.4 Subject to Number 3.2.2 Paragraph (2) and (3) of the General Clearing Provisions, the term “**actually delivered**” when used in the Individual Clearing Model Provisions means (i) the actual credit of an Eligible Margin Asset to a cash account designated by the Clearing Member or a securities account designated by the Clearing Member, which in the case of Eurex Clearing AG shall be the relevant Eurex Clearing AG cash account and either the relevant Securities Margin Account or the relevant Eurex Clearing Securities Margin Account (as applicable) or, as the case may be, the actual entry on the Segregated Internal Margin Account pursuant to Number 5.3.3, or in the case of a delivery of an Eligible Margin Asset in the form of Securities pursuant to Number 5.5, the effectiveness of the title transfer in Xemac, or otherwise (ii) in the event of a set-off pursuant to Number 1.3 of the General Clearing Provisions, the legal effectiveness of such set-off. The term “**actual delivery**” shall be interpreted accordingly.~~

~~Where reference is made in the Individual Clearing Model Provisions to the “**aggregate value**” of Eligible Margin Assets in connection with the assessment of compliance with the Default Margin Requirement or an obligation to deliver or redeliver cover in respect of the Segregated Margin or the Segregated Variation Margin, the aggregate value will be determined by Eurex Clearing AG in accordance with Number 3.2.2 of the General Clearing Provisions.~~

~~2.2.5 The relevant Redelivery Claim is discharged by Eurex Clearing AG (a) if the relevant Securities have been credited to a securities account of the Clearing Member or to a securities account of a depository, a settlement institution or a custodian designated by the Clearing Member at a deposit bank or a central securities depository; or (b) if the relevant cash amount has been credited to the relevant account of the relevant Clearing Member or to an account of a correspondent bank designated by the Clearing Member. Such discharge shall occur irrespective of any booking or forwarding errors of the depository, the settlement institution, the custodian, the deposit bank, the central securities depository or the correspondent bank.~~

~~3 Conclusion of Covered Transactions~~

~~Covered Transactions between Eurex Clearing AG and the relevant Clearing Member shall be concluded pursuant to Number 1.2.2 of the General Clearing Provisions.~~

~~4 Internal Accounts of Eurex Clearing AG and the Clearing Member~~

~~4.1 Internal Accounts of Eurex Clearing AG~~

~~In addition to the internal accounts set out in Number 4 of the General Clearing Provisions, Eurex Clearing AG shall establish and maintain with respect to the Clearing Member the following internal accounts with respect to the relevant Standard Agreement:~~

~~4.1.1 ICM Transaction Accounts~~

~~(1) Subject to the Special Clearing Provisions and upon the instructions of the Clearing Member (which shall be provided in the form requested by Eurex Clearing AG), Eurex Clearing AG opens and maintains with respect to each Clearing Member the following transaction accounts (in addition to the Transaction Accounts established pursuant to Number 4.2.1 of the General Clearing Provisions) on which Covered Transactions of the Clearing Member shall be booked:~~

- ~~(i) one or more additional DC Own Accounts;~~
- ~~(ii) one or more additional NOSA Indirect Client Accounts (relating to customer-related transactions of the relevant ICM Client for more than one of its Indirect Clients); and~~
- ~~(iii) one or more GOSA Indirect Client Accounts (in each case relating to customer-related transactions of the relevant ICM Client with respect to one particular of its Indirect Clients).~~

~~Each transaction account established with respect to the relevant Standard Agreement pursuant to (i), (ii) or (iii) above as well as each transaction account with respect to transactions of the relevant ICM Client that is established pursuant to Number 4.2.1 of the General Clearing Provisions in respect of such Standard Agreement shall be an "ICM Transaction Account".~~

~~GOSA Indirect Client Accounts are only available for Eurex Transactions pursuant to Chapter II and OTC Interest Rate Derivative Transactions pursuant to Chapter VIII Part 2.~~

~~(2) The Clearing Member shall ensure that each instruction to book Covered Transactions to a certain ICM Transaction Account only relates to Covered Transactions to be booked on such ICM Transaction Account. Eurex Clearing AG may rely on, and is not obliged to verify the contents of, any such instruction from the Clearing Member.~~

~~4.1.2 Internal Cash Account~~

~~With respect to each currency accepted by Eurex Clearing AG an internal cash account (or in case the Sub Pool Provisions apply, a separate internal cash account in relation to each Sub Pool) (i) for the settlement of claims arising from Covered Transactions other than Settlement Claims, into which all daily settlement payments, option premiums and~~

~~other cash payment obligations arising under the Covered Transactions shall be booked and (ii) for Settlement Claims.~~

~~The daily balance of each internal cash account (after taking into account the set offs pursuant to Clearing Conditions) shall be debited or credited, as the case may be, to the respective Clearing Member Cash Account to the extent that Eurex Clearing AG does not claim any credit balance in such account as Segregated Margin or Segregated Variation Margin.~~

~~4.1.3 Internal Margin Account~~

~~An internal margin account (or in case the Sub Pool Provisions apply, a separate internal margin account in relation to each Sub Pool) for the Clearing Member in which all daily credits and debits of Eligible Margin Assets pursuant to the Individual Clearing Model Provisions will be recorded (each a "**Segregated Internal Margin Account**"). The Eligible Margin Assets recorded on a Segregated Internal Margin Account shall be deemed allocated pro rata to each of the related Client Transaction Accounts up to an amount equal to the related Margin Requirement for each such Client Transaction Account. Such deemed allocation shall have not effect on the rights and/or obligations of Eurex Clearing AG.~~

~~4.1.4 Separate Accounting for Funds~~

~~Eurex Clearing AG will separately account for the relevant positions and the relevant margin collateral provided under Covered Transactions entered into in relation to each Relevant Fund and each Relevant Fund Segment.~~

~~4.1.5 Use of Sub Pools~~

~~The Clearing Member may request Eurex Clearing AG (in the form requested by Eurex Clearing AG) to maintain separate operational sub pools (each a "**Sub Pool**"). If Sub Pools shall be established, each ICM Transaction Account must be assigned to a particular Sub Pool.~~

~~If Eurex Clearing AG accepts such request, the provisions for the operational handling of Sub Pools set out in this Part 3 ("**Sub Pool Provisions**") shall apply with respect to each of the relevant Sub Pools.~~

~~Each Sub Pool shall operationally be treated separately from any other Sub Pool, subject to and in accordance with the Sub Pool Provisions. The usage of Sub Pools will in particular, without limitation, neither result in additional Standard Agreements, separate Difference Claims nor Relevant Difference Claims.~~

~~In case the Sub Pool Provisions apply, the Clearing Member represents and warrants by way of an independent guarantee and irrespective of fault (*selbständiges, verschuldensunabhängiges Garantieverprechen*) to Eurex Clearing AG, that~~

~~(a) it has informed the ICM Client of its election to use Sub Pools in connection with the Clearing and of any potential adverse economic effects that usage of Sub Pools may~~

have for that ICM-Client in comparison to the Clearing of Covered Transactions without use of Sub Pools; and

- (b) ~~the ICM-Client is willing to bear the potential economic risks and adverse effects which are related to a usage of Sub Pools, in particular, without limitation, in terms of potentially higher Default Margin Requirements and Default Fund Contribution requirements resulting from the operational treatment associated with the usage of Sub Pools.~~

~~4.2 Internal Accounts of the Clearing Member~~

~~The Clearing Member shall establish an internal accounting with respect to the Individual Clearing Model Provisions to record in relation to Eurex Clearing AG and the relevant ICM-Client~~

- ~~(i) all Covered Transactions,~~
- ~~(ii) all payments and deliveries under Covered Transactions,~~
- ~~(iii) all Segregated Margin and Segregated Variation Margin actually delivered and~~
- ~~(iv) all Redelivery Claims.~~

~~In case the Sub Pool Provisions apply, the Clearing Member shall also reflect the Sub Pools in its internal accounting.~~

~~The Clearing Member will furthermore separately account for the relevant positions and the relevant margin collateral provided under Covered Transactions entered into in relation to each Relevant Fund and each Relevant Fund Segment, if applicable.~~

~~4.3 Methods of assigning transfers of Eligible Margin Assets to a Standard Agreement~~

~~The Clearing Member shall establish and provide to Eurex Clearing AG a specific customer identifier with respect to the ICM-Client and, in case the Sub Pool Provisions apply, the customer identifier shall include an identifier of the relevant Sub Pool. Any transfer of Eligible Margin Assets to Eurex Clearing AG in respect of Segregated Margin or Segregated Variation Margin shall clearly refer to the applicable customer identifier.~~

~~5 Segregated Margin~~

~~The Margin Requirement applicable to the Clearing Member pursuant to this Number 5 shall be in addition to any other margin requirement of the Clearing Member or Basic Clearing Member vis-à-vis Eurex Clearing AG under the Elementary Clearing Model Provisions, the ISA Provisions or the Basic Clearing Member Provisions.~~

~~5.1 General obligation to provide Segregated Margin and transfer of Securities to the Securities Margin Account or the Eurex Clearing Securities Margin Account~~

~~5.1.1 The Clearing Member is required to transfer margin to Eurex Clearing AG for all Covered Transactions in such amounts, in such forms and at such times as are required pursuant to this Number 5 and the Special Clearing Provisions (the “**Segregated Margin**”).~~

~~5.1.2 To provide Eligible Margin Assets in the form of Securities to Eurex Clearing AG on the Securities Margin Account with Clearstream Banking AG other than pursuant to Number 5.5, the Clearing Member shall instruct Clearstream Banking AG to (i) transfer all right, title and interest in and to the Securities to Eurex Clearing AG by crediting such Securities to the Securities Margin Account of the Clearing Member or, if applicable, of the Third-Party CM Account Holder for the benefit of Eurex Clearing AG and (ii) apply the customer identifier of the relevant ICM-Client in accordance with Number 4.3 (a “**CBF Instruction**”).~~

~~5.1.3 If the Clearing Member is the account holder of the Securities Margin Account, the following applies:~~

~~(1) In the case of a transfer of Securities in form of co-ownership interests (*Miteigentumsanteilen*), the Clearing Member makes an offer to transfer the relevant Securities to Eurex Clearing AG by means of the CBF Instruction. Eurex Clearing AG hereby accepts any such offer in advance subject to the credit of such Securities to the Securities Margin Account with Clearstream Banking AG. § 151 BGB applies.~~

~~Possession passes by means of constituting a bailment (*Begründung eines Besitzmittlungsverhältnisses*) between Clearstream Banking AG and Eurex Clearing AG and by modification of the bailment intention (*Besitzmittlungswillen*) of Clearstream Banking AG regarding the fractions to be transferred. The transfer of possession is completed when based on the Clearing Member's Instruction a debit entry is posted into the Clearing Member's custody account and a credit entry is posted in the Securities Margin Account of the Clearing Member with Clearstream Banking AG.~~

~~(2) In the case of a transfer of Securities in form of German book-entry securities (*Gutschriften in Wertpapierrechnung*), the Clearing Member makes an offer to transfer by assigning its corresponding claim for surrender (*Herausgabeanspruch*) against Clearstream Banking AG relating to such German book-entry Securities to Eurex Clearing AG by means of the CBF Instruction. Eurex Clearing AG hereby accepts any such offer to assign in advance subject to the credit of the relevant book-entry securities to the Securities Margin Account with Clearstream Banking AG. § 151 BGB applies.~~

~~The parties to the ICM Clearing Agreement acknowledge that, with the completion of the credit on the Securities Margin Account with Clearstream Banking AG, Clearstream Banking AG accepts by way of abstract acknowledgement of debt (*abstraktes Schuldanerkenntnis*) the claim for surrender vis-à-vis Eurex Clearing AG.~~

- ~~5.1.4 If the Third-Party CM Account Holder is the account holder of the Securities Margin Account, the transfer shall be carried out in accordance with the provisions of Appendix 14.~~
- ~~5.1.5 To provide Eligible Margin Assets in the form of Securities to Eurex Clearing AG to the relevant Eurex Clearing Securities Margin Account with Clearstream Banking S.A., the Clearing Member shall instruct Clearstream Banking S.A. to (i) transfer all right, title and interest in and to the Securities to Eurex Clearing AG by crediting such Securities to such Eurex Clearing Securities Margin Account and (ii) apply the customer identifier of the relevant ICM Client in accordance with Number 4.3 (a "CBL Instruction"). In the case of any such transfers of Securities to a Eurex Clearing Securities Margin Account, the Clearing Member makes an offer to transfer the relevant Securities to Eurex Clearing AG by means of the CBL Instruction. Eurex Clearing AG hereby accepts any such offer in advance subject to the credit of such Securities to the relevant Eurex Clearing Securities Margin Account.~~
- 5.2 Margin Requirement**
- ~~5.2.1 The amount of Eligible Margin Assets to be delivered as cover in respect of Segregated Margin by the Clearing Member shall be determined in accordance with Number 3.1 of the General Clearing Provisions and this Number 5.2 (each a "Default Margin Requirement") and will be notified by Eurex Clearing AG to the Clearing Member.~~
- ~~5.2.2 Eurex Clearing AG will determine separate margin requirements in accordance with Number 3.1 of the General Clearing Provisions with respect to each ICM Transaction Account of the Clearing Member, except that the relevant margin requirement with respect to own transactions of the ICM Client shall be calculated across all DC Own Accounts of such ICM Client that are ICM Transaction Accounts. Eurex Clearing AG will calculate the Default Margin Requirement of the Clearing Member as the sum of such margin requirements per Segregated Internal Margin Account.~~
- 5.3 Margin Call**
- ~~5.3.1 If Eurex Clearing AG at any time on any Business Day determines that the aggregate value of the Segregated Margin actually delivered (in case the Sub Pool Provisions apply in relation to a particular Sub Pool) is insufficient to meet the Default Margin Requirement (in case the Sub Pool Provisions apply, in relation to the relevant Sub Pool), Eurex Clearing AG will require the Clearing Member to deliver (additional) Eligible Margin Assets in an amount up to the Default Margin Requirement (in case the Sub Pool Provisions apply, in relation to the relevant Sub Pool) by the time specified by Eurex Clearing AG.~~
- ~~For the avoidance of doubt, in case the Sub Pool Provisions apply, Segregated Margin actually delivered in relation to a particular Sub Pool will not be taken into account by Eurex Clearing AG when determining whether sufficient Segregated Margin has actually been delivered with respect to any other Sub Pool.~~

~~5.3.2 The Clearing Member may provide Eligible Margin Assets to Eurex Clearing AG in excess of the relevant Default Margin Requirement (the “**Excess Margin**”). Any Excess Margin actually delivered shall form part of the Segregated Margin and shall be subject to a Redelivery Claim which becomes due upon request by the Clearing Member.~~

~~5.3.3 If a Clearing Member elects to deliver (additional) Eligible Margin Assets in the form of cash pursuant to Number 3.3.2 of the General Clearing Provisions with respect to a Margin Call relating to Segregated Margin, then:~~

~~(i) Eurex Clearing AG shall make the relevant debit entry in the Internal Proprietary Margin Account and the respective credit entry in the Segregated Internal Margin Account with such cash credit being allocated to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member pursuant to these Individual Clearing Model Provisions; and~~

~~(ii) the aggregate value of Proprietary Margin actually delivered and the redelivery claim under the Proprietary Standard Agreement shall be reduced accordingly upon Eurex Clearing AG having made the corresponding records (which Eurex Clearing AG shall do without undue delay) in the Segregated Internal Margin Account pursuant to Number 4.1.3 and the Internal Proprietary Margin Account pursuant to Subpart A Number 3 of the Elementary Clearing Model Provisions.~~

~~————— In case the Sub Pool Provisions apply, Eurex Clearing AG will process the booking of cash credits between Segregated Internal Margin Accounts with respect to Sub Pools relating to the same Standard Agreement upon request of the Clearing Member.~~

~~5.3.4 Non-compliance with the relevant Default Margin Requirement by the Clearing Member shall constitute a Termination Event pursuant to Number 7.2.1 Paragraph (1) of the General Clearing Provisions unless such non-compliance has been remedied by the Clearing Member by the time the Termination would occur.~~

~~5.3.5 The Clearing Member may at any time request from Eurex Clearing AG the redelivery of assets equivalent to Eligible Margin Assets actually delivered in respect of the Segregated Margin if the aggregate value of all Eligible Margin Assets actually delivered in respect of the Segregated Margin exceeds the relevant Default Margin Requirement applicable at the time of such request. If the Sub Pool Provisions apply, the Clearing Member may not request such a redelivery, if any Default Margin Requirement for any Sub Pool is not fully satisfied. The Clearing Member may select — in accordance with any agreement between the Clearing Member and the ICM Client, if applicable — which Eligible Margin Assets credited to a Segregated Internal Margin Account pursuant to Number 4.1.3 shall be redelivered; Eurex Clearing AG will not and shall not be obliged to check whether there is, and whether the Clearing Member complies with, any such agreement.~~

~~5.4 Direct Debit~~

~~————— To the extent Eligible Margin Assets have not yet been delivered by the Clearing Member with respect to a Margin Call pursuant to Number 5.3.1, Eurex Clearing AG shall be~~

~~entitled to (and without having an obligation towards the Clearing Member to do so, will on or around the time specified) directly debit the Clearing Member Cash Account in an amount equal to the requested amount of Eligible Margin Assets in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions. Any such direct debit shall constitute fulfilment of the relevant Margin Call relating to the relevant Standard Agreement, and, in case the Sub-Pool Provisions apply, in relation to the relevant Sub-Pool (and consequentially such direct debit will increase the Redelivery Claim).~~

~~5.5 Xemac~~

~~The Clearing Member may provide Eligible Margin Assets or may have Eligible Margin Assets provided in the form of Securities by way of full title transfer in accordance with Number 2.2.1 by using Xemac on the basis of the applicable provisions of the SC Xemac. Hereby, the title transfer is being effected by a respective labelling of the Securities in the system ("appropriation") and modification of the bailment intention (*Besitzmittlungswille*) by Clearstream Banking AG in favour of Eurex Clearing AG ("Earmarking"). Number 5.1.3 applies accordingly.~~

~~6 Segregated Variation Margin~~

~~6.1 General Obligation to provide Segregated Variation Margin~~

~~Each party to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member shall be required to transfer (additional) cover in respect of daily profits or losses for such Covered Transactions for which Chapter VIII Part 2 Number 2.1.7 Paragraph (3), Part 3 Number 3.1.7 or Part 4 Number 4.1.7, as applicable, apply in such amounts and at such times as are required pursuant to this Number 6. Any such cover provided or to be provided with respect to the relevant Standard Agreement is herein referred to as "**Segregated Variation Margin**".~~

~~6.2 Segregated Variation Margin Requirement~~

~~Only Eligible Margin Assets in the form of cash shall be delivered as cover in respect of Segregated Variation Margin. The party to the relevant Standard Agreement obliged to provide Segregated Variation Margin (the "**Segregated Variation Margin Provider**"), to the other party to such Standard Agreement (the "**Segregated Variation Margin Taker**"), and the amount of Eligible Margin Assets in form of cash to be delivered as cover in respect of Segregated Variation Margin (the "**Segregated Variation Margin Requirement**") shall be determined in accordance with Chapter VIII Part 2 Number 2.1.7 Paragraph (3), Part 3 Number 3.1.7 or Part 4 Number 4.1.7, as applicable.~~

~~Numbers 5.2.2 and 5.2.3 apply *mutatis mutandis*.~~

6.3 Delivery of Segregated Variation Margin and Redelivery Claim

~~Segregated Variation Margin shall be delivered and/or returned on any Business Day in accordance with the daily cash clearing procedure pursuant to Number 1.4.1 of the General Clearing Provisions.~~

~~Eligible Margin Assets actually delivered in the form of cash in respect of the Segregated Variation Margin by the Segregated Variation Margin Provider will give rise to or increases a Redelivery Claim of such party against the Segregated Variation Margin Taker in accordance with Number 2.2.3. Any such Redelivery Claim (i) shall become due if and to the extent that on any subsequent Business Day a profit amount has been determined for the benefit of such Segregated Variation Margin Provider in accordance with Chapter VIII Part 2 Number 2.1.7 Paragraph (3), Part 3 Number 3.1.7 or Part 4 Number 4.1.7, as applicable, (the applicable amount shall be the "**Redelivery Amount**") and (ii) shall be decreased and fulfilled accordingly (subject to a minimum value of "**zero**") if and to the extent equivalent Eligible Margin Assets in form of cash have been actually delivered to it by the Segregated Variation Margin Taker. For the avoidance of doubt, if the profit amount determined for the benefit of the Segregated Variation Margin Provider is higher than its Redelivery Claim as of such time, the payment of the excess amount by the other party constitutes itself a delivery of Segregated Variation Margin and the relevant party to the Standard Agreement being the Segregated Variation Margin Provider or the Segregated Variation Margin Taker shall change.~~

~~For the purpose of the Clearing Conditions, an actual delivery in respect of the Segregated Variation Margin resulting in a corresponding Redelivery Claims shall take place if upon conclusion of a Covered Transaction the terms and conditions of such Covered Transaction provide that due to a netting with an applicable initial consideration no actual payment in respect of the Segregated Variation Margin will occur.~~

7 Termination, Consequences of a Termination, Post Settlement and Re-Establishment

7.1 Suspension or Restriction of Clearing, Termination, and Re-Establishment after the occurrence of a Termination Date

~~Upon the occurrence of a Termination Event or Insolvency Termination Event with respect to the Clearing Member,~~

- ~~(i) subject to Number 7.2, the Clearing of new Covered Transactions under the relevant Standard Agreement will be suspended (the "**Suspension**") and~~
- ~~(ii) subject to Part 1 Number 7.2.1, the existing Covered Transactions will be terminated (the "**Termination**"), and~~
- ~~(iii) if a Termination occurred, either a termination payment (the "**Termination Payment**") shall become payable or a re-establishment of transactions with a Replacement Clearing Member shall occur (the "**Re-Establishment**")~~

~~as further set out in this Number 7 and Number 11.~~

~~Eurex Clearing AG shall notify the affected Clearing Member and all affected ICM Clients of such Clearing Member of the decision to suspend or limit the Clearing. Eurex Clearing AG shall specify in the notification a reasonable period of time during which such suspension or limitation shall apply.~~

~~7.2 Suspension or Restriction of Clearing after the occurrence of a Termination Event~~

~~7.2.1 If a Termination Event or any of the following events occurs with respect to a Clearing Member:~~

- ~~(i) the existence of an unremedied breach by the Clearing Member of its Clearing Agreement with Eurex Clearing AG, except where such breach is minor, technical or administrative in nature in the reasonable opinion of Eurex Clearing AG;~~
- ~~(ii) a determination is made by Eurex Clearing AG that limitation or suspension of Clearing is necessary for it to contain its exposure to the Clearing Member;~~
- ~~(iii) the suspension or termination (other than a voluntary termination) of the Clearing Member's membership of another clearing house provided that the circumstances relating to that suspension or termination are, in Eurex Clearing AG's reasonable opinion, material to the management of its risk by Eurex Clearing AG, and that Eurex Clearing AG first consults or attempts to consult with the Clearing Member and the competent regulatory authorities;~~
- ~~(iv) the commencement of Disciplinary Procedures as defined in Number 14 of the General Clearing Provisions against a Clearing Member; or~~
- ~~(v) any other event in respect of the Clearing Member that could materially impact the ability of that Clearing Member to perform its obligations under the Clearing Conditions and the relevant Clearing Agreement;~~

~~then Eurex Clearing AG may (taking into account the interests of such Clearing Member and its clients and provided that such action constitutes a proportionate and reasonable action) one or more times suspend or limit the Clearing of new Covered Transactions under any or all of the Standard Agreements between Eurex Clearing AG and the Clearing Member. Eurex Clearing AG shall notify the affected Clearing Member and the ICM Client of such decision to suspend or limit such Clearing. Eurex Clearing AG shall specify a reasonable period of time during which such Suspension or limitation shall apply.~~

~~Furthermore, if Eurex Clearing AG so demands, the relevant Clearing Member shall, at the Clearing Member's own expense, provide such information and evidence as Eurex Clearing AG in its reasonable opinion may deem necessary, to conduct an appropriate investigation of the facts and circumstances relating to a Termination Event or any of the events listed above.~~

~~Upon the occurrence of a Termination Event or any of the events listed above and unless such Termination Event or other events have been remedied, the Clearing Member is subject to any other limitations or restrictions of the Clearing pursuant to the Clearing~~

~~Conditions — only entitled to enter any order or quotes into the systems of the Markets or clear new Transactions, as the case may be, if sufficient Segregated Margin and Segregated Variation Margin has been actually delivered to Eurex Clearing AG in advance.~~

~~Before limiting or suspending the Clearing of new Covered Transactions under this Number 7.2, and without limiting its rights under Number 7.2.1 of the General Clearing Provisions Eurex Clearing AG shall, where reasonable in the circumstances, attempt to consult with the relevant Clearing Member, further to which Eurex Clearing AG may in its absolute discretion agree a grace period within which the Clearing Member may remedy the event in question. For the avoidance of doubt, in case the relevant event constitutes an Alleged Breach (as defined in the Disciplinary Procedures Rules) Eurex Clearing AG may commence Disciplinary Procedures in respect of the Clearing Member subject to and in accordance with the Disciplinary Procedures Rules.~~

~~7.2.2 — Upon the occurrence of a Termination with respect to a Clearing Member, the Clearing of new Covered Transactions under all relevant ICM Standard Agreements of such Clearing Member shall automatically be suspended.~~

~~7.3 — Consequences of a Termination~~

~~If a Termination Date has occurred, the following provisions shall apply.~~

~~7.3.1 — Termination of Covered Claims~~

~~Without prejudice to the following provisions of this Number 7.3, all current and future primary obligations (including payment and delivery obligations) of each party under the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member arising from Covered Claims shall expire (*auf lösende Bedingung*) as of the Termination Time and shall no longer be required to be performed by the relevant obligor. Further all due but unsatisfied obligations to deliver Segregated Margin and Segregated Variation Margin under the Corresponding Standard Agreements shall expire (*auf lösende Bedingung*) as of the Termination Time. The expiration affects all claims arising from Covered Transactions independently of the time they came into existence or would have come into existence otherwise. These expired primary obligations and delivery obligations, respectively, are reflected by the Difference Claim, subject to and in accordance with Number 7.3 of the General Clearing Provisions.~~

~~7.3.2 — Difference Claim~~

~~With regard to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, the difference claim which was created by the signing of the relevant ICM Clearing Agreement shall become unconditional and immediately due in the Termination Currency from one party to the relevant Standard Agreement to the respective other party as of the end of the Last Valuation Date and shall be determined in accordance with Number 7.3 of the General Clearing Provisions using the Liquidation Price Approach (i) if no IP Election or Immediate Re-Establishment Election is made within the ICM Porting Election Period, (ii) if an IP Election is made within the ICM Porting~~

~~Election Period but the Interim Participation Conditions are not satisfied by the expiry of the ICM Porting Period, or (iii) if an Immediate Re Establishment Election is made within the ICM Porting Election Period but the Immediate Re Establishment Conditions are not satisfied by the expiry of the ICM Porting Period. If either (i) the Interim Participation Conditions or, as the case may be, (ii) the Immediate Re Establishment Conditions are satisfied by the Opening Time, such difference claim shall become unconditional and immediately due in the Termination Currency from one party to the relevant Standard Agreement to the respective other party as of the Opening Time and shall be determined in accordance with Number 7.3 of the General Clearing Provisions using the Exchange Price Approach. Each such claim shall be a "Difference Claim".~~

~~Eurex Clearing AG shall notify the value of the Difference Claim determined by it to the Clearing Member and the ICM Client as soon as reasonably practicable and by no later than the end of the Business Day after its determination, together with reasonable detail regarding the data and information forming the basis of the determination.~~

~~7.3.3~~ **Payment of Difference Claim**

- ~~(1) Unless either (i) an IP Election is made within the ICM Porting Election Period and the Interim Participation Conditions are satisfied by the expiry of the ICM Porting Period or (ii) an Immediate Re Establishment Election is made within the ICM Porting Election Period and the Immediate Re Establishment Conditions are satisfied by the expiry of the ICM Porting Period, such party to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member which is the obligor of the Difference Claim shall be obliged to pay the determined amount of the Difference Claim to the other party as soon as reasonably practicable following the notification by the determining party of the payable amount. If Eurex Clearing AG is the debtor of the Difference Claim, Eurex Clearing AG may on demand of the creditor of the Difference Claim discharge the Difference Claim in whole or in part by delivering Securities that have been delivered to Eurex Clearing AG as Margin under the relevant Standard Agreement; the Securities so delivered shall be taken into account with respect to the Difference Claim at the price which has been applied for the Redelivery Claim with respect to such Securities in calculating the Difference Claim.~~
- ~~(2) The debtor of the Difference Claim shall not be obliged to pay any interest on the amount of the Difference Claim unless it is in default (*Verzug*) following the receipt of a payment reminder (*Mahnung*) by the other party. Default interest shall be paid on the basis of the effective overnight interest rate applicable to the currency of the Difference Claim.~~
- ~~(3) Eurex Clearing AG is entitled to set off the Difference Claim it may have against the Clearing Member pursuant to these Individual Clearing Model Provisions against any Difference Claim it owes to the Clearing Member in relation to the Proprietary Standard Agreement.~~
- ~~(4) If (i) upon enforcement of the ICM Client's pledge over or assignment for security purposes of the relevant Difference Claim between Eurex Clearing AG and the~~

~~Clearing Member, Eurex Clearing AG is required to pay the Difference Claim in whole or in part to the ICM Client and (ii) any taxes or other public charges on the Difference Claim payable by Eurex Clearing AG to the ICM Client are or become due, Eurex Clearing AG shall be entitled to withhold and/or deduct such taxes or charges from such amount and the payment obligations of Eurex Clearing AG shall be reduced accordingly. Any necessary currency conversions shall be made by Eurex Clearing AG at a rate of exchange determined by Eurex Clearing AG. Should the amount of any such taxes or charges exceed the amount of the relevant Difference Claim, Eurex Clearing AG shall be entitled to discharge its payment obligation with respect to the Difference Claim by making payment of the relevant amount of the Difference Claim to the Affected Clearing Member for the account of the relevant ICM Client. Eurex Clearing AG may (without being obliged to do so) allow an ICM Client to pay to Eurex Clearing AG the required amount with respect to any withholding or deduction in whole (or in part) to avoid (or reduce) the reduction of the Difference Claim.~~

~~7.4~~ ~~Post Settlement~~

~~Following the Termination Date and prior to the end of the Last Valuation Date or the Opening Time, as the case may be, payment and delivery claims arising under Covered Transactions which were due and enforceable but unsettled at the Termination Date or will become due and enforceable prior to the end of the Last Valuation Date or the Opening Time, as the case may be, and for which a binding valid and irrevocable settlement has occurred between the Clearing Member and Eurex Clearing AG shall for the purpose of the Difference Claim be disregarded and deemed to have been settled (the "Post Settlement").~~

~~8~~ ~~Creation of Security Interests~~

~~By signing the ICM Clearing Agreement, the Clearing Member creates the following security interests for the benefit of Eurex Clearing AG or the ICM Client unless Eurex Clearing AG, **Eurex Clearing Security Trustee GmbH** as security trustee (the "**Security Trustee**") and the Clearing Member have entered into a Security Trust Agreement in the form appended to the Clearing Conditions as Appendix 8 (the "**Security Trust Agreement**") in which case this Number 8 shall not apply and the creation of security interests and their enforcement shall be subject to the Clearing Conditions as modified by the Security Trust Agreement.~~

~~8.1~~ ~~Pledges~~

~~8.1.1~~ ~~Pledge by the Clearing Member to Eurex Clearing AG~~

- ~~(1) The Clearing Member pledges (*verpfändet*) to Eurex Clearing AG its Relevant Difference Claim against the ICM Client.~~
- ~~(2) Eurex Clearing AG accepts the pledge granted pursuant to this Number 8.1.1 Paragraph (1).~~

- ~~(3) The pledge granted pursuant to this Number 8.1.1 shall secure all of Eurex Clearing AG's present and future Covered Claims, as defined in Number 8.1.3, and the Difference Claim, as defined in Number 7.3.2, against the Clearing Member under the relevant Standard Agreement (together "**Eurex Clearing AG's Secured Claims**").~~
- ~~(4) The Clearing Member notifies the ICM Client of the pledge granted pursuant to this Number 8.1.1. The ICM Client confirms receipt of such notification. As a consequence of the pledge, the Clearing Member shall no longer be entitled to deal with, dispose of, encumber or receive the proceeds of the Relevant Difference Claim otherwise than in accordance with the Clearing Conditions.~~
- ~~(5) The pledge will become enforceable (*Pfandreife*) upon the occurrence of a Termination Date at the following points in time:~~
- ~~(i) at the end of the Last Valuation Date in each of the following cases: (a) no IP Election or Immediate Re-Establishment Election is made within the ICM Porting Election Period, (b) an IP Election is made within the ICM Porting Election Period but the Interim Participation Conditions are not satisfied by the expiry of the ICM Porting Period, or (c) an Immediate Re-Establishment Election is made within the ICM Porting Election Time but the Immediate Re-Establishment Conditions are not satisfied by the expiry of the ICM Porting Period; or~~
 - ~~(ii) at the Opening Time in case either (a) the Interim Participation Conditions or, as the case may be, (b) the Immediate Re-Establishment Conditions are satisfied by the Opening Time.~~
- ~~(6) Waiver:~~
- ~~(i) The Clearing Member expressly waives its defence pursuant to Sections 1211, 770 Paragraph 1 BGB that any of Eurex Clearing AG's Secured Claims against the Clearing Member may be avoided (*Anfechtung*).~~
 - ~~(ii) The Clearing Member expressly waives its defence pursuant to Section 1211, 770 Paragraph 2 BGB that Eurex Clearing AG may satisfy or discharge any of Eurex Clearing AG's Secured Claims against the Clearing Member by way of set-off (*Aufrechnung*).~~
 - ~~(iii) To the extent legally possible, the Clearing Member expressly waives its defences pursuant to Section 1211 Paragraph 1 Sentence 1 Alternative 1 BGB that the principal debtor of any of Eurex Clearing AG's Secured Claims against the Clearing Member has a defence against any such Eurex Clearing AG's Secured Claims (*Einreden des Hauptschuldners*).~~
- ~~(7) Unless the Interim Participation pursuant to and in accordance with Number 14 becomes effective, Eurex Clearing AG shall enforce its pledge pursuant to Paragraph (1) against the ICM Client only after the full realisation of all Contributions~~

of all Clearing Members to the Default Fund in accordance with the order of priority set out in Number 6.2 of the General Clearing Provisions.

~~8.1.2 Pledge by the Clearing Member to the ICM Client~~

- ~~(1) The Clearing Member pledges (*verpfändet*) to the ICM Client its Difference Claim, as defined in Number 7.3.2, against Eurex Clearing AG under the relevant Standard Agreement.~~
- ~~(2) The ICM Client accepts the pledge granted pursuant to this Number 8.1.2 Paragraph (1).~~
- ~~(3) The pledge granted pursuant to this Number 8.1.2 shall secure all of the ICM Client's present and future (i) payment and delivery claims under the Relevant Transactions and all Relevant Redelivery Claims, (ii) the Relevant Difference Claims and (iii) the Shortfall Claim, as defined in Number 10.1, against the Clearing Member (the "**ICM Client's Secured Claims**").~~
- ~~(4) The Clearing Member notifies Eurex Clearing AG of the pledge granted pursuant to this Number 8.1.2. Eurex Clearing AG confirms receipt of such notification. As a consequence of the pledge, the Clearing Member shall no longer be entitled to deal with, dispose of, encumber or receive the proceeds of its Difference Claim otherwise than in accordance with the Clearing Conditions.~~
- ~~(5) Subject to Paragraph (7), the pledge will become enforceable (*Pfandreife*) upon the occurrence of a Termination Date:
 - ~~(i) at the end of the Last Valuation Date in each of the following cases: (a) no IP Election or Immediate Re-Establishment Election is made within the ICM Porting Election Period, (b) an IP Election is made within the ICM Porting Election Period but the Interim Participation Conditions are not satisfied by the expiry of the ICM Porting Period, or (c) an Immediate Re-Establishment Election is made within the ICM Porting Election Period but the Immediate Re-Establishment Conditions are not satisfied by the expiry of the ICM Porting Period; or~~
 - ~~(ii) at the Opening Time in case either (a) the Interim Participation Conditions or, as the case may be, (b) the Immediate Re-Establishment Conditions are satisfied by the Opening Time.~~~~
- ~~(6) Waiver:
 - ~~(i) The Clearing Member expressly waives its defence pursuant to Sections 1211, 770 Paragraph 1 BGB that any of the ICM Client's Secured Claims against the Clearing Member may be avoided (*Anfechtung*).~~
 - ~~(ii) The Clearing Member expressly waives its defence pursuant to Section 1211, 770 Paragraph 2 BGB that the ICM Client may satisfy or discharge any~~~~

~~(7) If the Affected Clearing Member is domiciled outside the EU and an additional legal act (including but not limited to a decision or approval by a regulator, public authority, court or insolvency administrator) is necessary or expedient to give full effect to the pledge under the laws of the jurisdiction applicable to the Affected Clearing Member, the pledge will only become enforceable (*Pfandreife*) after such act has become effective.~~

~~— If no such act has been taken within one month after the Termination Date, Eurex Clearing AG shall be entitled to discharge the Difference Claim owed by it by payment to the Affected Clearing Member for the account of the ICM Client. Number 7.3.3 shall apply accordingly.~~

~~8.2~~ **Assignments for Security Purposes**

~~8.2.1~~ **Assignment by Clearing Member to Eurex Clearing AG**

~~(1) Upon the occurrence of the events specified in Paragraph (3), the Clearing Member assigns to Eurex Clearing AG its Relevant Difference Claim against the ICM Client to secure all of the present and future Eurex Clearing AG's Secured Claims against the Clearing Member (*Sicherungsabtretung*), subject to Paragraph (3).~~

~~(2) Eurex Clearing AG accepts the assignment pursuant to this Number 8.2.1 Paragraph (1).~~

~~(4) Upon the occurrence of a Termination Date, the ICM Client shall not be entitled to make any payment on the Relevant Difference Claim towards the Clearing Member unless Eurex Clearing AG has explicitly confirmed that the Eurex Clearing AG's~~

- ~~(7) The assigned Relevant Difference Claim will be re-assigned to the Clearing Member upon Eurex Clearing AG's Difference Claim against the Clearing Member subsequently becoming due (*fällig*) and, if applicable, no longer being temporarily legally impossible (*vorübergehend unmöglich*) to perform and without any further actions being required on the part of Eurex Clearing AG.~~
- ~~(8) The Clearing Member notifies the ICM Client of the assignments pursuant to this Number 8.2.1. The ICM Client confirms the receipt of the notification.~~
- ~~(9) The assignments pursuant to this Number 8.2.1 above shall in no way affect the pledges described in this Number 8.2.1 or the assigned claims as such.~~

~~8.2.2 Assignment by Clearing Member to ICM Client~~

- ~~(1) Upon the occurrence of the events specified in Paragraph (3), the Clearing Member assigns to the ICM Client its Difference Claim, as defined in Number 7.3.2, against Eurex Clearing AG under the relevant Standard Agreement to secure all of the present and future ICM Client's Secured Claims against the Clearing Member (*Sicherungsabtretung*), subject to Paragraph (3).~~

- ~~(4) Upon the occurrence of a Termination Date, Eurex Clearing AG shall not be entitled to make any payment on the Difference Claim towards the Clearing Member unless the ICM Client has explicitly confirmed that the ICM Client's Secured Claims against the Clearing Member have been fully satisfied and no further security purpose exists.~~
- ~~(5) Upon the occurrence of the events specified in Paragraph (7), the ICM Client re-assigns to the Clearing Member the Difference Claim assigned to it in accordance with Paragraph (3). ~~(ii) at the Opening Time in case either (a) the Interim Participation Conditions or, as the case may be, (b) the Immediate Re-Establishment Conditions are satisfied by the Opening Time.~~

~~Any enforcement of the relevant assigned claim does not require that the secured claim is due and payable.~~

~~(11) If the Affected Clearing Member is domiciled outside the EU and an additional legal act (including but not limited to a decision or approval by a regulator, public authority, court or insolvency administrator) is necessary to give full effect to the assignment for security purposes under the laws of the jurisdiction applicable to the Affected Clearing Member, the ICM Client may only enforce the assigned claim after such act has become effective.~~

~~If no such act has been taken within one month after the Termination Date, Eurex Clearing AG shall be entitled to discharge the Difference Claim owed by it by payment to the Affected Clearing Member for the account of the ICM Client. Number 7.3.3 shall apply accordingly.~~

- ~~(3) The ICM Client agrees with the Clearing Member and Eurex Clearing AG that the provisions on enforcement of the security interests created in the Security Trust Agreement and on the discharge of its Relevant Difference Claim and/or Shortfall Claim (including a discharge resulting from direct payments or deliveries by Eurex Clearing AG to the ICM Client or from the discharge of the Aggregate Security Trustee Claim (as defined in the Security Trust Agreement)) against the Clearing Member shall be binding as between them.~~
- ~~(4) Upon the occurrence of a Termination Date, the ICM Client shall not be entitled to make any payment on the Relevant Difference Claim towards the Clearing Member unless Eurex Clearing AG has explicitly confirmed that Eurex Clearing AG's Secured~~

~~Claims against the Clearing Member have been fully satisfied and no further security purpose exists.~~

~~(5) In case of any inconsistency between the provisions of the ICM Clearing Agreement and/or the Clearing Conditions and the provisions of the Security Trust Agreement, the Security Trust Agreement shall prevail.~~

~~9 Obligation of the Clearing Member to forward received Settlement Assets or Eligible Margin Assets~~

~~9.1 General Obligation~~

~~Whenever the Clearing Member has received (i) a cash amount, Securities or any other asset (the "Settlement Assets") to settle a Covered Transaction or an amount of Eligible Margin Assets to deliver or redeliver cover in respect of the Segregated Margin or the Segregated Variation Margin under the relevant Standard Agreement from Eurex Clearing AG or (ii) Settlement Assets to settle a Relevant Transaction or an amount of Eligible Margin Assets to deliver or redeliver cover in respect of the Relevant Margin under the Relevant Agreement from the ICM Client, as the case may be, the Clearing Member shall — always subject to Number 5.3.2 and any applicable termination provisions — promptly transfer the same amount of equivalent Settlement Assets or Eligible Margin Assets to the ICM Client or Eurex Clearing AG, respectively. The same applies with respect to a redelivery of Non-Eligible Margin Assets.~~

~~9.2 Exemptions~~

~~This Number 9 shall not apply (i) if the Clearing Member's obligation under the relevant Covered Transactions or Standard Agreement between Eurex Clearing AG and the Clearing Member has already been fulfilled in accordance with the Clearing Conditions (by way of a set off, a Direct Segregated Margin Transfer pursuant to Number 17.1 or otherwise) or (ii) if there has been a direct debit by Eurex Clearing AG pursuant to Number 5.4. In the case of (ii), the Clearing Member is obliged to either promptly and directly deliver to Eurex Clearing AG assets equal in amount and otherwise equivalent to the Settlement Assets or Eligible Margin Assets (or income therefrom) received from the ICM Client by reference to the relevant Standard Agreement or to exercise its option pursuant to Number 5.3.3.~~

~~9.3 Consequences of a set-off~~

~~If Eurex Clearing AG has declared a set-off pursuant to Number 1.3 of the General Clearing Provisions against an amount otherwise due from Eurex Clearing AG to the Clearing Member and the Clearing Member will therefore not receive (in whole or in part) a payment or delivery of Settlement Assets or Eligible Margin Assets (or income therefrom), respectively, with respect to the relevant amount from Eurex Clearing AG under the relevant Covered Transactions or relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, respectively, the Clearing Member remains nevertheless obliged to promptly pay or deliver the applicable amount of Settlement Assets or Eligible Margin Assets (or income therefrom), respectively, to the ICM Client.~~

~~10~~ ~~Shortfall Claim of the ICM Client and Regress Claim of the Clearing Member~~

~~10.1~~ Upon the occurrence of a Termination Date, a claim which was created by the signing of the ICM Clearing Agreement shall become unconditional and immediately due as of the end of either (i) the Last Valuation Date in case the Liquidation Price Approach is the applicable Difference Claim Valuation Method or (ii) the Termination Date in case the Exchange Price Approach is the applicable Difference Claim Valuation Method from the Clearing Member to the ICM Client with respect to their Relevant Agreement (the "~~Shortfall Claim~~"). The Shortfall Claim shall be an amount in the Termination Currency equal to either:

- ~~(a)~~ the difference between the Difference Claim of the Clearing Member against Eurex Clearing AG under the relevant Standard Agreement and the Relevant Difference Claim of the ICM Client against the Clearing Member (if any, and assuming that the Difference Claim of the Clearing Member against Eurex Clearing AG under the relevant Standard Agreement is higher than the Relevant Difference Claim of the ICM Client against the Clearing Member), or
- ~~(b)~~ the amount of the Difference Claim of the Clearing Member against Eurex Clearing AG under the relevant Standard Agreement where the Clearing Member is the creditor of the Relevant Difference Claim against the ICM Client or where no Relevant Difference Claim between the ICM Client and the Clearing Member exists.

~~10.2~~ The Clearing Member shall have a regress claim which was created by the signing of the ICM Clearing Agreement against the ICM Client with respect to their Relevant Agreement which becomes unconditional and immediately due if and to the extent Eurex Clearing AG has made a payment to the ICM Client with a view to satisfying the Shortfall Claim (the "~~Regress Claim~~"). The Regress Claim shall be an amount in the Termination Currency equal to either:

- ~~(a)~~ the difference between the Difference Claim of the Clearing Member against Eurex Clearing AG under the relevant Standard Agreement and the Relevant Difference Claim of the ICM Client against the Clearing Member (if any, and assuming that the Difference Claim of the Clearing Member against Eurex Clearing AG under the relevant Standard Agreement is higher than the Relevant Difference Claim of the ICM Client against the Clearing Member), or
- ~~(b)~~ the amount of the Difference Claim of the Clearing Member against Eurex Clearing AG under the relevant Standard Agreement where the Clearing Member is the creditor of the Relevant Difference Claim against the ICM Client or where no Relevant Difference Claim between the ICM Client and the Clearing Member exists.

~~11~~ ~~Re-Establishment of Transactions upon request by ICM-Client~~

~~This Number 11 shall apply with respect to a Clearing Member (other than a Clearing Member in its capacity as Clearing Agent), if Eurex Clearing AG has determined based on the legal circumstances in the jurisdiction where such Clearing Member is domiciled that the porting mechanics contemplated herein shall be applicable with respect to such~~

~~Clearing Member. Eurex Clearing AG will publish the relevant jurisdictions from time to time.~~

~~11.1 If a Termination Event or an Insolvency Termination Event has occurred with respect to the Clearing Member, Eurex Clearing AG shall (a) if a Grace Period Notice has been given, without undue delay after the time specified in the Grace Period Termination Notice, (b) if a Termination Notice has been given, without undue delay after the time specified in the Termination Notice, and (c) if an Insolvency Termination Event has occurred, without undue delay after the Termination Time, give notice to all ICM Clients of such Clearing Member and all other Clearing Members in accordance with Number 16.1 of the General Clearing Provisions on (i) the occurrence of the Termination Event and (ii) that the ICM Porting Period commences (the "**ICM Porting Notice**"). Eurex Clearing AG may likewise inform other market participants or the public of the extension.~~

~~11.2 Upon the occurrence of a Termination Date, the ICM Client may elect by giving notice to Eurex Clearing AG (the "**ICM Porting Election Notice**") (i) to re-establish the terminated Covered Transactions as interim participant (the "**IP Election**") or (ii) to immediately re-establish the terminated Covered Transactions with a Replacement Clearing Member (as defined in Number 11.4.1) (the "**Immediate Re-Establishment Election**") or (iii) not to re-establish the terminated Covered Transactions, in each case as soon as possible and at the latest by 13:00 hours (Frankfurt am Main time) on the Business Day following the Termination Date (the "**ICM Porting Election Period**").~~

~~If Eurex Clearing AG does not receive an ICM Election Notice in which either an IP Election or an Immediate Re-Establishment Election was made within the ICM Porting Election Period, there will be no re-establishment of the terminated Covered Transactions and Number 7.3.2 and 7.3.3 and Subpart B Number 6.3.2 and 6.3.3, if applicable, apply.~~

~~With respect to the Clearing of Covered Transactions for Relevant Funds, the Authorised Manager may decide separately for each Relevant Fund whether it either declares an~~

~~IP Election or an Immediate Re-Establishment Election. With respect to the Clearing of Covered Transactions for Relevant Fund Segments, the Authorised Manager may only decide collectively for all such Relevant Fund Segments whether it declares an IP Election or an Immediate Re-Establishment Election. Sub Pools will not be supported for the purpose of a re-establishment.~~

~~11.3 Interim Participation of the ICM Client~~

~~11.3.1 If the ICM Client has selected the IP Election within the ICM Porting Election Period and the Interim Participation Conditions are satisfied, the ICM Client will be established as Interim Participant.~~

~~11.3.2 The following conditions (the “Interim Participation Conditions”) must be satisfied by the expiry of the ICM Porting Period to enable an Interim Participation of the ICM Client:~~

~~———— If following receipt of an ICM Porting Election Notice in which an IP Election was made, the Interim Participation Conditions are not satisfied by the expiry of the ICM Porting Period, there will be no re-establishment of the terminated Covered Transactions and Number 7.3.2 and 7.3.3 and Subpart B Number 6.3.2 and 6.3.3, if applicable, apply.~~

~~11.3.3 Delivery of Interim Margin and Interim Variation Margin~~

- ~~(1) Eurex Clearing AG is entitled to request cover from the ICM Client in respect of Margin for the Reference Transactions at any time between the Termination Time~~

~~and the Opening Time in accordance with the Elementary Clearing Model Provisions (applied *mutatis mutandis*) as if a Termination Date had not occurred, provided that the ICM Client may deliver Eligible Margin Assets in the form of Securities only in accordance with Number 2.2.1 and 2.2.4.~~

~~— Subpart A Number 4.2 of the Elementary Clearing Model Provisions applies *mutatis mutandis* to the ICM Client if Eurex Clearing AG determines that insufficient Eligible Margin Assets are held by Eurex Clearing AG to provide cover with respect to the Reference Transactions (the “**Interim Margin**”).~~

~~(2) Further, if and to the extent that Subpart A Number 5 of the Elementary Clearing Model Provisions requires the transfer of cover in respect of daily profits or losses under Reference Transactions, Eurex Clearing AG is entitled to request cover in respect of the Variation Margin from the ICM Client for the Reference Transactions, if any, at any time between the Termination Time and the Opening Time in accordance with the Elementary Clearing Model Provisions as if a Termination had not occurred (the “**Interim Variation Margin**”). The ICM Client shall be required to transfer Eligible Margin Assets in the form of cash to Eurex Clearing AG in respect of the Interim Variation Margin. ~~— Each such Direct Covered Transaction shall have the same terms and conditions as the corresponding terminated Covered Transaction under the Standard Agreement between Eurex Clearing AG and the Affected Clearing Member (the “**Reference Transaction**”) as of the Opening Time in the absence of a Termination Date (taking into account any Interim Settlement pursuant to Number 11.5 or Post Settlement pursuant to Number 7.4).~~

~~— The Opening Consideration shall equal the sum of the determined Single Transaction Amounts (as defined in Number 7.3.3 Paragraph (3) of the General Clearing Provisions) of all Reference Transactions used to calculate the Difference Claim under the relevant Standard Agreement between Eurex Clearing AG and the Affected Clearing Member using the Exchange Price Approach and shall be payable~~

~~in accordance with Paragraph (3) below. Where these Individual Clearing Model Provisions provide that the Elementary Clearing Model Provisions shall apply to the provision of Margin and/or Variation Margin for Reference Transactions and/or Direct Covered Transactions, such Reference Transactions and/or Direct Covered Transactions shall for the purposes of the Elementary Clearing Model Provisions be deemed to constitute own transactions of the ICM Client.~~

~~(2) Opening Margin~~

~~For the purpose of entering into the Direct Covered Transactions with the ICM Client, Eurex Clearing AG is entitled to request cover in respect of Margin for Direct Covered Transactions from the ICM Client in such amounts, in such forms and at such times as are required pursuant to the Elementary Clearing Model Provisions (the "**Opening Margin Requirement**") taking into account the aggregate value of Eligible Margin Assets actually delivered in respect of the Interim Margin Number 5.3.1 applies to the ICM Client *mutatis mutandis* if Eurex Clearing AG determines that the aggregate value of the Eligible Margin Assets held by Eurex Clearing AG is insufficient to provide the cover required with respect to the Direct Covered Transactions.~~

~~Further, if and to the extent Subpart A Number 5 of the Elementary Clearing Model Provisions requires the transfer of cover in respect of daily profits or losses under Direct Covered Transactions, Eurex Clearing AG is entitled to request cover in respect of such Variation Margin from the ICM Client in accordance with the Clearing Conditions (the "**Opening Variation Margin Requirement**") and the ICM Client shall in such case be required to transfer Eligible Margin Assets in the form of cash to Eurex Clearing AG taking into account the aggregate value of Eligible Margin Assets actually delivered in respect of the Interim Variation Margin.~~

~~The delivery of cover in respect of the Margin or the Variation Margin (for the purpose of the Direct Covered Transactions, Margin shall be referred to as the "**Direct Margin**" and Variation Margin shall be referred to as "**Direct Variation Margin**") for Direct Covered Transactions remains subject to the Elementary Clearing Model Provisions.~~

~~(3) Settlement~~

~~Without any further notice, the following amounts shall be set off immediately following the Opening Time and the remaining difference, if any, determined by Eurex Clearing AG and notified to the ICM Client shall be payable in the Termination Currency by the ICM Client to Eurex Clearing AG:~~

~~— (2) if the Difference Claim is owed by Eurex Clearing AG to the Affected Clearing Member under the relevant Standard Agreement, the amount of such Difference Claim pledged or assigned for security purposes for the benefit of the ICM Client to be paid by Eurex Clearing AG.~~

~~— If Eurex Clearing AG, the Security Trustee and the Clearing Member have entered into the Security Trust Agreement, the above set-off shall be applied in accordance with the Security Trust Agreement.~~

~~— Eurex Clearing AG will credit the Eligible Margin Assets actually delivered (by direct payment or delivery or as a consequence of the set-off described herein in which case the Eligible Margin Assets shall be identical to the Eligible Margin Assets forming part of the Segregated Margin and Segregated Variation Margin of the Affected Clearing Member as of the Termination Date) in respect of the Opening Margin to an internal margin account pursuant to Number 4.1.2.~~

~~(4) **Direct Redelivery Claim**~~

~~— Upon effectiveness of the set-off pursuant to Paragraph (3) above and/or upon the actual delivery of the remaining difference to Eurex Clearing AG pursuant to Paragraph (3) above, corresponding Redelivery Claims with respect to the Direct Margin or Direct Variation Margin shall arise (the “**Direct Redelivery Claims**”).~~

~~**11.3.5 Further Terms and Conditions applicable during Interim Participation**~~

~~— Upon the conclusion of Direct Covered Transactions, a Clearing Agreement in the form appended to the Clearing Conditions as Appendix 1 between Eurex Clearing AG and the ICM Client, which shall constitute a separate master agreement (*Rahmenvertrag*) between such parties which (subject to provisions in this Chapter I on the termination of individual Transactions) can be terminated only uniformly, shall be established pursuant to the terms of the Clearing Conditions and the Elementary Clearing Model Provisions applicable between Eurex Clearing AG and Clearing Members subject to the following provisions and exemptions:~~

Eurex Clearing AG may, in its free discretion, waive the requirement in whole or in part to the extent alternative arrangements have been made with the Replacement Clearing Member with respect to the relevant Direct Covered Transactions.~~

~~To the extent that the Transfer Agreement will be concluded with an Authorised Manager, each reference in the Transfer Agreement to an ICM Client shall be a reference to a particular Relevant Fund or Relevant Fund Segment, as stated in the Annex to the Transfer Agreement.~~

- ~~(3) If the ICM Client elects that its transactions with the Replacement Clearing Member shall be cleared pursuant to the Individual Clearing Model Provisions, the ICM Client shall also be obliged to enter, or have entered into an ICM Clearing Agreement with such Replacement Clearing Member and Eurex Clearing AG within the period of time referred to in Paragraph (2).~~

~~(aa) the cash equivalent amount of any Opening Margin Requirement and Opening Variation Margin Requirement applicable to the ICM Client;~~

~~(bb) the amount of the Opening Consideration to be paid by Eurex Clearing AG or the ICM Client, as the case may be; and~~

~~(cc) (1) if Eurex Clearing AG is the creditor of the determined Difference Claim against the Affected Clearing Member under the relevant Standard Agreement, an amount in the Termination Currency equal to such outstanding Difference Claim in consideration of the assignment pursuant to Number 11.4.4 to be paid by the ICM Client, or~~

~~— (2) if the Difference Claim is owed by Eurex Clearing AG to the Affected Clearing Member under the relevant Standard Agreement, the amount of such Difference Claim pledged or assigned for security purposes for the benefit of the ICM Client to be paid by Eurex Clearing AG.~~

~~— If Eurex Clearing AG, the Security Trustee and the Clearing Member and have entered into the Security Trust Agreement, the above set-off shall be applied in accordance with the Security Trust Agreement.~~

~~— Eurex Clearing AG will credit the Eligible Margin Assets actually delivered (as a consequence of the set-off described herein in which case the Eligible Margin Assets shall be identical to the Eligible Margin Assets forming part of the Segregated Margin and Segregated Variation Margin of the Affected Clearing Member as of the Termination Date) in respect of the Opening Margin to an internal margin account pursuant to Number 4.1.3.~~

~~(4) **Direct Redelivery Claim**~~

~~— Upon effectiveness of the set-off and/or upon the actual delivery of the remaining difference to Eurex Clearing AG pursuant to Paragraph (3) above, corresponding Redelivery Claims with respect to the Direct Margin or Direct Variation Margin shall arise (the “**Direct Redelivery Claims**”).~~

~~**11.4.4 Assignment of Eurex Clearing AG's Difference Claim**~~

~~(1) For the purpose of the Immediate Re-Establishment, Eurex Clearing AG assigns, immediately following the Opening Time, its Difference Claim against the Clearing Member (if any) together with any ancillary rights to the ICM Client (for the avoidance of doubt, such assignment shall not be considered to be made by way of security). The ICM Client accepts such assignments. Section 401 BGB does apply.~~

~~(2) For the purpose of the Immediate Re-Establishment, Eurex Clearing AG further assigns, at the time when the Direct Covered Transactions are concluded, to the ICM Client any Relevant Difference Claim of the Affected Clearing Member against the ICM Client (if any) which has been assigned to Eurex Clearing AG by the Clearing Member for security purposes pursuant to Number 8.2.1. The ICM Client accepts such assignments and acknowledges that the agreed security purpose shall continue to apply.~~

~~(3) The assignments under Paragraph (1) and (2) are subject to the condition precedent (*aufschiebende Bedingung*) that a set-off as described in Number 11.4.3 Paragraph (3) has occurred.~~

~~(4) For the purposes of this Number 11.4.4, “**ancillary rights**” means all existing and future claims and rights under, pursuant to, or in connection with the relevant assigned claim and its underlying agreement (if any), including, but not limited to:~~

~~(i) other related ancillary rights and claims, including but not limited to, independent unilateral rights (*selbständige Gestaltungsrechte*) as well as dependent unilateral rights (*unselbständige Gestaltungsrechte*), in particular the right of termination (*Recht zur Kündigung*), if any, and the right of rescission (*Recht zum Rücktritt*), but which are not of a personal nature (without prejudice~~

~~to the assignment of ancillary rights and claims pursuant to Section 401 BGB);
and~~

~~(ii) all claims and rights under any accessory security interest (*akzessorische Sicherheit*) securing such Difference Claim.~~

~~(5) If~~

~~(i) following the assignment set out in Paragraph (1) the ICM Client is both pledgee and third party debtor (*Drittschuldner*) of a claim, the pledge shall be automatically realised by the ICM Client declaring that it collects the amount owed to it under the pledge;~~

~~(ii) following the assignment set out in Paragraph (1), the ICM Client is not both pledgee and third party debtor (*Drittschuldner*) of the claim set out under the foregoing (i), the parties agree that the pledge shall equally be automatically realised or cease to exist, respectively;~~

~~(iii) as long as the requirements of Numbers 8.2.1 Paragraph (3) and 8.2.2 Paragraph (3) are met, following the assignment set out in Paragraph (2), the ICM Client is both creditor and debtor of a Difference Claim, such Difference Claim shall automatically be discharged; such discharge shall constitute an enforcement of the claims that are secured by an assignment for security purposes of such Difference Claim, which enforcement shall result in a discharge of such secured claims in the same amount;~~

~~(iv) as long as the requirements of Numbers 8.2.1 Paragraph (3) and 8.2.2 Paragraph (3) are met, following the assignment set out in Paragraph (1), the ICM Client is not both creditor and debtor of the Difference Claim set out under the foregoing (iii), the parties agree that such Difference Claim shall equally automatically be discharged; such discharge shall constitute an enforcement of the claims that are secured by an assignment for security purposes of such Difference Claim, which enforcement shall result in a discharge of such secured claims in the same amount.~~

~~(v) Eurex Clearing AG notifies the Clearing Member of the assignments pursuant to Paragraph (1) and (2). The Clearing Member confirms receipt of such notification.~~

11.4.5 Immediate Transfer to Replacement Clearing Member

~~Immediately upon settlement pursuant to Number 11.4.3 Paragraph (3), all Direct Covered Transactions are transferred by operation of the executed Transfer Agreement to the Replacement Clearing Member and become Transactions between the Replacement Clearing Member and Eurex Clearing AG (pursuant to the Elementary Clearing Model Provisions, the Individual Clearing Model Provisions or the ISA Provisions, as set out in the Transfer Agreement). If, the Individual Clearing Model Provisions shall apply following the transfer, the ICM Client shall immediately enter~~

~~into new transactions corresponding to all such Direct Covered Transactions with the Replacement Clearing Member. Upon such transfer the following shall apply:~~

- ~~(i) if the Elementary Clearing Model Provisions apply following the transfer, any Direct Margin or Direct Variation Margin shall be retransferred to the ICM Client immediately following the transfer;~~
- ~~(ii) if the ICM-ECD Provisions apply following the transfer, the Direct Margin and Direct Variation Margin shall henceforth constitute Segregated Margin or Segregated Variation Margin, respectively, pursuant to the Individual Clearing Model Provisions and corresponding Redelivery Claims shall arise under each of the relevant Standard Agreement between Eurex Clearing AG and such Clearing Member and the Corresponding Standard Agreement between such Clearing Member and the ICM Client (each as defined in the Individual Clearing Model Provisions);~~
- ~~(iii) if the ICM-CCD Provisions apply following the transfer, the Direct Margin and Direct Variation Margin shall henceforth constitute Segregated Margin or Segregated Variation Margin, respectively, pursuant to the Individual Clearing Model Provisions and corresponding Redelivery Claims shall arise under the relevant Standard Agreement between Eurex Clearing AG and such Clearing Member and the ICM Client will enter into transactions corresponding to all such transferred Direct Covered Transactions with such Clearing Member under their corresponding Client Clearing Agreement as of the same time as the transfer of the Direct Covered Transactions;~~
- ~~(iv) if the ISA Provisions apply following the transfer:
 - ~~(A) the Direct Margin in the form of cash and the Direct Variation Margin shall henceforth constitute Margin in the form of cash or Variation Margin, respectively, pursuant to the ISA Provisions and corresponding Redelivery Claims shall arise under the relevant ISA Standard Agreement between Eurex Clearing AG and the Replacement Clearing Member (and the ICM Client shall no longer have any related Redelivery Claims against Eurex Clearing AG);~~
 - ~~(B) if the Replacement Clearing Member has made a Title Transfer Margin Election, the Direct Margin in the form of Securities that has been transferred to Eurex Clearing AG by way of title transfer shall henceforth constitute Margin pursuant to the ISA Provisions and corresponding Redelivery Claims of the Replacement Clearing Member shall arise under the relevant ISA Standard Agreement (and the ICM Client shall no longer have any related Redelivery Claims against Eurex Clearing AG); and~~
 - ~~(C) if the Replacement Clearing Member is obliged to provide Margin in the form of Securities by way of granting pledges under the ISA Provisions, Eurex Clearing AG shall transfer title in the Direct Margin in the form of Securities (that has been transferred to Eurex Clearing AG by way of title transfer) to the Replacement Clearing Member and such Securities shall be credited to the relevant ISA Pledged Securities Account or the relevant ISA CASS Pledged~~~~

~~Securities Account of the Replacement Clearing Member and shall henceforth constitute Margin pursuant to the ISA Provisions (and the ICM Client shall no longer have any related Redelivery Claims against Eurex Clearing AG).~~

~~11.4.6 — Objection Rights of Eurex Clearing AG~~

~~Eurex Clearing AG may decline to accept the transfer to the Replacement Clearing Member if a regulator, court or another authority has prohibited or hindered the application of any or part of the mechanics of the Individual Clearing Model Provisions (including by transferring Covered Transactions to another entity).~~

~~In addition, Eurex Clearing AG will not permit the transfer to the Replacement Clearing Member if it becomes aware of circumstances which, in Eurex Clearing AG's reasonable opinion, indicate that a Termination Event or Insolvency Termination Event is about to occur with respect to the Replacement Clearing Member.~~

~~The objection rights described herein shall be exercised by giving a written notice to the ICM Client and the Replacement Clearing Member.~~

~~11.4.7 — Specific Provisions for non-EU Clearing Members~~

~~If the Affected Clearing Member is domiciled outside the EU and an additional legal act (including but not limited to a decision or approval by a regulator, public authority, court or insolvency administrator) is necessary to give full effect to the pledge pursuant to Number 8.1.2 or the assignment for security purposes pursuant to Number 8.2.2 under the laws of the jurisdiction applicable to the Affected Clearing Member, the immediate re-establishment with a Replacement Clearing Member will only take place if (i) such act has become effective by the point in time at which the Immediate Re-Establishment Conditions need to be satisfied, and if (ii) Eurex Clearing has not yet discharged the Difference Claim by payment to the Affected Clearing Member in accordance with Number 8.1.2 Paragraph (7) or Number 8.2.2 Paragraph (11).~~

~~11.5 — Interim Settlement~~

~~Following the Termination Time and until the Opening Time, Eurex Clearing AG is entitled to undertake any necessary actions and transactions to ensure the continuation of Clearing with other Clearing Members as a result of the Termination Date with respect to the Covered Transactions between Eurex Clearing AG and the Clearing Member (the "**Interim Settlement**").~~

~~The ICM Client shall be obliged to reimburse Eurex Clearing AG for all of its expenses and costs arising from any such Interim Settlement (the "**Reimbursement Costs**") no later than the Opening Time.~~

~~12 — Restrictions, Waivers, Undertakings~~

~~12.1 — All claims for unjust enrichment or similar claims of the Clearing Member or the ICM Client, if any, which may arise in connection with~~

~~(i) a Termination pursuant to Number 7.1, or Subpart B Number 6.1, if applicable, or a termination of all or some Client Clearing Transactions under the Client Clearing Agreement (however described); or~~

~~(ii) an Interim Participation pursuant to Number 11~~

~~are excluded except if necessary to give effect to the economic intent of the Individual Clearing Model Provisions.~~

~~12.2 Upon satisfaction of the Interim Participation Conditions in accordance with Number 11.1.2 or the Immediate Re Establishment Conditions in accordance with Number 11.2.2, neither the ICM Client nor the Clearing Member shall have any claim against Eurex Clearing AG under or in connection with terminated Covered Transactions.~~

~~12.3 Only Eurex Clearing AG may set off its Difference Claim against the Clearing Member with any other claim between the Clearing Member and Eurex Clearing AG.~~

~~12.4 Eurex Clearing AG shall be entitled to pay and the relevant ICM Client shall be entitled to collect the full amount of each claim that has been pledged or assigned for security purposes in the ICM Clearing Agreement to that ICM Client (as further set out in Number 8), irrespective of the actual value of the relevant secured claim and Section 1282 (1) Sentence 2 of the German Civil Code (*Bürgerliches Gesetzbuch*) shall not apply.~~

~~Upon any assigned or pledged claim being paid in full to the pledgee or assignee the respective pledged or assigned claim shall be considered satisfied vis à vis the relevant pledgor or assignor. Any regress claim in lieu of such payment may only be brought against the relevant pledgee or assignee. For the avoidance of doubt, any recourse against Eurex Clearing AG (except for Eurex Clearing AG as pledgee) in connection with such payment shall be excluded.~~

~~12.5 Any pledge granted by the Clearing Member over a specific claim in the ICM Clearing Agreement to the relevant secured party pursuant to Number 8 shall be upheld and remain unaffected if and to the extent title to such specific pledged claim has been assigned or otherwise transferred to the secured party under the Individual Clearing Model Provisions, unless and until such specific pledged claim has been satisfied. Section 1256 (1) Sentence 1 of the German Civil Code (*Bürgerliches Gesetzbuch*) shall not apply and the pledgee shall at all times be protected by, and have a vested legal interest in the existence of, the relevant pledge.~~

~~12.6 Unless otherwise provided in the Individual Clearing Model Provisions and to the extent legally possible, neither party to the ICM Clearing Agreement shall assign or create any other security interest over, claims arising from the ICM Clearing Agreement. The Difference Claim pursuant to Number 7.3.2 and pursuant to Subpart B Number 6.3.2 is assignable; Section 401 BGB shall apply to any such assignment and the parties of the assignment shall ensure that this also is the case for any further assignment.~~

~~12.7 The exercise of retention rights (*Zurückbehaltungsrecht*) against any claims under the relevant Standard Agreement shall be prohibited.~~

~~12.8 No party subject to the Individual Clearing Model Provisions shall be~~

~~(i) required to satisfy any claims; or~~

~~(ii) entitled to demand payment or delivery in respect of any claim~~

~~as a result of which, from an economic perspective, that would amount to a double payment or delivery or, as the case may be, to a receipt of the same amount twice by any party subject to the Individual Clearing Model Provisions.~~

~~**13 Default under the Relevant Agreement between the Clearing Member and the ICM Client, Termination of Relevant Transactions**~~

~~13.1 Each of the Clearing Member and the ICM Client is obliged to notify Eurex Clearing AG in text form or in writing promptly (i) if a Default with respect to the Clearing Member or the ICM Client under their Relevant Agreement has occurred and (ii) if, as a consequence of such a Default, all or only some of the Relevant Transactions between the Clearing Member and the ICM Client have been accelerated, terminated or otherwise closed out. If Eurex Clearing AG initially received such a notice from the ICM Client, it shall request the Clearing Member to give notice to Eurex Clearing AG, confirming the content of such notice promptly. Eurex Clearing AG may make available to the Clearing Member a form of any such notice or confirmation notice pursuant to this provision in which case the Clearing Member is required to use such form only for its notice or confirmation notice to Eurex Clearing AG.~~

~~13.2 "Default" for the purpose of Number 13.1 means the applicable events of default and other termination events (however described) set out in the Relevant Agreement between the Clearing Member and the ICM Client, including with respect to the Clearing Member only the Termination Events pursuant to Number 7.2 of the General Clearing Provisions, and any event having a similar effect under applicable law.~~

~~13.3 Notwithstanding the occurrence of a Termination Date with respect to the relevant Clearing Member, any termination of Relevant Transactions between the Clearing Member and the ICM Client due to a Default will not terminate the relevant Covered Transactions between Eurex Clearing AG and the Clearing Member.~~

~~13.4 Following receipt by Eurex Clearing AG of a notice pursuant to Number 13.1 that all or only some of the Relevant Transactions between the Clearing Member and the ICM Client have been terminated under their Relevant Agreement by any party or by operation of law, the following applies with respect to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, unless such Default occurs by reference to a Termination Date with respect to the relevant Clearing Member:~~

~~13.4.1 All Covered Transactions between Eurex Clearing AG and the Clearing Member shall without any further action be novated and be re-entered into under the Clearing Agreement for the Elementary Clearing Model Provisions. The so novated original Covered Transactions shall be credited to a Clearing Member Own Account (unless Eurex Clearing AG is instructed otherwise by the Clearing Member) and shall constitute~~

~~Own Transaction or Omnibus Transactions of the Clearing Member depending on whether they are booked to the Clearing Member Own Account or a Client Transaction Account of the Clearing Member.~~

~~13.4.2 — All Redelivery Claims relating to Eligible Margin Assets in form of cash actually delivered in respect of Segregated Margin or Segregated Variation Margin by either party shall without any further action be novated and be re-established under the Clearing Agreement for the Elementary Clearing Model Provisions.~~

~~13.4.3 — All Eligible Margin Assets in form of Securities actually delivered in respect of the Segregated Margin by the Clearing Member shall, following receipt of any notice or confirmation notice, as the case may be, by the Clearing Member pursuant to Number 13.1, be transferred by Eurex Clearing AG to the Clearing Member and pledged by the Clearing Member to Eurex Clearing AG in accordance with the Elementary Clearing Model Provisions. For such purposes, Eurex Clearing AG shall instruct the Settlement Location to transfer Eligible Margin Assets in form of Securities actually delivered in respect of the Segregated Margin by the Clearing Member from the Securities Margin Account or the Eurex Clearing Securities Margin Account, respectively, to the relevant Pledged Securities Account which will then constitute Margin actually delivered pursuant to the Elementary Clearing Model Provisions. All Redelivery Claims of the Clearing Member against Eurex Clearing AG with respect to the transfer of equivalent Eligible Margin Assets in form of Securities actually delivered in respect of Segregated Margin shall be settled. Number 9 shall not apply.~~

~~13.4.4 — In the case of the ICM-ECD Provisions, any residual Covered Transactions between the Clearing Member and the ICM-Client shall without any further action be novated and be re-entered into under the Clearing Agreement for the Elementary Clearing Model Provisions.~~

~~14 — Default Fund~~

~~For the purpose of the Individual Clearing Model Provisions and in addition to Number 6 of the General Clearing Provisions, the following provisions apply to all Clearing Members and ICM-Clients while acting as Interim Participant under the Clearing Conditions pursuant to Number 11.1:~~

- ~~(i) — All references in Number 6 of the General Clearing Provisions to Clearing Member include all ICM-Clients while acting as Interim Participant under the Clearing Conditions;~~
- ~~(ii) — Number 6.1.2 Paragraph (2) of the General Clearing Provisions does not apply to ICM-Clients while acting as Interim Participant under the Clearing Conditions;~~
- ~~(iii) — all contributions to the Default Fund of a Clearing Member with respect to which a Termination has occurred shall be available to cover the Default Fund Secured Claims with respect to the financial consequences and losses of any one or more Terminations that may occur with respect to any of its ICM-Clients while any such ICM-Client is an Interim Participant and references in Number 6.2.1 of the General~~

~~Clearing Provisions to the Affected Clearing Member shall therefore include that Clearing Member and the ICM Client acting as Interim Participant provided that the contributions of the ICM Client acting as Interim Participant to the Default Fund shall be used first and only thereafter the contributions of that Clearing Member;~~

~~(iv) Number 6.2 of the General Clearing Provisions does not apply to the ICM Client as Interim Participant with respect to the Termination relating to its Clearing Member and resulting in the application of Number 11.1; and~~

~~(v) contributions of the ICM Client shall be released at least one month following the effective date of the Transfer Agreement referred to in Number 11.1.6, subject to Number 6.4 of the General Clearing Provisions which shall apply *mutatis mutandis*.~~

~~15~~ ~~Specific Provisions regarding Eligible Margin Assets in form of Securities~~

~~15.1~~ ~~Securities Income~~

~~15.1.1 Any payments of interest, dividends or other distributions in the form of Securities arising in relation to Securities that constitute Segregated Margin and are credited to the Securities Margin Account or the relevant Eurex Clearing Securities Margin Account in respect of which no payment of consideration is required as well as any other rights arising in relation to Securities credited to the Securities Margin Account of a Clearing Member or to the relevant Eurex Clearing Securities Margin Account (such as bonus shares) (the "Securities Income") will be credited to the Securities Margin Account or to the relevant Eurex Clearing Securities Margin Account, respectively.~~

~~15.1.2 Securities Income credited to the Securities Margin Account or to the relevant Eurex Clearing Securities Margin Account constitutes Segregated Margin between Eurex Clearing AG and the Clearing Member and between the Clearing Member and the ICM Client (in the case of the ICM-ECD Provisions and, if the Securities Margin Account or the Eurex Clearing Securities Margin Account relates to Segregated Margin provided with respect to more than one ICM Client, only between the Clearing Member and the relevant ICM Client to which the specific customer identifier refers) and the relevant Redelivery Claims between such parties will be increased or, if any such Securities Income subsequently expires decreased accordingly.~~

~~15.1.3 Number 3.2.3 of the General Clearing Provisions applies accordingly if such Securities Income constitutes Non-Eligible Margin Assets.~~

~~15.2~~ ~~Cash Income~~

~~Upon payment of any interest, dividends or other distributions in cash in relation to Securities or Equivalent Securities (as defined in Number 15.4.2), as the case may be, that constitute Segregated Margin and are credited to the Securities Margin Account of a Clearing Member or to the relevant Eurex Clearing Securities Margin Account (the "Cash Income"), Eurex Clearing AG shall pay to the Clearing Member a cash amount equivalent to and in the same currency as such Cash Income (net of any withholding or deduction) (the "Equivalent Notional Cash Income"). Following the credit of any Cash~~

~~Income or Equivalent Notional Cash Income, as the case may be, by Clearstream Banking AG or Clearstream Banking S.A., as the case may be, directly to a designated cash account of the Clearing Member, Eurex Clearing AG's obligation to pay the relevant Equivalent Notional Cash Income to the Clearing Member shall be fulfilled. Number 9.1 applies upon receipt by the Clearing Member of the relevant Equivalent Notional Cash Income.~~

~~15.3 Information in relation to the Securities held in the Securities Margin Account or the Eurex Clearing Securities Margin Account~~

~~Eurex Clearing AG shall forward any and all information received, if any, in relation to Securities held in the relevant Securities Margin Account or in the relevant Eurex Clearing Securities Margin Account to the relevant Clearing Member.~~

~~The Clearing Member shall forward any information in relation to Securities held in the relevant Securities Margin Account or in the relevant Eurex Clearing Securities Margin Account it receives from Eurex Clearing AG, Clearstream Banking AG or Clearstream Banking S.A. to the ICM Client or Clearstream Banking S.A. to the ICM Client (provided that, if the relevant Securities Margin Account or the relevant Eurex Clearing Securities Margin Account relates to Segregated Margin provided with respect to more than one ICM Client, such information shall only be forwarded to the relevant ICM Client to which the specific customer identifier of such Securities refers).~~

~~15.4 No Obligation in relation to Corporate Actions~~

~~15.4.1 Where any voting rights or elections in relation to corporate actions (e.g. the exercise of subscription rights) have to be exercised in relation to any Securities provided as Segregated Margin, Eurex Clearing AG shall have no obligation in respect of the exercise of such voting rights or the exercise of such elections in relation to corporate actions to be made in accordance with the instructions of the Clearing Member and the Clearing Member shall have no obligation in respect of the exercise of such voting rights or the exercise of such elections in relation to corporate actions to be made in accordance with the instructions of the ICM Client.~~

~~15.4.2 In relation to Securities credited to the Securities Margin Account or to the relevant Eurex Clearing Securities Margin Account, Eurex Clearing AG (i) shall not exercise any voting or other rights resulting from such Securities; and (ii) shall, at all times, until the Termination Time on the Termination Date has occurred, keep such Securities or Equivalent Securities in the Securities Margin Account or in the relevant Eurex Clearing Securities Margin Account, respectively. The term "**Equivalent Securities**" in this context means Securities with commercially the same features (*gleicher Art und Güte*) (which is usually reflected by the same securities identification number) and in the identical amount or number, as the case may be.~~

~~If the ICM Client wishes any voting rights to be exercised or to be exercised in a particular manner or any election with respect to a specific corporate action (e.g. the exercise of subscription rights) to be made or to be made in a particular manner, it must make use of the substitution right pursuant to Number 15.5 or the Relevant Agreement. The Clearing~~

~~Member is solely responsible for monitoring the rights and obligations arising out of or accruing in connection with the Securities provided as Segregated Margin as well as for providing any (timely) request to substitute those Securities in order to be able to exercise such rights in person.~~

~~15.4.3 — Eurex Clearing AG shall neither be under any obligations to exercise any subscription right resulting from Securities provided as Segregated Margin nor under any obligations to sell such subscription rights and any subscription right resulting from such Securities provided as Segregated Margin which has not been exercised by the end of the subscription period (e.g. because the relevant Securities have not been released to and exercised by the ICM Client) shall lapse without the ICM Client being entitled to any compensation.~~

~~15.5 — Substitution of Eligible Margin Securities~~

~~The ICM Client may request from the Clearing Member, and the Clearing Member — following a request from the ICM Client — from Eurex Clearing AG, the return of Eligible Margin Assets in form of Securities equivalent to certain Securities actually delivered as Segregated Margin (the “Return Margin Asset”) in exchange for other Eligible Margin Assets, subject to the requirements set out in Number 5.3.5.~~

~~15.6 — Indemnity from the Clearing Member and the ICM Client~~

~~15.6.1 — The Clearing Member shall indemnify Eurex Clearing AG in respect of all obligations and/or costs and/or liabilities arising from or in connection with the Securities provided as Segregated Margin (including any rights arising therefrom such as subscription rights) that are imposed on Eurex Clearing AG as a consequence of Eurex Clearing AG’s ownership of rights or interests in such Securities (regardless of whether such claims are made by the respective issuer of such securities, other holders of such Securities or any third parties including any public or governmental authorities). The ICM Client shall indemnify the Clearing Member in respect of all liabilities of the Clearing Member resulting from the preceding sentence.~~

~~15.6.2 — The provisions in this Number 15 do not impose on Eurex Clearing AG any fiduciary duties in relation to the Clearing Member or the ICM Client. Moreover, they do not impose any fiduciary duties on the Clearing Member in relation to the ICM Client.~~

~~15.7 — Respective agreement between Clearing Member and ICM Client for ICM-CCD~~

~~— The Clearing Member and the ICM Client agree to ensure compliance with the provisions of this Number 15 in the Client Clearing Agreement, if required, with regard to income on, or corporate actions in respect to, Eligible Margin Assets.~~

~~16~~ ~~Direct Segregated Margin Transfers and Direct Segregated Margin Retransfers~~

~~16.1~~ ~~Direct Segregated Margin Transfers~~

~~16.1.1~~ The ICM Client may directly transfer to Eurex Clearing AG Eligible Margin Assets in the form of cash or Securities in respect of Segregated Margin (the "**Direct Segregated Margin Transfer**") provided that a Direct Delivery Obligation (as defined in Number 16.1.4) exists. To the extent that such Direct Segregated Margin Transfer is made, such transfer will discharge (*erfüllen*) (i) the Margin Requirement (pursuant to Number 5.2) of the Clearing Member to Eurex Clearing AG in respect of the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, (ii) in the case of the ICM-ECD Provisions, the obligation of the ICM Client to provide Segregated Margin (pursuant to Subpart B Number 4) to the Clearing Member in respect of the Corresponding Standard Agreement between the Clearing Member and the ICM Client or, as applicable, in the case of the ICM-CCD Provisions, the obligation of the ICM Client to provide Credit Support Margin to the Clearing Member pursuant to the corresponding Client Clearing Agreement and (iii) the Direct Delivery Obligation. In the event of a Direct Segregated Margin Transfer, title in the relevant Eligible Margin Assets shall pass directly from the ICM Client to Eurex Clearing AG.

~~16.1.2~~ Direct Segregated Margin Transfers may not be made by using Xemac.

~~16.1.3~~ A Direct Segregated Margin Transfer in the form of cash will be effected by Eurex Clearing AG, upon the request of the Clearing Member, by directly debiting an account of the ICM Client designated by the Clearing Member on behalf of the ICM Client for such purpose. The ICM Client and the Clearing Member shall ensure that all required instructions and authorisations are issued to or, as relevant, granted by any bank in order for such direct debit to become effective. Number 5.4 shall not apply to such Direct Segregated Margin Transfer of cash. The ICM Client, by entering into the ICM Clearing Agreement, irrevocably authorises the Clearing Member to designate on behalf of the ICM Client one account of the ICM Client per currency from which such direct debits shall be made and to issue the relevant instructions to the respective banks. The ICM Client shall issue all necessary instructions or authorisations to relevant banks to ensure the validity of such direct debits and provide evidence of such instructions or authorisations to Eurex Clearing AG upon request.

~~16.1.4~~ For purposes of the Direct Segregated Margin Transfer the ICM Client shall also have a direct obligation vis-à-vis Eurex Clearing AG to transfer to Eurex Clearing AG, when the obligation of the Clearing Member to provide Segregated Margin to Eurex Clearing AG has become due (*fällig*) and has not been discharged, Eligible Margin Assets in the same amount (the "**Direct Delivery Obligation**"). The Direct Delivery Obligation shall be reduced if and to the extent that (i) the ICM Client directly transfers Eligible Margin Assets to the Clearing Member in accordance with the terms of, in the case of the ICM-ECD Provisions, the Corresponding Standard Agreement between the Clearing Member and the ICM Client or, in the case of the ICM-CCD Provisions, in accordance with the terms of the corresponding Client Clearing Agreement and/or (ii) the Clearing Member directly transfers Eligible Margin Assets to Eurex Clearing AG in accordance with the terms of the

~~Standard Agreement between the Clearing Member and Eurex Clearing AG. To the extent that the ICM Client performs the Direct Delivery Obligation, the second sentence of Number 16.1.1 applies.~~

~~16.1.5 — The Direct Delivery Obligation and the obligation of the Clearing Member to provide Segregated Margin shall not constitute a joint and several liability (*keine Gesamtschuld*).~~

~~16.1.6 — In the event that the ICM Client transfers Eligible Margin Assets to Eurex Clearing AG in accordance with Number 16.1.1, (A) the ICM Client shall not have any recourse claims against the Clearing Member as a result of such performance and (B) no claims of Eurex Clearing AG against the Clearing Member shall pass to the ICM Client as a result of such performance. In the event that the Clearing Member directly transfers Eligible Margin Assets to Eurex Clearing AG in accordance with Number 5.2 (A) the Clearing Member shall not have any recourse claims against the ICM Client as a result of such performance and (B) no claims of Eurex Clearing AG against the ICM Client shall pass to the Clearing Member as a result of such performance.~~

~~16.1.7 — In the case of a Direct Segregated Margin Transfer in the form of Securities by using a Securities Margin Account with Clearstream Banking AG, Numbers 5.1.2 to 5.1.4 shall apply *mutatis mutandis*, provided that (i) references to the Clearing Member shall be read as references to the ICM Client, (ii) references to the Securities Margin Account of the Clearing Member shall be read as references to the Securities Margin Account of the Clearing Member that is referable to the ICM Client, (iii) in the case of a transfer of Securities in the form of book-entry securities, the instruction by the ICM Client shall (either directly or indirectly through any securities depository bank, custodian, central securities depository or otherwise) constitute an offer to Eurex Clearing AG for the assignment of the claim for surrender (*Abtretung des Herausgabeanspruchs*) against Clearstream Banking AG or the relevant other depository bank, custodian or central securities depository of the ICM Client; and (iv) in the case of a transfer of Securities in the form of co-ownership interests, the instruction shall be given by the ICM Client (either directly or indirectly through any securities depository bank, custodian, central securities depository or otherwise), and possession shall pass by means of constituting a bailment (*Begründung eines Besitzmittlungsverhältnisses*) between Clearstream Banking AG and Eurex Clearing AG and by modification of the bailment intention (*Besitzmittlungswillen*) of Clearstream Banking AG regarding the fractions to be transferred. The transfer of possession is completed when the ICM Client's instruction resulted in a debit entry into the ICM Client's custody account and a credit entry regarding the respective co-ownership interests in the Securities Margin Account of the Clearing Member that is referable to the ICM Client.~~

~~— In the case of a Direct Segregated Margin Transfer in the form of Securities to a Eurex Clearing Securities Margin Account with Clearstream Banking S.A., Number 5.1.5 shall apply *mutatis mutandis*, provided that references to the Clearing Member shall be read as references to the ICM Client.~~

~~— By entering into the relevant ICM Clearing Agreement, Eurex Clearing AG, the Clearing Member and the ICM Client expressly agree that, in the event of a Direct Segregated~~

~~Margin Transfer, title in the relevant assets shall pass directly from the ICM Client to Eurex Clearing AG. The ICM Client shall, through its relevant securities depository bank or custodian, a central securities depository or otherwise, procure that an instruction for such transfer to the relevant Securities Margin Account or to the relevant Eurex Clearing Securities Margin Account will be given.~~

~~16.1.8 — Any Direct Segregated Margin Transfer shall only create (or, as applicable, increase) a Relevant Redelivery Claim of the ICM Client against the Clearing Member and a Redelivery Claim of the Clearing Member against Eurex Clearing AG and shall (without prejudice to the Direct Redelivery Obligation (as defined in Number 16.2.3)) not result in any Redelivery Claims of the ICM Client against Eurex Clearing AG.~~

~~16.1.9 — The Clearing Member and the ICM Client may agree on a bilateral basis to narrow down the types of Eligible Margin Assets that can be transferred by the ICM Client to Eurex Clearing AG by way of a Direct Segregated Margin Transfer.~~

~~16.2 — Direct Segregated Margin Retransfer~~

~~16.2.1 — In respect of any Redelivery Claim of the Clearing Member with respect to Segregated Margin, Eurex Clearing AG may and, if so instructed by the Clearing Member in the relevant ICM Clearing Agreement, shall, make direct payments to the ICM Client or directly transfer to the ICM Client the relevant assets, (the “**Direct Segregated Margin Retransfer**”) provided that a Direct Redelivery Obligation (as defined in Number 16.2.3) exists. To the extent that such Direct Segregated Margin Retransfer is made, such transfer will discharge (*erfüllen*) (i) the Redelivery Claim of the Clearing Member against Eurex Clearing AG in respect of the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member, (ii) the Relevant Redelivery Claim of the ICM Client against the Clearing Member with respect to Segregated Margin or Credit Support Margin, as applicable, and (iii) the Direct Redelivery Obligation. In the event of a Direct Segregated Margin Retransfer, no title in the relevant asset shall pass through the Clearing Member.~~

~~16.2.2 — Direct Segregated Margin Retransfers may not be made (i) after Eurex Clearing AG has received a notice pursuant to Number 13 of a Default (as defined in Number 13.2) of the relevant ICM Client and (ii) by using Xømac.~~

~~16.2.3 — For purposes of the Direct Segregated Margin Retransfer Eurex Clearing AG shall also have a direct obligation vis à vis the ICM Client to transfer to the ICM Client, whenever a Relevant Redelivery Claim of the ICM Client against the Clearing Member with respect to Segregated Margin or Credit Support Margin, as applicable, has become due (*fällig*) and has not been discharged and if and to the extent that a corresponding Redelivery Claim of the Clearing Member against Eurex Clearing AG is due (*fällig*) and has not been discharged, the relevant Eligible Margin Assets in such amount (the “**Direct Redelivery Obligation**”). The Direct Redelivery Obligation shall be reduced if and to the extent that (i) Eurex Clearing AG directly transfers Eligible Margin Assets to the Clearing Member in performance of the corresponding Redelivery Claim of the Clearing Member in accordance with the terms of the Standard Agreement between Eurex Clearing AG and the Clearing Member and/or (ii) the Clearing Member directly transfers Eligible Margin~~

~~Assets to the ICM Client in performance of the Relevant Redelivery Claim of the ICM Client in accordance with the terms of the Corresponding Standard Agreement or the corresponding Client Clearing Agreement, respectively, between the Clearing Member and the ICM Client. To the extent that Eurex Clearing AG performs the Direct Redelivery Obligation, the second sentence of Number 16.2.1 applies.~~

~~Any Direct Redelivery Obligation of Eurex Clearing AG in respect of Eligible Margin Assets (a) in the form of Securities shall already be discharged if a credit entry in relation to such Securities is made into a custody account of the ICM Client's securities depository bank, custodian or central securities depository that has been mandated by the ICM Client (irrespective of a credit entry in the custody account of the ICM Client) and (b) in the form of cash shall already be fulfilled if a credit entry in relation to such cash is made into a cash account of the ICM Client's correspondent bank that has been mandated by the ICM Client (irrespective of a credit entry in the cash account of the ICM Client). Any consequences of errors in the recording or on transfer incurred by the correspondent bank, securities depository bank, custodian or central securities depository that has been mandated by the ICM Client shall be borne by the ICM Client.~~

~~For the avoidance of doubt, the Direct Redelivery Obligation shall lapse if the relevant Redelivery Claim of the Clearing Member against Eurex Clearing AG ceases to exist and the Direct Redelivery Obligation shall not be taken into account in the determination or valuation of any Difference Claim, Relevant Difference Claim, Regress Claim or Shortfall Claim.~~

~~16.2.4 The Direct Redelivery Obligation and the Redelivery Claim of the ICM Client against the Clearing Member shall not constitute a joint and several liability (*keine Gesamtschuld*).~~

~~16.2.5 In the event that Eurex Clearing AG transfers Eligible Margin Assets to the ICM Client in performance of the Direct Redelivery Obligation, (a) Eurex Clearing AG shall not have any recourse claims against the Clearing Member as a result of such performance and (b) no claims of the ICM Client against the Clearing Member shall pass to Eurex Clearing AG as a result of such performance. In the event that the Clearing Member directly transfers Eligible Margin Assets to the ICM Client in performance of the Relevant Redelivery Claim of the ICM Client in accordance with the terms of the Corresponding Standard Agreement or corresponding Client Clearing Agreement, respectively, between the Clearing Member and the ICM Client, (a) the Clearing Member shall not have any recourse claims against Eurex Clearing AG as a result of such performance and (b) no claims of the ICM Client against Eurex Clearing AG shall pass to the Clearing Member as a result of such performance.~~

~~16.2.6 The ICM Client, by entering into an ICM Clearing Agreement, accepts in advance any offer by Eurex Clearing AG to transfer to the ICM Client any assets (that are credited to the relevant Securities Margin Account of the Clearing Member or the relevant Eurex Clearing Securities Margin Account that refers to the ICM Client) by way of a Direct Segregated Margin Retransfer. With respect to a transfer governed by German law, Section 151 BGB applies. The parties to the relevant ICM Clearing Agreement expressly~~

agree that, in the event of a Direct Segregated Margin Retransfer, no title in the relevant asset shall pass through the Clearing Member.

16.3 Sub Pools

In case the Sub Pool Provisions apply, Number 16.1 and 16.2 shall apply *mutatis mutandis* per Segregated Internal Margin Account.

17 Additional Confirmation vis-à-vis Irish Clearing Members

The ICM Client acting as DC Market Participant acknowledges and accepts that as all payments and deliveries of cash and financial instruments by it to an Irish Clearing Member as collateral with respect to Covered Transactions, Margin Calls and Redelivery Claims are made as full title transfers to the Irish Clearing Member, such assets will not constitute the holding of client funds or client financial instruments, within the meaning of Regulation 158 of the European Communities (Markets in Financial Instruments) Regulations 2007, as amended, or the client asset requirements issued pursuant to those regulations, by the Irish Clearing Member.

18 Undertakings by Clearing Member and ICM Client

- 18.1 Each of the Clearing Member and the ICM Client undertakes (i) not to create any security interests or charges over the Difference Claim or the Relevant Difference Claim and (ii) not to assign the Difference Claim or the Relevant Difference Claim, in each case other than pursuant to the Individual Clearing Model Provisions:
- 18.2 The Clearing Member undertakes not to assign, encumber, receive the proceeds of or otherwise deal with its rights under any Relevant Transactions otherwise than in accordance with the Individual Clearing Model Provisions.
- 18.3 To the extent required or expedient under its national laws, the Clearing Member and/or an ICM Client (in particular, a Clearing Member or an ICM Client established under Irish, English, Scottish or Welsh law) will arrange for the due filing and registration with any relevant competent authority or register of any security interest granted or to be granted pursuant to or in accordance with this Subpart A and will evidence the due filing and registration of such security interest under this Subpart A to Eurex Clearing AG.
- 18.4 The ICM Client undertakes to inform Eurex Clearing AG and the Security Trustee, if Eurex Clearing AG, the Security Trustee and the Clearing Member have entered into the Security Trust Agreement, without undue delay after any Client Clearing Termination Claim has been determined, of the amount of such Client Clearing Termination Claim.

Part 3 — Subpart B: ICM-ECD Provisions

1 — Application

~~These Numbers 1 through 6 of Subpart B shall apply with respect to Transactions between the Clearing Member and such ICM Client under the ICM Clearing Agreement for ICM-ECD.~~

2 — Content of ICM Clearing Agreement, the Standard Agreement between Clearing Member and ICM Client

2.1 — Construction

~~2.1.1 Any Transaction between the Clearing Member and the ICM Client under the relevant ICM Clearing Agreement for ICM-ECD shall be a “Covered Transaction” between such parties for the purpose of these Individual Clearing Model Provisions. Any Covered Transaction between the Clearing Member and the ICM Client which corresponds to a Covered Transaction between Eurex Clearing AG and such Clearing Member under the same ICM Clearing Agreement for ICM-ECD shall be a “Corresponding Covered Transaction”.~~

~~2.1.2 All rights and obligations between the Clearing Member and the ICM Client with respect to Corresponding Covered Transactions shall for the purpose of these Clearing Conditions constitute a separate arrangement (hereinafter a “Standard Agreement” and with respect to the corresponding Standard Agreement between Eurex Clearing AG and such Clearing Member, the “Corresponding Standard Agreement”). If the ICM Client is a Relevant Fund or Relevant Fund Segment acting through an Authorised Manager, (i) all rights and obligations between the Clearing Member and that Relevant Fund or Relevant Fund Segment with respect to Corresponding Covered Transactions as well as (ii) all rights and obligations between Eurex Clearing AG and the Clearing Member with respect to Covered Transactions corresponding to the Corresponding Covered Transactions described in (i) shall each constitute a separate Standard Agreement.~~

~~References in these Individual Clearing Model Provisions to a Standard Agreement or Corresponding Standard Agreement shall be construed so as to exclude a Standard Agreement pursuant to the Elementary Clearing Model Provisions, the ISA Provisions and the Basic Clearing Member Provisions, if any.~~

~~2.1.3 All Corresponding Covered Transactions and all Redelivery Claims between the Clearing Member and the ICM Client arising pursuant to the Individual Clearing Model Provisions (as defined and set out in Subpart A Number 2.2.3), together the “Covered Claims”, form a single agreement between the parties to the relevant Corresponding Standard Agreement and such agreement constitutes a separate master agreement (*Rahmenvertrag*) between such parties which (subject to provisions in this Chapter I on the termination of individual Covered Transactions) can be terminated only in its entirety.~~

~~2.1.4~~ The Clearing Member and the ICM Client may agree on additional terms to their Corresponding Standard Agreement to the extent those additional terms do not deviate from the ICM Clearing Agreement for ICM ECD (incorporating the Clearing Conditions). Any such additional agreement shall form part of that Corresponding Standard Agreement and, in the event of any inconsistencies between any such additional agreement (as amended from time to time) and the ICM Clearing Agreement for ICM ECD (incorporating the Clearing Conditions), the ICM Clearing Agreement for ICM ECD and the Clearing Conditions shall always prevail.

~~2.2~~ **General Principles applicable to the Settlement of Covered Transactions and any Delivery and Redelivery of Segregated Margin or Segregated Variation Margin**

~~Subpart A Numbers 2.2.1 through 2.2.4 shall apply to the Corresponding Standard Agreement between the Clearing Member and the ICM Client pursuant to the Individual Clearing Model Provisions, provided that the Clearing Member shall — subject to the occurrence of a Termination Date — be the determining party for the purposes of the Segregated Margin and Segregated Variation Margin and the determination of an aggregate value pursuant to Subpart A Number 2.2.4.~~

~~3~~ **Conclusion of Transactions between Clearing Member and ICM Client**

~~Corresponding Covered Transactions shall be concluded pursuant to Number 1.2.2 of the General Clearing Provisions.~~

~~4~~ **Segregated Margin between Clearing Member and ICM Client**

~~The Clearing Member is required to separately demand cover from the ICM Client for all Corresponding Covered Transactions in an amount not less than the applicable Default Margin Requirement (the “**Segregated Margin**”). The Clearing Member and the ICM Client agree individually on further details on the delivery and redelivery of Segregated Margin.~~

~~Subpart A Number 5.3.5 applies *mutatis mutandis* to Redelivery Claims of the ICM Client against the Clearing Member in accordance with the margin requirement for Segregated Margin agreed between the Clearing Member and the ICM Client.~~

~~5~~ **Segregated Variation Margin between Clearing Member and ICM Client**

~~5.1~~ **General Obligation to provide Segregated Variation Margin**

~~If Subpart A Number 6 applies to Covered Transactions between Eurex Clearing AG and the Clearing Member, the Clearing Member is also required to separately demand or provide (additional) cover in respect of the relevant daily profits and losses from or to the ICM Client in respect of the Corresponding Covered Transactions in an amount not less than the Segregated Variation Margin Requirement (as defined in Subpart A Number 6.2) applicable from time to time (the “**Segregated Variation Margin**”).~~

~~Only Eligible Margin Assets in the form of cash shall be delivered as cover in respect of Segregated Variation Margin. Subpart A Number 5.3.2 applies *mutatis mutandis*.~~

~~5.2 Redelivery Claim~~

~~Eligible Margin Assets actually delivered in the form of cash in respect of the Segregated Variation Margin by the Segregated Variation Margin Provider (as defined in Subpart A Number 6.2) will give rise to or increase a Redelivery Claim of such party against the Segregated Variation Margin Taker (as defined in Subpart A Number 6.2) in accordance with Subpart A Number 2.2.3. Subpart A Number 6.3 second and third sub-paragraph shall apply *mutatis mutandis* under the Corresponding Standard Agreement.~~

~~6 Termination, Consequences of a Termination between Clearing Member and ICM Client~~

~~6.1 Termination~~

~~6.1.1 Upon the occurrence of a Termination Event or Insolvency Termination Event and a Termination Date (each as defined in Number 7.2 of the General Clearing Provisions) with respect to the Clearing Member either a Termination Payment pursuant to this Number 6 shall become due or a Re-Establishment pursuant to Subpart A Number 11 shall occur with regard to the Corresponding Standard Agreement. A Termination under such Corresponding Standard Agreement pursuant to this Number 6 corresponds to the Termination with regard to the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member pursuant to Subpart A Number 7.~~

~~6.1.2 It is the responsibility of the Clearing Member and the ICM Client to agree on the relevant provisions regarding the termination of the Corresponding Standard Agreement with respect to the ICM Client on a bilateral basis.~~

~~6.2 Limitation or Suspension of Clearing~~

~~If Eurex Clearing AG becomes aware of a Termination Event, Eurex Clearing AG may limit or suspend the Clearing of new Covered Transactions in accordance with Subpart A Number 7.2.~~

~~6.3 Consequences of a Termination~~

~~If a Termination Date has occurred with respect to the Clearing Member, the following provisions shall apply.~~

~~6.3.1 Termination of Covered Claims~~

~~Without prejudice to the following provisions of this Number 6.3, all current and future primary obligations (including payment and delivery obligations) of each party under the Corresponding Standard Agreement arising from Covered Claims shall expire (*auflösende Bedingung*) as of the Termination Time and shall no longer be required to be performed by the relevant obligor. Further all due but unsatisfied obligations to deliver Segregated Margin and Segregated Variation Margin under the Corresponding Standard Agreement shall expire (*auflösende Bedingung*) as of the Termination Time. The~~

~~expiration affects all claims arising from Corresponding Covered Transactions independently of the time they came into existence or would have come into existence otherwise. These expired primary obligations and delivery obligations, respectively, are reflected in the Difference Claim (as defined in Number 6.3.2 below), subject to and in accordance with Number 7.3 of the General Clearing Provisions.~~

~~6.3.2~~ **Difference Claim**

~~With regard to the relevant Corresponding Standard Agreement referred to in Number 6.3.1, the difference claim which was created by the signing of the ICM Clearing Agreement for ICM-ECD shall become unconditional and immediately due in the Termination Currency from one party to the relevant Corresponding Standard Agreement to the respective other party as of the end of the Last Valuation Date and shall be determined in accordance with Number 7.3 of the General Clearing Provisions using the Liquidation Price Approach (i) if no IP Election or Immediate Re Establishment Election is made within the ICM Porting Election Period, (ii) if an IP Election is made within the ICM Porting Election Period but the Interim Participation Conditions are not satisfied by the expiry of the ICM Porting Period, or (iii) if an Immediate Re Establishment Election is made within the ICM Porting Election Period but the Immediate Re Establishment Conditions are not satisfied by the expiry of the ICM Porting Period. If either (i) the Interim Participation Conditions or, as the case may be, (ii) the Immediate Re Establishment Conditions are satisfied by the expiry of the ICM Porting Period, such difference claim shall become unconditional and immediately due in the Termination Currency from one party to the relevant Standard Agreement to the respective other party as of the Opening Time and shall be determined in accordance with Number 7.3 of the General Clearing Provisions using the Exchange Price Approach. Each such claim shall be a "Difference Claim".~~

~~To determine the Difference Claim, the ICM Client will use the determinations notified to it by Eurex Clearing AG pursuant to Subpart A Number 7.3.2.~~

~~6.3.3~~ **Payment of Difference Claim**

~~(1) Unless either (i) an IP Election is made within the ICM Porting Election Period and the Interim Participation Conditions are satisfied by the expiry of the ICM Porting Period or (ii) an Immediate Re Establishment Election is made within the ICM Porting Election Period and the Immediate Re Establishment Conditions are satisfied by the expiry of the ICM Porting Period, such party to the relevant Corresponding Standard Agreement which is the obligor of the Difference Claim shall be obliged to pay the determined amount of the Difference Claim to the other party as soon as reasonably practicable following the notification by the determining party of the payable amount.~~

~~If and to the extent upon enforcement of the ICM Client's pledge over or assignment for security purposes of the relevant Difference Claim between Eurex Clearing AG and the Clearing Member such Difference Claim between Eurex Clearing AG and the Clearing Member has been discharged in accordance with Subpart A Number 7.3.3 Paragraph (1) by delivery of Securities to the ICM Client, the~~

~~Difference Claim between the Clearing Member and the ICM Client pursuant to this Number 6.3.2 as well as, the Shortfall Claim pursuant to Subpart A Number 10.4 shall be discharged in the value of the so delivered Securities as of such time.~~

~~(2) The debtor of the Difference Claim shall not be obliged to pay any interest on the amount of the Difference Claim unless it is in default (*Verzug*) following the receipt of a payment reminder (*Mahnung*) by the other party. Default interest shall be paid on the basis of the effective overnight interest rate applicable to the currency of the Difference Claim.~~

~~6.4 Post Settlement~~

~~Following the Termination Date and prior to the end of the Last Valuation Date or the Opening Time, as the case may be, payment and delivery claims arising under Corresponding Covered Transactions which were due and enforceable but unsettled at the Termination Date or will become due and enforceable prior to the end of the Last Valuation Date or the Opening Time, as the case may be and for which a binding valid and irrevocable settlement has occurred between the ICM Client and the Clearing Member shall for the purpose of the Difference Claim be disregarded and deemed to have been settled (the "Post Settlement").~~

~~6.5 Cash Settlement of a Liquidation Group~~

~~6.5.1 Consequences of Cash Settlement of a Liquidation Group~~

~~If a Liquidation Group Cash Settlement Time has occurred with respect to the Relevant Liquidation Group, the following provisions shall apply with respect to Corresponding Covered Transactions of Covered Transactions being Liquidation Group Transactions ("**Corresponding Liquidation Group Covered Transactions**"):~~

~~All current and future primary obligations (including payment and delivery obligations) of each party under the relevant Corresponding Standard Agreement arising from Corresponding Liquidation Group Covered Transactions and all Redelivery Claims relating to the Variation Margin with respect to such Corresponding Liquidation Group Transactions shall expire (*auflösende Bedingung*) as of the Liquidation Group Cash Settlement Time and shall no longer be required to be performed by the relevant obligor. Further all due but unsatisfied obligations to deliver Variation Margin under the Corresponding Standard Agreement with respect to Corresponding Liquidation Group Covered Transactions shall expire (*auflösende Bedingung*) as of Liquidation Group Cash Settlement Time. The expiration affects all claims arising from Corresponding Liquidation Group Covered Transactions independently of the time they came into existence or would have come into existence otherwise. These expired primary obligations and delivery obligations, respectively, are reflected by the Corresponding Liquidation Group Difference Claim (as defined in Number 6.5.2. below).~~

~~6.5.2~~ ~~Corresponding Liquidation Group Difference Claim~~

~~With regard to the relevant Corresponding Standard Agreement referred to in Number 6.3.1, the difference claim related to the Relevant Liquidation Group which was created by the signing of the ICM Clearing Agreement for ICM ECD shall become unconditional and immediately due in the Termination Currency from one party to the relevant Corresponding Standard Agreement to the respective other party as of the end of the Liquidation Group Cash Settlement Date (each such claim shall be a “Corresponding Liquidation Group Difference Claim”).~~

~~To determine the Difference Claim, the Clearing Member will use the determinations notified to it by Eurex Clearing AG pursuant to Number 7.5.4 Paragraph (3) of the General Clearing Provisions.~~

~~6.5.3~~ ~~Payment of Corresponding Liquidation Group Difference Claim~~

~~Such party to the relevant Corresponding Standard Agreement which is the obligor of the Liquidation Group Difference Claim shall be obliged to pay the determined amount to the other party as soon as reasonably practicable following the notification by the Clearing Member of the payable amount.~~

~~Part 3~~ ~~Subpart C: ICM-CCD Provisions~~

~~1~~ ~~Application~~

~~These Numbers 1 through 5 shall apply with respect to the Transactions between the Clearing Member and the ICM Client under a Client Clearing Agreement for ICM-CCD.~~

~~2~~ ~~Conditions for Participation~~

~~2.1~~ ~~Client Clearing Agreement~~

~~2.1.1~~ ~~In order to participate in the Clearing of Transactions under the ICM-CCD Provisions, the Clearing Member and the ICM Client must have entered into a Client Clearing Agreement as of the time of the execution of the ICM Clearing Agreement for ICM-CCD (the “Client Clearing Agreement”) which must conform to the requirements on an Eligible Client Clearing Agreement as defined in Number 2.1.2 below.~~

~~2.1.2~~ ~~A Client Clearing Agreement is an “Eligible Client Clearing Agreement” if it meets the following requirements:~~

~~(1) **Governing Law:** The Client Clearing Agreement must be governed by English law or German law.~~

~~(2) **Transactions:** Upon conclusion of a Covered Transaction between Eurex Clearing AG and the Clearing Member in accordance with these Individual Clearing Model Provisions, the Clearing Member and the ICM Client shall enter at the same~~

~~time into a separate transaction on identical terms under the Client Clearing Agreement by reference to such Covered Transaction between Eurex Clearing AG and the Clearing Member (herein referred to as the “**Client Clearing Transaction**” and together with all other separate Client Clearing Transactions under such Client Clearing Agreement corresponding to Covered Transactions between Eurex Clearing AG and the Clearing Member under the ICM Clearing Agreement for ICM-GCD, the “**Client Clearing Transactions**”).~~

~~— Upon any amendment, modification, transfer or termination of a Covered Transaction between Eurex Clearing AG and the Clearing Member, the Clearing Member and the ICM Client shall agree in advance that the related Client Clearing Transaction shall be amended, modified, transferred or terminated accordingly by reference to such Covered Transaction.~~

~~(3) **Margin:** The Clearing Member is required to demand from the ICM Client separate cover for all Client Clearing Transactions in an amount not less than the applicable Default Margin Requirement (the “**Credit Support Margin**”). Securities Income shall increase the Credit Support Margin in accordance with Subpart A Number 16.1.2.~~

~~(4) **Variation Margin:** The Clearing Member is further required to demand from or to provide to the ICM Client (additional) separate cover in respect of the relevant daily profits and losses in respect of all such Client Clearing Transactions corresponding to Covered Transactions which are subject to a Segregated Variation Margin Requirement (as defined in Subpart A Number 6.2) in an amount not less than the Segregated Variation Margin Requirement applicable from time to time pursuant to these Individual Clearing Model Provisions (the “**Credit Support Variation Margin**”).~~

~~(5) **Eligible Margin Assets:** Eligible assets to be provided as cover are (i) in respect of the Credit Support Margin, such currency amounts and such Securities accepted by Eurex Clearing AG from the Clearing Member under the Clearing Conditions in respect of the Segregated Margin and (ii) in respect of the Credit Support Variation Margin, such currency amounts accepted by Eurex Clearing AG from the Clearing Member under the Clearing Conditions in respect of the Segregated Variation Margin (herein also referred to as “**Eligible Margin Assets**”).~~

~~(6) **Transfer Principles, Forwarding Obligation of Clearing Member:** Any Eligible Margin Assets in respect of the separate Credit Support Margin and separate Credit Support Variation Margin as well as any payment and settlement of Client Clearing Transactions must be delivered or redelivered in accordance with the principles set out in Subpart A Numbers 2.2.1, 2.2.2 and 2.2.4 and/or in Subpart A Number 17 (with regard to the direct transfer mechanism for delivery and, if selected in the ICM Clearing Agreement, for redelivery of Credit Support Margin). Further, any Credit Support Margin or Credit Support Variation Margin shall not be segregated as client money.~~

~~— In addition, the Client Clearing Agreement must ensure compliance with the Clearing Member's forwarding obligations pursuant to Subpart A Number 9.~~

~~(7) **Close-out Netting:** Upon the occurrence of a Termination Event, Insolvency Termination Event and a Termination Date with respect to the Clearing Member under the Clearing Conditions, the Clearing Member and the ICM Client agree by reference to such Termination Event, Insolvency Termination Event and Termination Date, however described under the Client Clearing Agreement (hereinafter a "**Client Clearing Termination Event**"), on a separate termination and on a separate, legally valid and enforceable close-out netting of all Client Clearing Transactions entered into under such Client Clearing Agreement, taking into account all Credit Support Margin and Credit Support Variation Margin actually delivered, and resulting in a separate difference claim owed by either party.~~

~~It must be legally ensured that such difference claim (i) arises and becomes due and enforceable at the same time as the Difference Claim under Subpart A Number 7.3.2 of these Individual Clearing Model Provisions, (ii) is not contingent, (iii) is determined by reference to the values of the corresponding terminated Covered Transactions between Eurex Clearing AG and the Clearing Member and the values of the corresponding equivalent Eligible Margin Assets subject to the expired Redelivery Claims under the corresponding Standard Agreement between Eurex Clearing AG and the Clearing Member (determined in accordance with the Clearing Conditions), (iv) is denominated in the Clearing Currency (using the same currency exchange methods as applied by Eurex Clearing AG) and (v) shall be payable in accordance with Subpart A Number 7.3.3 Paragraph (1). The resulting difference claim is herein referred to as the "**Client Clearing Termination Claim**".~~

~~Subject to the requirements of the applicable laws, the forgoing must not apply to the occurrence of a close-out netting following a default by the ICM Client under the Client Clearing Agreement (however described in the Client Clearing Agreement).~~

~~(8) **No Security Interests over, no Assignment and set-off of Client Clearing Termination Claim:** The Client Clearing Termination Claim must at any time not be subject to any security interests or charges (other than pursuant to these Individual Clearing Model Provisions). An assignment of the Client Clearing Termination Claim (other than pursuant to these Individual Clearing Model Provisions) and a set-off with any other payment claims between the Clearing Member and the ICM Client (other than pursuant to these Individual Clearing Model Provisions) arising under any agreement, statutory provisions or otherwise must be prohibited (in the case of statutory provisions, to the extent possible under applicable law), provided that the ICM Client may assign or set-off its Client Clearing Termination Claim against the Clearing Member if and to the extent a Re-Establishment has not occurred pursuant to Subpart A Number 11.~~

~~2.1.3 If the ICM Client is a Relevant Fund or Relevant Fund Segment acting through an Authorised Manager, the Client Clearing Agreement must constitute a separate Client Clearing Agreement between the Clearing Member and each Relevant Fund or Relevant Fund Segment that meets the requirements of an Eligible Client Clearing Agreement. All rights and obligations between Eurex Clearing AG and the Clearing Member with respect to Covered Transactions corresponding to the Client Clearing Transactions between the~~

~~Clearing Member and each Relevant Fund or Relevant Fund Segment shall constitute a separate Standard Agreement.~~

~~2.2~~ ~~————~~ ~~Governing Documentation~~

~~Client Clearing Transactions will be governed solely by the Client Clearing Agreement and not by the ICM Clearing Agreement. The **Client Clearing Agreement** is not a Standard Agreement or Corresponding Standard Agreement for the purposes of the Clearing Conditions.~~

~~2.3~~ ~~————~~ ~~Interpretation~~

~~For the purposes of these ICM CCD Provisions, the term “**separate**” means with respect to a Client Clearing Agreement and the requirements under Number 2.1.2 that (i) an agreement, a transaction, a margin, a legal consequence, an amount, a right or claim expressly relates to or is expressly entered into, shall occur, is made or raised between the Clearing Member and the ICM Client by reference to the Clearing of Covered Transactions pursuant to these Individual Clearing Model Provisions and (ii) expressly excludes — and therefore any of the definitions used in this Subpart C will not comprise — any agreement, transaction, margin, legal consequence, amount, right or claim relating to, or entered into, occurred, caused, made or raised between the Clearing Member and the ICM Client with respect to any other cleared or non-cleared transactions between such parties of whatever nature.~~

~~2.4~~ ~~————~~ ~~Responsibility for Client Clearing Agreement~~

~~It is the responsibility of the Clearing Member and the ICM Client to ensure compliance of their Client Clearing Agreement with the requirements on an Eligible Client Clearing Agreement. Eurex Clearing AG will verify compliance with these requirements in its own interest and not on behalf or for the benefit of the Clearing Member or ICM Client and will not assume any corresponding liability.~~

~~2.5~~ ~~————~~ ~~Publication of Market Standard Client Clearing Agreements~~

~~Eurex Clearing AG will publish market standard templates of Eligible Client Clearing Agreements (each a “**Market Standard Client Clearing Agreement**”) on its website (www.eurexclearing.com).~~

~~3~~ ~~————~~ ~~Specific Obligations~~

~~3.1~~ ~~————~~ ~~Audit of Client Clearing Agreement~~

- ~~(1) Eurex Clearing AG may require the Clearing Member or the ICM Client to provide a copy of their Client Clearing Agreement in order to verify whether the requirements on an Eligible Client Clearing Agreement are met.~~
- ~~(2) If the respective Client Clearing Agreement is not a Market Standard Client Clearing Agreement, Eurex Clearing AG may request the Clearing Member to provide a legal opinion from a counsel of recognised standing regarding the fulfilment of the~~

~~requirements on an Eligible Client Clearing Agreement by the specific Client Clearing Agreement and on the validity of its provisions.~~

- ~~(3) Eurex Clearing AG is entitled to reasonably request an updated legal opinion pursuant to Paragraph (2), in particular in the case of a change in law or interpretation of applicable laws or within regular or customary periods of time.~~

~~3.2 Notifications by the Clearing Member or the ICM Client~~

~~The Clearing Member or the ICM Client is obliged to promptly notify Eurex Clearing AG if any of the following events occurs:~~

- ~~(1) non-compliance of the Client Clearing Agreement with the requirements on an Eligible Client Clearing Agreement pursuant to Number 2.1.2 following an amendment of its terms,~~
- ~~(2) a Client Clearing Transaction is no longer identical in its (economic) terms to the corresponding Covered Transaction, or~~
- ~~(3) it becomes aware of any material changes in law or legal interpretation of the opinions or of the reasoning given in the legal opinions pursuant to Number 3.1 Paragraphs (2) and (3).~~

~~3.3 Closing or Transfer of single Covered Transactions in the case of discrepancy~~

~~If (i) a Client Clearing Transaction has been terminated, closed or has become subject to an unwind by agreement between the Clearing Member and the ICM Client (other than by reason of a Default as defined under Subpart A Number 14.2) (ii) or a Client Clearing Transaction is no longer identical in its (economic) terms to the corresponding Covered Transaction, the Clearing Member shall instantly close or transfer and novate the corresponding Covered Transactions into a Transaction under the Clearing Agreement for the Elementary Clearing Model Provisions.~~

~~3.4 Right to Refuse Payment of the Difference Claim in the case of Non-Compliance~~

~~Eurex Clearing AG is entitled to refuse performance of the Difference Claim of the Clearing Member against Eurex Clearing AG pursuant to Subpart A Number 7.3.2 vis à vis the Clearing Member and the ICM Client and/or the Security Trustee, as applicable, as security taker as long as Eurex Clearing AG has not received from the relevant claiming party either a confirmation that the Client Clearing Agreement and the Client Clearing Termination Claim fulfils the respective requirements on an Eligible Client Clearing Agreement or any other evidence to the satisfaction of Eurex Clearing AG that it is entitled to claim performance from Eurex Clearing AG.~~

~~4 Client Clearing Agreement, Representations and Liability~~

- ~~4.1 Each of the Clearing Member and the ICM Client, severally but not jointly, represents and warrants by way of an independent guarantee and irrespective of fault (*selbständiges, verschuldensunabhängiges Garantieverprechen*) to Eurex Clearing AG that the Client~~

~~Clearing Agreement has been correctly described in the ICM Clearing Agreement for ICM-CCD and fulfils the requirements on an Eligible Client Clearing Agreement during the entire term of the ICM Clearing Agreement.~~

~~4.2 Each of the Clearing Member and the ICM Client undertakes individually and separately towards Eurex Clearing AG to indemnify Eurex Clearing AG against, and compensate Eurex Clearing AG for, any damages, losses, claims, taxes, costs, charges or fees, if any, that may have occurred as a result of a non-compliance of their Client Clearing Agreement with the requirements on an Eligible Client Clearing Agreement.~~

~~5 Conflicting Arrangements, Right to request amendment of Client Clearing Agreement~~

~~5.1 In case of any inconsistency between the provisions of the ICM Clearing Agreement for ICM-CCD and/or the Clearing Conditions and the provisions of the Client Clearing Agreement specified in the ICM Clearing Agreement for ICM-CCD (as amended), the following applies:~~

~~(1) the provisions of the ICM Clearing Agreement for ICM-CCD (including all specified provisions of the Clearing Conditions) will prevail;~~

~~(2) Subpart A and Subpart C of this Part 3 as a whole will prevail;~~

~~(3) to the extent that the ICM Clearing Agreement for ICM-CCD specifies that the ICM Client acts as DC Market Participant with respect to a Transaction Type, the obligations and rights of a DC Market Participant under the Clearing Conditions will prevail if and to the extent they relate to mandatory exchange rules or mandatory statutory provisions, and~~

~~(4) the product specific terms of the Clearing Conditions will prevail if and to the extent a mismatch exists between the terms of a Covered Transaction and the corresponding Client Clearing Transaction.~~

~~5.2 If the Client Clearing Agreement is in breach of the requirements on an Eligible Client Clearing Agreement, the provisions of Subpart B of this Part 3 shall prevail to the extent of any inconsistency between Subpart B and the Client Clearing Agreement.~~

~~5.3 Eurex Clearing AG shall have the right to request the Clearing Member and the ICM Client to amend the Client Clearing Agreement in order to ensure or restore compliance with the requirements on an Eligible Client Clearing Agreement.~~

1.2 Provision of Margin

- (1) In connection with GC Pooling Repo Transactions, the determination of the margin requirement (including the Additional Margin), with regard to the securities assigned within the scope of the Front Leg, also in case of cross-border collateral provision, shall be calculated directly by Xemac. During the calculation, Xemac shall, according to the provisions of the Special Conditions for Collateral Management ("**SC Xemac**"), consider the respective currency in which the underlying transaction has been concluded. Also, the securities admissible as securities serving as collateral in connection with the delivery of GC Pooling Repo Transactions shall be determined by Xemac on the basis of the Special Conditions for SC Xemac. Other than described in Sentence 1, Eurex Clearing AG may demand that, in excess of the margin requirement calculated by Xemac, Additional Margin has to be provided in accordance with the calculation method published pursuant to Chapter I Part 1 Number 3.1.8. The possibility of requiring additional Margin pursuant to Chapter I Part 1 Number 3.3 together with Chapter I Part 2 Subpart A Number 4.2 ~~or Chapter I Part 3 Subpart A Number 5.3~~ or additional Basic Clearing Member Margin in accordance with Chapter I Part 6 Number 7.3, in particular for collateralisation of exchange rate risks in case of foreign currency transactions, remains unaffected. With regard to securities which become own issues during the term of the Transaction, this provision applies also. The Clearing Members or Basic Clearing Members are obliged to refrain from provisioning of such own securities as collateral. For the provision respectively collection of Margin, the provisions of Chapter I Part 1 Number 3.2 together with Part 2 Subpart A Number 4, Subpart B Number 5 and Subpart C Number 6 ~~or Part 3 Subpart A Number 5 and Subpart B Number 4~~ or Part 4 Number 6 apply or in case of Basic Clearing Member Margin, Chapter I Part 6 Number 7 apply.

The provisions of Paragraph (1) Sentence 4 – 10 apply to Special and GC Repo accordingly. In the case securities collateral are qualified as own issues after the settlement of the Front Leg, Eurex Clearing may apply an adequate haircut to cover a higher liquidation risk for Eurex Clearing AG. No automatic substitution is processed.

In circumstances in which an FCM Clearing Member or an FCM Client of an FCM Clearing Member acts as the counterparty of an Original OTC Transaction, for purposes of this Chapter VIII, the term “Original OTC Transaction” means, when used in relation to such FCM Clearing Member, an Original Swap Transaction as defined in Chapter I Number 1.1.1 of the FCM Regulations, and a Swap Transaction (as defined in Chapter I Part 1 Number 6) means either an FCM Own Transaction or an FCM Client Transaction (as defined in Chapter I Number 1.3.2 Paragraph (2) of the FCM Regulations). Eurex Clearing AG relies on the accuracy of the data set out in the Trade Record, including, as the case may be, the Credit Limit Token and is neither able nor obliged to verify whether the Trade Record received properly reflects the terms of the Original OTC Transaction entered into by the relevant parties, nor whether the respective Clearing Member – as indicated in the Credit Limit Token submitted to Eurex Clearing AG via the ATS – has actually approved that it will act as a Clearing Member for the respective party with respect to such Original OTC Transaction and any novated CCP Transaction ~~and (where applicable) any CM-ICM Client Transaction~~ and clear such transactions.

- (d) Eurex Clearing AG will debit any (portion of the) relevant Prefunding Amount from the relevant Clearing Member Cash Account of the Prefunding Amount Payer in accordance with the daily cash clearing procedure pursuant to Chapter I Part 1 Number 1.4.1. The relevant Prefunding Amount shall be paid (and, as applicable, returned) by transferring to the transferee all rights, title and interest in and to the relevant cash, as the case may be, free and clear from any and all rights and claims of the transferring party and of any third person, including, without limitation, pursuant to applicable regulation or under any statutory or other trust. On the relevant Settlement Date, Eurex Clearing AG will transfer any relevant Prefunding Amount received as set out above to the relevant CLS Central Bank Account through the CLS CCP Service; the relevant

Prefunding Amount shall be applied in discharge of the relevant CM OTC Currency Transactions Payment Obligations on a pro-rata basis at the time Eurex Clearing AG has received all Debit Notifications in respect of all amounts owed by Eurex Clearing AG to the Recipient Clearing Members on that Settlement Date.

Any USD Prefunding Amount paid by the Clearing Member will be allocated on a pro rata basis to all Transaction Accounts Groups and ISA Transaction Accounts Groups (and the related Standard Agreements) between Eurex Clearing and the Clearing Member for which a net amount payable by the Clearing Member for purposes of determining their TAG CM USD Total Settlement Amount has been calculated and any GBP Prefunding Amount paid by the Clearing Member will be allocated on a pro rata basis to all Transaction Accounts Groups and ISA Transaction Accounts Groups (and the related Standard Agreements) between Eurex Clearing and the Clearing Member for which a net amount payable by the Clearing Member for purposes of determining their TAG CM GBP Total Settlement Amount has been calculated. Each such pro rata allocation will be made in the proportion of such USD Prefunding Amount or GBP Prefunding Amount to the relevant net amount in USD or GBP, respectively (each fraction resulting from such allocation to a particular Transaction Accounts Group or ISA Transaction Accounts Group and the related Standard Agreement per relevant currency, a "Prefunding Amount Proportion").

If the relevant CM OTC Currency Transactions Payment Obligations have decreased after a relevant Prefunding Amount has been paid, Eurex Clearing AG is not obliged to return the relevant portion of such Prefunding Amount, but will apply the relevant full Prefunding Amount against the relevant CM OTC Currency Transactions Payment Obligations on the relevant Settlement Date. If more than one Transaction Accounts Group or ISA Transaction Accounts Group exists between Eurex Clearing AG and the Clearing Member, such application will be made in the Prefunding Amount Proportion for the relevant currency. In case the relevant CM OTC Currency Transactions Payment Obligations have decreased below the relevant Prefunding Amount, Eurex Clearing AG will return the amount of the relevant Prefunding Amount which could not be applied against the relevant CM OTC Currency Transactions Payment Obligations on the relevant Settlement Date to the Prefunding Amount Payer. Such return shall be made – with respect to the relevant currency of the Currency Pairs – by payment through the CLS CCP Service directly to the relevant Currency Products Cash Account of the Prefunding Amount Payer.

Any Prefunding Amount ~~paid to Eurex Clearing AG which has been neither applied against the relevant CM OTC Currency Transactions Payment Obligations nor returned to the Prefunding Amount Payer pursuant to the above provisions,~~ shall ~~give rise to constitute~~ a Redelivery Claim of the relevant Clearing Member in the case of a Termination with respect to the relevant

Standard Agreement of the Clearing Member (allocated by applying the Prefunding Amount Proportion) provided that any such Redelivery Claim is reduced accordingly if and to the extent a Prefunding Amount is applied against the relevant CM OTC Currency Transactions Payment Obligations or returned to the Prefunding Amount Payer pursuant to the above provisions.

- (e) Chapter I Part 1 Numbers 3.4.4 and 3.4.5 shall apply *mutatis mutandis* to any Prefunding Amount actually credited to the relevant Eurex Clearing AG cash account as if it were Eligible Margin Assets in the form of cash delivered in respect of Margin. Notwithstanding the previous sentence, Chapter I Part 1 Numbers 3.4.4 and 3.4.5 may be applied separately with respect to Prefunding Amounts and independently from any exercise of Eurex Clearing AG's rights with respect to Eligible Margin Assets in the form of cash delivered in respect of Margin.

- (f) [...]

In such notice Eurex Clearing AG will inform the relevant Prefunding Amount Payer of the amount and time of the payment in one or more of the Relevant Currencies that shall be made by Eurex Clearing AG and specify a reasonable time for such corresponding repayment of the identical amount in the Relevant Currencies by the Prefunding Amount Payer to become due. The payment by Eurex Clearing AG will reduce the Prefunding Amount (taking into account the Prefunding Amount Proportion) paid by the Prefunding Amount Payer accordingly. Eurex Clearing AG may directly debit the relevant Clearing Member Cash Account for the repayment. The amount so repaid to Eurex Clearing shall constitute (or, as applicable, increase) a Prefunding Amount in the Relevant Currencies.

Eurex Clearing AG may distribute the payments and the demands for repayments across the relevant Prefunding Amount Payers in its reasonable discretion (*billiges Ermessen*), provided that the amount in a Relevant Currency to be so paid to and repaid by a Prefunding Amount Payer may not exceed the Prefunding Amount that has been paid to Eurex Clearing AG by such Prefunding Amount Payer in the respective Relevant Currency and has not been returned, repaid or applied. When exercising its discretion, Eurex Clearing AG may take into account, *inter alia*, the absolute amount of Prefunding Amounts in the Relevant Currency paid by each such Clearing Member ~~and~~ **Basic Clearing Member.**

The obligation of the Affected Payment Receiver to pay the Corresponding Pay-In Amount Clearing Member-Related ~~Investment~~ Loss pursuant to Chapter I Part 1 Number 3.4.6 Paragraph (v) shall be discharged by the reduction of the obligations of Eurex Clearing AG under the Deferred Payment pursuant to Paragraph (1) above.

made. As a result, new CCP Transactions will be created the aggregate nominal amount of which is equal to the nominal amount of the CCP Transaction that was split.

- (3) Any early termination pursuant to this Number 3.9 shall take effect when a respective OTC Trade Daily Summary Report is made available to the relevant Clearing Members via Eurex Clearing AG's system.
- (4) Without prejudice to the early termination provisions set out in this Number 3.9 and any termination rights a Clearing Member may have pursuant to Chapter I, Clearing Members have no right to exercise any early termination option under any CCP Transaction and no mandatory early termination shall apply to a CCP Transaction. This paragraph shall not restrict the parties to a CCP Transaction to agree on a bilateral basis that one party shall have a right to demand from the other party its consent to a termination of the CCP Transaction.
- (5) A CCP Transaction may only be early terminated (i) together with a CCP Transaction between Eurex Clearing AG and another Clearing Member and which has identical terms, (ii) against the payment of a cash settlement amount calculated by Eurex Clearing AG on the basis of the daily evaluation price (as set out in Number 3.1.6) and (iii) provided that:

An early termination pursuant to this Number 3.9 may also be effected with respect to part of a CCP Transaction.

- (6) To the extent the CCP Transactions that are subject to an early termination pursuant to this Number 3.9 are DC-Related Transactions or UDC-Related Transactions, it is

the responsibility of the relevant parties to agree on a bilateral basis that, as a result of such early termination, any CM-Customer Transaction shall be early terminated.

(7) For the avoidance of doubt, Eurex Clearing AG is not obliged to verify whether the termination instructions were given by the relevant Direct Client to the Clearing Member.

(8) A conversion or early termination pursuant to this Number 3.9 must not result in or contribute to a requirement of the Clearing Member to pay a Prefunding Amount in accordance with Part 3 Number 3.2.1 Paragraph (2) on the two Business Days for the relevant Currency Pair (as set out in Part 3 Number 3.1.5.1 Paragraph (4)) immediately following the date of the conversion or early termination – assuming, for the purposes of this Number 3.9 only, that Part 3 Number 3.2.1 Paragraph (2) applied and any of these two Business Days were a relevant Settlement Day for the purposes of determining a Prefunding Amount in accordance with Part 3 Number 3.2.1 Paragraph (2).

3.9.1 Conversion of DC-Related Transactions into Own Transactions

(1) A Clearing Member may convert a DC-Related Transaction into an Own Transaction of the Clearing Member. Such conversion may also be effected with respect to part of a DC With System Access/Other DC-Related Transaction. Chapter I Part 1 Number 11.3 shall apply *mutatis mutandis*.

A CCP Transaction constituting an Own Transaction, a DC-Related Transaction or a UDC-Related Transaction of the Clearing Member may only be terminated (i) together with a CCP Transaction between Eurex Clearing AG and another Clearing Member that was concluded as an Own Transaction, DC-Related Transaction or UDC-Related Transaction of such Clearing Member and which has identical terms, (ii) against the payment of a cash settlement amount calculated by Eurex Clearing AG on the basis of the daily evaluation price (as set out in Number 3.1.6) and (iii) provided that:

(a) Eurex Clearing AG and both Clearing Members have given their consent to such termination;

(b) both Clearing Members were a party to the Original OTC Transaction; and

(c) none of the two CCP Transactions created upon novation of the Original OTC Transaction was subject to (i) any netting or accumulation pursuant to Number 3.7 or (ii) a transfer or trade amendment pursuant to Number 3.8.

If both Clearing Members have given their consent to the termination request in accordance with Number 3.9.2 (a), they may cancel such a request as long as the risk check performed by Eurex Clearing AG has not yet been successfully completed.

A termination pursuant to this Number 3.9.2 may also be effected with respect to part of a CCP Transaction.

Any amounts payable under this Number 3.9.2 to or by Eurex Clearing AG shall be paid directly through the CLS CCP Service.

The following provisions apply in addition to or, as relevant, in deviation from the provisions on the porting of assets and positions upon the occurrence of a Termination in respect of the Clearing Member set out in the Elementary Clearing Model Provisions and the ISA Provisions:

If, with respect to an Omnibus Standard Agreement or ISA Standard Agreement (as applicable), Eurex Clearing AG has received (a) an ECM Porting Election Notice (that does not constitute a Termination Election) in accordance with the Elementary Clearing Model Provisions or (b) an ISA Porting Election Notice (that does not constitute a Termination Election) in accordance with the ISA Provisions, the following applies:

(1) On any Settlement Date that occurs with respect to such Standard Agreement during the ECM Porting Period or the ISA Porting Period, Eurex Clearing AG will make, on a best efforts basis, the relevant payments (in the relevant currency) that would (in the absence of the suspension of the Clearing of the OTC Currency Transactions allocated to such Standard Agreement) be payable by the Clearing Member through the CLS CCP Service in respect of such Standard Agreement directly (and on a net basis) to the relevant CLS Central Bank Account through the CLS CCP Service.

For such purpose Eurex Clearing AG may, in its discretion, (A) apply any Prefunding Amounts (in the Prefunding Amount Proportion applicable to such Standard Agreement), (B) use own funds, (C) exercise its options to enter into one or more FX Hedging Transactions (and in such case Number 3.4.3.1 shall apply *mutatis mutandis*) and/or (D) pay Alternative Currency Amounts (and in such case Number 3.4.3.2 shall apply *mutatis mutandis*). Eurex Clearing AG's rights pursuant to Number 3.4.3.3 shall remain unaffected.

(2) If Eurex Clearing AG has made a payment in accordance with Paragraph (1)(B) and/or Paragraph (1)(C) above on such Settlement Date, Eurex Clearing AG shall be entitled to receive such corresponding payments through the CLS CCP Service that would (in the absence of the suspension of the Clearing of the OTC Currency

Transactions allocated to such Standard Agreement) be received by the Clearing Member through the CLS CCP Service with respect to such Standard Agreement.

- (3) If the relevant payment received by Eurex Clearing AG through the CLS CCP Service in accordance with Paragraph (2) above (A) is lower than the corresponding amount paid by Eurex Clearing AG in accordance with Paragraph (1)(B) and/or Paragraph (1)(C) above (a "Pay-Out Shortfall") or (B) is denominated in a currency other than the currency of the payments made by Eurex Clearing AG in accordance with Paragraph (1)(B) and/or Paragraph (1)(C) above and, when converting the received amount into the currency of the corresponding paid amount, Eurex Clearing AG incurs any currency loss, an amount equal to each such Pay-Out Shortfall and each such currency loss shall be deemed to constitute an Unpaid Amount for purposes of the determination of the Difference Claim in respect of the Proprietary Standard Agreement between Eurex Clearing AG and the Affected Clearing Member.
- (4) If the applicable Porting Requirements are met within the time frames set out in Chapter I Part 2 or Part 4 (as relevant), Eurex Clearing AG will credit any Redelivery Claim with respect to a Prefunding Amount allocated to such Omnibus Standard Agreement or ISA Standard Agreement to the Replacement Clearing Member (and the corresponding Redelivery Claim shall also be transferred to the Replacement Clearing Member).

~~Eurex Clearing AG may charge a contractual penalty if, *inter alia*, an FX Hedge Counterparty fails to perform its payment obligations under the relevant FX Hedging Transaction under the relevant FX Swap Line Agreement (the "FX Swap Line Contractual Penalty") and such FX Swap Line Agreement has not been terminated or otherwise ceased to be legally valid against and binding on the FX Hedge Counterparty. The FX Swap Line Contractual Penalty applies regardless of any actual damages incurred by Eurex Clearing AG. The right of Eurex Clearing AG to claim further damages shall remain unaffected. The amount of the FX Swap Line Contractual Penalty— as determined by Eurex Clearing AG— is the equivalent in the relevant Clearing Currency of 40 basis points of the payment due under the relevant leg of the relevant FX Hedging Transaction, with a minimum of EUR 2,500.00, CHF 3,000.00 or GBP 2,000.00, as applicable, and a maximum of EUR 10,000,000.00, CHF 12,000,000.00 or GBP 8,000,000.00, as applicable. 1.1 The Clearing Member hereby appoints

~~_____~~ Eurex Clearing Security Trustee GmbH

~~_____~~ to hold and enforce certain security interests granted to it under this Part 2 as security trustee for the benefit of the Secured Parties in accordance with Part 1, 2 and 4 of this Agreement; Part 3 of this Agreement shall not apply to the Security Trustee and the Security Trustee shall not have any rights and obligations thereunder. ~~5.1.2 The Security Trustee shall hold the security interests in the Difference Claims and, in the case of Difference Claims assigned to the Security Trustee for security purposes hereunder, such Difference Claims, at all times separate and distinguishable from any other assets (including, without limitation, any security interests in Difference Claims of other Clearing Members) that the Security Trustee may have.~~

~~5.1.3 If, following the occurrence of a Termination Event with respect to the Clearing Member, the Security Trustee becomes aware that the security interests granted hereunder are at risk, the Security Trustee shall in its reasonable discretion take or cause to be taken all actions which in the opinion of the Security Trustee are necessary or desirable to preserve such security interests. The Clearing Member and Eurex Clearing AG will inform the Security Trustee without undue delay (*ohne schuldhaftes Zögern*) upon becoming aware that the security interests are at risk.~~

- ~~5.2.5 Reports, notices, documents and any other information received by the Security Trustee pursuant to the Clearing Conditions are for information purposes only and the Security Trustee is not required to take any action as a consequence thereof or in connection therewith, except if appropriate in order to perform the Security Trustee Services.~~
- ~~5.2.6 In connection with the performance of its obligations hereunder the Security Trustee may rely upon any document believed by it to be genuine and to have been signed or presented by the proper party or parties and, for the avoidance of doubt, the Security Trustee shall not be responsible for any loss, cost, damages or expenses that may result from such reliance. The Security Trustee may further rely on the calculation of any amounts (including, without limitation, any Difference Claim or Relevant Difference Claim) made by Eurex Clearing AG, the Clearing Member or the relevant ICM Client in accordance with the respective ICM Clearing Agreement.~~

~~5.3 Information by Eurex Clearing AG~~

~~Eurex Clearing AG shall provide the Security Trustee upon request with all such information available to Eurex Clearing AG (and which Eurex Clearing AG is permitted to provide in accordance with applicable law and agreements binding on it) that is necessary or expedient in order to enable the Security Trustee to perform the Security Trustee Services.~~

The claims of the Security Trustee against the Clearing Member pursuant to the preceding sentence that are outstanding from time to time are hereinafter collectively referred to as the “**Aggregate Security Trustee Claim**” and each such claim of the Security Trustee is hereinafter referred to as a “**Security Trustee Claim**”.~~

~~A “**Clearing Member Obligation**” means (i) any payment and delivery claim under all Relevant Transactions and all Relevant Redelivery Claims of an ICM Client against the Clearing Member, (ii) any Relevant Difference Claim of an ICM Client against the Clearing Member and (iii) any Shortfall Claim of an ICM Client against the Clearing Member.~~

~~7.2 The Aggregate Security Trustee Claim shall rank with the same priority as the Clearing Member Obligations.~~

~~7.3 The Aggregate Security Trustee Claim is separate and independent from any claims in respect of any Clearing Member Obligations, provided that:~~

~~7.3.1 the Aggregate Security Trustee Claim shall be reduced to the extent that any Clearing Member Obligations have been discharged (*erfüllt*);~~

~~7.3.2 — the Clearing Member Obligations shall be reduced to the extent that the Aggregate Security Trustee Claim has been discharged (*erfüllt*); if and to the extent that the discharge of the Aggregate Security Trustee Claim can be allocated to a Clearing Member Obligation arising under a particular Clearing Agreement, only such Clearing Member Obligation shall be reduced; otherwise all Clearing Member Obligations under all Clearing Agreements with the Secured Parties shall be reduced on a pro rata basis; and~~

~~8 — Pledges of Difference Claims~~

~~8.1 — Pledges~~

~~8.1.1 — The Clearing Member hereby pledges to the Security Trustee, in accordance with Section 1204 et seq. BGB all its present and future Difference Claims which it has or may have against Eurex Clearing AG in respect of any ICM Clearing Agreement that has been entered into or will be entered into by the Clearing Member with Eurex Clearing AG.~~

~~8.1.2 — The Security Trustee accepts such pledges.~~

~~8.2 — Notification of Pledges~~

~~— The Clearing Member hereby gives notice to Eurex Clearing AG of the pledges pursuant to Clause 8.1 of this Part 2 and Eurex Clearing AG hereby acknowledges such pledges. ~~9.1 — Assignments~~

~~9.1.1 — The Clearing Member hereby offers to assign to the Security Trustee for security purposes (*Sicherungsabtretung*) all its present and future Difference Claims which it has or may have against Eurex Clearing AG in respect of any ICM Clearing Agreement that has been entered into or will be entered into by the Clearing Member with Eurex Clearing AG, subject to Clause 9.1.3 of this Part 2.~~

~~9.1.2 — The Security Trustee hereby accepts such assignments.~~

~~9.1.3 — A Difference Claim which is subject to the assignment for security purposes will only be transferred to the Security Trustee immediately upon the pledge of such Difference Claim coming into existence in accordance with Clause 8.1 of this Part 2 and provided further that the assignment for security purposes of a Difference Claim is subject to the condition precedent (*aufschiebende Bedingung*) that a Termination with respect to the Clearing Member has occurred and the applicable Termination Event either (a) prevents the Aggregate Security Trustee Claim against the Clearing Member from becoming due (*fällig*) or (b) renders it temporarily legally impossible (*vorübergehend unmöglich*) for the Clearing Member to perform the Aggregate Security Trustee Claim.~~

~~9.1.4 — The Security Trustee hereby offers to re-assign, subject to Clause 9.1.6 of this Part 2, to the Clearing Member the Difference Claims assigned to it in accordance with Clause 9.1.1 of this Part 2.~~

~~9.1.5 — The Clearing Member accepts the reassignment pursuant to Clause 9.1.4 of this Part 2.~~

~~9.2 — Notification of Assignments~~

~~— The Clearing Member hereby notifies Eurex Clearing AG of the assignments pursuant to Clause 9.1 of this Part 2 and Eurex Clearing AG hereby confirms receipt of such notification.~~

~~10 — Unsuccessful Pledges or Assignments~~

~~10.1 — Should any pledge or assignment pursuant to Clause 8 (Pledges of Difference Claims) or Clause 9 of this Part 2 (Assignments of Difference Claims for Security Purposes) not be recognised under any relevant applicable jurisdiction, the Clearing Member will promptly (*unverzüglich*) upon becoming aware take all actions reasonable to perfect such pledge or assignment and will make all reasonable declarations in connection therewith and shall use reasonable endeavours to procure that, if necessary, the Secured Parties do likewise.~~

~~10.2 — The Clearing Member and the Security Trustee will take all such steps and comply with all such formalities as may be required or desirable to perfect or more fully evidence or secure the security interests granted to the Security Trustee hereunder.~~

~~10.3 — Insofar as additional declarations or actions are reasonable for the perfection of any security interest granted to the Security Trustee hereunder, the Clearing Member shall, and shall use reasonable endeavours to procure that the Secured Parties will, at the Security Trustee's request, make such declarations or undertake such actions which are required to perfect such security interest.~~

~~11 — Purpose of Security~~

~~— The security interests granted hereunder are granted to the Security Trustee only and for the purpose of securing the Aggregate Security Trustee Claim.~~

~~12 — Independent Security Interests~~

~~— Each security interest granted to the Security Trustee hereunder is independent of any other security or guarantee to, or for the benefit of, the Secured Parties or any of them that has been granted for the benefit of the Security Trustee and/or any Secured Party with respect to any obligations of the Clearing Member. No such other security or guarantee shall have any effect on the existence or substance of the security interests granted to the Security Trustee under or within this Agreement. This Agreement shall not apply to any such other security or guarantee not set out in this Agreement.~~

~~13 — Enforcement of Security Interests~~

~~13.1 — Enforceability~~

~~13.1.1 — The pledges granted to the Security Trustee in respect of any ICM Clearing Agreement hereunder shall in each case become enforceable (*Pfandreife*) if the relevant Security Trustee Claim in respect of the relevant ICM Clearing Agreement has become due (*fällig*) in whole or in part upon the occurrence of a Termination Date with respect to the Clearing Member:~~

- ~~(ii) at the Opening Time in respect of the relevant ICM Clearing Agreement, in case either (a) the Interim Participation Conditions or, as the case may be, (b) the Immediate Re-Establishment Conditions are satisfied by the Opening Time.~~

~~13.1.2 The assignments for security purposes granted to the Security Trustee in respect of any ICM Clearing Agreement hereunder shall in each case become enforceable upon the occurrence of a Termination Date with respect to the Clearing Member:~~

- ~~(ii) at the Opening Time in respect of the relevant ICM Clearing Agreement, in case either (a) the Interim Participation Conditions or, as the case may be, (b) the Immediate Re-Establishment Conditions are satisfied by the Opening Time.~~

~~Such enforcement does not require that the relevant Security Trustee Claim or the Aggregate Trustee Claim is due (*fällig*).~~

~~13.1.3 The Security Trustee hereby expressly agrees that its enforcement and collection right in respect of the pledge and assignment for security purposes of a Difference Claim against Eurex Clearing AG shall, if (i) the Interim Participation Conditions or the Immediate Re-Establishment Conditions, are satisfied in respect of an ICM Client and (ii) the pledged or assigned Difference Claim against Eurex Clearing AG relates to a Clearing Agreement to which such ICM Client is a party, be included in the automatic set-off provided for in Chapter I Part 3 Subpart A Number 11.3.4 Paragraph (3) or Chapter I Part 3 Subpart A Number 11.4.3 Paragraph (3) of the Clearing Conditions and be reduced or, as applicable, discharged accordingly.~~

13.2 — Notification of the Clearing Member and the Secured Parties

~~13.2.1 — Upon having become aware that a Termination Event or Termination Date (with respect to the Clearing Member), the end of the related Termination Date and/or the end of the related Last Valuation Date has occurred, both Eurex Clearing AG and the Clearing Member shall notify the Security Trustee hereof in writing without undue delay (*unverzüglich*). Eurex Clearing AG shall further notify the Security Trustee if it becomes aware of the determination and amount of any Difference Claim or Relevant Difference Claim of or against the Clearing Member resulting from the occurrence of any such event or date.~~

~~13.2.2 — The Security Trustee shall, without undue delay (*unverzüglich*) upon the earlier of having received such notice or otherwise having become aware of the occurrence of such Termination Date, (i) notify the then existing Secured Parties in writing (*Textform*) accordingly and (ii) if any security interest granted to the Security Trustee hereunder has become enforceable in accordance with Clause 13.1 of this Part 2 above, serve an enforcement notice on the Clearing Member with a copy to Eurex Clearing AG and each of the Secured Parties.~~

13.3 — Enforcement of the Security Interests

~~13.3.1 — Upon the delivery of the enforcement notice, the Security Trustee shall, subject to any restrictions applicable to enforcement proceedings initiated or to be initiated against the Clearing Member, enforce the security interests granted to the Security Trustee hereunder by collecting (*einziehen*) the relevant pledged or assigned claims and, in particular and with respect to the pledges granted to the Security Trustee hereunder, pursuant to Sections 1282 Paragraph 1, 1288 Paragraph 2 BGB.~~

~~13.3.2 — The Security Trustee hereby instructs Eurex Clearing AG to make payments, in respect of a collection pursuant to Clause 13.3.1 of this Part 2, directly to the relevant ICM Client that is a party to a ICM Clearing Agreement in respect of which the relevant Difference Claim arises. The Security Trustee may revoke such instruction by giving notice to Eurex Clearing AG at any time, in particular, if direct payments to the relevant ICM Client are not possible for any reason.~~

~~13.3.3 — The Clearing Member agrees that (i) in cases in which Section 1277 BGB applies, no prior obtaining of an enforceable court order (*vollstreckbarer Titel*) will be required and (ii) the Security Trustee is not required to issue any warning (*Androhung*) to the Clearing Member before enforcing any of the security interests granted to the Security Trustee hereunder.~~

~~13.3.4 — The Clearing Member waives any right it may have of first requiring the Security Trustee to proceed against or enforce any other rights or security or claim for payment from any person or entity before enforcing the security created by this Agreement.~~

~~13.4 — Discharge of Difference Claims by Delivery of Eligible Margin Assets~~

~~13.4.1 — The Security Trustee expressly agrees that the Difference Claims can be discharged by Eurex Clearing AG delivering Eligible Margin Assets in the form of Securities in accordance with the Individual Clearing Model Provisions and that, in the case of such delivery, the Security Trustee's right to collect the pledged or assigned claims will be discharged by the receipt of such Securities.~~

~~13.4.2 — The Security Trustee hereby instructs Eurex Clearing AG to deliver, in the case of a delivery in accordance with Clause 13.4.1 of this Part 2, the relevant securities directly to the relevant ICM Client that is a party to a ICM Clearing Agreement in respect of which the relevant Difference Claim arises. The Security Trustee may revoke such instruction by giving notice to Eurex Clearing AG at any time, in particular, if direct deliveries to the relevant ICM Client are not possible for any reason.~~

~~18~~ **Release of already existing Security Interests by ICM-Clients**

~~The Clearing Member shall procure that each entity that already is an ICM-Client of the Clearing Member at the date of this Agreement will release any pledge granted to it by the Clearing Member pursuant to Subpart A of the Individual Clearing Model Provisions, and re-assign any Difference Claim assigned to it by the Clearing Member for security purposes pursuant to Subpart A of the Individual Clearing Model Provisions, as soon as possible. ~~2.6 — The pledges in respect of any ICM Clearing Agreement for ICM ECD or any Client Clearing Agreement with any ICM client will in each case become enforceable (*Pfandreife*) upon the occurrence of a Termination Date with respect to the Clearing Member:~~

~~The enforcement of the pledges is subject to Clauses 2.8 and 2.9 of this Part 3.~~

~~2.7 Waiver~~

~~2.7.1 The Clearing Member expressly waives its defence pursuant to Sections 1211, 770 Paragraph 1 German Civil Code (*Bürgerliches Gesetzbuch* – “BGB”) that any of Eurex Clearing AG’s Secured Claims against the Clearing Member may be avoided (*Anfechtung*).~~

~~2.7.2 The Clearing Member expressly waives its defence pursuant to Section 1211, 770 Paragraph 2 BGB that Eurex Clearing AG may satisfy or discharge any of Eurex Clearing AG’s Secured Claims against the Clearing Member by way of set-off (*Aufrechnung*).~~

~~2.7.3 To the extent legally possible, the Clearing Member expressly waives its defences pursuant to Section 1211 Paragraph 1 Sentence 1 Alternative 1 BGB that the principal debtor of any of Eurex Clearing AG’s Secured Claims against the Clearing Member has a defence against any of Eurex Clearing AG’s Secured Claims (*Einreden des Hauptschuldners*).~~

~~2.8 Unless the Interim Participation pursuant to and in accordance with Chapter I Part 3 Subpart A Number 11 of the Clearing Conditions becomes effective, Eurex Clearing AG shall enforce its pledges pursuant to Clause 2.1 of this Part 3 against the ICM Client only after the full realisation of all Contributions of all Clearing Members to the Default Fund in accordance with the order of priority set out in Number 6.2 of the General Clearing Provisions.~~

~~2.9 The enforcement proceeds resulting from the collection of a Relevant Difference Claim of the Clearing Member against a particular ICM Client shall solely be applied to the discharge of those of Eurex Clearing AG’s Secured Claims that arise (i) if ICM-ECD is applicable with respect to such ICM Client, under the same ICM Clearing Agreement for ICM-ECD between Eurex Clearing AG, the Clearing Member and such ICM Client or (ii) if~~

~~ICM-CCD is applicable with respect to such ICM-Client, in respect of the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member pursuant to ICM-CCD that relates to such ICM-Client.~~

~~3.2 Eurex Clearing AG accepts the assignment pursuant to Clause 3.1 of this Part 3.~~

~~3.3 Each Relevant Difference Claim which is subject to the assignment for security purposes will be transferred to Eurex Clearing AG immediately (and without any further actions being required on the part of the Clearing Member) upon the pledge over such Relevant Difference Claim coming into existence in accordance with Clause 2.1 of this Part 3, provided that the assignment for security purposes is subject to the condition precedent (*aufschiebende Bedingung*) that a Termination has occurred with respect to the Clearing Member and the applicable Termination Event either (a) prevents Eurex Clearing AG's Difference Claim(s) against the Clearing Member from becoming due (*fällig*) or (b) renders it temporarily legally impossible (*vorübergehend unmöglich*) for the Clearing Member to perform Eurex Clearing AG's Difference Claim(s).~~

~~3.4 Upon the occurrence of a Termination Date with respect to the Clearing Member, the ICM Client shall not be entitled to make any payment on the Relevant Difference Claims towards the Clearing Member unless Eurex Clearing AG has explicitly confirmed that Eurex Clearing AG's Secured Claims against the Clearing Member have been fully satisfied and no further security purpose exists.~~

~~3.5 Subject to the occurrence of the events specified in Clause 3.7 of this Part 3, Eurex Clearing AG hereby re-assigns to the Clearing Member the Relevant Difference Claims assigned to it in accordance with this Clause 3 of this Part 3. ~~3.6 The Clearing Member accepts the reassignment pursuant to Clause 3.5 of this Part 3.~~

~~3.7 The re-assigned Relevant Difference Claims will be transferred to the Clearing Member upon Eurex Clearing AG's Difference Claims against the Clearing Member subsequently becoming due (*fällig*) and, if applicable, no longer being temporarily legally impossible (*vorübergehend unmöglich*) to perform and without any further actions being required on the part of Eurex Clearing AG.~~

- ~~3.8 The Clearing Member shall notify each ICM Client of the assignments pursuant to this Clause 3 of this Part 3 and shall procure that such ICM Client will confirm the receipt of such notification.~~
- ~~3.9 The assignments pursuant to this Clause 3 of this Part 3 shall in no way affect the pledges described in Clause 2.1 of this Part 3 or the assigned claims as such.~~
- ~~3.10 Eurex Clearing AG may in each case enforce the assigned claims in respect of any ICM Clearing Agreement for ICM-ECD or any Client Clearing Agreement with any ICM Client upon the occurrence of a Termination Date with respect to the Clearing Member:~~
- ~~(i) at the end of the Last Valuation Date in respect of the relevant ICM Clearing Agreement for ICM-ECD or the relevant Client Clearing Agreement, in each of the following cases: (a) no IP Election or Immediate Re-Establishment Election is made by the Re-Establishment Cut Off Time, (b) an IP Election is made by the Re-Establishment Cut Off Time but the Interim Participation Conditions are not satisfied by 13:00 hours (Frankfurt am Main time) on the Business Day following the Termination Date, or (c) an Immediate Re-Establishment Election is made by the Re-Establishment Cut-Off Time but the Immediate Re-Establishment Conditions are not satisfied by 13:00 hours (Frankfurt am Main time) on the Business Day following the Termination Date; or~~
 - ~~(ii) at the Opening Time in respect of the relevant ICM Clearing Agreement for ICM-ECD or the relevant Client Clearing Agreement, in case either (a) the Interim Participation Conditions or, as the case may be, (b) the Immediate Re-Establishment Conditions are satisfied by the Opening Time.~~
- ~~Any enforcement of the assigned claims does not require that Eurex Clearing AG's Secured Claims are due and payable.~~
- ~~3.11 The enforcement proceeds resulting from the collection of a Relevant Difference Claim of the Clearing Member against a particular ICM Client shall solely be applied to the discharge of those of Eurex Clearing AG's Secured Claims that arise (i) if ICM-ECD is applicable with respect to such ICM Client, under the same ICM Clearing Agreement for ICM-ECD between Eurex Clearing AG, the Clearing Member and such ICM Client or (ii) if ICM-CCD is applicable with respect to such ICM Client, in respect of the relevant Standard Agreement between Eurex Clearing AG and the Clearing Member pursuant to ICM-CCD that relates to such ICM Client.~~
