RE: CFTC Regulation 40.6(a) Certification. Revisions to NYMEX Chapter 5 Position Limit Table.

NYMEX Submission No. 14-257

Dear Ms. Jurgens:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying a series of revisions to the Position Limit, Position Accountability and Reportable Level Table (the "Table") located in the Interpretations & Special Notices Section of Chapter 5 of the NYMEX Rulebook impacting thirty-four (34) existing power, natural gas, crude oil and refined products. The amendments will be effective on Monday, August 25, 2014.

The revisions are intended to correct certain terms and conditions in the table such that the amended terms and conditions are in line with the actual terms and conditions of the contracts. The revisions are administrative, non-substantive changes that are programmed correctly in the system but inadvertently missing and/or not appropriately reflected in the Table.

Crude Oil and Refined Products:

- Addition of an indication that certain products have diminishing balances which was inadvertently omitted from the Table.
- Correction of typographical error in reflecting the conversion factor from gallon to metric ton.
- Correction of typographical error contained in the spot month limit in contract units (the spot month limit in futures equivalents is correctly displayed).

Natural Gas:

- Correction to aggregations and associated spot limit, single and all month aggregation levels to reflect the increase in limits for those regions pursuant to NYMEX Submission No. 14-144.
- Correction to option aggregation and associated spot limit, single and all month aggregation levels.
- Correction to single and all month accountability levels for certain contracts.

Power:

Correction to aggregations and associated spot limit, single and all month aggregation levels.

The revisions are set forth in Exhibit A (attached under separate cover), with additions <u>underscored</u> and deletions <u>everstruck</u>.

The Market Regulation Department and the Legal Department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act"). During the review, we have identified that the administrative revisions to the Table located in the

Interpretations & Special Notices Section of Chapter 5 of the NYMEX Rulebook, may have some bearing on the following Core Principle:

<u>Availability of General Information</u>: The corrected terms and conditions will be avalaible on the NYMEX website in Chapter 5 of the NYMEX rulebook.

NYMEX certifies that the revisions and the administrative amendments to the Interpretations & Special Notices Relating to Chapter 5 of the NYMEX Rulebook comply with the Act and regulations thereunder. There were no opposing views to the revisions or the administrative amendments to the Interpretations & Special Notices Relating to Chapter 5.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at http://www.cmegroup.com/market-regulation/rule-filings.html.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at Christopher.Bowen@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
