**Subject: Weekly Notification of addition of an indirect trading venue to SwapClear**

Dear Mr Kirkpatrick

Please accept this notification, pursuant to CFTC regulations §40.6(d), of the addition of a new indirect trading venue for LCH Ltd's ("LCH") SwapClear service.

Nasdaq Stockholm AB is an MTF execution venue that is looking to onboard to SwapClear to send trades via an indirect connection i.e., via the MarkitWire affirmation platform. Nasdaq is an MTF execution venue that supports dealer to dealer execution, and they are planning to support SEK products, primarily IRS and FRA, out to the maximum maturity offered by SwapClear.

The go-live date is scheduled for 9th February 2024. The trading venue will be added to the SwapClear list of trading venues (which is publicly available on LCH's website [here](#)).

No changes to the LCH Rulebook are required.
