LCH Limited (“LCH”) self-certification: changes to the LCH rulebook regarding actions available to a SwapClear Clearing Member after the early termination of one or more transaction(s) between it and its SwapClear Clearing Client

Dear Mr. Kirkpatrick,

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation §40.6(a), LCH, a derivatives clearing organization registered with the CFTC, is submitting for self-certification changes to its rulebook to expand the possible actions available to a SwapClear Clearing Member after the early termination of one or more transaction(s) between such SwapClear Clearing Member and its SwapClear Clearing Client.

Part I: Explanation and analysis

LCH is proposing to amend section 1.13 of Procedure 2C such that, if an early termination date occurs in respect of one or more transaction(s) between a SwapClear Clearing Member and its SwapClear Clearing Client in respect of which such SwapClear Clearing Member is a party to Related SwapClear Contracts, then it may undertake any of the following actions, subject to the satisfaction of the conditions and requirements, and with the representations, specified under section 1.13 of Procedure 2C:

- present a SwapClear Transaction to LCH for registration of one of the resulting SwapClear Contracts in the SwapClear Clearing Member’s Client Account relating to such SwapClear Clearing Client (such SwapClear Contract, a “New Contract”);
- instruct LCH to transfer the relevant Related SwapClear Contracts and/or New Contracts from its Client Account to its Proprietary Account or the Proprietary Account of another SwapClear Clearing Member or FCM Clearing Member; and/or
- instruct LCH to transfer a SwapClear Contract from its Proprietary Account or the Proprietary Account of another SwapClear Clearing Member or FCM Clearing Member to its Client Account relating to such SwapClear Client.

This compares with the original position under section 1.13 of Procedure 2C, where, if an early termination date occurs in respect of one or more transaction(s) between a SwapClear Clearing Member and its SwapClear Clearing Client in respect of which such SwapClear Clearing Member is a party to Related SwapClear Contracts, then it may **only** instruct LCH to

transfer the relevant Related SwapClear Contracts from its Client Account to its Proprietary Account.

These changes provide greater choice for a SwapClear Clearing Member and ensure closer alignment of such rules with the LCH rules applicable to a FCM Clearing Member providing FCM SwapClear Clearing Services to its FCM Clients.

Part II: Description of the rule changes

Please see Part I above for a description of the LCH rule changes. These rule changes are included as **Appendix I** in black line form and will be effective not earlier than 21st March 2024.

Part III: Core Principle Compliance

LCH reviewed the proposed rule changes against the requirements of the Core Principles and finds it will continue to comply with all the requirements and standards set forth therein. Specifically, this rule change has potential relevance to Core Principle D (Risk Management).

The changes described in this filing ensure that LCH continues to meet the objectives of Core Principle D. The changes do not impact LCH's approach to risk management and the way that it manages risks associated with discharging its obligations as a Derivatives Clearing Organisation. Likewise, the rule changes do not affect the way that LCH manages the exposures from clearing member house or customer positions, nor LCH's management of customer funds. The rule changes provide SwapClear Clearing Members with greater flexibility in terms of requests for transfer of Related SwapClear Contracts, New Contracts and other SwapClear Contracts, and registering SwapClear Contracts into its Client Account, after the occurrence of an early termination date in respect of one or more transaction(s) between it and its SwapClear Clearing Client, which aims to help the SwapClear Clearing Member with effective management of a client default scenario.

Part IV: Public Information

LCH has posted a notice of pending certification with the CFTC and a copy of the submission on LCH's website at: <https://www.lch.com/resources/rulebooks/proposed-rule-changes>.

Part V: Opposing Views

There were no opposing views expressed to LCH by governing board or committee members, members of LCH or market participants.

Certification

LCH hereby certifies to the CFTC, pursuant to the procedures set forth in CFTC Regulation §40.6, that the attached submission complies with the Commodity Exchange Act, as amended, and the regulations promulgated thereunder.

Notwithstanding the foregoing, in the event the interest rate source used for the calculation of PAI or Price Alignment Amount for USD, EUR, GBP, JPY or CHF (i) is unavailable (including where such rate ceases, or will cease, to be provided by its administrators), (ii) is not sufficiently robust, (iii) is not fit for purpose or (iv) has materially changed, in each case as determined in the Clearing House's sole discretion, the Clearing House may use an alternative interest rate without the consent of such SwapClear Clearing Members.
