Subject: Weekly Notification of addition of a new SwapClear trading venue - TradeAgent

Dear Mr Kirkpatrick

Please accept this notification, pursuant to CFTC regulations §40.6(d), of the addition of a new trading venue for LCH Ltd's ("LCH") SwapClear service.

TradeAgent is a LSEG middleware provider/affirmation platform which is connecting to LCH SwapClear directly as an Approved Trade Source System (ATSS) for the purpose of trade clearing. TradeAgent will be supporting all currencies and products that LCH SwapClear offers for clearing, all out to the maximum maturity. Users of TradeAgent will be existing SwapClear members and clients, with additional volumes to SwapClear expected to be incremental and non-material.

The go-live date is scheduled for 28th March 2024. The trading venue will be added to the SwapClear list of trading venues (which is publicly available on LCH's website [here](#)).

No changes to the LCH Rulebook are required.

Should you have any questions regarding this submission please contact me at lavannyan.mahalingam@lseg.com.

Yours sincerely

Lavannyan Mahalingam
