Re: CFTC Regulation 40.6(a) Certification. Expansion of the Listing Schedule of the Platinum and Palladium Futures Option Contracts / Expansion of TAS Eligibility on and Implementation of TAS Spread Eligibility of the Palladium Futures Contract. NYMEX Submission No. 23-208 (2 of 2)

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is certifying to the Commodity Futures Trading Commission (“CFTC” or “Commission”) effective Sunday, July 16, 2023 for trade date Monday, July 17, 2023, the Exchange will:

1. Expand the listing schedule of the Platinum and Palladium Futures and Option contracts (the “Contracts”) for trading on the CME Globex electronic trading platform (“CME Globex”) and for submission for clearing on CME ClearPort as noted in Table 1. below;
2. Amend the Trading at Settlement (“TAS”) and Trading at Marker table located in NYMEX Chapter 5 (“Trading Qualifications and Practices”) (the “Table”) to expand eligibility for the Palladium Futures contract as also noted in Table 1. below; and
3. Further amend the Table to enable TAS spread eligibility of the Palladium Futures contract for all TAS eligible contract months (collectively, the “Rule Amendments”).

Table 1.

Contract Title	CME Globex and CME ClearPort Codes	Rulebook Chapter	Current Listing Schedule	Expanded Listing Schedule
Platinum Futures	PL	105	Monthly contracts listed for 3 consecutive months and any Jan, Apr, Jul, Oct in the nearest 15 months	Monthly contracts listed for 3 consecutive months and any Jan, Apr, Jul, Oct in the nearest 36 months

Platinum Option	PO	360	Monthly contracts listed for 3 consecutive months and any Jan, Apr, Jul, Oct in the nearest 3 months	Monthly contracts listed for 3 consecutive months and any Jan, Apr, Jul, Oct in the nearest 36 months
Palladium Futures	PA TAS Code: PAT*	105	Monthly contracts listed for 3 consecutive months and any Mar, Jun, Sep, Dec listed for 15 months	Monthly contracts listed for 3 consecutive months and any Mar, Jun, Sep, Dec in the nearest 36 months
Palladium Option	PAO	119	Monthly contracts listed for 3 consecutive months and the next 3 contracts in the Mar, Jul, Sep, Dec cycle	Monthly contracts listed for 3 consecutive months and any Mar, Jun, Sep, Dec in the nearest 36 months

*TAS eligibility expanded from first active month to first and second active month (March, June, September, December)

The Exchange conducted an analysis of liquidity of the affected contract month and determined that the expansion of TAS eligibility for the Palladium Futures contract is appropriate at this time.

Amendments to the Table are provided as Exhibit A in blackline format.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the Rule Amendments may have some bearing on the following Core Principles:

- **Availability of General Information:** NYMEX will issue a Special Executive Report (“SER”) to the marketplace regarding these amendments. The SER will also be posted on the CME Group website.
- **Contracts Not Readily Subject to Manipulation:** A review of the Palladium Futures contract shows that there is sufficient liquidity on CME Globex to support pricing at TAS. The Exchange continues to believe that the contract is not subject to manipulation.
- **Daily Publication of Trading Information:** NYMEX will continue to comply with this Core Principle by making public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contracts which will be published daily on the Exchange’s website.
- **Compliance with Rules:** The Exchange shall continue its normal practice to establish, monitor, and enforce compliance with the rules of the Contracts, including the expansion of the listing schedules of the Contracts.
- **Execution of Transactions:** The Exchange will continue its current practice of providing a competitive, open, and efficient market mechanism for executing transactions in the Contracts.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to the proposal.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
