The proposed Program will become effective on August 1, 2023.

Exhibit 1 sets forth the terms of this Program.

The Exchange's market regulation staff monitors trading in the Program's products to prevent manipulative trading and market abuse. The products included in this Program is listed for trading in the open and competitive market. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange's order execution. Participants in the Program will be selected by NYMEX staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair, or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

NYMEX certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.
