**RE: Implementation of the Russell Volume Incentive Program
CME Submission No. 23-361**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to implement the Russell Volume Incentive Program ("Program"). The proposed Program will become effective on September 1, 2023

Exhibit 1 sets forth the terms of this Program.

CME reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange will monitor trading in the Program's product to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The product included in this Program is listed for trading in the open and competitive market. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair, or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to applicable regulations and Exchange rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com. Please reference our CME Submission No. 23-361 in any related correspondence.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel

Attachment: Exhibit 1

EXHIBIT 1

Russell Volume Incentive Program

Program Purpose

The purpose of the Program is to incentivize higher levels of volume contribution in the products listed below. Higher levels of volume and liquidity in the products benefits all participants in the marketplace.

Product Scope

E-mini Russell 2000 Index Futures (“RTY”), E-mini Russell 2000 Growth Index Futures (“R2G”), E-mini Russell 2000 Value Index Futures (“R2V”), E-mini Russell 1000 Index Futures (“RS1”), E-mini Russell 1000 Growth Index Futures (“RSG”), E-mini Russell 1000 Value Index Futures (“RSV”), and Micro E-mini Russell 2000 Index Futures (“M2K”) that are traded on the CME Globex Platform (“Products”).

Eligible Participants

There is no limit to the number of participants that may participate in the Program. The Program is open to CME members and non-members. Participants must have had an average daily volume (“ADV”) greater than 1,000 sides in the Products from January 1, 2023 through June 30, 2023.

Program Term

Start date is September 1, 2023. End date is April 30, 2024.

Hours

N/A

Obligations

In order to be eligible to receive the incentives, participants must meet predetermined volume thresholds in the Products.

Incentives

Upon meeting all obligations, as determined by the Exchange, participants will receive predetermined incentives.

Monitoring and Termination of Status

The Exchange shall monitor trading activity and participants’ performance and shall retain the right to revoke participant status if it concludes from review that a participant no longer meets the requirements of the Program.
