Re: Cboe Futures Exchange, LLC Rule Certification
Submission Number CFE-2023-014

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (“Act”), and Regulation 40.6(a) of the regulations promulgated by the Commodity Futures Trading Commission (“CFTC” or “Commission”) under the Act, Cboe Futures Exchange, LLC (“CFE” or “Exchange”) hereby notifies the Commission of the delisting of certain Cboe One-Month AMERIBOR (“AMB1”), Cboe AMERIBOR Term-30 (“AMT1”), and Cboe AMERIBOR Term-90 (“AMT3”) futures contract expirations that have no open interest (“Delisting”).

Specifically, effective as of the close of business on August 25, 2023, the following AMB1, AMT1, and AMT3 futures contract expirations with no open interest will be delisted from trading on CFE:

- AMB1/N4 futures contract expiring on August 1, 2024;
- AMT1/Q4 futures contract expiring on August 19, 2024;
- AMT1/U4 futures contract expiring on September 16, 2024;
- AMT1/V4 futures contract expiring on October 15, 2024;
- AMT1/X4 futures contract expiring on November 18, 2024;
- AMT1/Z4 futures contract expiring on December 16, 2024;
- AMT1/F5 futures contract expiring on January 13, 2025;
- AMT1/G5 futures contract expiring on February 18, 2025;
- AMT1/H5 futures contract expiring on March 17, 2025;
- AMT1/J5 futures contract expiring on April 14, 2025;
- AMT1/K5 futures contract expiring on May 19, 2025;
- AMT1/M5 futures contract expiring on June 16, 2025;
- AMT1/N5 futures contract expiring on July 14, 2025;
- AMT1/Q5 futures contract expiring on August 18, 2025;
- AMT3/U4 futures contract expiring September 16, 2024;
- AMT3/Z4 futures contract expiring December 16, 2024;
- AMT3/H5 futures contract expiring March 17, 2025; and
- AMT3/M5 futures contract expiring June 16, 2025.

Other AMB1, AMT1, and AMT3 futures contract expirations currently listed for trading

on CFE remain listed for trading.

CFE believes that the Delisting is consistent with Designated Contract Market Core Principle 7 (Availability of General Information) under Section 5 of the Act because CFE will update the list of instruments currently listed for trading on CFE that CFE makes available through CFE's daily futures instrument file, CFE market data, and the CFE website to no longer include the above-referenced AMB1, AMT1, and AMT3 futures contracts as instruments currently listed for trading on CFE.

CFE believes that the impact of the Delisting will be beneficial to the public and market participants. CFE is not aware of any substantive opposing views to the Delisting. CFE hereby certifies that the Delisting complies with the Act and the regulations thereunder. CFE further certifies that it has posted a notice of pending certification with the Commission and a copy of this submission on CFE's website (http://www.cboe.com/us/futures/regulation/rule_filings/cfe/) concurrent with the filing of this submission with the Commission.

Questions regarding this submission may be directed to Arthur Reinstein at (312) 786-7570 or Shane Wilkerson at (484) 798-9350. Please reference our submission number CFE-2023-014 in any related correspondence.
