**VIA ELECTRONIC PORTAL**

Mr. Christopher J. Kirkpatrick  
Office of the Secretariat  
Commodity Futures Trading Commission  
Three Lafayette Centre  
1155 21st Street, N.W.  
Washington, DC 20581

**Re: CFTC Regulation 40.6(a) Certification. Expansion of Trading at Settlement (TAS) Eligibility for the KC HRW Wheat, Soybean, Soybean Meal, and Soybean Oil Futures Contracts.  
CBOT Submission 23-327**

Dear Mr. Kirkpatrick:

The Board of Trade of the City of Chicago, Inc. (“CBOT”) is certifying to the Commodity Futures Trading Commission (“CFTC” or “Commission”) amendments to the Trading at Settlement (“TAS”) Table (the “Table”) located in Chapter 5 (“Trading Qualifications and Practices”) to expand TAS eligibility for the agricultural futures contracts noted below (the “Contracts”) for trading on CME Globex electronic trading platform and for submission for clearing via CME ClearPort effective on Sunday, October 1, 2023, for trade date Monday, October 2, 2023. In addition, spread functionality will be permitted for all combinations of TAS eligible contract months of the Contracts (collectively, the “Rule Amendments”).

Contract Title	Rulebook Chapter	CME Globex/ CME ClearPort Code	TAS Code
KC HRW Wheat Futures	14H	KE/KW	ZCT
Soybean Futures	11	ZS/S	SBT
Soybean Meal Futures	13	ZL/06	ZMT
Soybean Oil Futures	12	ZL/07	ZLT

The Rule Amendments to the Table are provided in Exhibit A attached with additions **underscored**.

The Exchange conducted an analysis of liquidity of the affected contract month and determined that the expansion of TAS eligibility for the Contracts is appropriate at this time. Additional information regarding TAS transactions may be viewed [HERE](#).

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the Rule Amendments may have some bearing on the following core principles:

- **Availability of General Information:** The Exchange shall publish information regarding the Rule Amendments via a Special Executive Report (“SER”) to notify the marketplace. The SER will also be posted on the CME Group website.

- **Contracts Not Readily Subject to Manipulation:** A review of the Contracts shows that there is sufficient liquidity on CME Globex to support expanded TAS eligibility of the Contracts TAS. The Exchange continues to be belief that the Contracts are not subject to manipulation.
- **Daily Publication of Trading Information:** The Exchange shall make public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contract.
- **Compliance with Rules:** The Exchange shall continue its normal practice to establish, monitor and enforce compliance with the rules of the Contracts including the Rule Amendments.
- **Execution of Transactions:** The Exchange will continue its current practice of providing a competitive, open, and efficient market mechanism for executing transactions in the Contracts.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange certifies that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to the Rule Amendments.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at [CMEGSubmissionInquiry@cmegroup.com](mailto:CMEGSubmissionInquiry@cmegroup.com).

Sincerely,

/s/ Christopher Bowen  
Managing Director and Chief Regulatory Counsel
