**Re: Amendments to Rules 4.08 and 6.50
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6(a)**

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (the "Act"), and Commodity Futures Trading Commission ("Commission") Regulation 40.6(a), ICE Futures U.S., Inc. ("IFUS" or "Exchange") hereby certifies the amendments to Rules 4.08 and 6.50 set forth in Exhibit A. The amendments expressly require markets participants with Direct Access to the electronic trading system ("ETS") to execute the agreements required by the Exchange or its affiliates relating to such access and the Exchange trade data which flows through such access.¹ The amendments to Rules 4.08 and 6.50 codify the existing practices and make no changes to the substance of either Rule.

The Exchange certifies that the amendments, which will become effective on September 20, 2023, comply with the requirements of the Act and the CFTC Regulations promulgated thereunder. The Exchange has reviewed the designated contract market core principles ("Core Principles") as set forth in the Act and has determined that the amendments comply with the following relevant Core Principles:

COMPLIANCE WITH RULES

The amendments will be enforced by the Exchange in accordance with Core Principle 2.

AVAILABILITY OF INFORMATION

As required by Core Principle 7, the text of the amended Rules will be codified in the Exchange's Rulebook and made available on the Exchange's Website.

The Exchange is not aware of any opposing views with regard to the amendments and further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website at <https://www.theice.com/futures-us/regulation#rule-filings>

¹ The ETS utilized by ICE Futures U.S. is operated by the Exchange's parent entity. In addition, Exchange trade data on the ETS is distributed by a corporate affiliate. Accordingly, participants are required to enter into agreements with these affiliates regarding such services prior to being granted Direct Access to ICE Futures U.S.' markets.
