**RE: Implementation of the NYMEX Micro Natural Gas Futures Liquidity Provider Program
NYMEX Submission No. 23-419**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to implement the NYMEX Micro Natural Gas Futures Liquidity Provider Program ("Program"). The Program will become effective on November 6, 2023.

Exhibit 1 sets forth the terms of the Program.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, NYMEX staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The products included in this Program are listed for trading in the open and competitive market. Participants in the Program will be selected by NYMEX staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

NYMEX certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com. Please reference our NYMEX Submission No. 23-419 in any related correspondence.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel

Attachment: Exhibit 1

EXHIBIT 1

NYMEX Micro Natural Gas Futures Liquidity Provider Program

Program Purpose

The purpose of this Program is to support the launch and development of the product listed below. A more liquid contract on the central limit order book benefits all participants in the market.

Product Scope

Micro Henry Hub Natural Gas Futures (“MNG”) that are traded on the CME Globex Platform (“Product”).

Eligible Participants

There is no limit to the number of participants that may participate in the Program. Participants may be NYMEX members or non-members.

Program Term

Start date is November 6, 2023. End date is July 31, 2024.

Hours

7:00AM CT – 1:30PM CT and 5:00PM CT – 7:00AM CT.

Obligations

Participants must quote two-sided markets in the Product, at predetermined average bid/ask spreads and minimum quote sizes during a certain percentage of time-in-market in order to be eligible to receive the incentives.

Incentives

Upon meeting all obligations, as determined by the Exchange, participants will receive predetermined incentives.

Monitoring and Termination of Status

The Exchange shall monitor trading activity and participants’ performance and shall retain the right to revoke participant status if it concludes from review that a participant has failed to meet the requirements of the Program.
