Exchange management has assessed the amendments to Appendix A and Appendix C, and their compliance with applicable provisions of the Commodity Exchange Act (“Act”),

including the Commissions Regulations and the Core Principles. Nodal Exchange has identified that the delisting of the dormant contracts indicated by amendments to Appendix A and Appendix C may affect the following Core Principles as follows:

Core Principle 6 – Emergency Authority: There is no open interest in these contracts, and therefore there will be no market disruption related to their delisting.

Core Principle 7 – Availability of General Information: The Exchange is posting on its website ([www.nodalexchange.com](http://www.nodalexchange.com)) the delisting of the contracts, including the contract specifications for the delisted contracts. Upon delisting, the terms and conditions of these contracts will no longer be available on the Nodal Exchange Rulebook Appendix A – Contract Specifications or Appendix C.

Pursuant to Section 5c(c) of the Act and the Commission’s Regulation 40.6, the Exchange certifies that the delisting of these contracts complies with the Act and the Commission’s Regulations thereunder. There have not been any opposing views expressed regarding these amendments.
