NEX SEF Submission No. 23-441**

To Whom It May Concern:

Pursuant to Section 5c(c) of the Commodity Exchange Act (“CEA”) and Section 40.6(a) of the regulations of the Commodity Futures Trading Commission (“CFTC” or “Commission”), NEX SEF Limited (“NEX SEF”) hereby notifies the Commission of modifications to NEX SEF’s Fee Schedule for the renewal of the LATAM EBS NDF Connectivity Incentive Program and expiration of the EBS on-SEF UK/US Crossover Market Maker Program (collectively, the “Programs”). These modifications will be effective on November 1, 2023.

The Programs are set forth in Appendix A, attached under separate cover, with additions underlined and deletions ~~overstruck~~. A clean version of the Programs is set forth in Appendix B, attached under separate cover. A request for confidential treatment of these changes is being simultaneously submitted to the Commission and a copy of that request for confidential treatment is included with this submission.

NEX SEF has reviewed the swap execution facility core principles (“Core Principles”) as set forth in the CEA and has determined that the Program complies with the requirements of impartial access in Core Principle 2 and Commission Regulation 37.202 because all fees and any discounts will be applied in an impartial, fair, and non-discriminatory manner, and the Program will be made transparent to all participants. In compliance with Core Principle 2 and Commission Regulation 37.200, the Program does not incentivize manipulative trading or market abuse or impact NEX SEF’s ability to perform its trade practice and market surveillance obligations under the Act, and Market Regulation staff will continue to monitor trading to prevent manipulative trading and market abuse. The Program also complies with the requirements for monitoring and trade processing in Core Principle 4 and Commission Regulation 37.401, and the recordkeeping and reporting requirements in Core Principle 10 and Commission Regulations 37.1000 and 37.1001. NEX SEF has implemented systems to track the program participants’ transactions to ensure proper fee discounts are applied.

NEX SEF certifies that the Program complies with the requirements of the CEA and the rules and regulations promulgated thereunder. There were no substantive opposing views to this proposal.

NEX SEF certifies that this submission has been concurrently posted on its website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
