RE: Certification Submission Pursuant to Regulation 40.6(a); Suspension of SPIKES Volatility Index Futures

Dear Mr. Kirkpatrick:

Pursuant to Commodity Exchange Act (“CEAct”) Section 5c and Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(a), the Minneapolis Grain Exchange, LLC (“MGEX” or “Exchange”) hereby certifies that the amendments to the listing schedule of the SPIKES Volatility Index Futures contract (the “Contract”) as listed in the below table (“the Proposed Amendments”) comply with the CEAct and the Commission regulations promulgated thereunder. MGEX further certifies that the submission and the Proposed Amendments have been posted on the Exchange website at the following links: <http://www.mgex.com/regulation.html> - <https://www.miaxglobal.com/markets/us-futures/mgex>.

Overview of Amendments

The Exchange will suspend trading and clearing of certain previously listed contract months indicated in the below table (the “Impacted Contract Months”) until further notice. As of the date of this submission, there is no open interest in the Impacted Contract Months.

The Exchange is implementing the suspension in light of the the United States Court of Appeals for the District of Columbia vacating the Securities and Exchange Commission’s exemptive order related to the Contract. Absent a revised order from the Securities and Exchange Commission, the Court order will go into effect at the beginning of 2024.
