**Re: Commission Regulation 40.6(a) – Rule Certification
LedgerX LLC Submission No. 23-02**

Dear Mr. Kirkpatrick:

LedgerX LLC (d/b/a FTX US Derivatives) (the “**Company**”) hereby notifies the Commodity Futures Trading Commission (the “**Commission**”), pursuant to Section 5c(c) of the Commodity Exchange Act (the “**CEA**”) and Commission Regulation 40.6(a), that it is certifying the attached amendments to the Company’s Designated Contract Market (“**DCM**”). The attached amendments will become effective within 10 business days hereof. The current estimated effective date is **November 30, 2023**.

A concise explanation and analysis of the changes and amendments, and their compliance with applicable provisions of the CEA, including the Core Principles and the Commission’s Regulations, are as follows.

The Company has removed references to LedgerPrime, since LedgerPrime is no longer an affiliate following the sale of the Company. These changes include the deletion of the definition of LedgerPrime in Rule 1.1, and the removal of LedgerPrime specific provisions at Rule 2.5. These revisions are consistent with DCM Core Principle 16 and CFTC regulations 38.850, 38.851, and Appendix B to Part 38 in that they properly address potential conflicts of interest in the decision making process of the Company.

The Company has also revised provisions pertaining to the constitution and composition of Disciplinary Panels, to provide for the formation of multiple different Disciplinary Panels, and to clarify that they may be composed of persons who are not Directors of the Company. Applicable changes may be found at Rules 2.6, 2.7E, 2.11, and 9.3. These revisions are consistent with DCM Core Principle 13 and CFTC Regulation 38.702 in that they establish one or more disciplinary panels that are authorized to fulfill their obligations.

Disciplinary Process changes has also been incorporated into these DCM Rulebook changes, including the following. Changes to Rule 9.1G expressly allow for all parties to be represented by counsel. Allowance of service by electronic mail under specified conditions is also described in revisions to Rules 9.4A, 9.5C, 9.5G, 9.5I, and 9.7A. The timing for examining evidence has been clarified at Rule 9.5B, and the process for reaching a settlement has been clarified at Rules 9.6A, B and C. These revisions are consistent with DCM Core Principle 13, CFTC Regulations 38.700 through 38.712, and Appendix B to Part 38 in that they establish

appropriate Disciplinary procedures.

The composition of various Committees of the Board of Directors has been clarified at Rules 2.8A and 2.11C.1 to expressly state that those Committees must be composed of at least 35% Public Directors. Additional Rule 2.11.A.1 clarifies that Disciplinary Panels must be at least 35% composed of persons who would be qualified to be Public Directors, even if they are not appointed as Public Directors of the Company, and describes other composition limitations to such Disciplinary Panels. These revisions are consistent with DCM Core Principle 16 and Appendix B to Part 38 in that they properly address potential conflicts of interest in the decision making process of the Company.

Rule 5.6, which describes the trading hours of the Company, has been revised to allow the Company more flexibility in its determination of trading hours. Additionally, Rules 12.7. and 12.8 have been revised to cross-reference the trading hours in Rule 5.6, consistent with other Contracts. Also, the last trading time in Rule 12.7 has been revised, as has the final payment day and time in Rule 12.8. These revisions are consistent with DCM Core Principles 2 and 9 in that they establish the procedures, terms and conditions for market participants to access and execute trades on the contract market.

Other minor corrections were made to the revised DCM Rulebook, including correcting various typographical errors.

The changes and amendments to the Rulebook are reflected in a redlined copy designated as **Appendix A**. The final version of the revised DCM Rulebook is attached at **Appendix B**.

The Company certifies that the above changes and amendments comply with the CEA and Commission Regulations thereunder. The Company additionally certifies that it has concurrently posted a copy of this submission letter and the attachments hereto on the Company website at <https://ledgerx.com/reg-notices>. The Company is not aware of any or substantive opposing views to the changes and amendments.

Please contact the undersigned at gc@ledgerx.com if you have any questions or you would otherwise like to discuss this further.

Sincerely,

Brian G. Mulherin
