**Re: Amendments to the USDX<sup>®</sup> Market Maker Program  
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits by written certification, the terms of the new ICE Futures U.S. USDX Market Maker Program (“Program”), which are set forth in Exhibit A. The Program was launched in June 2023 and was scheduled to terminate on December 31, 2023. The Exchange believes that the recently launched Program has helped tighten markets in the covered products and that termination of the program may reduce liquidity. As such, the Exchange is extending the Program for two additional years; provided, however, that the Exchange in its sole discretion may cancel the Program prior to December 31, 2025. The extension will become effective on January 1, 2024. All other Program terms remain unchanged.

The Exchange certifies that the amended Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a notice of pending certification was posted on the Exchange's website. A copy of this submission may be accessed at (<https://www.theice.com/futures-us/regulation#rule-filings>). The Exchange is not aware of any opposing views with respect to the Program.
