RE: CFTC Regulation 40.6(d) Notification. Commodity Exchange, Inc. (“COMEX” or “Exchange”) Weekly Notification of Product Terms and Conditions Amendments. COMEX Submission No. 14-371

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), the Exchange submits this weekly notification of the following product terms and conditions amendments made effective during the week of August 18, 2014.

On Monday, August 18, 2014, the Exchange gave notice that effective at the close of trading on Wednesday, August 20, 2014, the Exchange would suspend the registration (warranting) of the ME Alcoa aluminum brand onto COMEX warrants for delivery against the Aluminum futures contract. As such, any unwarranted aluminum of ME Alcoa brand will no longer be deemed eligible at that time. Any currently registered (warranted) ME Alcoa aluminum or any ME Alcoa aluminum placed on warrant through Wednesday, August 20, 2014 will continue to be deliverable against the COMEX Aluminum futures contract until the warrant is cancelled. Once the warrant is cancelled, the material cannot be rewarranted. The marketplace was notified of these amendments via MKR08-18-14 Notice, which attached hereto as Exhibit A. The marketplace was also notified of these amendments via Special Executive Report #7154R, which is attached hereto as Exhibit B. Additionally, the Exchange amended the Service Provider spreadsheet in the Interpretations and Special Notices section of COMEX Rulebook Chapter 7 to reflect the suspension from further warranting and delisting of ME Alcoa Aluminum, which is attached under separate cover as Exhibit C.

If you require any additional information, please contact the undersigned at (212) 299-2200 or via e-mail at Christopher.Bowen@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
