Re: CFTC Regulation 40.6(a) Certification. Notification Regarding the Delisting of the Australian Coking Coal (Platts) Futures and Resulting Aggregation Change for the Australian Coking Coal (Platts) Low Vol Futures Contract. NYMEX Submission No. 14-300 (1 of 2)

Dear Ms. Jurgens:

New York Mercantile Exchange Inc. (“NYMEX” or “Exchange”) is notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is self-certifying the delisting of two (2) coal futures contracts effective immediately , as set out in the table below:

Product Name	CME Globex Code/Clearing Code	NYMEX Rulebook Chapter Number
Australian Coking Coal (Platts) futures	ACL	971
Australian Coking Coal (Argus) Low Vol futures	ACR	1110

These contracts will be delisted from CME ClearPort and Open Outcry, the venues on which they were listed. There is no open interest in these contracts.

The Australian Coking Coal (Platts) Low Vol futures contract (commodity code: ALW) is currently set to aggregate into the Australian Coking Coal (Argus) Low Vol futures contract. It should be noted that as a result of the delisting of the Australian Coking Coal (Argus) Low Vol futures contract, the Australian Coking Coal (Platts) Low Vol futures contract will aggregate into itself as reflected in Appendix B, attached under separate cover.

NYMEX business staff responsible for the delisting and the NYMEX Legal Department collectively reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“Act” or “CEA”). During the review, Exchange staff identified that the delisting may have some bearing on the following Core Principles:

- Emergency Authority: There is no open interest in these contracts, and therefore, there will be no market disruption related to the delisting.
- Availability of General Information: Notice will be made of the contracts’ delisting, and upon delisting, the terms and conditions of these contracts will no longer be available to the marketplace.

Pursuant to Section 5c(c) of the CEA and CFTC Regulation 40.6(a), the Exchange hereby certifies that the delisting of these contracts comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at Christopher.Bowen@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
