Mr. Christopher J. Kirkpatrick
Office of the Secretariat
Commodity Futures Trading Commission
Three Lafayette Centre
1155 21st Street, N.W.
Washington, D.C. 20581

**Re: CFTC Regulation 40.6(a) Certification. Addition of the CME Globex Electronic Trading Platform Venue for Basis Trade at Index Close (“BTIC”) Transactions and Administrative Amendments for Various Equity Index Futures Contracts.
CME Submission No. 23-073 (2 of 2)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME” or the “Exchange”) certifies to the Commodity Futures Trading Commission (“CFTC” or “Commission”) (1) the addition of the CME Globex electronic trading platform (“CME Globex”) for Basis Trade at Index Close (“BTIC”) transactions currently eligible for certain equity index futures contracts for submission for clearing via CME ClearPort listed in Table 1. below, and (2) administrative amendments to the equity index futures contracts listed in Table 1. below effective Sunday, March 12, 2023 for trade date Monday, March 13, 2023.

Table 1.

Contract Title	Rulebook Chapter	CME Globex and CME ClearPort Code	BTIC Code
S&P 500 Value Index Futures	356	SU	SUT
S&P 500 Growth Index Futures	355	SG	SGT
E-mini S&P Smallcap 600 Index Futures	368	SMC	SMT

Specifically, the Exchange will:

1. Amend Rules 35502.G. and 35602.G. (“Termination of Trading”) for the S&P Growth Index Futures and S&P Value Index Futures contracts to correct the termination of trading time from the Business Day before the 3rd Friday of the contract month to the 3rd Friday of the contract month; and
2. Amend Rules 35506.C. and 35606.C. (“BTIC Minimum Price Increments”) for the S&P Growth Index Futures and S&P Value Index Futures contracts to decrease the BTIC minimum price increment from 0.10 index points to 0.05 index points on both CME Globex and CME ClearPort. and
3. Implement conforming amendments to Rules 588.H. (“Globex Non-Reviewable Trading Ranges”) Table and 589. Special Price Fluctuation Limits and Daily Price Limits Table; and
4. Amend the last trade date (“LTD”) rule for BTIC transactions on E-mini S&P Smallcap 600 Index Futures contract from the 3rd Friday of the contract month to the Business Day before the 3rd Friday of the contract month; and

5. Implement an operational correction to the BTIC minimum price increment for the E-mini S&P Smallcap 600 Index Futures contract to reflect 0.05 index points to appropriately mirror Rule 36806.C. (“BTIC Minimum Price Increments”) (collectively, the “Rule Amendments”).

The addition of the CME Globex venue will align these contracts with other equity index futures contracts. The administrative amendments are corrections to the Exchange’s current practice.

Appendix A provides Rulebook Chapters 355 and 356 in blackline format. Appendices B and C provide CME Rule 588.H. and CME Rule 589. in blackline format, respectively. Appendix D provides the Exchange Fees.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the Rule Amendments may have some bearing on the following Core Principles:

Availability of General Information: The Exchange will release a Special Executive Report (“SER”) regarding the Rule Amendments. The SER will also be posted on the CME Group website.

Daily Publication of Trading Information: The Exchange will continue to publish contract trading volumes, open interest levels, and price information daily on its website and through quote vendors for the Contracts.

Prevention of Market Disruption: Trading in the Contracts will continue to be subject to the rules of the Exchange, which include prohibitions on manipulation, price distortion, and disruption to the cash settlement process.

Compliance with Rules: The Exchange will continue its normal practice to establish, monitor, and enforce compliance with the rules of the Contracts.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to the proposal.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
