Re: CFTC Regulation 40.6(a) Certification. Expansion of the Listing Schedule of the Molybdenum Oxide (Platts) Futures Contract. COMEX Submission No. 23-146

Dear Mr. Kirkpatrick:

Commodity Exchange, Inc. ("COMEX" or "Exchange") is certifying to the Commodity Futures Trading Commission ("CFTC" or "Commission") the expansion of the listing schedule of the Molybdenum Oxide (Platts) Futures contract (the "Contract") for trading on the CME Globex electronic trading platform ("CME Globex") and for submission of clearing via CME ClearPort effective Sunday, April 2, 2023, for trade date Monday, April 3, 2023, as more specifically described in the table below.

Contract Title	CME Globex and CME ClearPort Code	Rulebook Chapter	Current Listing Schedule	Expanded Listing Schedule
Molybdenum Oxide (Platts) Futures	МОХ	649	Monthly contracts listed for twelve (12) consecutive months. Add a new contract month after the nearby expiry.	Monthly contracts listed for the current year and the next year. Monthly contracts for a new calendar year will be added following the termination of trading in the December contract of the current year.

By way of background, the Exchange launched the Contract for trading on Monday, March 13, 2023 (see <u>NYMEX Submission No. 23-063</u> dated February 23, 2023).

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act") and identified that the expansion of the listing schedule of the Contract may have some bearing on the following Core Principles:

• Availability of General Information: COMEX will issue a Special Executive Report ("SER") to the

marketplace regarding these amendments. The SER will also be posted on the CME Group website.

- <u>Daily Publication of Trading Information</u>: COMEX will continue to comply with this Core Principle by making public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contract which will be published daily on the Exchange's website.
- <u>Compliance with Rules:</u> The Exchange shall continue its normal practice to establish, monitor, and enforce compliance with the rules of the Contract, including the expansion of the listing schedule of the Contract.
- <u>Execution of Transactions:</u> The Exchange will continue its current practice of providing a competitive, open, and efficient market mechanism for executing transactions in the Contract.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the expansion of the listing schedule of the Contract complies with the Act, including regulations under the Act. There were no substantive opposing views to the proposal.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at http://www.cmegroup.com/market-regulation/rule-filings.html.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at <u>CMEGSubmissionInquiry@cmegroup.com</u>.

Sincerely,

/s/ Christopher Bowen Managing Director and Chief Regulatory Counsel
