**Re: CFTC Regulation 40.6(a) Certification. Notification Regarding Amendments to the Holiday Schedule for the Mini Brent Financial Futures Contract. NYMEX Submission No. 20-159**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is certifying to the Commodity Futures Trading Commission (“CFTC” or “Commission”) amendments to the holiday schedule for the Mini Brent Financial Futures contract (Rulebook Chapter 992; Code MBC) (the “Contract”) to align with the holiday schedule for the ICE Brent Crude Oil contract effective on Sunday, May 3, 2020 for trade date Monday, May 4, 2020.

The Contract was previously set up to expire following the U.S. holiday calendar, and consequently, this will be adjusted to conform with the ICE energy holiday schedule for the last trading day. The Exchange is inserting additional language in Rule 992102.A. (“Trading Schedule”) to clarify that the trading calendar will conform to the ICE energy holiday schedule.

There are three expiry dates on the last day of the contract month that will be adjusted to follow the ICE energy holiday schedule to ensure the contracts will mirror the ICE Brent contract, as follows: May 2021, and Aug 2026. There are open positions in these contract months.

Also, at this time, the Exchange is implementing additional administrative corrections to reference the accurate underlying contract as well as amendments to harmonize the disclaimer rule of the rulebook chapter of the Contract with other NYMEX product rulebook chapters and correct (collectively, the “Rule Amendments”).

The Rule Amendments are provided in Exhibit A below with additions underscored and deletions ~~struck through~~.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the amendments may have some bearing on the following core principles:

- **Availability of General Information**: The Exchange will publish information on the change via a Special Executive Report (“SER”) to notify the marketplace of the Rule Amendments. The SER will also be posted on the CME Group website.
- **Daily Publication of Trading Information**: The Exchange shall make public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contracts.

Pursuant to Section 5c(c) of the CEA and CFTC Regulation 40.6(a), the Exchange hereby certifies that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or e-mail [CMEGSubmissionInquiry@cmegroup.com](mailto:CMEGSubmissionInquiry@cmegroup.com).

Sincerely,

/s/Christopher Bowen
