**Re: CFTC Regulation 40.6(a) Certification. Notification of Amendments to CME Chapter 358 Regarding Basis Trade At Cash Open (“TACO”) Transaction Eligibility to the E-mini Standard and Poor’s 500 Index Futures Contract.
CME Submission No. 18-131**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME” or “Exchange”) hereby notifies the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it is self-certifying amendments to the E-mini Standard and Poor’s 500 Index Futures contract (the “Contract”) (Rulebook Chapter 358, Clearing, CME ClearPort and CME Globex Code: ES, TACO Code: ESQ) contracts to permit Basis Trade at Cash Open (“TACO”) transactions, effective on Sunday, May 13, 2018 for trade date Monday, May 14, 2018.

A TACO transaction is an Exchange futures transaction that is priced with reference to the next following regularly scheduled opening quotation (“SOQ”) of such futures contract’s underlying cash Index (the “Basis”). The Exchange is amending CME Rule 524. to adopt new Section C. - (“Basis Trade at Cash Open (“TACO”) Transactions”) to enable TACO transactions effective on trade date Monday, May 14, 2018. (See CME Submission No. 18-171 also dated April 19, 2018.) TACO transactions on the Contract may be executed on the CME Globex electronic trading platform and may be executed as block trades pursuant to the requirements of CME Rule 526. (“Block Trades”) and submitted for clearing via CME ClearPort with at a minimum block size threshold level of 500 contracts. (See Appendix D attached.)

Appendix A provides amendments to Rulebook Chapter 358 in blackline format. Appendix B provides amendments CME Rule 588.H. (“Globex Non-Reviewable Trading Ranges”) Table and CME Rule 589. (“Special Price Fluctuation Limits and Daily Price Limits”) Table to add TACO transactions to the respective rules. Appendix C provides the Exchange fee in connection with TACO transactions on the Contract. Appendix E sets for the trading and clearing hours for TACO transactions on the Contract.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the amendments may have some bearing on the following Core Principles:

Availability of General Information: The Exchange will publish information on the Contracts’ specification on its website, together with daily trading volume, open interest and price information. The Exchange shall disseminate a Special Executive Report (“SER”) regarding the rule amendments. The SER will also be posted on the CME Group website.

Daily Publication of Trading Information: Trading volume, open interest and price information will be published daily on the Exchange’s website and via quote vendors.

Compliance with Rules: The adoption of TACO transactions in Rule 524. Constitutes a term and condition of the Exchange products to which it applies, and is in compliance with the core principle.

Execution of Transactions: ; In connection with permitting TACO transactions in the Contract, CME will also permit block trading in the Contract at the same 500 contract block trade minimum threshold applicable to Basis Trade at Index Close (“BTIC”) block trades in the Contract..

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange certifies that the amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
