The reason for the emergency action is: The Nadex Weekly China 50 Binary contracts, based on the underlying SGX FTSE Xinhua China A50 Index Futures, were listed on Monday, June 3, 2019 with an expiration date of Friday, June 7, 2019. Due to a China holiday on June 7, 2019, the underlying SGX FTSE Xinhua China A50 Index Futures will not be available on that day. Accordingly, Nadex is amending the expiration date of its Weekly China 50 Binary contracts to June 6, 2019, in order to coincide with the early close in the underlying market. No open interest existed in the Weekly China 50 Binary contract at the time of this change, and therefore no market participant will be negatively impacted.
