The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“Act” or “CEA”) and identified that the Rule Amendments may have some bearing on the following Core Principles:

- **Availability of General Information:** The Exchange will continue to publish information on the Contract’s specifications on its website, together with daily trading volume, open interest and price information. In addition, the Exchange will advise the marketplace of these Rule Amendments by releasing a Special Executive Report (“SER”). The SER will also be posted on the CME Group’s website.
- **Publication of Trading Information:** NYMEX will continue to comply with this Core Principle by making public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contracts. This will be accomplished by publishing this information on a daily basis on the Exchange’s website.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please e-mail CMESubmissionInquiry@cmegroup.com or contact the undersigned at (212) 299-2200.
